WRIGHT Peter

Peter Wright's Story -

I am a hard-working team player, passionate about doing the right thing, loyal to the York community, trustworthy to get the job done, and a reliable individual who is willing and ready to be your next representative on the York Shire Council.

I felt very welcomed by the York Community when I arrived in 2012 as a teacher. Became a footy coach for the under 11's that year and Club President the following year. I was vice-president of the tennis club. For the past two years, I have been the secretary of the York Bowling Club.

With my five years' experience as a Belmont City councilor, I understand the requirements needed to represent the community of York to the best of my ability. I would like to be given the opportunity to represent you and your family.

Cheers Peter
