

Candidate Details

District	Shire of York
Candidate Name	Jane Ellen FERRO
Ballot Paper Name	FERRO, Jane
Nominating for	Councillor
Election Type	Ordinary

FERRO, Jane

York's been my home for 14 years. I now live on a small rural property outside of town.

My background is diverse. I taught at primary & tertiary levels, finishing as a Music Specialist. I've been involved in small businesses, including managing Settlers Gift Shop for 4½ years. This led to a desire to contribute to the development and well-being of the community, serving on Council from 2015–19 & since Sept 2020.

I currently represent the Shire on the York Hospital Advisory Group, Access & Inclusion Committee, River Conservation Society and attend events & functions.

If elected, I will continue to use my skills and expertise to give back to the community, working particularly to sustain York's heritage, country living & environment while promoting York's economic development & job creation.
