

Aboriginal art floor jigsaw puzzle hands-on activity

This activity involves participants in:

Cognitive and hand-eye co- ordination

Encourages close examination and appreciation of the design as participants have to complete the design on the missing pieces.

Comparison with the original artworks by Mr. Saul Yarran on the panels 'Welcome to Ballardong Country' and 'Guerilla Warfare' can be made to stimulate discussion about aesthetic style and cultural symbolism.

It can be useful to do this activity before the 'Make Your Own Sand Picture' activity outside
