District	Shire of York
Nominating for	Councillor for Shire of York
Election type	Ordinary
Enrolment status	LOCKYEAR, Larry is eligible to stand for election as a resident of the Shire of York.

Lived in York for the past 20 years. Married to Margaret for 43 years.

I seek election to council to bring about a positive and respectful working relationship between the community, council and other committee members and local government employees.

I have been involved in legal and semi legal matters all my life. I was an officer in the WA Police force. I left the WA Police force to take up a position with the Perth City Council as a special police constable, working in their fines area and regulation enforcement.

I have also successfully run small businesses whilst being an active JP for 38yrs, a prison visitor for 8yrs, and a member of the Children's Court for 24yrs. I am a committee member of the York Society, and past member of Sonshine Radio, and Eastern Hills Councillor and RSPCA. I can easily understand rules and regulations.

I have no personal issues prompting my nomination - I would like the opportunity to assist ratepayers in the proper and efficient running of our Shire.

Additional Information

I have been asked for many years to consider standing as a councillor for the Shire of York. I feel now is a time when I can spare the time and efforts needed to perform these duties to the best of my ability. I have always worked within structured organisations each with their own sets of rules and regulations. I am passionate about small business and have run several small businesses in the past. I also believe in volunteer work and have given freely of my time in the past - and currently. I was chosen as one of several J'sP who were chosen to be appointed as members of the WA Children's Court being able to perform the function of a judicial member when required. My JP work has seen me work within the prison system, and also as a JP at the East Perth Police lock-up. I was appointed to oversee a report into animal welfare within WA by the RSPCA when I was a member with that organisation. I am a committee member of the York Historical Society and also a member of the Parish Council of the Holy Trinity Anglican Church of York, and church warden. I have no agenda or preconceived ideas about a role as councillor if elected, I merely wish to contribute to the running of the shire where and when possible, importantly working as part of a team trying to achieve the best results for everyone.
