SY021-03/23	Development Application:	March	2023	Ordinary	260323	That, with regard to the Development Application: Demolition of old 'York Home Hardware' at Lot 4 (142) Avon Terrace, York, Council:

8.3	Title	Month	Year	Meeting Type	Resolution #	Resolution
	Demolition of old 'York Home Hardware' at Lot 4 (142) Avon Terrace, York					1. Approves the development application received from the York & District Co-Operative Ltd for the proposed demolition of all buildings on Lot 4 (142) Avon Terrace, York, subject to the following conditions: a. Development must be substantially commenced within twelve (12) months from the date of this decision. b. Development must take place in accordance with the stamped approved plans. c. All demolition waste shall immediately be disposed of at an approved waste management facility. The stock piling of any waste on the land is not permitted. d. Demolition works shall not impact on the amenity of the neighbourhood. Dust suppression measures to the satisfaction of the Shire of York shall be employed at all times during and after the proposed demolition works to minimise any potential dust impacts on neighbouring properties. e. A dilapidation survey of York & District Co-Operative and Quarters on Lot 5 (No. 138) Avon Terrace, York shall be prepared by a suitably qualified professional and submitted to the Shire of York for its information and records prior to any demolition works being undertaken. f. A program of monitoring any structural movement and potential vibration impacts on York & District Co-Operative and Quarters on Lot 5 (No. 138) Avon Terrace, York shall be implemented at the commencement of works to the satisfaction of the Shire of York. The Shire of York shall be notified immediately if any impact occurs on this property and advised of a recommended course of action by a suitably qualified structural engineer for consideration and determination by the Shire in consultation with the Heritage Council of Western Australia. g. An interpretive plaque is to be placed on the site to the satisfaction of the Shire of York within sixty (60) days of completion of all demolition works or a longer period approved by the Shire's Chief Executive Officer. h. The property the subject of this approval shall not be developed and/or used for any purpose whatsoever without the Shire of York's formal development approval. i. Temporary fencing to the specifications and satisfaction of the Shire of York shall be provided along all unfenced lot boundaries within fourteen (14) days of completion of all demolition works to prohibit access and parking until such time as the land is approved to be developed and/or used for an alternative purpose. ADVICE NOTES: Note 1: If the development the subject of this approval is not substantially commenced within a period of twelve (12) months, or another period specified in the approval after the date of determination, the approval will lapse and be of no further effect. Note 2: Where an approval has lapsed, no development must be carried out without the further approval of the local government having first been sought and obtained. Should the approval period lapse, a new planning application with relevant retrospective fees may be required by the Shire of York. Note 3: If the applicant or owner is aggrieved by this determination, there is a right of review by the State Administrative Tribunal in accordance with the Planning and Development Act 2005 Part 14. An application must be made within twenty-eight (28) days of the determination.

SY061-07/24	Development Application - Construction of Barn Style Shed House and Over Height Outbuilding - Lot 77 (78) Newcastle Street, York	July	2024	Ordinary	030724	That, with regard to the Development Application - Construction of Barn Style Shed House and Over Height Outbuilding - Lot 77 (78) Newcastle Street, York, Council: 1. Approves the development application for the construction of a Barn Style Shed House and Over Height Outbuilding at Lot 77 (78) Newcastle Street, York, subject to the following conditions: a. The development hereby approved shall be substantially commenced within two (2) years of the date of this decision notice unless otherwise approved by the local government. b. The development hereby approved shall be undertaken in accordance with the signed and stamped approved development plans enclosed, including any notes placed thereon in red by the local government and except as may be modified by the following conditions. c. Any additional development which is not in accordance with the application the subject of this approval or any condition of approval will require the further approval of the local government. d. The proposed development shall be connected to reticulated electricity and water supply infrastructure to the specifications and satisfaction of the relevant service providers prior to its occupation and use. e. An adequate on-site effluent disposal system, as determined by the local government's Environmental Health Officer, shall be installed with all such work to be undertaken to the specifications and satisfaction of the local government's Environmental Health Officer prior to occupation and use of the proposed development. f. All stormwater drainage from the proposed development shall be managed and disposed on-site to the specifications and satisfaction of the local government unless otherwise approved by the local government. g. Prior to occupation of the development, a vehicle crossover shall be constructed along the land's primary street frontage to the specifications and satisfaction of the local government. Advice Note 1. If the development the subject of this approval is not substantially commenced within a period of two (2) years, or another period specified in the approval after the date of determination, the approval will lapse and be of no further effect. 2. Where an approval has lapsed, no development must be carried out without the further approval of the local government having first been sought and obtained. Should the approval period lapse, a new planning application with relevant retrospective fees may be required by the Shire of York. 3. This is a development approval of the Shire of York under its Local Planning Scheme No. 3. It is not a building permit or an approval to commence or carry out development under any other law. It is the responsibility of the applicant/landowner to obtain any other necessary approvals, consents, permits and licenses required under any other law, and to commence and carry out development in accordance with all relevant laws.

						4. If the applicant or owner is aggrieved by this determination, there is a right of review by the State Administrative Tribunal in accordance with Part 14 of the *Planning and Development Act 2005*. An application must be made within twenty-eight (28) days of the determination. 5. In accordance with the *Building Act 2011* and *Building Regulations 2012*, a building permit application must be prepared, submitted to and approved by the local government's Building Surveyor prior to the commencement of any demolition, construction or earthworks on the land. Please contact the Shire's Building Surveyor for further information. 6. Failure to comply with any of the conditions of this development approval constitutes an offence under the provisions of the *Planning and Development Act 2005* and the Shire of York Local Planning Scheme No. 3 and may result in legal action being initiated by the local government. 7. An 'Application to Construct or Install an Apparatus for the Treatment of Sewage' prepared pursuant to the specific requirements of the *Health (Treatment of Sewage and Disposal of Effluent and Liquid Waste) Regulations 1974* must be prepared and submitted to the local government's Environmental Health Officer for consideration and determination prior to preparation and lodgement of a building permit application. 8. An application to construct a new crossover is required pursuant to Regulation 12 of the *Local Government (Uniform Local Provisions) Regulations 1996*

SY058-06/25	Development Application - Animal Establishment and Ancillary Tourist Use (Private Farm Tours) - Lot 1849 (3460) Great Southern Highway, St Ronans	June	2025	Ordinary	040625	That, with regard to the Development Application - Animal Establishment and Ancillary Tourist Use (Private Farm Tours) - Lot 1849 (3460) Great Southern Highway, St Ronans, Council: 1. Approves the development application for an Animal Establishment and Ancillary Tourist Use (private farm tours) at Lot 1849 (3460) Great Southern Highway, St Ronans, subject to the following conditions: a. The development shall be carried out in accordance with the approved plans and supporting documentation, including the submitted Animal Establishment Management Plan (AEMP), to the satisfaction of the Shire of York. b. Farm tours shall operate by appointment only, with a maximum of two (2) sessions per day, limited to Fridays, Saturdays, and Sundays between the hours of 8:30am–10:00am and 3:30pm–5:00pm. c. Each tour shall be limited to one (1) family or small group to maintain low visitor volumes and minimise potential impacts on rural amenity. d. The use approved is for Animal Establishment and Ancillary Tourist Use (private farm tours) only. No events, functions, or accommodation are permitted under this approval. e. All waste generated by the operation, including animal waste, visitor waste, and general operational waste, shall be managed in accordance with the AEMP. Manure is to be composted on-site or removed to an approved facility. Visitor waste shall be contained and disposed of at the York Waste Disposal Site. f. The operation shall not cause nuisance through noise or odour emissions. The applicant shall implement odour and noise mitigation measures as outlined in the AEMP and shall respond promptly to any substantiated complaints received by the Shire of York.

8.3	Title	Month	Year	Meeting Type	Resolution #	Resolution
						g. The applicant shall be responsible for the maintenance of the section of the private carriageway used to access the property (identified in the application) to ensure it remains in a safe and trafficable condition. h. Prior to attending the site, all visitors shall be required to acknowledge a Road Use Agreement advising them of private access conditions, speed limits (maximum twenty (20) km/h), and respectful conduct while travelling the easement. i. Biosecurity and animal health protocols must be implemented and maintained at all times in accordance with industry best practice and the AEMP. j. No signage is permitted as part of this approval. Separate development approval is required for any proposed signage under the Shire's Local Planning Scheme No. 3. k. The applicant shall maintain a log of any complaints received relating to the operation of the business and shall provide a copy to the Shire upon request. Complaints must be responded to within ten (10) business days in accordance with the AEMP. l. The operation of the Animal Establishment and Ancillary Tourist Use shall comply with the WA Department of Health's Petting Zoo Guideline (2020), including but not limited to: i. Provision of adequate handwashing and/or hand sanitising stations at points of animal contact and prior to consumption of food; ii. Prominent signage advising visitors to wash or sanitise hands after contact with animals; iii. Supervision of animal interactions to ensure safe handling by visitors; and iv. Regular cleaning of animal enclosures, pathways, and visitor areas to maintain hygienic conditions and prevent the spread of zoonotic disease. m. The applicant shall provide and maintain an accessible ablution facility on-site for the use of visitors. The facility must: i. Be clearly signposted and accessible to individuals with disabilities in accordance with AS 1428.1 – Design for Access and Mobility; ii. Be located within reasonable walking distance from visitor activity areas; iii. Be connected to an approved wastewater disposal system; and iv. Be regularly cleaned, stocked, and maintained in a sanitary condition to the satisfaction of the Shire of York. n. Prior to the commencement of the approved use, suitable arrangements shall be made with Main Roads Western Australia for the upgrading of the vehicular crossover to the Easement that provides access to the property. ADVICE NOTES: Note 1: The applicant is encouraged to maintain clear communication with neighbouring landowners to manage amenity and access expectations. Note 2: This approval is not an authority to ignore any constraint to development on the land which may exist through contract or on title, such as an easement or restrictive covenant. It is the responsibility of the applicant/landowners and not the Shire to investigate any such constraints before commencing development. This approval will not necessarily have regard to any such constraint to development, regardless of whether or not it has been drawn to the Shire's attention.

8.3	Title	Month	Year	Meeting Type	Resolution #	Resolution
						Note 3: If the applicant or owner is aggrieved by this determination, there is a right of review by the State Administrative Tribunal in accordance with the *Planning and Development Act 2005* Part 14. An application must be made within twenty-eight (28) days of the determination. Note 4: This is a development approval of the Shire of York under its Local Planning Scheme No. 3. It is not an approval to commence or carry out development under any other law. It is the responsibility of the applicant/landowner to obtain any other necessary approvals, consents, permits and licenses required under any other law, and to commence and carry out development in accordance with all relevant laws. Note 5: Failure to comply with any of the conditions of this development approval constitutes an offence under the provisions of the *Planning and Development Act 2005* and the Shire of York Local Planning Scheme No. 3 and may result in legal action being initiated by the local government. Note 6: The applicant is advised that the accessible ablution facility should be designed and constructed in accordance with the requirements of AS 1428.1 – Design for Access and Mobility, and must comply with relevant provisions of the National Construction Code (NCC) and the *Health (Miscellaneous Provisions) Act 1911*. Note 7: The applicant is advised that the operation of the animal interaction component of the development must comply with the WA Department of Health's Petting Zoo Guideline (2020), which provides best practice guidance for hygiene, animal handling, risk management, and public safety in petting zoo environments. The guideline is available at: www.health.wa.gov.au/Petting-Zoo. Compliance with this guideline will assist in reducing the risk of zoonotic disease transmission and improve visitor safety. Note 8: Any signage proposed to be installed on or visible from the Great Southern Highway (Chidlow York Road) requires separate approval from Main Roads Western Australia.
