Syd Bignell has been building strong relationships within York's lifestyle for over 3 years, Jill and I have just completed a major investment, with local trades building our forever home. I have previously nominated for Shire of York Council in 2020 and 2021, and the Shire of Mundaring in 2017. I hope to have enough support to strengthen our great community. As an emergency management professional, I engage well and respond/support within our local emergency services. This year, I have been engaged as a new member of the Board of Directors for our Community Resource Centre, focusing on managing future risk, new communications, business continuity and resilience. By now, readers will know whether we have been successful in returning this great service to our community. I will continue to support accessibility, local and regional business, lifestyle safety in our great community, through conversations, planning actions and communicating successes.

Thank you in advance.
