

Residency Museum - Contemporary Collecting

COVID 19 - YORK

Help our collection initiative!

It would be hard to find anyone in York who has not been affected in some way by the COVID 19 emergency.

We want to capture this historic moment with all its challenges, reflective moments, fears, strains, humour, absurd moments and creative endeavours.

We want to make sure that your voice is captured and collect as many everyday experiences as possible.

Send us your story and photos of your experiences with COVID 19.

What is contemporary collecting?

Contemporary collecting

- means that Museums engage with current issues and create a space for conversation.
- enables Museums to stay relevant and provide a legacy for future generations.
- ensures that many stories are captured and not lost to history.
- acknowledges that society is constantly evolving.
- reflects all aspects of the society they represent, not just the past.
- provides links between the past and today.
- is a snapshot of what is new, what is changing and what is happening **NOW**.

We will treat your material with the same ethical consideration and in accordance with our collection policy.

Submit your story (not more than 300 words) and/or photo with your name to

<mailto:museum@york.wa.gov.au>
