There are two payment options available to ratepayers within the Shire of York.

- Payment in full
- Payment by four instalments

2026/27 PAYMENT DATES

PAYMENT IN FULL:	13 OCTOBER 2026
1ST INSTALMENT:	13 OCTOBER 2026
2ND INSTALMENT:	14 DECEMBER 2026
3RD INSTALMENT:	15 FEBRUARY 2027
4TH INSTALMENT:	16 APRIL 2027

Ratepayers who pay current rates in full on or before 13 October 2026, with no outstanding rates and charges will qualify for a 1.5% discount applicable to the rates component only.

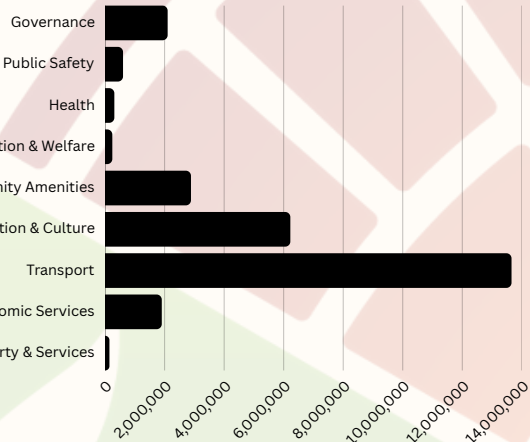

If you require an alternative payment arrangement, please contact the Shire Administration to discuss available options.

The instalment option is only available for balances above \$200 where all arrears and interest are paid prior to, or as part of the first instalment. An instalment reminder notice will be issued no less than 28 days before each instalment is due.

Interest will apply to all outstanding balances at the rate of 11% per annum, calculated daily.

The Shire of York encourages ratepayers who are experiencing difficulty making payments, to contact the Shire Administration early to discuss payment options. The Shire's Hardship Policy is available to view on the website.

Further documents relating to the 2026/27 Budget can be accessed by scanning the QR code below or by visiting the Shire's website: www.york.wa.gov.au

Roads – \$1,952,940

Includes the Quellington Road project, \$998,240 from the Regional Road Group for the next stage of road construction, \$476,700 in Blackspot safety upgrades on Greenhills Road, and resheeting works on Wambyn Road, reconstruction on Mokine Road, and various reseals.

Light Industrial Area – \$463,737

This funding covers detailed designs, land acquisitions and service relocation so we can be ready to tender for construction early 2027.

An instalment of \$3,150,000 has been received from Main Roads Western Australia for road network improvements.

Aquatic Facility Renewal – \$650,000

Funding will go towards a new pool design at the Forrest Oval Recreation Site and a Business Case to attract major project funding.

Re-Imagine Macartney Street – \$325,000

Macartney Street will be transformed from a car dominated thoroughfare into a welcoming, people first destination at the heart of York.

Tyre Recovery Collection Shed – \$132,410

Upgrades to the York Waste Transfer Station to manage discarded tyres. The Drop & Roll Tyre program funding of \$75,000 has been allocated to the project.

Town Hall – \$195,029

State Government support for important maintenance to our historic Town Hall, and a condition report on the flooring to guide future works.

YOUR RATES AT WORK

*So, where does
the money go?*

Your rates help keep York moving, growing,
welcoming and looking after the places we all value.
