York deserves a voice devoted to progress, transparency, and genuine representation of all our community members.

I have built a career across many diverse roles ranging from Special Needs Education, working with youth at risk, small business in agriculture, to community services. I quickly earned a reputation as a hard worker, a problem-solver, a great listener, a go getter and reliable. My can-do attitude and hands-on approach, combined with leadership experience, reflects my ability to listen and take decisive action when required. I have always been dedicated to the values of fairness, respect and integrity. I have fostered a collaborative spirit that bridges differences and welcome everyone to the conversation.

I believe supporting local businesses, enhancing community facilities, and preserving the character of our town will help our community grow.

With experience and shared values, I seek to ensure York remains a welcoming, family friendly place for generations to come.
