CRAWLEY, Nicholas

I have energy, enthusiasm and am passionate about York and have a strong desire to give something back.

I believe that a Councillor's role and duty is to work on behalf on the rate payers without fear or favour to provide the services and amenities they require.

My background is from leadership in roles in Multinational research and manufacturing businesses to owning my own Consulting and HR business and working within the industry over the past 40 years.

I have been successfully engaged to recruit CEO's and Directors of LGA's in both Metropolitan Perth and Regional areas. I consider I have a good understanding of business principles with the ability to determine priorities based on needs and costs.

I am passionate about our roads, streets, footpaths and drains throughout the Shire.
