The York Business and Community Directory produced by the York Business Association.

On 1st December, the YBA Committee took responsibility for the completion of this Directory, which has largely fallen on our Administration Co-ordinator, Bronwyn Johnston. She has carried this out with her usual diligence and efficiency. On behalf of the YBA Committee, thank you, Bronwyn. Prior to this, the preliminary work in putting the Directory together was completed by our immediate past President, Karen Thomas, and her efforts are appreciated.

We are aware that the format of the Directory has been the subject of discussion and we will welcome feedback from members in the next month or so. A questionnaire will be emailed and a decision made as to its format for future editions, based on members' opinions.

Over the coming year, we will focus on our aim of providing support to the business owners of York via a series of forums and networking events. We wish for these business owners to become better informed and better connected as a result of their membership of the YBA.

You may have noticed that the Committee has decided on a new logo. It is designed to be a simple, yet effective representation of our desire to connect with local businesses.

While our soon-to-be launched website will allow us to communicate with members, communication is a two-way process. As such, we can only truly work on behalf of members with your feedback, which will be welcome.

In the meantime, I appreciate your support.

Thank you.

John Matthew
President

Did you know that the York Business Association is a very proud member of the Regional Chambers of Commerce & Industry of WA (RCCIWA). A member driven not-for profit incorporated association, RCCIWA is essentially a Chamber for all regional business organisations in WA. With 46 regional chambers, business associations and business networks as members – they inform, support, connect and advocate for their members (like YBA). So, by being a member of the YBA, you are also gaining support and a voice to ensure all regional businesses in WA are heard.

With regular informative newsletters, monthly online meetings, twice yearly members forums, advice and guidance, a dedicated resource hub, a grant and funding service, plus many other services and support offerings, RCCIWA supports the YBA so we can better support and serve our members.

Voice – are the voice of regional Business in Western Australia. Advocating for and on behalf of our members collectively and individually, ensuring their views, issues and priorities are heard.

Connect - they connect their members to each other, and the people and information they need to support their members. They are a well-regarded, strong, connected and engaged state-wide network of regional business organisations in WA.

Inform & Support – They deliver the resources and guidance that their members need to grow and support their organisation and their members.

They are the Chamber for all Chambers, Business Networks and Business Associations in regional WA, and the voice of business in Regional WA.

Message from Lachlan Hunter MP, Member for Central Wheatbelt

Welcome to the 2026 York Business Directory - an outstanding local resource that showcases the strength, diversity and spirit of our community. The Directory is an invaluable tool for both residents and visitors - making it easier to find and support local businesses, services and trades across the region.

For local business owners, being part of the York Business Directory means greater visibility and connection within the community. It helps keep local dollars local, supports

employment and strengthens the economic fabric of our towns.

I encourage everyone to use the Directory, recommend it to others, and continue supporting the many hardworking small businesses that make the York region such a great place to live and work.

As your Member for Central Wheatbelt, I'm here to help. Please don't hesitate to contact my offices in Northam 9622 2871 or Merredin 9041 1702 at any time if I can be of assistance to you, your family or your business.

Lachlan Hunter MP

York Bushland Garden

The York Branch of the Wildflower Society promotes water wise gardening through the propagation & sale of native plants by members who also maintain the Grey St Bushland Garden & the Seed Orchard along the Avon River.

Members also offer guided tours, conduct propagation & seed collection workshops, host speakers & work with the Shire on outdoor projects.

Members meet at the garden Tuesday mornings 8am-10am (summer), 9am-11am (winter). Volunteers & visitors welcome.

Come and join us, weeding, pruning, watering etc to see what we are all about.

With something always in flower in the garden & seed orchard plus interesting Art, a picnic area, (& our amazing composting toilet)! this is a great space to relax in anytime at all.

York Police Blue Light Unit

York Police Blue Light unit is managed by York Officers.

The key objectives of the unit are.

- Getting young people active in life
- Working with young people to develop their skills, character and leadership
- Reducing and preventing anti-social behaviour and crime by and against young people
- Providing a safe environment for young people
- Engaging with young people on their terms
- Working effectively and constructively with key community stakeholders and other organisations.

We encourage all young people living in our local community to get involved in our events facilitated year-round.

Stay up to date with all things York Blue Light Unit on Facebook.

York Roos 2026 Football & Netball Season

The 2026 season is right around the corner, and the York Roos are excited to get back out on the field and court for another year of football and netball.

Running from April through to September, the season is set to bring plenty of action, team spirit and community fun. It's the perfect chance for anyone interested in playing senior football or netball to get involved and enjoy everything that comes with being part of the Roos family.

More than just sport, the Roos are about connection, mateship and community pride. From game days to club events, it's a welcoming environment where everyone is encouraged to get involved, give it a go and be part of the blue and gold spirit.

If you'd like to find out more about the upcoming season, you can reach out to the club at yorkroosfc@gmail.com.

GREAT THINGS ARE HAPPENING IN YOUR AREA

We are making changes to the nbn network in your community. These changes are essential to Australia's growth and mean you could experience improved connectivity with faster internet speeds, increased reliability and more choice.*

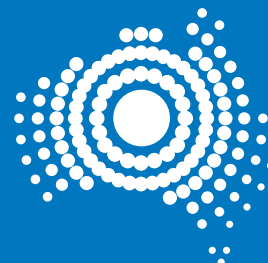

CHECK ELIGIBILITY

To check whether your home or business is eligible to upgrade, check your address on our website at nbn.com.au and register for updates.

*Your experience, including the speeds actually achieved over the nbn network, depends on the nbn network technology and configuration over which services are delivered to your premises, whether you are using the internet during the busy period, and some factors outside our control (like your equipment quality, software, broadband plans, signal reception and how your service provider designs its network). Speeds may be impacted by the number of concurrent users on nbn's Fixed Wireless network, including during busy periods.
