

## Shire of York - York Ward - Councillor

### WALTERS, Tricia

On behalf of the Community served one term as Shire of York Councillor.

Completed Councillor training.

Successfully lobbied for:-

W.A Greens Policy opposition to rubbish dump

York Hospital upgrade

Funding for Emergency Doctor

Also raised over \$4,000 for the Royal Flying Doctor Service

Membership of :

York Hospital Advisory Group (Secretary)

District Health Advisory Council

Health Consumer's Council Board

Since 01 July 2015 the way Health care is funded has changed and the community **must be** consulted to ensure that the best health outcome is achieved for

Aged Care

HACC Services

Passenger Assisted Transport

Mental Health

I believe that York needs to look carefully at Budget expenditure to support health, tourism, sports clubs and infrastructure to obtain the best financial outcome for ratepayers.

If elected I will continue to serve the community with dignity, integrity and impartiality and promote consumer consultation and participation.
