

ETIQUETTE

Name _____

Date _____

Etiquette refers to the customs and rules of behaviour that are considered correct in social life, or in the presence of others. For example, today it is considered bad manners to have a mobile phone switched on at a concert.

Look at the panel 'In Leisurely Style'. Identify some points of etiquette that applied to Margaret Hamersley and her family.

Think about the etiquette that is expected in today's society. List some of the rules of behaviour that apply to you and your family.

Suggest reasons for the changes in etiquette over the years.
