

NOTICE OF MEETING

Dear Councillors

I respectfully advise that the ORDINARY COUNCIL MEETING will be held in Council Chambers, York Town Hall, York on Tuesday, 22 April 2025, commencing at 5:00pm.

MEETING AGENDA ATTACHED

ALINA BEHAN
ACTING CHIEF EXECUTIVE OFFICER
Date: 11 April 2025

The Agenda Briefing will be held in Council Chambers on:

Tuesday 15 April 2025
commencing at 5.00pm.

Agenda Briefings are open to the public and those interested are encouraged to attend.

☛ PLEASE READ THE FOLLOWING IMPORTANT DISCLAIMER BEFORE PROCEEDING ☛

Any plans or documents in Agendas and Minutes may be subject to copyright. The express permission of the copyright owner must be obtained before copying any copyright material.

Any advice provided by an employee of the Shire of York on the operation of a written law, or the performance of a function by the Shire of York, is provided in the capacity of an employee, and to the best of that person's knowledge and ability. It does not constitute, and should not be relied upon, as a legal advice or representation by the Shire of York. Any advice on a matter of law, or anything sought to be relied upon as a representation by the Shire of York should be sought in writing and should make clear the purpose of the request.

Any decisions made at a Meeting can be revoked in accordance with Regulation 10 of the *Local Government (Administration) Regulations 1996*. Therefore, members of the public should not rely on any recommendations in an Agenda or a decision made at a Meeting until formal notification in writing from the Shire of York has been received.

Local Government Act 1995**Part 1 Introductory Matters****1.3. Content and intent**

- (1) This Act provides for a system of local government by —
 - (a) providing for the constitution of elected local governments in the State;
 - (b) describing the functions of local governments;
 - (c) providing for the conduct of elections and other polls; and
 - (d) providing a framework for the administration and financial management of local governments and for the scrutiny of their affairs.
- (2) This Act is intended to result in —
 - (a) better decision making by local governments;
 - (b) greater community participation in the decisions and affairs of local governments;
 - (c) greater accountability of local governments to their communities; and
 - (d) more efficient and effective local government.

Part 2 Constitution of Local Government**Division 2 Local Governments and Councils of Local Governments****2.7 The Role of Council**

- (1) The council governs the local government's affairs and, as the local government's governing body, is responsible for the performance of the local government's functions.
- (2) The council's governing role includes the following —
 - (a) overseeing the allocation of the local government's finances and resources;
 - (b) determining the local government's policies;
 - (c) planning strategically for the future of the district;
 - (d) determining the services and facilities to be provided by the local government in the district;
 - (e) selecting the CEO and reviewing the CEO's performance;
 - (f) providing strategic direction to the CEO.
- (3) For the purpose of ensuring proper governance of the local government's affairs, the council must have regard to the following principles —
 - (a) the council's governing role is separate from the CEO's executive role as described in section 5.41;
 - (b) it is important that the council respects that separation.
- (4) The council must make its decisions —
 - (a) on the basis of evidence, on the merits and in accordance with the law; and
 - (b) taking into account the local government's finances and resources.
- (5) The council must have regard to the need to support an organisational culture for the local government that promotes the respectful and fair treatment of the local government's employees.
- (6) The council has the other functions given to it under this Act or any other written law.

Meetings generally open to the public

- 5.1.** (1) Subject to subsection (2), the following are to be open to members of the public —
 - (a) all council meetings; and
 - (b) all meetings of any committee to which a local government power or duty has been delegated.
- (2) If a meeting is being held by a council or by a committee referred to in subsection (1) (b), the council or committee may close to members of the public the meeting, or part of the meeting, if the meeting or the part of the meeting deals with any of the following —
 - (a) a matter affecting an employee or employees;

- (b) the personal affairs of any person;
 - (c) a contract entered into, or which may be entered into, by the local government and which relates to a matter to be discussed at the meeting;
 - (d) legal advice obtained, or which may be obtained, by the local government and which relates to a matter to be discussed at the meeting;
 - (e) a matter that if disclosed, would reveal —
 - (i) a trade secret;
 - (ii) information that has a commercial value to a person; or
 - (iii) information about the business, professional, commercial or financial affairs of a person, where the trade secret or information is held by, or is about, a person other than the local government;
 - (f) a matter that if disclosed, could be reasonably expected to —
 - (i) impair the effectiveness of any lawful method or procedure for preventing, detecting, investigating or dealing with any contravention or possible contravention of the law;
 - (ii) endanger the security of the local government's property; or
 - (iii) prejudice the maintenance or enforcement of a lawful measure for protecting public safety;
 - (g) information which is the subject of a direction given under section 23 (1a) of the Parliamentary Commissioner Act 1971; and
 - (h) such other matters as may be prescribed.
- (3) A decision to close a meeting or part of a meeting and the reason for the decision are to be recorded in the minutes of the meeting.

G 10 PUBLIC QUESTION TIME

Policy Statement

- 1.0 “Public Question Time” will be limited to 15 minutes*. The Council may exercise a discretion to extend the time by resolution if required. If there are questions remaining unasked at the expiration of the time allotted members of the public will be asked to submit their questions in writing to the Chief Executive Officer who will provide a written reply with the response placed in the Agenda of the next Ordinary Meeting of the Council.

**A minimum of 15 minutes is provided by Regulation 6(1) of the Local Government (Administration) Regulations 1996 (Section 5.24 of the Local Government Act 1995)*

- 2.0 Questions may be asked at the Ordinary Council Meeting and any Committee meeting on any matter affecting the Council and the Shire’s operations. Questions submitted to Special Meetings of the Council will be restricted to the subject matter of the meeting.
- 3.0 Each questioner will be limited to two (2) questions. Statements or long preamble are not permitted.
- 4.0 People wishing to ask questions will be encouraged to put their questions in writing or in a prescribed form and submit them to the Chief Executive Officer prior to 10 am on the day of the meeting. This allows for an informed response to be given at the meeting. Oral questions are permitted.
- 5.0 Priority will be given to questions about matters on the agenda for the meeting and which are submitted in accordance with 4.0 above.
- 6.0 Every person who wishes to ask a question must identify themselves and register with a Council Officer immediately prior to the meeting. Subject to 5.0 above questions will be taken in the order in which people register.
- 7.0 Questions containing offensive remarks, reference to the personal affairs or actions of Elected Members or staff, or which relate to confidential matters or legal action will not be accepted. Questions that the Presiding Member considers have been answered by earlier questions at the meeting or earlier meetings may not be accepted.
- 8.0 On receipt of a question the Presiding Member may answer the question or direct it to the Chief Executive Officer to answer. If the question is of a technical nature the Chief Executive Officer may direct the question to a senior technical officer present. If the question requires research, it will be taken on notice.
- 9.0 There will be no debate on the answers to questions.
- 10.0 A summary of the question and the answer will be recorded in the minutes of the Council meeting at which the question was asked.
- 11.0 Public Question Time guidelines incorporating this policy are being prepared and will include information on the other methods of enquiry that are available to members of the public to obtain information from the Shire.

1 OPENING

1.1 Declaration of Opening

1.2 Acknowledgement / Disclaimer

The Shire President advises the following:

“The York Shire Council acknowledges the Ballardong people of the Noongar Nation who are the Traditional Owners of the country where this meeting is being held and recognise their continuing connection to land, water, sky and culture. We pay our respects to all these people and their Elders past, present and emerging.

In accordance with Regulations 14I and 14J of the Local Government (Administration) Regulations 1996, notice is given that this meeting is being video and audio recorded to facilitate community participation and for minute-taking purposes. By being present at a meeting, members of the public consent to the possibility that their image and voice may be recorded. Audio recordings are published on the Shire’s website following the meeting and may be released upon request to third parties.

Members of the public are reminded that, in accordance with Section 6.16 of the Shire of York Local Government (Council Meetings) Local Law 2016, nobody shall use any visual or vocal recording device or instrument to record the proceedings of Council without the written permission of the Presiding Member.

I wish to draw attention to the Disclaimer Notice contained within the agenda document and advise members of the public that any decisions made at the meeting today can be revoked in accordance with Regulation 10 of the Local Government (Administration) Regulations 1996. Therefore, members of the public should not rely on any decisions until formal notification in writing from the Shire has been received.

Question 2

In the Addendum SY030-03/25 added to the meeting for 25 March 2025 SY030-03/25 Minutes and Recommendations Meeting held 11 March 2025 Item 1i – CEO reduce the transfer to Reserve by \$40,000 for Pioneer Memorial Lodge, will this impact the connection of the generator for our elderly people?

Response provided by the Shire President:

The funds are being returned to the Reserve due to delays in the Pioneer Memorial Lodge generator project, caused by extended Western Power approval timeframes. As a result, the funds will not be expended in the current financial year. The Pioneer Memorial Lodge Reserve is specifically designated for capital works to the facility, and the funds will be reallocated to support the project in the next financial year, subject to Council approval.

4 PUBLIC QUESTION TIME

Public Question Time is conducted in accordance with the Act and Regulations. In addition to this the Shire's *Local Government (Council Meetings) Local Law 2016* states:

6.7 Other procedures for question time for the public

- (1) A member of the public who wishes to ask a question during question time must identify themselves and register with a Council Officer immediately prior to the meeting.
- (2) A question may be taken on notice by the Council for later response.
- (3) When a question is taken on notice the CEO is to ensure that—
 - (a) a response is given to the member of the public in writing; and
 - (b) a summary of the response is included in the agenda of the next meeting of the Council.
- (4) Where a question relating to a matter in which a relevant person has an interest is directed to the relevant person, the relevant person is to—
 - (a) declare that he or she has an interest in the matter; and
 - (b) allow another person to respond to the question.
- (5) Each member of the public with a question is entitled to ask up to 2 questions before other members of the public will be invited to ask their questions.
- (6) Where a member of the public provides written questions then the Presiding Member may elect for the questions to be responded to as normal business correspondence.
- (7) The Presiding Member may decide that a public question shall not be responded to where—
 - (a) the same or similar question was asked at a previous meeting, a response was provided and the member of the public is directed to the minutes of the meeting at which the response was provided;
 - (b) the member of the public uses public question time to make a statement, provided that the Presiding Member has taken all reasonable steps to assist the member of the public to phrase the statement as a question; or
 - (c) the member of the public asks a question that is offensive or defamatory in nature, provided that the Presiding Member has taken all reasonable steps to assist the member of the public to phrase the question in a manner that is not offensive or defamatory.
- (8) A member of the public shall have 2 minutes to submit a question.
- (9) The Council, by resolution, may agree to extend public question time.
- (10) Where any questions remain unasked at the end of public question time they may be submitted to the CEO who will reply in writing and include the questions and answers in the agenda for the next ordinary Council meeting.
- (11) Where an answer to a question is given at a meeting, a summary of the question and the answer is to be included in the minutes.

9 OFFICER'S REPORTS

SY036-04/25 APPLICATION TO OPERATE A PERSONAL BEEHIVE(S) - LOT 13 (285) BAYLY ROAD, YORK

File Number:	4.9249
Author:	Shelley Hall, Development Services Officer Phil Swain, Environmental Health Officer
Authoriser:	Lindon Mellor, Executive Manager Infrastructure & Development Services
Previously before Council:	Not Applicable
Disclosure of Interest:	Nil
Appendices:	1. Sketch Plan ↓

NATURE OF COUNCIL'S ROLE IN THE MATTER

Quasi-Judicial

PURPOSE OF REPORT

This report presents a proposal for the keeping of one (1) beehive on a property situated at Lot 13 (285) Bayly Road, York to Council for consideration.

BACKGROUND

The applicant has requested permission to place one (1) beehive on a property situated at Lot 13 (285) Bayly Road, York.

The property is 2.1549ha in area with the closest resident being approximately 85m from the proposed beehive. A water source is proposed to be located within the locality of the proposed beehive, refer to the sketch plan presented in Appendix 1.

Division 7 – Bee Keeping of the *Health Local Laws 2009* states that no person shall keep or permit the keeping of bees anywhere within the district unless approval is given by Council.

COMMENTS AND DETAILS

The closest known beehive is located approximately 2.1km away on Panmure Road, York.

As pollinators, bees play a part in every aspect of the ecosystem. They support the growth of trees, flowers and other plants which serve as food and shelter for creatures large and small. Bees contribute to complex, interconnected ecosystems that allow a diverse number of different species to co-exist.

The proposal does not present a threat to the environment, it is not detrimental to the well-being of the adjoining neighbours and has no financial impact on Council.

All persons keeping bees in WA are legally required to register with the Department of Primary Industries and Regional Development (DPIRD). A registration was submitted with the application.

It is therefore recommended the applicant be granted permission to keep the one (1) beehive at Lot 13 (285) Bayly Road, York.

OPTIONS

Council has the following options:

Option 1: Council could choose to approve the application to keep the one (1) beehive at Lot 13 (285) Bayly Road, York.

Option 2: Council could choose to refuse the application to keep the one (1) beehive at Lot 13 (285) Bayly Road, York.

Option 1 is the recommended option.

IMPLICATIONS TO CONSIDER

Consultative

Correspondence was sent to eleven (11) surrounding landowners in a 200m radius on 24 February 2025 giving fourteen (14) days to respond with any objections or comments. No objections were received.

Strategic

Goal 4: Built for Lifestyle and Resilience

To have a built environment which supports community, economy, and the environment, respects the past, and creates a resilient future.

Policy Related

No current policy applies.

Financial

There are no financial implications should Council approve the Officer's recommendation.

Legal and Statutory

Division 7 of the Shire of York *Health Local Laws 2009* is applicable and states:

"Interpretation

"bees" means an insect belonging to any of the various hymenopterous insects of the super family Apoidea and commonly known as a bee.

Restrictions on keeping of Bees in Hives

6.7.2 (1) *A person shall not keep or permit the keeping of bees anywhere within the district unless approval to do so has been given by the Council.*

(2) *If, in the opinion of an Environmental Health Officer, the approved beehives are causing a nuisance, the Council may direct any bees or approved beehives to be removed.*

(3) *A person shall comply with a direction within the time specified."*

Risk Related

Bee stings may pose a health risk to neighbours where individuals have allergies to the same, which is the reason neighbours are consulted. Diseases impacting hives can also spread between hives.

Officers have reviewed records to determine if any other beehives, particularly commercial hives, are in the immediate area. None were found.

Workforce

The scope of this report can be managed within current operational capacity.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Quasi-Judicial

PURPOSE OF REPORT

This report presents a proposal for the keeping of one (1) beehive on a property situated at Lot 525 (187) Bland Road, York to Council for consideration.

BACKGROUND

The applicant has requested permission to place one (1) beehive on a property situated at Lot 525 (187) Bland Road, York.

The property is 4,170m² in area with the closest resident being approximately 37.7m from the proposed beehive. Four (4) water sources will be made available onsite within 30m of the proposed beehive location, refer to the sketch plan presented in Appendix 1.

Division 7 – Bee Keeping of the *Health Local Laws 2009* states that no person shall keep or permit the keeping of bees anywhere within the district unless approval is given by Council.

COMMENTS AND DETAILS

The closest known beehive is approximately 530m away located on Avon Terrace, York.

As pollinators, bees play a part in every aspect of the ecosystem. They support the growth of trees, flowers and other plants which serve as food and shelter for creatures large and small. Bees contribute to complex, interconnected ecosystems that allow a diverse number of different species to co-exist.

The proposal does not present a threat to the environment, it is not detrimental to the well-being of the adjoining neighbours and has no financial impact on Council.

All persons keeping bees in WA are legally required to register with the Department of Primary Industries and Regional Development (DPIRD). No registration was submitted with the application and hence it is recommended that this approval be conditional upon receipt of the same.

It is therefore recommended the applicant be granted permission to keep the one (1) beehive at Lot 525 (187) Bland Road, York.

OPTIONS

Council has the following options:

Option 1: Council could choose to approve the application for one (1) beehive at Lot 525 (187) Bland Road, York, with the condition.

Option 2: Council could choose to refuse the application for one (1) beehive at Lot 525 (187) Bland Road, York.

Option 1 is the recommended option.

IMPLICATIONS TO CONSIDER

Consultative

Correspondence was sent to twenty-seven (27) surrounding properties within a 200m radius of the applicant's property on 24 February 2025 giving fourteen (14) days to respond with any objections or comments. No objections were received.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Executive

PURPOSE OF REPORT

To inform Council of the findings of an archaeological excavation at the York Pony Club Grounds.

BACKGROUND

Consultation with Ballardong Elders as part of the Noongar Cultural Heritage Survey undertaken in 2021 highlighted the oral history shared amongst local Ballardong people of the Pony Club Grounds being a traditional Aboriginal burial ground. See the Recommendation 9biii on page 3 https://www.york.wa.gov.au/Profiles/york/Assets/ClientData/Shire_of_York_Noongar_Cultural_Heritage_Survey_report-Draft_-_reduced_size_pdf_1_.pdf.

Research of documentary evidence relating to this land also indicates it was used as an early settler [c.1850's] cemetery, as presented in Appendix 3.

In 2023 due to issues with allocating new graves and drainage needs at the current Herbert Road cemetery, a specialist firm, GB Geotechnics was hired to undertake a Ground Penetrating Radar (GPR) survey of that cemetery to locate unmarked graves. This opportunity was used to undertake GPR also at the St. John's cemetery at the Henrietta Street/Avon Terrace crossroads. A limited survey of five (5) trial test squares at the Pony Club grounds was undertaken as the site covers a large area and there is no visible indication of graves.

COMMENTS AND DETAILS

Local Ballardong Elders were invited to identify the five (5) test squares that would be investigated using the GPR. They walked the site and five (5) areas of interest were pegged.

Following the GPR survey of the area, one (1) of the test squares at the Pony Club grounds yielded results indicating a soil anomaly that was interpreted as a possible gravesite. The report is presented in Appendix 1.

This information was reported to the Department of Planning Lands and Heritage (DPLH) in accordance with Section 15 of the *Aboriginal Heritage Act 1972* and the location is currently recorded as Aboriginal Cultural Heritage Lodged Place 3348.

After consultation with the Ballardong community, the Shire of York engaged an Aboriginal burial specialist archaeologist, Stephen Corsini from SJC Heritage Consultants, to archaeologically investigate the site.

Initial consultation with the DPLH advised that a Section 16 application would be required under the *Aboriginal Heritage Act 1972*. This advice was later updated and a Section 16 was not required. Confirmation of this is presented in Appendix 5. As the Section 16 project plan had already been prepared, DPLH and the Ballardong Aboriginal Corporation (BAC) were supplied with a copy.

The archaeological excavation was carried out on 24 and 25 February 2025 by Stephen Corsini assisted by an archaeologist from BAC, Jolene Brown.

The Shire advised the Officer in Charge of the York Police Station on 20 February 2025 that the archaeology was being undertaken on the site, confirming that if human remains were found the police would be contacted in accordance with the *Coroner's Act 1996*. The police were advised it would be a historic burial, if anything was found.

No human remains were found. The preliminary report identified the soil anomaly to have been caused by a large metal road sign and other buried rubbish. Details of this are presented in Appendix 2.

Although no human remains were found on this occasion, it is likely that human remains are present on the Pony Club site, due to the documentary evidence of the 1904 Vesting Order which describes 'old graves' and the Traditional Owners' oral history. These facts should be considered in relation to any further investigation or use of the land.

OPTIONS

Council has the following options:

Option 1: Council could choose to accept the SJC Heritage Services Preliminary Advice report, as presented in Appendix 2.

Option 2: Council could choose not to accept the SJC Heritage Services Preliminary Advice report, as presented in Appendix 2.

Option 3: Council could choose to seek further information and identify what that information is.

Option 1 is the recommended option.

IMPLICATIONS TO CONSIDER

Consultative

Original consultation as part of the 2021 Noongar Cultural Heritage Survey highlighted the concerns of local Ballardong people that the Pony Club grounds were a traditional (pre-colonial) burial site.

When the opportunity arose to undertake GPR the local Noongar community was invited to comment and say whether they wished archaeology to proceed. Twenty-three (23) written responses supporting the Section 16 application were received, with no opposition.

Local Elders/Traditional Owners who had expressed an interest in the project walked the site and selected the test squares for the GPR. Three (3) of these Elders acted as Aboriginal Monitors during the excavation works.

The BAC were also consulted and provided a Letter of Support, which is presented in Appendix 4. This was supplied to DPLH. BAC also supplied a qualified archaeologist to assist with the practical excavation.

Strategic**Strategic Community Plan 2020-2030**

Goal 1: The Place to Be

To be a close-knit community, full of life, in a welcoming and accessible place for all.

Goal 4: Built for Lifestyle and Resilience

To have a built environment which supports community, economy, and the environment, respects the past, and creates a resilient future.

Goal 5: Strong Leadership and Governance

To have effective and responsive leadership and governance, where a sense of collective purpose and shared direction combine to work together.

This project aligns with the following Objectives from the Shire's Reflect Reconciliation Action Plan:

1. Establish and strengthen mutually beneficial relationships with Aboriginal and Torres Strait Islander stakeholders and organisations.
2. Promote reconciliation through our sphere of influence.
3. Demonstrate respect to Aboriginal and Torres Strait Islander peoples by observing cultural protocols.

Financial

Funds were allocated in the 2024/25 Budget to undertake this work.

Legal and Statutory

Section 16 of the *Aboriginal Heritage Act 1972* outlines statutory obligations in regard to excavation of Aboriginal sites.

"16. Excavation of Aboriginal sites"

- (1) *Subject to section 18, the right to excavate or to remove anything from an Aboriginal site is reserved to the Registrar.*
- (2) *The Registrar, on the advice of the Committee, may authorise the entry upon and excavation of an Aboriginal site and the examination or removal of anything on or under the site in such manner and subject to such conditions as the Committee may advise."*

Clause 17(1) of the *Coroners Act 1996* states:

"17. Obligation to report death"

- (1) *A person must report a death that is or may be a reportable death to a coroner or a member of the Police Force immediately after he or she becomes aware of the death, unless the person has reasonable grounds to believe that the death has already been reported."*

The local Police have been kept informed as the matter progresses.

Risk Related

If no action was taken to investigate this matter the risk of reputational damage to the relationship with the Ballardong community was high. This would have likely caused a loss of trust that may have impacted further partnerships with the community.

Workforce

The work was completed with existing resources, using external technical expertise.

Geophysical Investigation to Locate Unmarked Burials

1. INTRODUCTION

At the request of The Shire of York (The Shire), GBG Group carried out a geophysical subsurface investigation at the York Pony Club, 60 Ulster Road York Western Australia on 31 March 2023.

During the investigation a Ground Penetrating Radar (GPR) dataset was acquired, processed and analysed in order to map unmarked burials within the area. The results of the investigation will be used by The Shire for heritage preservation and management.

2. INVESTIGATION SITE

The geophysical subsurface investigation was carried out within 5 test sites totalling approximately 1650m² at the Pony Club grounds. The location and extent of the test sites were nominated by client representatives on the morning of the site works of the investigation and are shown as blue rectangles in Figure 1 below.

The extent of the 5 test sites (A to E) were selected so as to follow a topographic high ridge line extending across the Pony Club grounds. Ground conditions at the site were suitable for geophysical data acquisition consisting of short grass and sand. Photographs of the typical conditions at the site are shown in Figure 2.

Figure 1: Extent of the 5 GPR test sites at the York Pony Club.

Figure 2: Typical site conditions during the geophysical investigation at the York Pony Club.

3. GEOPHYSICAL DATA ACQUISITION

The site work for the geophysical investigation was carried out by qualified geophysicists from GBG Group on 31 March 2023.

GPR data was acquired using a GSSI DF system which utilises ground coupled 300MHz and 800MHz antennas and a GSSI SIR3000 system utilising a 400MHz antenna. The use of multiple antennas enabled both high resolution near surface and deeper imagery to be acquired and analysed. GPR acquisition parameters are provided in Table 1 below.

During the investigation GPR profiles were acquired as closely spaced parallel lines at 0.5m intervals. Distance along the profile lines were logged by a calibrated distance measuring odometer. Spatial positioning was achieved using local grid and a GNSS receiver with satellite corrections. An accuracy of +/- 0.30m is expected for horizontal components. Positions have been provided in GDA2020, MGA zone 50 for the horizontal component.

4. DATA PROCESSING AND ANALYSIS

The GPR data was processed and analysed using ReflexW Version 10.0 (Sandmeier Software, 2022) with manual gains, and 1D and 2D filters being applied. The final processed data showed a high signal to noise ratio in most of the areas surveyed. It is noted that the imaging depth is less than expected for the antenna frequencies used primarily due to the local geology at the site.

Continuous and isolated reflection interfaces relating to potential unmarked graves or other buried features were identified and digitised. Examples GPR reflection sections from this investigation are shown in Figures 3 to 5.

5. RESULTS AND INTERPRETATION

The results of the geophysical investigation carried out at York Pony Club, Western Australia have been provided as a series of drawings in Appendix A of this report as follows:

- **3058C-01** – York Pony Club site map with surveyed areas.
- **3058C-02** – Ground penetrating Radar (GPR) Interpretation

The extents of the surveyed areas are shown in Drawing 3058C-01 as blue rectangles. The extents of the zoomed-in insets have been shown using red rectangles.

Following detailed analysis of the GPR datasets as both cross-sections and depth-slices for each test site, anomalies have been identified and classed into 2 categories as follows:

- **Type 1 GPR anomaly** (orange areas) – such anomalies have been interpreted as being related to near surface features of probable natural or geological origin such as rock floaters and root masses. A total of 6 such anomalies were identified in the GPR dataset and it is suggested that they do not warrant intrusive testing.
- **Type 2 GPR anomaly** (yellow areas) – such anomalies have been interpreted as being related to near surface features of possible anthropogenic origin including potential interments/burials. 1 such anomaly was identified in the GPR dataset within Test Site B, measuring approximately 2m by 1m in lateral extent and at a depth of 0.5m below ground level.

6. CONCLUSIONS

A geophysical subsurface investigation has been carried out by GBG Group at the York Pony Club, Western Australia. During the investigation geophysical testing by way of Ground Penetrating Radar (GPR) was acquired at 5 nominated test sites.

The Ground Penetrating Radar data was processed and interpreted to obtain information relating to potential unmarked burials within the site. Following detailed analysis of the processed datasets a total of 7 anomalies were identified including 6 from probable natural or geological origin, and 1 of possible anthropogenic origin possibly an interment/burial. Note this does not preclude the existence of other burials not visible in the GPR dataset due to the old age of the burials.

The methods used during the investigation are geophysical and as such the results are based on indirect measurements and the processing and interpretation of radar wave signals. The findings in this report represent the professional opinions of the authors, based on experience gained during previous similar investigations and with correlation to known and assumed subsurface ground conditions at the site.

We trust that this report and attached drawings provide you with the information required. If you require clarification on any points arising from this investigation, please do not hesitate to contact the undersigned or Andrew Spyrou on (08) 9354 6300.

APPENDIX B – GEOPHYSICAL METHODS

GROUND PENETRATING RADAR

APPLICATIONS

- ✓ Stratigraphic mapping including depth to bedrock
- ✓ Locating karst features, sinkholes, voids or cave systems
- ✓ Depth to water table
- ✓ Archaeology (location of graves and artifacts)
- ✓ Location of underground infrastructure, including UST's and utilities
- ✓ Assessment of internal condition and defects of engineered structures
- ✓ Assessment of road and rail infrastructure, including asphalt and ballast condition
- ✓ Slab thickness, reinforcement placement and void detection

METHOD

Ground Penetrating Radar (GPR) is a non-destructive and non-invasive geophysical technique for rapidly imaging the shallow subsurface which produces high resolution colour cross-sections in real time. The method works by transmitting electromagnetic energy into the material being tested (most usually the ground). Typically 100,000 impulses per second are transmitted which are of very short duration and contain a wide spectrum of frequencies.

The transmitted electromagnetic energy propagates through the subsurface as a function of the subsurface material's electrical properties, which are in turn dependent on its physical and chemical properties. Reflection of radar energy occurs at boundaries between differing stratigraphic layers or inclusions which have contrasting electrical properties. Conversely, no reflections occur from a homogenous material where there are no internal reflectors. The reflections are detected by the receiving antenna placed adjacent to the transmitter. The depth to the target is proportional to the time (in nanoseconds) taken for the signal to travel from the transmitting antenna at the surface to the target and back to the receiver.

DATA ANALYSIS & PRESENTATION

A radar-gram profile is built up of continuous scans along a selected line path and are presented as 2D cross-sections showing the variations in reflection amplitude as a colour scale. The recorded reflections can be processed, filtered and subsequently analysed in terms of shape, phase, travel time and signal amplitude to provide information about a target or layer size, depth and orientation in relation to the material around it.

The depth of investigation achievable with the GPR method is largely a function of the antenna frequency used. Lower frequencies in the order of 100 MHz are typically used for geological mapping to a maximum depth of approximately 20 m, whilst high frequencies in the order of 1 GHz are used for high resolution investigations of structures including building, bridges and tunnels.

GROUND PENETRATING RADAR

Processed radar-gram section showing interpreted subsurface voiding (top) and section with no interpreted voiding (bottom) from an iron ore mine in the Pilbara WA.

LIMITATIONS ON IMAGING DEPTH AND TARGET RESOLUTION

The imaging depth achieved with GPR is a function of the electric conductivity and dielectric constant of the soil type in which it is carried out. The method is highly susceptible to signal attenuation within electrically conductive materials such as clay rich soils where the transmitted radar-energy experiences an increase degree of absorption resulting in reduced imaging depths.

Imaging depths can also be reduced by signal scattering in heterogeneous conditions such as rocky soils and where surface layers are present such as road pavement, concrete slabs or compacted sediment.

Target resolution of the GPR method is a function of the antenna frequency used and the depth of the object being detected. Typically to be detectable, small targets are required to be at shallow depths using higher frequency antennas, whilst lower frequency antennas can image deeper, larger targets.

Whether an object or layer is imaged with GPR is also dependent on the contrast in dielectric constant of the target and surrounding material. For example, the dielectric contrast between a clay rich soil and extremely weathered rock may not be high enough to image the interface between the two layers. Conversely the contrast between dry sand and fresh rock will result in a detectable reflection interface.

Dear Carol

**PRELIMINARY ADVICE – ARCHAEOLOGICAL EXCAVATION OF A GROUND PROBING RADAR TARGET
FINDS NO ABORIGINAL CULTURAL HERITAGE MATERIAL AT YORK PONY CLUB,**

As instructed, I have carried out an archaeological excavation at the York Pony Club grounds.
No evidence of any burial or human remains was found.

We excavated in the area where a geophysical anomaly had been detected by GB Geotechnics (Australia) Pty Ltd. on 31 March 2023 at Test Site B, measuring approximately 2m by 1m in lateral extent and at a depth of 0.60m to .90m below ground level. The location was marked using pegs and pickets.

The anomaly was been interpreted as a possible **unmarked grave** so Shire of York consulted the Ballardong Aboriginal Corporation representing the Noongar Native Title Holders and the Ballardong Cultural Committee, expressed a preference to find out what if anything may exist.
DPLH advised that a Section 16 permit was not required to excavate the site as the ACMC had determined it was not currently a place under the AHA 1972 .

Excavations were undertaken on Monday 24 and Tuesday 25th February 2025.

All works were undertaken with Ballardong Noongar Elders present to monitor the work.

The archaeologist was assisted by Ballardong Noongar Aboriginal Corporation's Cultural Heritage Coordinator Ms Jolene Brown who has a degree in Archaeology.

Shire of York provided a mini excavator and operator who undertook initial clearing of the surface grass. The archaeologists proceed to excavate the site by hand to determine if any artefacts were present. The excavation proceed to 120cm below surface, 20cm or more below the point that was targeted
No evidence of any burial or human remains was found.

The anomaly appears to have been a large steel road sign, along with an amount of steel wire with a small amount of china and plentiful charcoal. A coin was recovered from a sample spit 65cm below ground surface, framing the site at no earlier than 1982; the year on the coin.

Background to the York Pony Club Archaeological Investigation Shire of York,

Introduction and Summary of the Project

This document provides background information and a proposed methodology for an Archaeological Investigation within the York Pony Club grounds. The investigation target is a potential unmarked grave, identified through a Ground Penetrating Radar survey. An area inside the Pony Club grounds is known to have been a cemetery from c.1855 to 1904. It may also have been an Aboriginal Burial Ground. The area has been reported as an Aboriginal Cultural Heritage Place and is currently on the DPLH AHIS as Lodged Place 3348.

This report was drafted in support of an Application under Section 16 of the WA Aboriginal Heritage Act 1972, seeking authorisation to conduct an archaeological excavation.

The report has been drafted by Heritage Consultant Mr Stephen Corsini and the Shire of York's Arts and Cultural Heritage Officer Ms Carol Littlefair, who provided most of the historical information and undertook consultation with the Ballardong Community.

In summary, It is proposed to undertake an archaeological excavation of an anomaly which was identified in a Ground Penetrating Radar (GPR) survey at the York Pony Club grounds (Asad & Spyrou 2023). The anomaly has been interpreted as a possible unmarked grave.

Documentary records reveal that part of the Pony Club grounds were gazetted as a cemetery and oral history suggest that the area was an Aboriginal burial ground. It is not clear whether the burial ground existed prior to English colonisation or if it was only used after the town was established.

Ms Carol Littlefair, Arts and Heritage Officer for the Shire of York has consulted with the Ballardong Aboriginal Corporation Native Title Prescribed Body Corporate, and has also consulted with individual Noongar People resident in York and surrounds, and they have provided letters of support for the archaeological investigation.

The work is wholly funded by the Shire of York.

The initial aim of the archaeological excavation is to determine whether the GPR anomaly is actually a grave at all. Excavation of the surface of the GPR anomaly may reveal features in the strata above the potential grave, well before intersecting any human remains. The manner of such indications will vary depending on whether the burial is a pre-colonial Traditional Burial or a historic inhumation.

If the presence of a grave is confirmed, a secondary aim will be to determine if the grave is that of:

- a) An Aboriginal person whose burial conforms to Traditional Noongar practices
- b) An Aboriginal Person buried after Colonial settlement; or
- c) A Colonial era burial of a Non-Aboriginal person.

It should be noted that at this stage there is no intention to remove any remains from the site. If a Permit is granted under Section 16, the archaeological excavation will proceed only to the point that evidence is uncovered that confirms that the GPR anomaly is a grave.

I

Corsini & Littlefair 2024

Background to the York Pony Club Archaeological Investigation Shire of York,

If any human remains are found the appropriate authorities will be notified. If any skeletal remains are discovered they will NOT be further disturbed or removed until further consultation is undertaken to determine the wishes of the Ballardong Community .

While it is currently uncertain that the GPR feature is a grave at all, the excavation will be conducted on the assumption that it is – Therefore, all archaeological work would be conducted in accordance with Sections 20 and 21 of the ATSIHPA1984 – the works will be carried out under the direction of representatives of the Ballardong Noongar Community, through the Ballardong Aboriginal Corporation as the Prescribed Body Corporate for the Ballardong Noongar Native Title Settlement Indigenous Land Use Agreement.

It was originally intended that the archaeological investigation would be conducted subject to the issuing of a Permit under Section 16 of the WA Aboriginal Heritage Act 1972, and that work would be carried out in accordance with any conditions set by the Registrar in the Section 16 permit. However subsequent advice from the DPLH Assistant Manager Aboriginal Heritage Conservation (ADV-10003750 / A00010-24 dated 15 October 2024) is that a Section 16 Permit was not required.

Corsini & Littlefair 2024

Background to the York Pony Club Archaeological Investigation Shire of York,

Background

During a Cultural Heritage Mapping project commissioned by the Shire of York, members of the Ballardong Noongar Community identified the York Pony Club grounds as a location where Aboriginal burials may have occurred (Rochelle 2021).

In accordance with Section 15 of the AHA1972 this information was reported to the DPLH and the location is currently recorded as Aboriginal Cultural Heritage Lodged Place 3348.

It is not certain whether this belief arises from knowledge handed down from pre-colonial times or if it refers to such use in the Historical period. Subsequent consultation has affirmed a strong oral-traditional amongst Noongar People that the Pony Club grounds were a burial area. Research has not yet discovered any contemporary written records of Aboriginal burials in the area during historic times. One reference (W.A. Record Thu 12 Feb 1891 Page 8) reported on an unnamed Aboriginal woman, a convert to Catholicism, being buried at the Catholic graveyard.

An extract from the WA Government Gazette in May 1904 confirmed a portion of the Pony Club land Lot 14, was officially gazetted as a cemetery. In October. The land was then vested in the Municipal Council of York in October 1904, being described as 'formerly a cemetery' and having 'old graves' which required fencing as a condition of vesting. A town Council meeting minute from October 1904 refers to management of gravestones on the land.

It is not known how many burials actually occurred within the cemetery. It is not certain when the land was first used for this purpose: Although the land was only officially gazetted as a cemetery in 1904, it seems that the land was used for burials before this time. The earliest published reference found so far is a newspaper article from 1852 which reported that the body of William Davey, who died after falling from his horse, was about to be buried in the cemetery "about one mile north of the Town", when a member of the burial party recalled that the cemetery was not consecrated, so the body was taken back to town and interred in the graveyard of St John's Anglican Church. The description of an un-consecrated graveyard located about a mile north of the town fits the description of the cemetery shown in a survey plan of York dated 1855.

Newspaper articles and letters to the editor from the 1870's and 1880's complain about the condition of the cemetery until it is gazetted and then apparently closed down in favour of the current York Cemetery which lies on the opposite side of the Avon river.

In 2013 the Shire of York commissioned Ground Penetrating Radar surveys over the former St John's Anglican Church burial ground, and the western half of the current York Cemetery (this western portion is the oldest part of the cemetery where it appears that a number of graves exist with no headstones or other markers. As part of that survey the Shire of York also requested GPR over parts of the Pony Club Grounds. As a result one GPR anomaly was identified as a possible grave.

After consultation with Ballardong Aboriginal Corporation, and local Noongar Residents, the Shire of York has proposed an archaeological excavation of the anomaly.

The purpose of the excavation is to investigate whether the GPR anomaly is actually an unmarked grave.

Corsini & Littlefair 2024

Background to the York Pony Club Archaeological Investigation Shire of York,

The presence of a grave might be indicated by the discovery of stratigraphic features, displaced or disturbed soils, artefacts, a coffin or shroud or the discovery of skeletal remains. The proposed archaeological excavation will target only the identified anomaly which is located from 60cm below the current ground surface down to around 1.2 metres below surface.

It should be noted that ground penetrating radar produces contour maps which indicate variations in soil reflectivity. GPR does not provide information that would allow for the clear differentiation of skeletal remains from other potential causes of anomalous reflection. These variations may be due to sub-surface rock or different soils, or may indicate disturbance from tree roots or animal burrows.

It should also be noted that the GPR report states that it is possible that there may be burials which were not detected owing to ground reflectivity characteristics and adverse preservation factors.

The Shire of York engaged Heritage Consultant Stephen Corsini to undertake the excavation. Mr Corsini has unparalleled experience in the investigation and management of unmarked graves discovered through accidental disturbance or exposure by natural erosion, as a former Heritage Officer for the WA Department of Aboriginal Sites/Aboriginal Affairs Department and as a consultant to the AAD and the Department of Aboriginal Affairs (Corsini, Underwood, & Bennell 1995; Corsini 1997; Corsini 1998; Corsini 1999; Corsini 2000; Corsini 2003a; Corsini 2003b; Corsini 2003c; Corsini 2004; Corsini 2005).

The Land

Landgate records show that the land containing the possible burial site is Lot S14 on Deposited Plan 223250, Certificate of Title LR3016/973 and the official address is 60 Ulster Road, YORK 6302, although the Pony Club ground is accessed via Dinsdale Road. The Lot is Crown Land vested in the Shire of York and is one of four contiguous land parcels leased to the York Pony Clubs for equestrian activities..

The land used by the Pony Club encompasses 10.5 Ha, of gently sloping open woodland, bounded by Ulster Road, Ford Street, Dinsdale Street, and the rear boundary of residential properties along Forbes Street. Approximately 2.5 Ha of the land has been levelled and mostly cleared for horse stalls, a dressage ring and a show jumping ring, clubrooms, sheds and parking areas for vehicles and floats. The remainder of the land, around 8 Ha, consists of open woodland with a variety of native trees and a grass understorey which is subject to regular mowing using a tractor drawn mower. This area has a number of jumping fences and is used for general hacking and cross-country events.

The land rises gently towards the northwest, and to the east slopes slightly downwards towards the Avon River, which is around 1200m to the south east. Aerial Photos show that to the north and south there are drainage lines running east to the Avon River so that the land forms a spur between two drainage lines.

Geologically York is underlain by granites of the Darling Range, with basalt intrusions. Soils in the area of the Pony Club are primarily grey quartz sands derived from the weathering and decay of the underlying granite. Secondary deposits of clays and sands occur from erosion and transportation of the adjacent Walwalying/Mount Bakewell.

History of Land Use

Landgate shows that the land containing the possible burial site is Lot S14 on Deposited Plan 223250, Certificate of Title LR3016/973 and the official address is 60 Ulster Road, YORK 6302.

The land in question is currently Crown Land vested in the Shire of York and is one of four contiguous land parcels leased to the York Pony Clubs for equestrian activities.

Prior to this the land appears to have been a cemetery. A cemetery was gazetted in May 1904, and was then vested in the Municipal Council of York in October 1904, being described as 'formerly a cemetery' and having 'old graves' which required fencing as a condition of vesting. Prior to the officially gazetting the land appears to have been set aside for burials; a plan of York dated 1855 shows a cemetery. The exact dates that the land was used for burials are not known, nor is the number of people who may have been interred.

A number of records confirm that there were burial grounds established next to the Anglican Church, built in 1840 by Peter Barrow, on his property on Avon Terrace. Dedicated to St John, it was consecrated in 1848. Being made of simple mud brick, the first church soon fell into disrepair, and was demolished and a replacement church, built on the same site, was dedicated in 1861. The site of St John's Anglican Church and Cemetery served as a multi-denominational cemetery until 1874. There is not a complete list of burials as this cemetery and many of the graves are now under the road. It has not been used since the new cemetery opened except to inter remains found when the road was dug up..

The Holy Trinity church, on the other side of the Avon River was constructed in 1854, and both churches were operating and maintained until 1905 when the second Saint Johns was moved to the Holy Trinity site and became the parish hall.

An article in *The Inquirer* dated Wed 3 Nov 1852 reported on the unfortunate death of Mr J.W. Davey who died from a broken neck after falling from his horse which had bolted. The article notes that following an inquest which found the cause of death was accidental,

"... The remains of the deceased were buried on Saturday at York. Through some accident, the grave was dug at the cemetery situated about a mile out of York. The funeral service was read, and the earth was about to be thrown on the coffin, when it was recollected that the Bishop had not consecrated the ground. The coffin was then removed, and conveyed back to York, and finally deposited in consecrated ground adjoining the church. The funeral was attended by a large number of persons".

The description of the unconsecrated cemetery as being "About a mile outside of York" corresponds to the location of the Pony Club Grounds, which are 1300m northeast of the town centre. It seems most likely that the consecrated ground was at the Anglican Church, St Johns. The Catholic church of St Patrick was not founded until 1859.

Three years after Mr Davey's unfortunate accident and burial, it appears that the cemetery was still unconsecrated. In a report published in the *The Inquirer* dated 10 Jan 1855, under the heading "Local and Domestic Intelligence" ...

“ ... From York we hear that great dissatisfaction has been occasioned from the want of a Cemetery for general purposes, at that place. A few days ago a Roman Catholic from the [convict] depôt died here, and was interred in unconsecrated ground near the school-house. This circumstance gave rise to a feeling on the occasion which it is hoped will not be repeated. We certainly wonder that, in a district like York, there has been as yet no site marked out for a burying ground.

The Inquirer Wednesday, 10 Januray 1855, page 2.

The current York Cemetery was allocated in 1874 and divided into five denominations. The new Church of England Cemetery was consecrated on the 21st November 1890 by Bishop Parry, although it is likely that burials were being performed before that date as the "old" cemetery had been condemned in 1886 when "dreadful effluvium" was emanating from the ground.

A letter to the Editor of the West Australian (25 December 1886 signed "Caution" refers to a proposed new Cemetery at York, although where it was situated is not clear: the description of the location as being on the banks of the Avon River "4 miles [6.4km] from the town" is at odds with the location of the Pony Club Grounds which are about a mile from the town (the SW corner is around 1300m). Nor does it accord with the current York Cemetery, which is 800m east of the Avon River and is not located 4 miles (6.4km) from the town. It is believed this proposed cemetery was suggested to be located at Gwambygine, but opposition from residents led to the proposal being abandoned.

To the Editor. Sir - It's a pity the Government did not ascertain the position of the new cemetery, before orders were given to close the present one. It is four miles away from the town, and situated on the sloping banks of the River Avon! To say nothing of the inconvenient distance to all parties concerned, The sanitary considerations involved cannot nor should be overlooked. It would be cruelty and madness to do so. It wants no great amount of foresight to see the serious effects which in course of time a cemetery on the sloping banks of a river must have upon the health of a community. The Government therefore is bound by the highest considerations possible, to intervene, and prevent the cemetery referred to, being used. No argument on the plea of the expense incurred, can have any weight whatever against the health of a people. A health officer should have been employed before any decision had been arrived at. The days have gone by for the repudiation of common-sense. The Government will be held responsible for the sad results which are inevitably connected with a cemetery on the sloping banks of the river Avon. Caution. York, 22 Dec 1886.

Ground Penetrating Radar Survey Results

On 31 March 2023, a geophysical subsurface investigation was carried out at the York Pony Club by GB Geotechnics Australia Pty Ltd. During the investigation, geophysical data was acquired by way of Ground Penetrating Radar (GPR) across 5 test sites (Site A to Site E), nominated by Ballardong Community representatives. The Ground Penetrating Radar data was processed and interpreted to obtain information relating to potential unmarked burials within the site.

Following detailed analysis of the processed datasets a total of 7 anomalies were identified: six of the anomalies were interpreted as being of probable natural or geological origin (buried rocks, tree roots etc). One anomaly was interpreted as being of anthropogenic (human-made) origin, and that it may be an interment or burial.

The methods used during the investigation are geophysical and as such the results are based on indirect measurements and the processing and interpretation of radar wave signals. The findings in their report represent the professional opinions of the authors, based on experience gained during previous similar investigations and with correlation to known and assumed subsurface ground conditions at the site.

The authors of the GPR report noted that the results “do not preclude the existence of other burials not visible in the GPR dataset due to the old age of the burials”.

The earliest map that has been found in research to date, is FT Gregory’s map of 1855, Cons.3868 Item 421, which shows Lot 14 in pink with the Govt broad arrow and a square marked C within that.

Traditional Aboriginal Burials

There is ample evidence for Aboriginal burials in Southern Western Australia, from reports by early settlers (Moore, Lyon), ethnographers (Bates 1904) and from DPLH site files and reports on various archaeological discoveries of unmarked graves found either naturally eroding or accidentally disturbed by trenching or earthworks.

Burial sites make up a very small proportion of Registered and Reported sites across the State: Using the DPLH ACHIS function "Find Specific Site" and the parameter Site Name "Burial" the DPLH has 176 Registered Sites across the entire State with the descriptor Burial. There are a further 144 sites which have been "Lodged" but not assessed by the ACMC, and 15 sites classed as Historic. It is highly unusual for Aboriginal burials to be discovered at all, and anecdotal evidence suggests many burials that are discovered are not reported to the DPLH.

There have been only two academic studies on the occurrence and distribution of burial sites in Western Australia; a brief summary by Davidson in 1949, and a UWA archaeology honours project where Paul Raaff (1994) analysed Aboriginal Cultural Heritage Site files with the type Burial/skeletal material, and classed as Open Access, and found "of the numerous case files examined only 11 contained enough information for use in further detailed examination of the ethnographic model" (Raaff 1994:45). Since 1994, several more burials have been discovered and subject to archaeological investigations and management (Corsini, Underwood, & Bennell 1995; Corsini 1997; Corsini 1998; Corsini 1999; Corsini 2000; Corsini 2003a; Corsini 2003b; Corsini 2003c; Corsini 2004; Corsini 2005).

Those burials which have been reported and subject of archaeological recording have been found either in actively eroding sand dunes or riverbanks, or have been discovered after being disturbed by activities such as trenching for cables or pipelines, land clearing, levelling of land using earthmoving machinery or ploughing. In some cases human remains have been found in deposits of fill indicating the original burial was in another location in sand dunes which had been excavated for fill. Burials have been discovered when skeletal elements were found in spoil heaps or soil stock piles on building developments, and some burials have been found at least partially in-situ and there is little or no disturbance. Most of the known burials have occurred in densely populated areas where ground disturbing activities have occurred.

Expanding on a paper by Davidson (1949), Raaff (1994) in his Honours Thesis, examined the records of Registered Aboriginal Sites held by the Department of Aboriginal Sites (now the DPLH). He found that where the context of the burial was known, most occurred on elevated land near to known or suspected camping areas and water sources, but not so close as to risk either contamination of water sources, nor for the spirits of the deceased to be able to menace the living.

Subsequent work by the applicant has confirmed that burials tend to be located on elevated sand dunes, overlooking rivers or lakes and most have been discovered in areas near the coast. There have been almost no burials subject to archaeologically salvage in inland areas.

Moore (1884) actually witnessed several Noongar funerary ceremonies and burials and asserts that he observed a distinction between the burial practices of the hills and plains tribes.

Corsini & Littlefair 2024

Background to the York Pony Club Archaeological Investigation Shire of York,

“The mountain tribes bury the body north and south; the head to the south, the body on the right side, with face looking to the rising sun, and earth from the grave formed into one crescentic mound on the west side of the grave. This mode of burial is called “Gotyt”. The lowland tribes lay the body east and west on its back, the face turned towards the mid-day sun; the clay thrown out in two heaps, one at the head one at the foot. This mode of burial is called “D-yur”. The lowland tribes place the head to the east” (Moore 1884:11,26).

If Moore is correct, and if the anomaly is in fact a traditional burial, it might conform to his description of “Mountain Tribe” burial practices.

Janet Millett, author of *An Australian Parsonage*, lived in York from 1863-69 and published her reminiscences in 1872. In it she describes seeing the grave of an Aboriginal person, which must have been in the York area.

“A friend once took me to see a native's grave; it was made in somewhat of a semicircular form, and on the day of the funeral had been covered, she said, with swansdown, of which when I visited the spot the wind had left no vestige. Green boughs are generally arched hutwise over the burial-place, which give it a pretty appearance whilst the leaves continue fresh; and even when the twigs and foliage are withered, the deserted mound impresses the mind of the beholder less painfully than does the solitary grave of a Christian in unconsecrated ground.” (Millett 1872)

Potential Archaeological Evidence

On the basis of ethnographic and archaeological information regarding burials, for a traditional burial archaeological indications may include evidence of disturbed soil; the outline of an oval pit with ash, charcoal or humic soils; Evidence of tree limbs and leaves (commonly placed over the deceased), and ultimately the discovery of the remains of a deceased human, generally lying on their side and laid in a position which may be described as “foetal-like”, “flexed” or “curled” with the hips and knees bent and drawn up to near the chest, the arms bent at the elbows and the hand under the chin or over the face.

If it is a Traditional burial, Moore’s (1884) report of a distinction between the burial practices of the hills and plains tribes may be evident. It is presumed that the “Mountain tribes” would have been those people living in the lands to the east of the Darling ranges which would include the Ballardong.

For coffin burials indications would include disturbed soils within a rectangular area, a pit with straight sides dug with shovels (in rare circumstances shovel marks may be preserved); the depth of disturbed soil; the discovery of artefacts such as fragments of wood which indicate a wooden coffin or metal (brass) coffin furniture; and the discovery of human remains laid out in a position variously described as “Extended”, “Supine” lying horizontally with the face and torso facing up, the arms may be folded over the chest.

It should be noted that post-colonial Aboriginal burials may retain some or even most of the traditional cultural practices such as the flexed position.

Corsini & Littlefair 2024

Background to the York Pony Club Archaeological Investigation Shire of York,

The Christian ideal is for a body to lie east west with the head to the west, so that at the second coming and the resurrection the deceased will arise facing the sunrise. Although this is the ideal, many cemeteries are laid out in relation to land tenure boundaries or the contours of the plot and may not always conform to this ideal east west orientation.

It should also be noted that Colonial burials might not necessarily always occur within a wooden coffin. In some instances the body may have been wrapped in a blanket or in a sheet of canvas. Evidence of this may be preserved as intact cloth, or as fibres in the soil or in the case of a canvas sheet by bronze eyelets.

It is the authors understanding that, if human remains are discovered, the Ballardong Aboriginal community have expressed a wish to have DNA testing undertaken to establish ethnic origins. There are a number of constraints with DNA testing which limit its utility for this purpose – Firstly, as with Radio carbon dating, under the Commonwealth Protection of Movable Cultural Heritage Act 1986 Regulations 2018, it is an offence to export any Aboriginal Human remains outside of Australia, Therefore any DNA test MUST be carried out by a laboratory within Australia.

Further, the identification of the ancestry of a deceased person from a sample of their DNA requires a database of samples from known individuals. An indigenous ancestry might be detected by the absence of any European, Asian or African DNA. But, currently the database for Aboriginal DNA is so small that it is unlikely that any familial connections could be identified.

Excavation Project Plan.

The archaeological excavations will use techniques typical for the investigation of burial sites (Connor 2007, Dupras et al 2006, Roberts 2009). The proposed methodology is set out below, however depending on a) what is discovered as the excavation proceeds and b) the wishes of the Ballardong Community representatives, there may some variation in the methodology.

Proposed Methodology;

- Ballardong Noongar representatives will be on site to monitor all ground disturbing works.
- A qualified archaeologist from the Ballardong Aboriginal Coporation has also been invited to participate.
- Ballardong Elders may wish to undertake appropriate ceremonial activities before and after the ground disturbance.
- A GPS will be used to confirm the location identified by the GPR survey as the centre-point for the anomaly.
- It is the understanding of the applicant that the Pony Club Grounds are subject to regular mowing. It will be desirable to have the investigation area mown or slashed with a brush-cutter to determine if the vegetation might show “crop marks” – In some instances the disturbed soil may affect the growth of plants and the outline of a grave might be visible.
- The Shire of York will procure/arrange for a mini excavator to be on-site to undertake the initial clearing of the surface vegetation (grass, herbaceous pants and weeds). Ideally the excavator will be fitted with a wide bucket 1200mm to clear the vegetation from the site area to a depth of 20-25cm.
- All displaced, disturbed and excavated soils will be dry sieved through a 10mm mesh screen to retrieve any artefacts or other evidence of soil disturbance.
- The archaeologist will examine the area cleared of vegetation to determine if there are any visible indications of any features.
- The archaeologist will then use a trenching shovel to excavate a series of parallel lines to a depth of 10cm, across the supposed burial site. The aim of this trenching is to discern any variation on the soil profile. The 10cm trench will also provide a guide to the digger operator in removing the next spit (level) of soil.
- Excavation will proceed to the point that any features are discovered – these include evidence of soil disturbance; the visible outline of an oval grave, or a square sided grave; the discovery of artefacts, wood or cloth; or the discovery of buried human remains.
- NO human remains the remains will be removed from the ground, unless directed by the Ballardong Monitors on site..

Corsini & Littlefair 2024

Background to the York Pony Club Archaeological Investigation Shire of York,

- If the presence of human remains is confirmed, then under the WA Coroners Act the discovery must be reported to the WA Police. The Police must determine whether the remains are of potential Coronial interest. Note however, if the remains are suspected of being Aboriginal Cultural Heritage the provisions of the WA ACHA2021 will apply.
- Unless it is clear that the remains are non-Aboriginal, any remains that are found will be presumed to constitute Aboriginal Cultural Heritage material, under the Commonwealth Aboriginal and Torres Strait Islander Heritage Protection Act 1984. Under Section 21, Aboriginal remains are the property of the relevant Aboriginal Community, being the Ballardong Aboriginal Corporation representing the Noongar Native Title Holders.
- Consultation with the Ballardong Aboriginal Corporation would then occur to determine what course of action should be undertaken.
- No allowance has been made in the budget for Radiocarbon dating of skeletal remains. Any such dating would have to be conducted by a laboratory in Australia: Under the Protection of Movable Cultural Heritage Act 1986 Regulations 2018, it is an offence to export ANY Aboriginal human remains or material outside of Australia.
- If radio carbon dating is to occur, it would be preferable to test non-human material, if there is organic material within the grave fill rather than testing of bone, as the test destroys the material which is tested.
- It is not intended that any object(s) (within the definition of section 6 of the Aboriginal Heritage Act 1972) would be removed from the Site;
- The remediation of the site will involve backfilling of the excavation;
- There will be no significant impact on the land. Other than the actual excavation, there will be very little impact.
- The Ballardong Aboriginal Coporation are the Prescribed Body Corporate for the Ballardong Noongar Native Title holders. Copies of their response is attached .
- Relevant shapefiles and maps to enable accurate mapping or checking of information on DPLH's mapping system.

Dear Chris

LETTER OF SUPPORT – ARCHAEOLOGICAL EXCAVATION OF POSSIBLE GRAVE AT YORK PONY CLUB GROUNDS

The Ballardong Aboriginal Corporation is pleased to provide this letter of support for your intentions to undertake archaeological excavation of a possible gravesite at the Shire of York's Pony Club grounds.

We appreciate that you have kept us informed and involved the whole way through this process, which started when the Pony Club grounds were identified as a site of future Aboriginal heritage interest, being outside the area of the formal Noongar Cultural Heritage Survey and Noongar Standard Heritage Agreement that was undertaken by the Shire in 2021.

We understand that the Shire funded a Ground Penetrating Radar survey of five test sites on the Pony Club grounds in 2023 and one has been identified as a soil discrepancy that could indicate a burial. We are pleased that these test sites were selected by the local Ballardong Elders and community, including two Elders who had participated in the Noongar Cultural Heritage Survey.

Since the inception of the Ballardong Aboriginal Corporation, we have liaised closely with the Shire of York over all matters concerning Aboriginal cultural heritage in the Shire. This project has been discussed and approval given for excavation and testing of any remains found, by our Cultural Advice Committee.

We understand that local Ballardong people are supportive of this archaeological investigation and of any necessary testing on remains that may need to be done to establish ethnic origins. We have confidence through previous dealings with the Shire that this matter will be done with all due sensitivity and respect, fully involving local Elders and community.

The Ballardong Aboriginal Corporation supports the Shire of York in their endeavours and we recognise the positive benefits that archaeology can bring to the local community in terms of acknowledgement and respect for their cultural heritage.

Yours sincerely,

Dear Ms Littlefair

**ABORIGINAL CULTURAL HERITAGE – ARCHAEOLOGICAL
INVESTIGATIONS, YORK PONY CLUB**

Thank you for your enquiry dated 15 February 2024 seeking comment from the Department of Planning, Lands and Heritage regarding the proposed archaeological investigations located within the grounds of the York Pony Club.

Thank you also for the ongoing discussion regarding this location and the management approach to the proposed investigations. A review of the Register of Places and Objects, as well as the DPLH Aboriginal Heritage Database, concludes that the subject area is within the boundary of York (ID 3348), which has been assessed as not meeting section 5 of the *Aboriginal Heritage Act 1972* (AHA).

After considering the matter further, it has been determined that the proposed investigations do not require approval under the AHA.

Therefore, based on the current information held by DPLH, no approvals under the *Aboriginal Heritage Act 1972* (AHA) are required in this instance.

Please note that it is unknown if there is Aboriginal remains present. Therefore, the Shire of York needs to be made aware of their obligations under the AHA should Aboriginal cultural material or Aboriginal remains come to light.

Further, the Shire should be aware of the requirements of the *Coroner's Act 1996* should human remains (Aboriginal or non-Aboriginal) come to light, including that the police are notified. If after the police have undertaken their process and the remains are determined to be ancestral Aboriginal remains, then the Registrar of Aboriginal site must be notified.

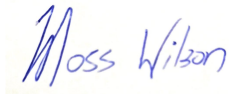

A cautious and sensitive approach is therefore recommended for these investigations.

PURPOSE OF REPORT

This report presents the acquittal of Community Grant Funding from Wheatbelt Arts and Events Inc (WAEi), for the delivery of Balladong First 2025.

BACKGROUND

Policy C3 - Community Funding: Grants and Sponsorship and Policy C4 - Sponsorship of Tourism Events provided the parameters for considering applications for Shire financial and in-kind support. These policies were superseded by Policy C8 – Funding: Grants & Sponsorship adopted by Council at its March 2025 Ordinary Meeting (Resolution 060325). However, the community grant funding was provided to WAEi under the previous policies.

Two (2) rounds of sponsorship are opened to the community each year for a minimum four (4) week period. Applications are considered against the criteria contained in Council policies and guidelines and recommendations approved by Council at its next available meeting.

Historically, the Shire has provided support for activities, infrastructure improvements for facilities and funding for events that contribute to the Shire's community, social and economic objectives.

In certain circumstances, where Council sees significant benefit to the community of maintaining support for a project or activity on an on-going basis it may resolve to consider, via the Integrated Planning and Reporting Framework review cycle or the Annual Budget process, inclusion as a Multiyear Funding Agreement.

In both instances, acquittal reporting is a requirement of sponsorship. Dependant on the size, scale and frequency of funding, acquittal reporting detail varies. At minimum acquittal reports must include:

1. Key outcomes
2. Lessons learned
3. Community benefits
4. How the Shire was acknowledged
5. Budget detailing how the monies were spent

WAEi's application for funding for Balladong First 2025 was received as part of the Shire's October 2024 Community Grant Funding round and was considered by Council at its December 2024 Ordinary Meeting where it resolved (141224):

“That, with regard to Community Funding Applications, Council:

- 1. Approves the following community funding requests, as presented in confidential Appendix 3, totalling \$5,870, to be funded from the following budget allocations:**

	APPLICANT	APPROVED AMOUNT	GL ACCOUNT
a.	York Croquet Club	\$3,870	113167
b.	Wheatbelt Arts & Events Inc	\$2,000	132145

COMMENTS AND DETAILS

The following table summarises WAEi's acquittal for Balladong First 2025 delivered on the Australia Day weekend Saturday 25 to Monday 27 January 2025.

TABLE 1.

ORGANISATION	PURPOSE	PROVISION	ACQUITTAL SUMMARY
WAEi	Balladong First 2025	\$2,000 ex. GST	<p>Balladong First 2025 was an inclusive celebration of Aboriginal history and culture, through storytelling, language, art, music, dance and food, held over the Australia Day long weekend at Avon Park and the Gogulyar Bilya/Avon River. The program was developed by a dedicated planning group from York's First Nations community and supported by WAEi. The event brought together indigenous artists, Elders and the wider community to share knowledge and cultural understanding.</p> <p>Attendance numbers and how many people benefitted from the event:</p> <p>281</p> <p>Key lessons learned:</p> <p>Many helpers make light work.</p> <p>How was the Shire of York acknowledged:</p> <p>In social media & media releases, posters, signage, the event program, on their website and in speeches.</p>

In Summary:

- Council contributed \$2,000 of Community Grant Funding to support the delivery of Balladong First 2025. This represented approximately 10% of WAEi's total event expenditure of \$19,819.32. The Shire's contribution was specifically put towards foodstuffs, water and cooking equipment for the Bushtucker BBQ and damper, print production costs and radio advertising, totalling \$2,009.54 ex. GST.
- WAEi have provided a breakdown of expenses and copies of promotional items and advertising that acknowledge the Shire's support presented in Appendix 1.

OPTIONS

Council has the following options:

Option 1: Council could choose to accept the acquittal as presented in Appendix 1.

Option 2: Council could choose not to accept the acquittal as presented.

Option 3: Council could choose to seek further details from the funded organisation.

Option 1 is the recommended option.

IMPLICATIONS TO CONSIDER

Consultative

In preparation of this report:

1. Review of acquittal documents received.
2. Telephone debrief with the funded organisation (Project Coordinator).

Strategic

Strategic Community Plan 2020-2030

Goal 1: The Place to Be

To be a close-knit community, full of life, in a welcoming and accessible place for all.

Goal 2: Driving the York Economy Forward

To have a vibrant, diverse and prosperous local economy which creates local jobs, business opportunities and a positive image for the Shire.

Goal 5: Strong Leadership and Governance

To have effective and responsive leadership and governance, where a sense of collective purpose and shared direction combine to work together.

Policy Related

C3 Community Funding; Grants & Sponsorship

As mentioned above, this policy was superseded by Policy C8 – Funding: Grants & Sponsorship adopted by Council at its March 2025 Ordinary Meeting (Resolution 060325). However, the funding being acquitted was provided to WAEi under the previous policy.

Financial

The financial implications have been detailed earlier in this report and are included in the acquittal report. Council could request more detailed financial reporting and/or audited financial statement from funded organisation.

Legal and Statutory

Nil in relation to the receipt of the acquittal.

Risk Related

Should Council choose not to accept the acquittal, this poses a reputational and compliance risk which is considered moderate and a potential financial risk which is also rated moderate. Regular reporting in accordance with funding agreements and policy requirements including acceptance of acquittals through resolution provides acceptable treatment controls to manage the risks identified.

Workforce

Time to review and monitor the acquittal reporting process is managed within existing resources.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Executive

PURPOSE OF REPORT

This report presents the acquittal from the Veteran Car Club of WA, York Branch (VCC) for the delivery of the 2024 Motor Show in 2024/25.

BACKGROUND

Policy C3 - Community Funding: Grants and Sponsorship and Policy C4 - Sponsorship of Tourism Events provide the parameters for considering applications for Shire financial and in-kind support. These policies were superseded by Policy C8 – Funding: Grants & Sponsorship adopted by Council at its March 2025 Ordinary Meeting (Resolution 060325). However, the community grant funding was provided to VCC under the previous policies

Two (2) rounds of sponsorship are opened to the community each year for a minimum four (4) week period. Applications are considered against the criteria contained in Council policies and guidelines and recommendations approved by Council at its next available meeting.

Historically, the Shire has provided support for activities, infrastructure improvements for facilities and funding for events that contribute to the Shire's community, social and economic objectives.

In certain circumstances, where Council sees significant benefit to the community of maintaining support for a project or activity on an on-going basis it may resolve to consider, via the Integrated Planning and Reporting Framework review cycle or the Annual Budget process, inclusion as an MFA.

In both instances, acquittal reporting is a requirement of sponsorship. Dependant on the size, scale and frequency of funding, acquittal reporting detail varies. At minimum acquittal reports must include:

1. Key outcomes
2. Lessons learned
3. Community benefits
4. How the Shire was acknowledged
5. Budget detailing how the monies were spent

The request for a multi-year funding agreement, to support delivery of the York Motor Show, was considered by Council at its Ordinary Council Meeting on 25 May 2021, where it resolved (080521):

“That Council:

1. ***Authorises the Chief Executive Officer to renew multi-year funding agreements for the following activities and events that occur on an annual basis to commence following the adoption of the 2021/22 financial budget:***
 - ***York Agricultural Society – York Show (\$11,000)***
 - ***Premiere Events – York Motorcycle Festival (\$22,500)***
2. ***Authorises the Chief Executive Officer to negotiate new funding agreements for the following activities and events that occur on an annual basis to commence following the adoption of the 2021/22 financial budget:***
 - ***York Veteran Car Club – York Motor Show (\$10,000)***
 - ***York RSL – ANZAC day (\$3,000)***
3. ***Authorises the Chief Executive Officer to make any necessary minor typographical and formatting changes to the funding agreements.***
4. ***Approves the Shire President and Chief Executive Officer to engross the final agreements.***
5. ***Requests the Chief Executive Officer to include the above amounts in the 2022/23 and 2023/24 financial years budgeting process.”***

Funding was approved in accordance with the following table:

TABLE 1.

RECIPIENT	START	EXPIRY	PROVISIONS (all amounts are ex GST)
York Motor Show	1 July 2021	30 June 2024	\$10,000 per annum paid as milestone payments Financial contribution to deliver the annual York Motor Show Hire of Shire buildings and reserves not included (charged at a not-for-profit rate) Agreement proposed to include extending the Motor Show into a two (2) day event

In March 2025, the VCC sought a variation to their existing MFA and approval to carry-over unspent funds from 2023/24 financial year to support delivery of the 2024 Motor Show. The request was considered by Council at its March 2025 Ordinary Meeting where it resolved (040325):

“That, with regard to the Request to vary Multi-Year Funding Agreement - York Motor Show, Council:

1. ***Receives the request from York Motoring Events for the re-allocation of funds from 2022/23 to support the delivery of the 2024 York Motor Show in 2024/25.***
2. ***Approves the retention of \$4,248.85 in underspent funds from previous events to fund the delivery of the 2024/25 Motor Show.***
3. ***Notes there is a proposed allocation of \$5,751.15 in the Mid-Year Budget Review to fund the 2024/25 Motor Show.***
4. ***Notes that funds will be made available to the Veteran Car Club of WA – York Branch upon acquittal of the 2024/25 funding allocation.***
5. ***Directs the Chief Executive Officer to provide written notice of Council’s resolution to the Veteran Car Club of WA and York Motoring Events Inc.”***

Table 2 below, summarises agreed funding and event delivery for the three (3) years covered under the Motor Shows multi-year agreement.

The following table summarises the VCC acquittal for the 2024 Motor Show.

TABLE 3.

ORGANISATION	PURPOSE	PROVISION	ACQUITTAL SUMMARY
VCC	Support delivery of the York Motor Show 2024 2024/25 MFA Year 3 of 3	\$4,248.85 ex GST (retained in unspent funds from 2023/24) plus allocation of \$5,751.15 ex GST (allocated in 2024/25 budget)	<ul style="list-style-type: none"> The York Motor Show 2024 was held on 1 September 2024 <p>Key Lessons Learned</p> <ul style="list-style-type: none"> Engage with local businesses to encourage their involvement and sponsorship. Having the event coincide with Father's Day and other rally events resulted in lower attendance than previous years. Organisers are going to trial alternative dates for future Shows. <p>How many people benefitted from the project?</p> <ul style="list-style-type: none"> Attendance numbers estimated at 3,000. Whilst the event was run under the banner of the VCC, local organisers were restricted in the class of vehicles that could be displayed. Multi-year funding for future Motor Shows will be sought by York Motoring Events Inc (YMEI) who collaborated with VCC to deliver this year's event. YMEI will be able to lift this restriction thereby increasing the appeal of the event to a wider demographic. This has already resulted in an injection of younger people with fresh ideas and

			<p>enthusiasm and an increase in YMEI memberships, which has grown from the initial small group of nine (9) members to thirty (30) within the first year.</p> <p>Community engagement</p> <ul style="list-style-type: none"> Local community members were encouraged to display their vehicles alongside entrants from all over WA. Positive relationship building with local business to encourage sponsorship, support and participation over the Motor Show weekend.
--	--	--	--

In Summary:

- The VCC have met the key objectives of providing a free York based, community event that promotes York as a destination, supports tourism and economic development and encourages community groups, residents and local businesses to participate.
- The Shire is acknowledged in their annual report, social media posts, in media releases, on the website, letters to supporters, radio and newspaper advertisements, event announcements, during opening speeches, in newsletters/flyers, on signage and in award sponsorships.
- It should be noted that 2024 was the 14th Annual York Motor Show and the last year under the existing MFA with the VCC. YMEI have met with the Shire and expressed a commitment to the continued development and growth of the event and intention to apply for a new MFA in time for the 15th Annual Motor Show, scheduled for Sunday 5 October 2025.
- Council authorised the VCC to retain \$4,248.85 in unspent Shire funds from the previous financial year to support the delivery of the 2024 Motor Show and made a further allocation of \$5,751.15 in the 2024/25 Mid-Year Budget Review, subject to satisfactory acquittal as per Resolution 040325.
- The VCC have provided a breakdown of Income and Expenses which is presented in Appendix 1. This indicates Total Income of \$12,840.00 (minus in-kind contributions) and Total Expenditure of \$11,513.88. This represents an underspend of \$1,326.12. Officers therefore recommend that Council reduce the final payment of funds to \$4,425.03 to reconcile this amount.

OPTIONS

Council has the following options:

- Option 1:** Council could choose to accept the acquittal report from the VCC, as presented in Appendix 1 and request the Chief Executive Officer to reduce the final milestone to \$4,425.03 excluding GST to reconcile unspent funds.
- Option 2:** Council could choose not to accept the acquittal report from the VCC, as presented in Appendix 1
- Option 3:** Council could choose to seek further details from the funded organisation.

Option 1 is the recommended option.

IMPLICATIONS TO CONSIDER

Consultative

In preparation of this report:

1. Meeting/discussions with funded organisation and Shire Officers
2. Debrief meetings with the Shire Events Team and Manager of Tourism & Economic Development
3. Review of received acquittal documents and the organisation's MFA

Strategic

Strategic Community Plan 2020-2030

Goal 1: The Place to Be

To be a close-knit community, full of life, in a welcoming and accessible place for all.

Goal 2: Driving the York Economy Forward

To have a vibrant, diverse and prosperous local economy which creates local jobs, business opportunities and a positive image for the Shire.

Goal 5: Strong Leadership and Governance

To have effective and responsive leadership and governance, where a sense of collective purpose and shared direction combine to work together.

Policy Related

C3 Community Funding; Grants & Sponsorship

C4 Sponsorship of Tourism Events

As mentioned above, these policies were superseded by Policy C8 – Funding: Grants & Sponsorship adopted by Council at its March 2025 Ordinary Meeting (Resolution 060325). However, the funding being acquitted was provided to the VCC under the previous policies.

Financial

The financial implications have been detailed earlier in this report and are included in the acquittal report. Council could request more detailed financial reporting and/or audited financial statements from the funded organisation.

Legal and Statutory

Nil in relation to the receipt of the acquittal.

Risk Related

Should Council choose not to accept the acquittal, this poses a reputational and compliance risk which is considered moderate and a potential financial risk which is also rated moderate. Regular reporting in accordance with funding agreements and policy requirements including acceptance of acquittals through resolution provides acceptable treatment controls to manage the risks identified.

Workforce

Time to review and monitor the acquittal reporting process is managed within existing resources.

VOTING REQUIREMENTS

Absolute Majority: No

YORK MOTOR SHOW RETURNS IN 2024

by Lindsay McNeill

above: Some of the vehicles on display along Avon Terrace at last year's York Motor Show.

The popular motor show is on again in York next month run by a new local not for profit, volunteer community group.

The 14th annual York Motor Show on Fathers' Day, September 1, is being run by the volunteer motoring enthusiasts who formed York Motoring Events Inc and previously ran the event as York Branch of the Veteran and Classic Car Club of WA. The open-air event is based in Avon Park, south along the river behind the coffee and in Avon Terrace between 9.00am and 2.00pm.

The program includes prizes for the best in class: caravan, hot-rod, motorcycle, commercial vehicle, club display and best vehicle in show. Trophies will be presented in Avon Terrace at 1.30pm.

Displays will include tractors, buses, bikes, stationary engines and items from the Hand Tool Preservation Society. There will also be demonstrations of remote-control model cars and trucks. Vendors will have stalls in Avon Park and there will

be tours of the town in vintage buses.

Spokesperson, Tricia Byfield, said the displays of all sorts of vehicles will be enhanced by the backdrop of York's historic buildings and the great selection of cafes and other shops along Avon Terrace.

"Motoring clubs and individuals from throughout WA are invited to showcase vehicles along the main street. Smith's Shell garage is providing an opportunity for car enthusiasts to take a photo of their car in front of the oldest continuously operating Shell garage in Australia.

"The band, Let's Rockon, will return again this year to provide entertainment on the Friday and Saturday nights as well as add extra colour and dance during the motor show. Profits go to local emergency services such as the York St John Ambulance Sub Centre," Tricia said.

York Motoring Events Inc receives support from the Shire of York and local businesses to stage the Motor Show.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Executive

PURPOSE OF REPORT

The purpose of this report is to present three (3) policies that have been reviewed to Council for consideration.

BACKGROUND

In accordance with Section 2.7(2) of the *Local Government Act 1995*, Council is to determine the policies of the Shire. Operational policies are adopted at the Executive Leadership Team level. In the interests of good governance, it is important that the Shire regularly reviews its policies for relevance, currency and compliance with relevant legislation.

The reviews featured in this report form a precursor to a larger body of work which, is to undertake a policy analysis. This is to involve comparing existing and proposed Shire policies with those of other local governments and resulting in the formulation of a program of delivery of policy development and review.

COMMENTS AND DETAILS

The following Policies have been reviewed:

G1 – Record Keeping

Adopted:	28 January 2016 (120116)
Previous Reviews:	24 October 2016 (121016) 25 November 2019 (291119)

Due to the extent of the changes in this policy, enabling tracked changes made it difficult to see the changes in a meaningful way. Therefore, this policy is being presented as the current version, presented in Appendix 1, and the updated, reviewed version presented in Appendix 2. The majority of the changes relate to clarifying wording and removing procedural elements, making it a clearer policy for all to refer to. The procedures underlying this will remain operational.

G6 – Community Access to Information

Adopted: 28 January 2016 (120116)
Previous Reviews: 24 October 2016 (121016)
25 November 2019 (291119)
22 June 2021 (130621)

The current version of this policy is presented in Appendix 3. When reviewing this policy, Officers noted that the majority of the content was either covered in other policies and Council documents or was a repeat of legislation. For example, under Section 94 of the *Freedom of Information Act 1992*, the Shire must publish an annual Information Statement, the content of which has the same sentiment and information as this policy. The Information Statement is presented to Council and published on the Shire's website. There are also some statements within the policy that do not align with current operational practices.

In addition, privacy is to be addressed via the new *Privacy and Responsible Information Sharing Act 2024*, a requirement of which is for the Shire to implement a Privacy Policy and Data Breach Policy.

Officers researched other local government websites and no other local government appeared to have a similar policy to the current one. Therefore, Officers are recommending the policy be rescinded, with acknowledgement that the relevant matters are addressed via other policies, the annual Information Statement and the new Community Engagement Plan.

G31 – Flags

Adopted: 26 October 2021 (061021)
Previous Reviews: N/A

Proposed changes are presented in a tracked change version of the policy, presented in Appendix 4. This policy was first adopted in October 2021 to provide clear guidance on protocols in relation to flag flying at the Shire of York particularly in relation to conditions when flying at half-mast is required. The review includes some rewording for clarity and consistency in protocols when flying flags at half-mast.

Considering the reviews, Officers are recommending the following:

TABLE 1.

POLICY	RECOMMENDATION
G1 – Record Keeping	Endorse review
G6 – Community Access to Information	Rescind Policy as it is to be incorporated into the future Community Engagement Plan
G31 – Flags	Endorse review

The next reviews of these policies are to occur within the next three (3) years and are scheduled in the Shire's monitoring and reporting software, Cascade. The Shire's website is to be updated accordingly.

OPTIONS

Council has the following options:

Option 1: Council could choose to approve rescinding Policy G6 and endorsing the review of Policies G1 and G31.

Option 2: Council could choose not to approve the recommended actions.

Option 3: Council could choose to suggest further changes to the review of the Policies and identify what those changes are.

Option 1 is the recommended option.

Legal and Statutory

Section 2.7(2)(b) of the *Local Government Act 1995* is applicable to Council's role in relation to policies and states:

"2.7. Role of council

- (1) The council governs the local government's affairs and, as the local government's governing body, is responsible for the performance of the local government's functions.*
- (2) The council's governing role includes the following —*
 - (a) overseeing the allocation of the local government's finances and resources;*
 - (b) determining the local government's policies;*
 - (c) planning strategically for the future of the district;*
 - (d) determining the services and facilities to be provided by the local government in the district;*
 - (e) selecting the CEO and reviewing the CEO's performance;*
 - (f) providing strategic direction to the CEO.*
- (3) For the purpose of ensuring proper governance of the local government's affairs, the council must have regard to the following principles —*
 - (a) the council's governing role is separate from the CEO's executive role as described in section 5.41;*
 - (b) it is important that the council respects that separation.*
- (4) The council must make its decisions —*
 - (a) on the basis of evidence, on the merits and in accordance with the law; and*
 - (b) taking into account the local government's finances and resources.*
- (5) The council must have regard to the need to support an organisational culture for the local government that promotes the respectful and fair treatment of the local government's employees.*

(6) *The council has the other functions given to it under this Act or any other written law.”*

Risk Related

There is a moderate risk to Council if it does not regularly review its Policies.

Workforce

The scope of this report is managed within current operational capacity.

VOTING REQUIREMENTS

Absolute Majority: No

RECOMMENDATION

That, with regard to Policy Review - Various Governance Policies, Council:

- 1. Resolves to rescind Policy G6 – Community Access to Information.**
- 2. Adopts the following reviewed policies:**
 - a. G1 – Record Keeping, as presented in Appendix 2.**
 - b. G31 – Flags, as presented in Appendix 4.**
- 3. Authorises the Chief Executive Officer to make any minor formatting and typographical changes to the Policies prior to publication.**

GOVERNANCE POLICIES

Record Keeping

Policy Number:	G1
Relevant Delegation:	Not Applicable
Adoption Details:	28 January 2016
Last Review Details:	25 November 2019

POLICY OBJECTIVE:

To provide Councillors and employees with clear guidelines on how they will comply with their responsibilities under the State Records Act 2000 and to establish a Council wide consistency in the management of records and a framework for the creation, capture, access, management, storage and disposal of records of all agency functions, irrespective of format within the Shire of York.

POLICY SCOPE:

This policy applies to all Shire of York Councillors, employees, consultants, contractors, casual staff and volunteers and relates to discharge of responsibilities as set out by the State Records Act 2000 and the State Records Commission. The policy applies regardless of the format (e.g. written or electronic) and where it was received.

POLICY STATEMENT:

INTRODUCTION

Records and documents belonging to the Shire of York are important assets and therefore must be managed properly for business purposes and compliance with the *State Records Act 2000*. In accordance with requirements of the Act, the Shire of York has developed a Record Keeping Plan as an instrument of accountability. The Record Keeping Plan has been approved by the Council and has been implemented to fulfil the Shire of York's compliance obligations and to benefit the Shire of York's business information needs.

COUNCILLORS

The *State Records Act 2000* identifies certain records held by Councillors as State records and requires that these be protected and preserved. The State Records Commission sets out guidelines to assist local government and Councillors to identify which records must be retained. This can include electronic as well as written records. The Commission's policy regarding the records of local government elected members requires the retention of records of the:

"...communications and transactions of elected members which constitute evidence affecting the accountability of the Council and the discharge of its business."

Councillors may hold records which must be made available in relation to Freedom of Information requests. Just as direct Council held records must be searched for information relevant to a Freedom of Information request, Councillor records, including computer records, must also be available for searching.

It is important that Councillors are aware of what must be retained and made available in order to comply with the intent and provisions of the State Records Act 2000 and the policies of the State Records Commission.

This policy should also be read in conjunction with the Policy G 2.2 Community Access to Information and G 1.1. Councillors: Code of Conduct.

PRINCIPLES

- (a) Retention of records is key to ensuring the transparency and accountability of local government decision-making.
- (b) Retention of records is an important tool in protecting and retaining the heritage and memory of local communities.
- (c) Ensuring the availability of information in a timely way is an important part of the democratic process.
- (d) A conservative approach should be taken to retention of records: i.e. if in doubt retain the records.

PROVISIONS

- 1.1 Councillors must keep records of communications or transactions, which convey information relating to local government business or functions. These records should be forwarded regularly to the Shire of York administration for capture into the official recordkeeping system.
 - 1.2 The following records must be created and retained and forwarded to the Shire of York administration on a regular basis and at the retirement of a sitting member:
 - (a) Communications from residents and ratepayers such as:
 - ☐ complaints and compliments
 - ☐ correspondence concerning corporate matters
 - ☐ submissions, petitions and lobbying
 - ☐ information on Council's interests relating to local government business activity and functions
 - (b) Telephone, meetings and other verbal communications between an elected member and another party, regarding local government projects or business activities
 - (c) Work diaries – containing information that may be significant to the conduct of the elected member on behalf of local government,
 - (d) Presentations and speeches delivered as part of an elected member's official duties.
 - 1.3 Councillors must sign an annual declaration that they have forwarded required records to the Shire of York's Records Officer for retention or storage. (Note: this declaration is not a mandatory requirement under the State Records Act but exists to remind Councillors of their compliance responsibilities and to assist the Chief Executive Officer (CEO) discharging requirements under Section 17 *Local Government (Audit) Regulations 1996*.
 - 1.4 Councillors must make available records held relevant to a Freedom of Information request in a timely way that ensures Council compliance with the statutory response times.
 - 1.5 Councillors should consult the CEO if they need assistance in deciding whether a record should be retained.
-

-
- 1.6 Destruction of the above records or failure to make them available for storage or Freedom of Information requests will place an Elected Member in contravention of statutory requirements.
- 1.7 The following records do not need to be forwarded to the Shire of York for retention:
- ☐ duplicate (unmarked) copies – of Council meeting agenda, minutes & papers. Note: any such document with notations or marked in any way is a record under the *State Records Act 2000*.
 - ☐ draft documents or working papers which are already captured in Shire of York records
 - ☐ publications – such as newsletters, reports, circulars and journals.
 - ☐ invitations – to community events where an elected member is not representing Council or the local government.
 - ☐ telephone, meetings & other verbal conversations which:
 - convey routine information only; or
 - do not relate to local government business or functions.
 - ☐ electioneering – or party political information.
 - ☐ personal records – not related to an elected member's official duties.

Note: if any of these documents have been marked or contain notations they are considered to be records required for retention.

EMPLOYEES, CONSULTANTS, CONTRACTORS, CASUAL STAFF AND VOLUNTEERS

PRINCIPLES

- (a) All employees are responsible and accountable for keeping accurate and appropriate records of their activities and must do so in accordance with this policy.
- (b) This responsibility includes appropriately securing records to protect the commercial confidentiality, privacy and sensitivity of records and in using and sharing them internally and externally.
- (c) All corporate records and documents belonging to the Shire of York must not be shared or distributed to external persons or organisations unless authorised to do so by the Administration and Governance Coordinator, Executive Manager or Chief Executive Officer.
- (d) All records must be stored, physically or electronically, in the Shire of York's Records Management System so that they can be classified, secured, accessible, published as well as retained in one central location and in accordance with this Policy and the Shire of York's approved Disposal Authority.

PROVISIONS

1. Capture of Records

- 1.1 All Employees are responsible to ensure records they create, send and receive in the course of their work for the Shire of York are captured, regardless of the format. This includes but is not limited to:
- ☐ Authorisations
-

-
- ☐ Contracts
 - ☐ Emails
 - ☐ File Notes
 - ☐ Internal Correspondence
 - ☐ Legal Documents
 - ☐ Letters (Signed)
 - ☐ Memos
 - ☐ Minutes of Meetings eg Events Committee Minutes
 - ☐ Reports
 - ☐ Spreadsheets

- 1.2 Employees must sign an annual declaration that they have registered required records in the Shire of York's Records Management Systems for retention or storage. (Note: this declaration is not a mandatory requirement under the State Records Act 2000 but exists to remind Employees of their compliance responsibilities and to assist the Shire of York discharging requirements under Section 17 Local Government (Audit) Regulations.

2. Retention and Disposal of Records

- 2.1 A record must be retained, even if the legal retention period has expired, if it is required for existing or anticipated legal matters, including Freedom of Information applications, until it is no longer required.
- 2.2 Any records scheduled for disposal are to be identified and presented by the Records Officer for review by the responsible department officer/s. Records for disposal will then be formally authorised by the Administration and Governance Coordinator, Executive Manager Corporate and Community Services and the Chief Executive Officer.
- 2.3 Ephemeral records and documents are to be destroyed once reference to them ceases.
- 2.4 The Records Officer will arrange for the records to be destroyed by appropriate means.
- 2.5 Records which are disposed of will be recorded in a systematic manner by the Records Officer.

3. Drafts and Revisions

- 3.1 Drafts or revisions recording the progress of changes to official policy and management decisions should be fully documented as these can provide evidence of the processes involved or contain significantly more information than the final draft or revision.
- 3.2 A draft or revision of a document is a record under this policy if the draft or revision conveys new information or substantially different information from the previous draft or revision then the draft or revision must be retained as a record. If changes to any draft or revision are of a minor cosmetic nature, it is not necessary to keep a copy of the previous revision.
-

PENALTIES:

Under the *State Records Act 2000* Part 10 it is an offence to:

- (a) Not keep a record in accordance with the records keeping plan of the organisation.
- (b) Transfer or offer to transfer a record to a person who is not entitled to possession of the records.
- (c) Destroy a record without appropriate authorisation in accordance with the record keeping plan.
- (d) Destroy a record while the record is subject of a notice to deliver or under court action to recover.

Current penalty under the *State Records Act 2000* is \$10,000. Officers and/or Councillors and/or the Shire of York may also be penalised under other legislation such as the *Evidence Act 1906* or *Freedom of Information Act*.

KEY TERMS/DEFINITIONS:

In accordance with the *State Records Act 2000* a **record** is defined as:

“any record of information however recorded and includes —

- (a) anything on which there is writing or Braille.*
- (b) a map, plan, diagram or graph.*
- (c) a drawing, pictorial or graphic work, or photograph.*
- (d) anything on which there are figures, marks, perforations, or symbols, having a meaning for persons qualified to interpret them.*
- (e) anything from which images, sounds or writings can be reproduced with or without the aid of anything else.*
- (f) anything on which information has been stored or recorded, either mechanically, magnetically, or electronically.”*

Under the *State Records Act 2000* a **state record** is defined as:

- “(a) a parliamentary record, or*
- (b) a government record.”*

Drafts and revisions: In creating or preparing records, one or more significant drafts or revisions may have been created until the record is finalised and accepted as final.

Disposal authority: The General Disposal Authority for Local Governments, approved by the State Records Office is a legal document adopted by the Shire of York for the retention and disposal requirements of records. It requires the Shire of York to retain and dispose of corporate records and documents, electronic or hard copy, in accordance with specified retention and disposal periods.

Ephemeral records: Ephemeral records are those which have only short-term value to Shire of York with little or no ongoing administrative, fiscal, legal, evidential, or historical value. An ephemeral document includes:

-
- (a) duplicates or extract copies of records, documents, circulars, forms etc. Including reports printed from databases for reference purposes as the database contains the official corporate record or document.
 - (b) information material including price lists, catalogues, advertising material, brochures etc produced by other organisations.
 - (c) messages in the form of voice mail, electronic mail, telephone messages or post-it notes when the message does not relate to the business functions of the Shire of York.
 - (d) transitory messages giving minor instructions and of a routine instructional nature that are used to further some activity in either a paper-based or electronic format e.g. correcting typing errors, requesting file creation or retrieval, filing a letter, formatting documents, duplicating
 - (e) background notes and reference material used to prepare or complete other documents (other than policy documents and documents relating to significant events in regard to core functions).
 - (f) Excess copies or duplicates of documents that have been captured in the record keeping system already may be disposed of.

If there is any doubt as to whether a record or document should be retained or destroyed, you should retain the record or document.

POLICY OBJECTIVE

To provide Councillors and employees with clear guidelines for fulfilling their responsibilities under the *State Records Act 2000*, and to establish consistent practices across the Shire of York in the management of records.

POLICY SCOPE

This policy applies to all Councillors, employees, consultants, contractors, and volunteers of the Shire of York, concerning their responsibilities under the *State Records Act 2000* and the guidelines established by the State Records Commission. The policy applies irrespective of the format (e.g. written or electronic) and the manner of which it was received.

POLICY STATEMENT

INTRODUCTION

Records and documents belonging to the Shire of York are vital assets that must be managed effectively to support business operations and ensure compliance with the *State Records Act 2000*. In alignment with the Acts requirements, the Shire of York has developed a Record Keeping Plan as a tool for accountability. The Record Keeping Plan has received Council approval and has been implemented to meet compliance obligations while addressing the Shire of York's business information needs.

PRINCIPLES

- (a) Retention of records is key to ensuring the transparency and accountability of local government decision-making.
- (b) Retention of records is an important tool in protecting and retaining the heritage and memory of local communities.
- (c) Ensuring the availability of information in a timely way is an important part of the democratic process.

PROVISIONS

CREATION AND MANAGEMENT

All Councillors and employees including consultants, contractors, and volunteers are responsible for ensuring that records they create, send, and receive in the course of their work for the Shire of York are captured, regardless of format. This includes, but is not limited to, authorisations, contracts, emails, file notes, internal correspondence, legal documents, signed letters, memos, meeting minutes, reports, and spreadsheets.

Councillors must sign an annual declaration that they have forwarded required records to the Shire of York's Records Officer for retention or storage. Employees must also sign an annual declaration confirming that they have registered the necessary records in the Shire of York's Records Management System for retention or storage. While these declarations are not required by the *State Records Act 2000*, it serves as a reminder of Councillors' and employees' compliance responsibilities and helps the Shire fulfill its obligations under Section 17 of the *Local Government (Audit) Regulations 1996*.

RETENTION AND DISPOSAL

The Shire is to retain and dispose of its records in accordance with General Retention and Disposal Authority for Local Government as issued by the State Records Office WA.

Records scheduled for disposal should be identified by the Records Officer and reviewed by the responsible department officer(s) before formal authorisation for disposal is given by the Manager Governance & People, Executives and the Chief Executive Officer.

Records must be retained beyond the legal retention period if required for current or anticipated legal matters, including Freedom of Information requests, until no longer needed.

Ephemeral records and documents are to be destroyed once they are no longer needed. The Records Officer is responsible for arranging the appropriate destruction of records, and the disposal process must be systematically documented by the Records Officer.

DRAFTS AND REVISIONS

Drafts or revisions that document the progress of changes to official policy and management decisions should be fully recorded, as they can provide valuable evidence of the processes involved or contain more detailed information than the final version.

A draft or revision qualifies as a record under this policy if it introduces new or substantially different information compared to the previous version; in such cases, the draft or revision must be retained. However, if changes are purely cosmetic, there is no need to retain previous versions.

PENALTIES:

Under the *State Records Act 2000* Part 10 it is an offence to:

- (a) Not keep a record in accordance with the records keeping plan of the organisation.
- (b) Transfer or offer to transfer a record to a person who is not entitled to possession of the records.
- (c) Destroy a record without appropriate authorisation in accordance with the record keeping plan.
- (d) Destroy a record while the record is subject of a notice to deliver or under court action to recover.

Current penalty under the *State Records Act 2000* is \$10,000. Officers and/or Councillors and/or the Shire of York may also be penalised under other legislation such as the *Evidence Act 1906* or *Freedom of Information Act 1992*.

KEY TERMS/DEFINITIONS:

In accordance with the *State Records Act 2000* a **record** is defined as:

“any record of information however recorded and includes —

- (a) anything on which there is writing or Braille.*
- (b) a map, plan, diagram or graph.*
- (c) a drawing, pictorial or graphic work, or photograph.*
- (d) anything on which there are figures, marks, perforations, or symbols, having a meaning for persons qualified to interpret them.*
- (e) anything from which images, sounds or writings can be reproduced with or without the aid of anything else.*
- (f) anything on which information has been stored or recorded, either mechanically, magnetically, or electronically.”*

Under the *State Records Act 2000* a **state record** is defined as:

- “(a) a parliamentary record, or*
- (b) a government record.”*

Drafts and revisions: In creating or preparing records, one or more significant drafts or revisions may have been created until the record is finalised and accepted as final.

Disposal authority: The General Retention and Disposal Authority for Local Governments, approved by the State Records Office is a legal document adopted by the Shire of York for the retention and disposal requirements of records. It requires the Shire of York to retain and dispose of corporate records and documents, electronic or hard copy, in accordance with specified retention and disposal periods.

Ephemeral records: Ephemeral records are those which have only short-term value to Shire of York with little or no ongoing administrative, fiscal, legal, evidential, or historical value.

If there is any uncertainty regarding whether a record or document should be retained or destroyed, you should retain the record or document.

GOVERNANCE POLICIES

Community Access to Information

Policy Number:	G6
Relevant Delegation:	Not Applicable
Adoption Details:	28 January 2016
Last Review Details:	22 June 2021

POLICY OBJECTIVE:

To ensure that the community has timely access to information in relation to Council activities and decision-making in a way that is easy to use.

To provide a clear framework for the discharge of Shire of York accountabilities under the *Freedom of Information Act 2000* and the *Local Government Act 1995*.

POLICY SCOPE:

This policy applies to all aspects of Council activities.

POLICY STATEMENT:

INTRODUCTION

An informed community is at the heart of any well-functioning local democracy. Essential to this is having access to information about Council activities and decisions being made on behalf of the community. While the Freedom of Information Act 1992 (FOI Act) provides a statutory protection in terms of access to information, it is important as a general principle this be seen as a mechanism of last resort, in effect that every effort is made to publish reports and documents that provide background to decision-making. Ensuring residents and ratepayers have access to information held by the Shire in a way that is consistent with and embraces the overall intent of the FOI Act for an informed community and accountable democratic processes, is an essential aspect of Shire business.

This policy sets out the internal responsibilities and processes to be followed in supporting an informed local community.

PRINCIPLES

The Shire of York:

- (a) believes access to information is essential to having an informed community which has trust in the local democratic process and decision-making.
- (b) will promote access to all Council information with a positive customer service philosophy.
- (c) will be proactive in ensuring access to reports documents and papers of interest to the community and will ensure that these are easily accessible.
- (d) will act as an advocate to external agencies for community access to information on issues and decisions affecting the Shire of York.
- (e) will manage corporate reporting mechanisms to elected members in a way that maximises where possible community understanding of projects of interest to the community.

-
- (f) will actively work to achieve access to documents promptly and at lowest reasonable cost for requests under the FOI Act.
 - (g) will monitor and report on Council performance in relation to community access to information.
 - (h) will ensure the protection of privacy and personal information.

PROVISIONS

1. MAXIMISING COMMUNITY ACCESS TO INFORMATION

All Council held information, with some limited exceptions set out in the FOI Act and the LG Act, is public information available for public reference and scrutiny. Much of this information comprises internal and external communication as well as reports, agendas and more substantial documents. A local authority has the capacity to assist people with access to much of this information by providing access to, in a sense 'publishing', hard or electronic copies. By doing so, this reduces the need for people to make formal requests for much of the information held by Council, with the Freedom of Information Act available for people to request more detailed information on a particular matter.

- 1.1 The Council will publish access to the following documents as a matter of course on its website:
- ☐ agendas, agenda reports and minutes of Council meetings.
 - ☐ publicly available agendas, reports and minutes of meetings associated with projects and cross-agency initiatives where the Council is a formal participant.
 - ☐ reports by Councillors on conferences etc. made under the Councillor Professional Development Policy E2.
 - ☐ other documents required to be published under statute.
 - ☐ Asset management plans.
 - ☐ finalised reports associated with significant projects including:
 - background information reports
 - progress update reports
 - decision reports
 - ☐ land-use information via the Council's GIS system, where this can be achieved technically and at reasonable cost.
 - ☐ externally generated and published reports associated with audit and scrutiny by statutory agencies which have been formally made available to Council.
 - ☐ monitoring reports on complaints and community engagement and consultation register (See also the G5 Comprehensive Complaints Response Policy and the G13 Community Engagement and Consultation Policy) and an annual summary of Freedom of Information requests as part of the corporate reporting framework.
 - ☐ final project briefs for significant works and commissioned work from external providers.
 - ☐ links to published documents developed by external agencies associated with issues of interest to the Shire and/or links to external agency websites.
 - ☐ media statements.
-

-
- ☐ consultation and engagement feedback used in consultation and engagement processes (see also the Community Engagement and Consultation G13).
 - 1.2 The Council will work to a performance measure of achieving upload of Council documents or links to the Council website within 10 working days of the material being in its final form.
 - 1.3 The Council will provide for access to electronic Council documents on the Council website, at the Shire of York library and in partnership with the Community Resource Centre.
 - 1.4 The Council will wherever possible, provided information requests are not excessive in terms of resource time and cost, work with the local school to provide information that will contribute to teaching programs.
 - 1.5 The Council will work with the York Community Resource Centre to provide access to Council information through that mechanism in a timely and effective way.
 - 1.6 Where an issue is of significance to the community and external public agencies are either seeking community input or proposing a project to be undertaken within the District, the Council will advocate for the maximum publication of information and documents.
 - 1.7 Where Council is formally involved in external processes or cross-agency initiatives Council representatives will:
 - ☐ advocate that the lead agency publish relevant documents in an accessible way and that access to information is maximised at all times.
 - ☐ provide links to externally published documents associated with that process.

2. LOCAL GOVERNMENT ACT 1995

As per the Local Government Act, all documents listed within section 5.94 will be made available to the public for inspection, free of charge, unless contrary to section 5.95, 5.96 and the Local Government Administration Regulations 1996 section 29B.

29B. Copies of certain information not to be provided (Act s.5.96)

A local government must not make available to a person copies of information referred to in section 5.94(m) or (s) unless –

- (a) the request for the information is made in the manner and form approved by the CEO of the local government; and
- (b) the CEO of the local government is satisfied, by statutory declaration or otherwise, that the information will not be used for commercial purposes.

3. REQUESTS FOR INFORMATION UNDER THE FREEDOM OF INFORMATION ACT 2000.

The Council recognises that from time-to-time members of the community will seek access to more detailed information which is not available under the Council's active information publication policy.

- 3.1 The process to be followed when dealing with a request is set out under the Freedom of Information Act 1992. Where a request has been made the Council will:
 - ☐ assist with timely access to information outside the FOI process where this can lead to a better outcome.
 - ☐ engage wherever possible in direct face-to-face, early and meaningful discussion with the applicant to clarify the scope of any application.
-

-
- ☐ assist the public to ensure that personal information contained in documents is accurate, complete, up-to-date and does not mislead.

3.2 Management and sign-off of all FOI Act responses will be carried out by the Executive Manager Corporate and Community Services.

4. APPEALS UNDER THE FREEDOM OF INFORMATION ACT 1992

4.1 Division 5 of the Freedom of Information Act 1992 provides for people who have made requests for information to have a right of internal appeal on any FOI Act decision made by the Shire. All appeals will be received, reviewed and responded to by the Chief Executive Officer.

4.2 In addition, a person has a further right of appeal to the Freedom of Information Commission. If an appeal is made externally to the Freedom of Information Commission, the Shire will respond in a timely and positive manner to any requests by the Commission for information on the matter raised.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Legislative

PURPOSE OF REPORT

The purpose of this report is to present Council with an updated draft Shire of York Bush Fire Brigades Local Law, for consideration. Council's approval is sought to recommence the law-making process and authorise the Chief Executive Officer (CEO) to give local public notice of the proposed local law.

The Purpose and Effect of the proposed local law is as follows:

Purpose:	To make provisions for the organisation, establishment, maintenance and equipment of bush fire brigades.
Effect:	To ensure the bush fire brigades are established and managed in accordance with the <i>Bush Fires Act 1954</i> .

BACKGROUND

The Shire of York currently has five (5) operating bush fire brigades. The management of these brigades has occurred through provisions in the *Bush Fires Act 1954* (BF Act).

Under Section 41 of the BF Act, the Shire may establish and maintain one (1) or more bush fire brigades (BFB) and may equip each brigade with appliances, equipment and apparatus. The establishment of brigades is to be in accordance with the Shire's local laws.

The Shire of York already has a local law relating to the establishment, maintenance and equipment of Bush Fire Brigades, published in the Government Gazette on 21 March 1941. The local law was

made under the former *Bush Fires Act 1937*. The relevant pages from the Government Gazette are presented in Appendix 1.

Advice from the WA Local Government Association (WALGA) states any validly made local laws establishing BFBs under the *Bush Fires Act 1937* continue to have effect under the 1954 BF Act. This includes any brigades established under the local law. However, given the time that has elapsed it is considered likely that the existing local law is no longer fit for purpose. WALGA's advice is presented in Appendix 2.

WALGA recommend the Shire ensures an adequate number of Bush Fire Control Officers (BFCO) are appointed under Section 38(1) of the BF Act, to conduct normal brigade activities and manage fires in the interim, and establish a local law under the BF Act, repealing the local law made under the *Bush Fires Act 1937*.

WALGA's advice provides reassurance that volunteers will be covered for compensation and protected from liability if conducting normal brigade activities under the direction of a BFCO.

In June 2019, the Parliamentary Joint Standing Committee on Delegated Legislation (JSCDL) reported on the validity of local laws made under the BF Act. The report is presented in Appendix 3, of particular relevance is Section 2.

It is prudent that the Shire of York moves to adopt a new Bush Fire Brigades Local Law to ensure its BFBs are properly established and managed and brigade officers are properly registered and empowered.

COMMENTS AND DETAILS

To comply with the BF Act, Officers drafted a local law based on the WALGA model template and presented it to Council's October 2023 Ordinary Meeting where it resolved (041023) to commence the law-making process and give public notice of the proposed local law.

In accordance with the procedure for making local laws, Section 3.12 of the *Local Government Act 1995* (LG Act), the proposed Local Law was sent to the Minister for Emergency Services and the Minister for Local Government and advertised statewide and locally. The submission period ended on 26 January 2024.

Two (2) submissions were received, one (1) from the Commissioner of Department of Fire and Emergency Services (DFES), the other from the Minister for Local Government. These are presented in Appendix 4.

In accordance with Section 3.13 of the LG Act, if any changes make the proposed local law significantly different the process must be restarted. The JSCDL takes this into consideration when making determinations. 'Significant changes' was one of the reasons sighted in the JSCDL Report 4 in 2023 (presented in Appendix 5) recommending disallowance of the City of Gosnells Bush Fire Brigade Local Law 2023.

As a direct result of the feedback received, the Shire recommended, and Council, at its Ordinary Meeting of Council, held on 28 May 2024 Council resolved to recommence the law-making process and give public notice of the proposed local law (010524).

According to procedure, the proposed Local Law was sent to the Minister for Emergency Services and the Minister for Local Government and advertised statewide and locally. The submission period ended on 19 July 2024.

Four (4) submissions were received including a joint submission from local BFCOs:

1. Commissioner of DFES referred by the Minister for Emergency Services.
2. Brigade member.
3. Joint submission from local Bush Fire Control Officers (BFCOs).
4. Brigade member.

All submissions received are presented in Appendix 6.

The Chief Executive Officer and Officers of the Shire met with a representative group of BFCOs to address their concerns and work through their submissions to identify where their requests could reasonably be accommodated within the limits of the legislation.

The proposed changes would result in the revised draft being considered significantly different, in line with Section 3.13 of the LG Act. Therefore, the Shire recommended to Council again that the law-making process be recommenced. At its Ordinary Meeting of Council, held on 24 September 2024 Council resolved (090924):

“That, with regard to the Proposed Shire of York Bush Fire Brigades Local Law 2024, Council:

- 1. Commences the law-making process for the Shire of York Bush Fire Brigades Local Law 2024. The purpose and effect of the local law being as follows:***
Purpose: To make provisions about the organisation, establishment, maintenance and equipment of bush fire brigades.
Effect: Ensure the Shire of York’s Bush Fire Brigades are created in accordance with the Bush Fires Act 1954.
- 2. Authorises the Chief Executive Officer to carry out the law-making procedures under Section 3.12(3) of the Local Government Act 1995, by:***
 - a. Giving local public notice of the proposed Bush Fire Brigades Local Law 2024***
 - b. Giving a copy of the proposed Bush Fire Brigades Local Law 2024 and public notice to the Minister for Local Government and the Minister for Emergency Services.***
- 3. Authorises the Chief Executive Officer to make any minor formatting or typographical changes to the proposed Shire of York Bush Fire Brigades Local Law 2024 prior to advertising.***
- 4. Notes that the Chief Executive Officer, after the close of the public consultation period, will submit a report to Council on any submissions received on the proposed Bush Fire Brigades Local Law 2024 to enable Council to consider the submissions and determine whether to make the local law, in accordance with Section 3.12(4) of the Local Government Act 1995.”***

According to procedure at the time, the proposed Local Law was sent to the Minister for Emergency Services and the Minister for Local Government and advertised statewide and locally. The submission period ended on 22 November 2024. This was extended by one week to allow for the local Bush Fire Control Officers (BFCOs) to make a submission.

Two (2) submissions were received:

1. Commissioner of DFES referred by the Minister for Emergency Services.
2. Joint submission from local Bush Fire Control Officers (BFCOs).

All submissions received are presented in Appendix 7.

The Chief Executive Officer and Officers of the Shire met with a representative from the group of BFCOs to address their concerns and work through their submission to identify where their requests could reasonably be accommodated within the limits of the legislation.

The proposed changes would result in the revised draft being considered significantly different, in line with Section 3.13 of the LG Act. Therefore, it is in the Shire’s best interest to recommend to Council that the law-making process be recommenced.

Appendix 8 presents a fully marked-up version of the WALGA Model Local Law, showing all the proposed changes. For clarity, Appendix 9 presents a table of where changes have been made, excluding typographical errors or formatting changes.

The proposed local law is divided into six (6) parts, summarised as follows, with key amendments identified:

Part 1 – Preliminary

Provides basic information about the local law including its name, definitions of key terms used, its application and commencement.

Part 2 – Establishment of Bush Fire Brigades

Part 2, Division 1 provides for the Shire to establish BFBs. It specifies the positions to be appointed. Following the first Annual General Meeting of the BFB committee, these positions are thereafter appointed by the brigade.

Existing BFBs within the Shire of York are non-financial entities and therefore, the positions of Secretary and Treasurer have been removed. Equipment is currently managed by the Shire's CESM. Should a need for these positions arise, clause 2.2(1)(v) allows for any other position deemed necessary to be appointed.

Part 2, Division 2 specifies the chain of command in relation to a fire ground. This part also refers to the Rules (Schedule 1) of each brigade. Upon commencement of the local law, existing brigades will continue to operate as if they were established under the local law.

Part 3 – Organisation and Maintenance of Bush Fire Brigades

The Shire is to ensure there is an appropriate structure under which BFBs can operate and are to supply each brigade officer with relevant legislation, policies and procedures. The Chief BFCO has primary managerial responsibility for the organisation and maintenance of the BFBs. Each BFB must hold Annual General Meetings and nominate brigade members to serve as BFCOs for the brigade area and represent the brigade on the Bush Fire Advisory Committee (BFAC).

Part 4 – Types of Bush Fire Brigade Membership

The membership types included in the proposed local law reflect the existing BFB structures with the addition of the requirement to undergo any training as specified by the Shire. Feedback from DFES recommended adding in a clause relating to fire fighting members aged between sixteen (16) and eighteen (18) years of age.

Part 5 – Appointment Dismissal and Management of Members

This part refers to the Rules (First Schedule) in relation to the appointment and dismissal of members.

Part 6 – Equipment of Bush Fire Brigades

This part provides for the option to establish policies around funding for the brigades and a BFB's ability to request funding from the Shire. This funding is in addition to current Local Government Grant Scheme funds.

First Schedule – Rules Governing the Operation of Bush Fire Brigades

The Schedule outlines the rules under which the BFBs are to operate and includes the following matters:

1. Membership
2. Functions of Brigade Officers (Duties of the Captain and Lieutenants)
3. Responsibilities of the Committee
4. Meetings of the BFB
5. Meetings of the Committee
6. General administration
7. Issuing of notices and appointing proxies

Financial reporting requirements have been removed as none of the existing BFBs are incorporated bodies and do not charge fees for membership. Some BFBs in other local government areas are incorporated and therefore legally bound to report on annual financials.

Process for Making Local Law

The procedure for making local laws is prescribed in Sections 3.12 to 3.17 of the LG Act. The first step is for the person presiding at a Council meeting to give notice to the meeting of the purpose and effect of the proposed local law. This is to be recorded in the agenda and minutes of the meeting.

Recent changes to the LG Act have resulted in a few changes to the process since the last time the draft local law was advertised. As there are proposed changes to the wording of some provisions the Shire must follow the process according to Section 3.12(3) of the LG Act:

1. Give local public notice of the proposed local law in the prescribed way.
2. Invite submissions about the proposed local law for a period no less than six (6) weeks.
3. Provide a copy of the proposed local law to the Departmental CEO (Director General of DLGSC) and the CEO of the Department of Fire and Emergency Services (The Commissioner).

After the last day for submissions the Shire must consider any submissions made and either restart the process or formally make the local law by an Absolute Majority decision of Council. The process only needs to be restarted if any changes make the proposed local law significantly different to what has been proposed (Section 13.13 of the LG Act).

Once a local law is made, it is to be published in the Government Gazette and local public notice given including publishing on the Shire's website. The Minister *may* require the Shire to provide copies to Parliament along with any explanatory material. The local law comes into force fourteen (14) days after gazettal.

OPTIONS

Council has the following options:

- Option 1:** Council could choose not to adopt a new Bush Fire Brigades Local Law and continue to operate under the existing local law made in 1941.
- Option 2:** Council could choose to obtain independent legal advice as to whether a new local law is required prior to making a determination.
- Option 3:** Council could choose to authorise the Chief Executive Officer to recommence the law-making process in accordance with Section 3.12 of the LG Act.

Option 3 is the recommended option.

Should Council choose to commence the law-making process, Officers will publish a local public notice of the proposed local law, inviting submissions. The submission period is to be no less than six (6) weeks. After this period, Officers will consider any submissions received and report back to Council.

Strategic

Strategic Community Plan 2020-2030

Goal 5: Strong Leadership and Governance

To have effective and responsive leadership and governance, where a sense of collective purpose and shared direction combine to work together.

Policy Related

There are currently no policies relating directly to BFBs. However, an updated Work Health and Safety Policy was presented to Council in May 2024 and includes volunteers.

Financial

There will be costs associated with the advertising and gazettal of the proposed Bush Fire Brigade Local Law. These costs are unlikely to exceed \$5,000.

Legal and Statutory

Various Sections of the *Bush Fires Act 1954* are applicable and state:

“38. Local government may appoint bush fire control officer

- (1) *A local government may from time to time appoint such persons as it thinks necessary to be its bush fire control officers under and for the purposes of this Act, and of those officers shall subject to section 38A(2) appoint 2 as the Chief Bush Fire Control Officer and the Deputy Chief Bush Fire Control Officer who shall be first and second in seniority of those officers, and subject thereto may determine the respective seniority of the other bush fire control officers appointed by it.*

41. Bush fire brigades

- (1) *For the purpose of carrying out normal brigade activities a local government may, in accordance with its local laws made for the purpose, establish and maintain one or more bush fire brigades and may, in accordance with those local laws, equip each bush fire brigade so established with appliances, equipment and apparatus.*
- (2) *A local government shall keep a register of bush fire brigades and their members in accordance with the regulations and shall register therein each bush fire brigade established by it under subsection (1) and each member of each such brigade.*
- (2a) *A local government is to notify the FES Commissioner as soon as practicable after any changes occur in any of the details required to be recorded in the register under subsection (2).*
- (3) *A local government may at any time cancel the registration of a bush fire brigade.*

43. Election and duties of officers of bush fire brigades

A local government which establishes a bush fire brigade shall by its local laws provide for the appointment or election of a captain, a first lieutenant, a second lieutenant, and such additional lieutenants as may be necessary as officers of the bush fire brigade, and prescribe their respective duties.

44. Powers and authorities of officers of bush fire brigade

- (1) *Subject to this Act, and except as provided in section 45 for the purpose of controlling and extinguishing or preventing the occurrence or spread or extension of a bush fire, or for any other prescribed purpose, the captain, or, in his absence, the next senior officer of a bush fire brigade, or in the absence of the captain and all other officers, any other member of the bush fire brigade, after consulting with the occupier of the land if he be present, has and may exercise all or any of the following powers and authorities, he may —*
 - (a) *control and direct the bush fire brigade at the fire or a person who voluntarily places his service at his disposal;*
 - (b) *either alone or with others under his command or direction, enter on land or into premises which may be on fire or in the neighbourhood of a fire for the purpose of taking such steps as he deems necessary for the control or extinguishment or for the prevention of the spread or extension of the fire, or take or give directions for taking such apparatus required to be used at a fire into, through, or upon land or premises as he considers convenient for the purpose;*

- (c) *take any measures which in the circumstances are reasonable and appear to him to be necessary or expedient for the protection of life and property; and, for the purpose of controlling or extinguishing or for preventing the spread or extension of a fire, cause fences to be pulled down or removed, and bush or other inflammable material to be burnt, or otherwise destroyed or removed;*
 - (d) *enter or give directions for entering land or premises, and take or cause to be taken water from any source whatsoever, other than that for use at a school or the domestic supply of an occupier contained in a tank at his dwelling-house, whether the water is upon private land or other land, and in all other respects, when and as often as in his opinion he deems it necessary or expedient to do so, exercise all the powers and authorities of a bush fire control officer under this Act;*
 - (e) *either alone or with others under his command or direction enter a building which he believes to be on fire and take such steps as he considers necessary to extinguish such fire or prevent it from spreading*
- (2) *The powers conferred by subsection (1)(e) shall not be exercised —*
- (a) *in an area which has been declared a fire district under the Fire Brigades Act 1942, unless at the express request of an officer of a fire brigade established under that Act; or*
 - (b) *in an area in which there is a fire brigade or volunteer fire brigade formed under the provisions of that Act, unless at the express request of an officer of the fire brigade or volunteer fire brigade as the case may be.*
- (3) *Subject to the provisions of sections 13(6) and 45, where the bush fire brigade of a local government is present at a fire which is burning within the district of the local government, if a bush fire control officer of the local government is not present, the captain or in his absence the next senior officer of the bush fire brigade of the local government, or in the absence of the captain and all other officers of that bush fire brigade, any other member of that bush fire brigade has and shall take supreme control and charge of all operations and the officers and members of another bush fire brigade if present are subject to and shall act under his orders and directions.*
- (4) *Subject to the provisions of sections 13(6) and 45, where a bush fire control officer of a local government is present at a fire which is burning in the district of the local government, he has supreme control and charge of all operations, and the officers and members of all bush fire brigades present at the fire are subject to and shall act under his orders and directions.*

62. Local government may make local laws

- (1) *A local government may make local laws in accordance with subdivision 2 of Division 2 of Part 3 of the Local Government Act 1995 for and in relation to —*
- (a) *the appointment, employment, payment, dismissal and duties of bush fire control officers; and*
 - (b) *the organisation, establishment, maintenance and equipment with appliances and apparatus of bush fire brigades to be established and maintained by the local government; and*
 - (c) *any other matters affecting the exercise of any powers or authorities conferred and the performance of any duties imposed upon the local government by this Act.*
- (2) *Where a regulation made by the Governor under this Act is inconsistent with or repugnant to a local law previously made by a local government under subsection (1) and still in force, the regulation prevails and the local law to the extent by which it is inconsistent with or repugnant to the regulation is deemed to be repealed.”*

Various Sections of the Local Government Act 1995 are applicable and state:

“3.5. Legislative power of local governments

- (1) *A local government may make local laws under this Act prescribing all matters that are required or permitted to be prescribed by a local law, or are necessary or convenient to be so prescribed, for it to perform any of its functions under this Act.*

3.12. Procedure for making local laws

- (1) *In making a local law a local government is to follow the procedure described in this section, in the sequence in which it is described.*
- (2A) *Despite subsection (1), a failure to follow the procedure described in this section does not invalidate a local law if there has been substantial compliance with the procedure.*
- (2) *At a council meeting the person presiding is to give notice to the meeting of the purpose and effect of the proposed local law in the prescribed manner.*
- (3) *Subject to subsection (3A), the local government is to —*
- (a) give local public notice stating that —*
 - (i) the local government proposes to make a local law the purpose and effect of which is summarised in the notice; and*
 - (ii) a copy of the proposed local law may be inspected or obtained at any place specified in the notice; and*
 - (iii) submissions about the proposed local law may be made to the local government before a day to be specified in the notice, being a day that is not less than 6 weeks after the notice is given;*
 - and*
 - (b) as soon as the notice is given, give a copy of the proposed local law and a copy of the notice to —*
 - (i) the Departmental CEO; and*
 - (ii) if a department of the Public Service other than the Department assists in the administration of an Act under which the local law is proposed to be made — the chief executive officer of that other department;*
 - and*
 - (c) provide a copy of the proposed local law, in accordance with the notice, to any person requesting it.*
- (3A) *The local government may, at the council meeting referred to in subsection (2), determine to proceed under subsection (3C) instead of subsection (3) if all the proposed local law would do is adopt, wholly and without modification —*
- (a) a model local law; or*
 - (b) a model local law except certain provisions that the local government determines, at the council meeting referred to in subsection (2), are not relevant to the local government and the district.*
- (3B) *In subsection (3A)(a) and (b), references to a model local law include an amendment of a model local law.*
- (3C) *If the local government determines to proceed under this subsection, the local government must —*
- (a) publish a notice on the local government's official website stating that —*
 - (i) the local government proposes to make a local law the purpose and effect of which is summarised in the notice; and*
 - (ii) a copy of the proposed local law may be inspected or obtained at any place specified in the notice; and*

(iii) *submissions about the proposed local law may be made to the local government before a day to be specified in the notice, being a day that is not less than 3 weeks after the notice is published;*

and

(b) *as soon as the notice is published, give a copy of the notice to —*

(i) *the Departmental CEO; and*

(ii) *if a department of the Public Service other than the Department assists in the administration of an Act under which the local law is proposed to be made — the chief executive officer of that other department;*

and

(c) *provide a copy of the proposed local law, in accordance with the notice, to any person requesting it.*

(4) *After the last day for submissions under subsection (3) or (3C) (as the case requires), the local government is to consider any submissions made and may make the local law* as proposed or make a local law* that is not significantly different from what was proposed.*

** Absolute majority required.*

(5) *After making a local law, the local government must —*

(a) *publish the local law in the Gazette; and*

(b) *give a copy of the local law to —*

(i) *the Departmental CEO; and*

(ii) *if a department of the Public Service other than the Department assists in the administration of an Act under which the local law is made — the chief executive officer of that other department.*

(6) *After the local law has been published in the Gazette the local government is to give notice in the required way —*

(a) *stating the title of the local law; and*

(b) *summarising the purpose and effect of the local law (specifying the day on which it comes into operation); and*

(c) *advising that the local law is published on the local government's official website and that copies of the local law may be inspected at or obtained from the local government's office.*

(6A) *For the purposes of subsection (6), the **required way** for giving a notice is as follows —*

(a) *if the local government proceeded under subsection (3) — by local public notice;*

(b) *if the local government proceeded under subsection (3C) — by notice published on the local government's official website.*

(7) *The Minister may give directions to local governments requiring them to provide to the Parliament copies of local laws they have made and any explanatory or other material relating to them.*

(8) *In this section —*

making *in relation to a local law, includes making a local law to amend the text of, or repeal, a local law.*

3.13. Procedure where significant change in proposal

If during the procedure for making a proposed local law the local government decides to make a local law that would be significantly different from what it first proposed, the local government is to recommence the procedure.

3.14. Commencement of local laws

- (1) *Unless it is made under section 3.17, a local law comes into operation on the 14th day after the day on which it is published in the Gazette or on such later day as may be specified in the local law.*
- (2) *A local law made under section 3.17 comes into operation on the day on which it is published in the Gazette or on such later day as may be specified in the local law.*

3.15. Local laws to be publicised

A local government is to take reasonable steps to ensure that the inhabitants of the district are informed of the purpose and effect of all of its local laws.

3.16. Periodic review of local laws

- (1) *Within a period of 15 years after the day on which a local law commenced or a determination in respect of the local law was last made under subsection (4), as the case requires, a local government must carry out a review of the local law to determine whether it considers that the local law should be repealed, be amended or remain unchanged.*
- (2) *The local government is to give local public notice stating that —*
 - (a) *the local government proposes to review the local law; and*
 - (b) *a copy of the local law may be inspected or obtained at any place specified in the notice; and*
 - (c) *submissions about the local law may be made to the local government before a day to be specified in the notice, being a day that is not less than 6 weeks after the notice is given.*

[(2a) deleted]

- (3) *After the last day for submissions, the local government is to consider any submissions made and cause a report of the review to be prepared and submitted to its council.*
- (4) *When its council has considered the report, the local government may determine* whether or not it considers that the local law should be repealed or amended.*

** Absolute majority required.*

- (5) *If no determination is made under subsection (4) within the applicable 15-year period under subsection (1), the local law is repealed at the end of that period.*
- (6) *If a local law is repealed by subsection (5), the local government must, not later than 14 days after the end of the applicable 15-year period —*
 - (a) *give notice of the repeal to —*
 - (i) *the Departmental CEO; and*
 - (ii) *if a department of the Public Service other than the Department assists in the administration of an Act under which the local law was made — the chief executive officer of that other department;*
 - and*
 - (b) *publish notice of the repeal in the Gazette; and*
 - (c) *give local public notice of the repeal.*
- (7) *If different provisions of a local law commenced on different days, the local law is taken, for the purposes of this section, to have commenced on the earliest of those days.*
- (8) *This section does not apply to a local law if all it does is amend the text of, or repeal, a local law.*

3.17. Governor may amend or repeal local laws

- (1) *The Governor may make local laws to amend the text of, or repeal, a local law.*

- (2) *Subsection (1) does not include the power to amend a local law to include in it any provision that bears no reasonable relationship to the local law as in force before the amendment.*
- (3) *The Minister is to give a local government notice in writing of any local law that the Governor makes to amend the text of, or repeal, any of the local government's local laws.*
- (4) *Section 5.94 applies as if a local law made under this section by the Governor were a local law made by the local government in accordance with section 3.12.*
- (5) *The reference in the Interpretation Act 1984 section 42(8)(b) to local laws includes local laws made under this section by the Governor."*

Risk Related

Under the BF Act, the Shire is required to adopt a Bush Fire Brigades Local Law to ensure its brigades are properly established and brigade officers are properly appointed and empowered. The risks are outlined within the advice received from WALGA presented in Appendix 1.

The Shire already has a local law, made under the former *Bush Fires Act 1937*. However, this local law is likely not fit for purpose. Existing brigades can continue to operate until a new local law is made.

The compliance risk is Insignificant (1) due to the Shire having an existing local law.

The likelihood of occurrence is Possible (3) presenting an overall risk rating of Low (3).

Workforce

The process associated with adopting the new proposed bush fire brigade local law is within current operational capacity.

VOTING REQUIREMENTS

Absolute Majority: No

RECOMMENDATION

That, with regard to the Proposed Shire of York Bush Fire Brigades Local Law 2025, Council:

1. Commences the law-making process for the Shire of York Bush Fire Brigades Local Law 2024. The purpose and effect of the local law being as follows:
Purpose: To make provisions about the organisation, establishment, maintenance and equipment of bush fire brigades.
Effect: Ensure the Shire of York's Bush Fire Brigades are created in accordance with the *Bush Fires Act 1954*.
2. Authorises the Chief Executive Officer to carry out the law-making procedures under Section 3.12(3) of the *Local Government Act 1995*, by:
 - a. Giving local public notice of the proposed Bush Fire Brigades Local Law 2025.
 - b. Giving a copy of the proposed Bush Fire Brigades Local Law 2025 and the notice to the Director General of the Department Local Government Sport and Cultural Industries and the Commissioner of the Department of Fire and Emergency Services.
3. Authorises the Chief Executive Officer to make any minor formatting or typographical changes to the proposed Shire of York Bush Fire Brigades Local Law 2025 prior to advertising.
4. Notes that the Chief Executive Officer, after the close of the public consultation period, will submit a report to Council on any submissions received on the proposed Bush Fire Brigades Local Law 2025 to enable Council to consider the submissions and determine whether to make the local law, in accordance with Section 3.12(4) of the *Local Government Act 1995*.

THE BUSH FIRES ACT, 1937.

Department of Lands and Surveys,
Corres. No. 3884/40. Perth, 19th March, 1941.

IT is hereby notified, for general information, that the York Road Board Bush Fire Brigade (Personnel—Captain William H. Robinson, Lieutenants Newton P. Burges, C. M. Thorn, A. J. McDougall, L. T. Davies, T. W. Marwick, and G. B. Wood) was duly registered as a Bush Fire Brigade on the 29th day of November, 1940, in accordance with the provisions of the above Act, and His Excellency the Lieutenant-Governor in Executive Council has been pleased to approve of the following by-laws for the establishment, maintenance, and equipment of the said Bush Fire Brigade.

G. L. NEEDHAM,
Under Secretary for Lands.

BUSH FIRES ACT, 1937.

By-laws of the York Road Board relating to the Establishment, Maintenance and Equipment of Bush Fire Brigades for the Road District of York.

Establishment of Brigade.

1. On the resolution of the Board to establish, maintain, and equip a Bush Fire Brigade under the provisions of the Bush Fires Act, 1937, and regulations thereunder, the Brigade shall be formed in accordance with these by-laws, and a name shall be given to the Brigade and application accompanied by a copy of these by-laws shall be made to the Minister for Lands for its registration accordingly.

A Bush Fire Brigade may be established for the whole of the road district or for any specified area thereof: Provided that, unless the resolution of the Board establishing a Bush Fire Brigade specifies therein only a part of the district as the area for which such Brigade is established, the Brigade shall be deemed to be established for the whole of the said road district.

Appointment of Officers.

2. The Board shall appoint a captain, a first lieutenant, a second lieutenant, and such additional lieutenants as it shall deem necessary to act as officers of the Brigade, and who in the Board's opinion have the necessary qualification and knowledge of the district required in such capacities.

3. The secretary of the Board, or such other person as the Board may appoint, shall be the secretary of the Brigade.

4. The Board may appoint an Equipment Officer, who shall be responsible for the custody and maintenance in good order and condition of all equipment and appliances acquired by the Board for the purposes of the Brigade. Such officer may station such equipment at a depot approved by the captain, where, if possible, motor trucks can easily be called upon. If there are more than one such depots in the area, the Equipment Officer shall appoint at each depot a person to look after the equipment and have it ready for immediate use when required.

5. The Board shall appoint Bush Fire Control Officers in accordance with the requirements of the District and may prescribe the area over which each such officer shall have jurisdiction. The employment, dismissal, and payment for services of persons (other than officers) employed for duties under this Act, shall be vested in the chairman and secretary of the Board jointly.

Duties of Officers.

6. The duties of all officers appointed under these by-laws shall be as laid down in the provisions of the Bush Fires Act, 1937, and each officer so appointed shall be supplied with a copy of the Act and regulations. The captain shall have full control over the members of the Brigade whilst engaged in fire fighting, and shall issue instructions as to the methods to be adopted by the firemen. In the absence of the captain, the first lieutenant, and, in the absence of the first, the second lieutenant or senior officer of the Brigade present at the fire shall exercise all the power and duties of the captain. The captain shall, when so directed by the Board, instruct all land owners or occupiers to plough a break or breaks on all cleared land or land under pasture.

Membership of Brigade.

7. (1) The membership of a Bush Fire Brigade may consist of the following:—(a) Subscribing members; (b) fire-fighting members; and (c) associate members.

(2) Subscribing members shall be those persons, who, being interested in forwarding the objects of the Brigade, pay an annual subscription to the funds of the Brigade at the following rates:—

	s. d.
(i) Owner or occupier of land within the Brigade Area—minimum subscription of	10 0
(ii) Other persons—a minimum subscription of	5 0

(3) Fire-fighting members shall be those persons, being able-bodied men over 18 years of age who are willing to render service at any bush fire when called upon, and who sign an undertaking in the form contained in the First Schedule to these by-laws.

(4) Associate members shall be those persons who are willing to supply free motor transport for fire fighters or equipment, or are prepared to render other approved assistance, and who sign an undertaking in the form contained in the Second Schedule to these by-laws.

(5) No fees or subscriptions shall be payable either by fire-fighting members or associate members, and the enrolment of persons as such members shall in every case be subject to the approval of the Board.

(6) A subscribing member shall be eligible for enrolment as a fire-fighting member.

Finance.

8. The expenditure incurred by the Board in the purchase of equipment, etc., payment for services and generally for the purposes of this Act, shall be a charge on the ordinary revenue of the Board, but the secretary shall keep a separate record of the expenditure incurred under this Act.

Meetings of Brigade.

9. Monthly, 2nd Monday, at 2.15 p.m.

These by-laws under the Bush Fires Act, 1937, were passed by a resolution of the York Road Board (a local authority under the provisions of such Act) at a meeting held at York on 14th October, 1940.

INFOPAGE

BUSH FIRE BRIGADE LOCAL LAWS, January 2023

WALGA was recently contacted by the Department of Fire and Emergency Services (DFES), who informed of State Solicitor's Office advice questioning the legality of Bush Fire Brigades established by Local Governments in the absence of an associated Bush Fire Brigades Local Law.

WALGA obtained its own separate, independent legal advice that confirmed the same; having established a Bush Fire Brigade, it is a requirement that the Local Government also adopt an associated Bush Fire Brigades Local Law.

WALGA has identified your Local Government as potentially falling into this category, following a search of your Local Government website for a BFB Local Law.

The Issues

1. DFES and WALGA have received separate, independent legal advice on the establishment of Bush Fire Brigades (BFB) by Local Governments under s.41 of the *Bush Fires Act 1954* (BF Act);
2. The consistent legal position is that a Local Government, having exercised discretion to establish a BFB, **must do so by making a Local Law** – ref s.41(1) of the BF Act;
3. The head of power to make a BFB Local Law is under s.62 of the BF Act.
4. The Parliamentary Joint Standing Committee on Delegated Legislation has reported a similar requirement: 'Where a local government elects to establish a bush fire brigade it must do so in accordance with local laws it has made for that purpose' (Ref: Report 16, June 2019 at 2.2)

Relevant Consequences

5. Where a BFBs has been established in the absence of a Local Law, WALGA's legal advice indicates that the registration of the Brigade and Brigade membership under s.41(2) is likely to be invalid;
6. In the absence of a Local Law, the election and duties of BFB officers under s.43 is likely to be invalid.
7. In the absence of a Local Law, the powers of BFB officers relevant to preventing, controlling and extinguishing a bush fire under s.44 is likely to be invalid.

WALGA's requested legal advice on other matters that we believe will provide some reassurances in the short term.

Although not having adopted a BFB Local Law will mean that Brigades are not properly constituted, we have been advised that the appointment of Bush Fire Control Officers will mean that Local Governments can effectively ensure the conduct of normal brigade activities, including responding to bush fires and directing firefighting assets and volunteers.

Our legal advice provides further reassurances that volunteers will be covered for compensation and protected from liability if conducting normal brigade activities under the direction of a BFCO.

Arrangements – Short Term

1. In the short term, Local Governments should ensure that a sufficient number of bush fire control officers (BFCO) are appointed under s.38(1) of the BF Act:
'A local government may from time to time appoint such persons as it thinks necessary to be its bush fire control officers under and for the purposes of this Act, and of those officers shall subject to section 38A(2) appoint 2 as the Chief Bush Fire Control Officer and the Deputy Chief Bush Fire Control Officer who shall be first and second in seniority of those officers, and subject thereto may determine the respective seniority of the other bush fire control officers appointed by it';
2. BFCO's special powers are set out in s.39 of the BF Act and this appointment will also ensure the proper direction of Brigades in responding to a bush fire, as set out in s.44(4) of the BF Act:
'(4) Subject to the provisions of sections 13(6) and 45, where a bush fire control officer of a local government is present at a fire which is burning in the district of the local government, he has supreme control and charge of all operations, and the officers and members of all bush fire brigades present at the fire are subject to and shall act under his orders and directions.'
3. WALGA's legal advice notes that a BFCO could manage a BFB established without a Local Law however this is not recommended as a permanent solution as BFBs will not have direct authority and powers otherwise provided under the BF Act.

Protections

4. WALGA sought legal advice on the application of Part 6B And Part 7 of the Fire and Emergency Services Act 1998 (FES Act);
5. Part 6B applies to compensation entitlements for volunteers engaged in emergency response activities including firefighting;
6. Legal advice is that the compensation provisions will cover a person who engages in volunteer activities by participating in 'normal brigade activities' under the direction of a BFCO;
7. Part 7 applies to protection of persons acting in good faith when performing functions under emergency services Acts, including volunteer firefighters;
8. Similarly, legal advice confirms that a volunteer acting under the direction of a BFCO when carrying out 'normal brigade activities' will be able to rely upon the statutory protection under s.37 of the FES Act.

Arrangements – Intermediate Term

1. The Local Government is required to adopt a BFB Local Law to ensure its Bush Fire Brigades are properly established and Brigade officers are properly registered and empowered.
2. WALGA has developed a template BFB Local Law addressing the BF Act local law-making requirements. This can be made freely available upon request.
3. WALGA can also provide general advice on the local law-making process and the development of a Council agenda item for this purpose;
4. Alternatively, the Local Government can obtain its own legal advice for the purpose of drafting a BFB Local Law.

Validity of Bush Fire Brigades Local Laws (Bylaws)

Introduction

WALGA is assisting the Department of Fire and Emergency Services with communications to Local Governments regarding Bush Fire Brigade Local Laws (BFB LL). WALGA has previously sought and distributed independent legal advice on the contemporary operation of Bush Fire Brigades and the role of appointed Bush Fire Control Officers, in the absence of a Bush Fire Brigades Local Law.

Questions have since been raised by Local Government that adopted, and have not repealed, a BFB LL prior to the commencement of the current *Bush Fires Act 1954*.

WALGA sought specific legal advice on the following question: “...whether local laws (bylaws) which validly established Bush Fire Brigades under *Bush Fires Act 1937* (WA) validly survive the repeal of that Act and the commencement of the *Bush Fires Act 1954* (WA) specifically via the operation of section 36 of the *Interpretation Act 1984*.

Summary of Legal Advice

- Section 6 of the *Bush Fires Act 1954* ‘as passed’ expressly declared that the “repealing and re-enacting of a provision” section of the *Interpretation Act* (s.15 of the *Interpretation Act 1918* (reprinted in 1953) and s.36 of the *Interpretation Act 1984* (WA)) applies to the *Bush Fires Act 1954*.
- Legal advice is that it is apparent at the time of passing the *Bush Fires Act 1954*, Parliament intended for local laws (formerly ‘bylaws’) establishing Bushfire Brigades under the *Bush Fires Act 1937*, to continue to have effect and therefore for those Brigades to continue. However, it is extremely unlikely that the Parliament would have intended those local laws to have continued in place for an extended period.
- Attention then turns to whether the other requirements of the *Bush Fires Act 1954* have been complied with, namely have there been any substantive changes to s.36(d) following the ‘as passed’ Act.
- Legal advice confirms that the clear and ordinary meaning of s.36(d) of the *Bush Fires Act 1954* has not changed in a manner relevant to the issue of establishment of Bush Fire Brigades between 1954 and 2023. Therefore, a local law made under the *Bush Fires Act 1937* which has not been repealed and where a Local Government does not have a local law to a similar effect made under the *Bush Fires Act 1954*, **is likely to still be in force**.
- Legal advice notes that a local law made under the *Bush Fires Act 1937*, whilst valid, may well not be fit for purpose now.

Note: For the purposes of the legal advice obtained, it was assumed that the local laws which established the Bush Fire Brigade under the *Bush Fires Act 1937*, did so validly at the time they came into effect.

Good Governance Considerations

From the perspective of the legal advice received, it might be said that a BFB LL made under the *Bush Fires Act 1937* is technically valid but likely to be practically obsolete. In accordance with our previous legal advice, it is therefore recommended that Local Governments with a local law established under the *Bush Fires Act 1937*:

- a. ensure there are an adequate number of appointed Bush Fire Control Officer to conduct 'normal brigade activities' and manage fires in its district in the short term; and
- b. consider making a local law to establish the Bush Fire Brigade under the *Bush Fires Act 1954* and to repeal the local law made under the *Bush Fires Act 1937*.

Bush Fire Brigade Local Laws – 1954 to 1996

Further investigation of the Government Gazette has identified that many Local Governments have adopted a BFB LL since the commencement of the *Bush Fires Act 1954* and there is no doubt as to the validity of these local laws.

However it is clear that many Local Governments were until recently, unaware of the existence of a BFB LL (for example, the local law is not published on the Local Government's website) and the *Local Government Act 1995* requirement to conduct an 8 year review of local laws has not been applied to BFB LLs. (Please note that the lack of an 8 year review does not invalidate any local law).

WALGA therefore suggests that Local Governments with BFB LLs adopted as bylaws prior to the commencement of the *Local Government Act* in 1996 give similar consideration as to whether this local law remains fit for purpose to the contemporary operation of Bush Fire Brigades within the district.

EXECUTIVE SUMMARY

- 1 On 18 January 2019 the *City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018* (Amendment Local Law) was published in the Government Gazette.
- 2 The Amendment Local Law deleted a series of clauses from the *Bush Fire Control and Bush Fire Brigade Local Law 2001*. Some of the deleted clauses were required by the enabling Act, the *Bush Fires Act 1954* (Act), to be included in the local law. These clauses related to the establishment and maintenance of bush fire brigades, equipping the brigades and appointment of relevant officers.
- 3 The Joint Standing Committee on Delegated Legislation is of the view that the Amendment Local Law is inconsistent with sections 41(1) and 43 of the Act.
- 4 As a result of that inconsistency, the Amendment Local Law is not within power of the enabling Act and as such offends the Committee's Term of Reference 10.6(a).

Recommendation

The recommendation is listed as it appears in the text at the page number indicated:

RECOMMENDATION 1	Page 4
The <i>City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018</i> be disallowed.	

1 Reference and procedure

- 1.1 On 18 January 2019 the *City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018* (Amendment Local Law) was published in the Government Gazette.
- 1.2 Upon gazettal, the Amendment Local Law stood referred to the Joint Standing Committee on Delegated Legislation (Committee).
- 1.3 Once the Amendment Local Law was tabled in the Legislative Council, it became an instrument that may be subject to disallowance.

2 Local laws relating to bush fire brigade matters

- 2.1 Under the *Bush Fires Act 1954* (Act) a local government may establish and maintain one or more bush fire brigades for the purpose of carrying out normal brigade activities.¹
- 2.2 Where a local government elects to establish a bush fire brigade it must do so in accordance with local laws it has made for that purpose:

Bush fire brigades

For the purpose of carrying out normal brigade activities a local government may, in accordance with its local laws made for the purpose, establish and maintain one or more bush fire brigades and may, in accordance with those local laws, equip each bush fire brigade so established with appliances, equipment and apparatus.²

- 2.3 The Act also provides for the appointment or election of brigade officers and the prescribing of their duties through a local law:

Election and duties of officers of bush fire brigades

A local government which establishes a bush fire brigade shall by its local laws provide for the appointment or election of a captain, a first lieutenant, a second lieutenant, and such additional lieutenants as may be necessary as officers of the bush fire brigade, and prescribe their respective duties.³

- 2.4 Section 62(1) of the Act provides a general power to make local laws relating to bushfire brigade matters:

Local government may make local laws

A local government may make local laws in accordance with subdivision 2 of Division 2 of Part 3 of the *Local Government Act 1995* for and in relation to -

- (a) the appointment, employment, payment, dismissal and duties of bush fire control officers; and
- (b) the organisation, establishment, maintenance and equipment with appliances and apparatus of bush fire brigades to be established and maintained by the local government; and

¹ *Bush Fires Act 1954*, section 41(1).

² *ibid.*

³ *ibid.*, section 43.

- (c) any other matters affecting the exercise of any powers or authorities conferred and the performance of any duties imposed upon the local government by this Act.⁴

3 Inconsistency with the Bush Fires Act 1954

- 3.1 The Committee is of the view that the Amendment Local Law is inconsistent with the Act.
- 3.2 The City of Rockingham (City) advised the Committee that the purpose of the Amendment Local Law was to:
- remove matters from the City of Rockingham Bush Fire Control and Bush Fire Brigades Local Law 2001 that can be better dealt with by other means.⁵
- 3.3 The Amendment Local Law deletes clauses from the *Bush Fire Control and Bush Fire Brigade Local Law 2001* (Principal Local Law) that are required by sections 41(1) and 43 of the Act and provides for the appointment of brigade officers, officer duties and equipping of the brigade as follows:
- clauses 3.2(2)-(5) which prescribed that the local government must have regard to the qualifications and experience required to fill each brigade officer position, the length of appointment of officers and the procedure for appointing vacant positions
 - clauses 7.1-7.4 which prescribed the requirements for seeking funding for protective clothing, equipment and appliances of the bush fire brigade.
- 3.4 The deletion of the required clauses makes the Amendment Local Law inconsistent with the Act. Subsidiary legislation must not be inconsistent with the provisions of the written law under which it is made.⁶
- 3.5 The Amendment Local Law also deletes the following clauses which are the subject matter of section 62(1):
- clauses 4.3–4.5, which prescribed the role and duties of the Chief Bush Fire Control Officer
 - clauses 4.6-4.8, which prescribed the holding of an annual general meeting and the nomination of one brigade member to be the brigade representative to the Bush Fire Advisory Committee
 - clauses 4.10–4.12, which prescribed the nomination and election of Bush Fire Control Officers.
- 3.6 In the Committee's view the regulatory scheme created by the Act contemplates that where a local government decides to regulate areas that are the subject matter of section 62(1) it is required do so by way of local law.

4 Scrutiny of the Amendment Local Law

- 4.1 The Committee first scrutinised the Amendment Local Law at its meeting on 20 March 2019. At this meeting, the Committee resolved to:
- write to the Council of the City requesting an undertaking that it would re-insert the necessary clauses into the Amendment Local Law

⁴ *ibid.*, section 62(1).

⁵ City of Rockingham, Explanatory Memorandum, *Bush Fire Control and Bush Fire Brigade Local Law 2018*.

⁶ *Interpretation Act 1984*, section 43(1).

- give notice of motion to disallow the Amendment Local Law in the Legislative Council to protect Parliament's right to disallow the Amendment Local Law should the Committee recommend disallowance.
- 4.2 On 21 March 2019 the Committee wrote to the City outlining the issues identified by the Committee and requesting an undertaking from the Council that the City would re-insert the necessary clauses. This letter is attached as Appendix 1.
- 4.3 On 4 June 2019 the Committee received a letter from the City advising the Committee that a Council Resolution had been made on 28 May 2019 as follows:
- That Council advises the Joint Standing Committee on Delegated Legislation that it has no issue with the City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018 being disallowed.
- 4.4 This letter is attached as Appendix 2.
- 4.5 At the Committee's meeting of 12 June 2019, the Committee resolved to recommend disallowance of the Amendment Local Law.

The City's preference for disallowance

- 4.6 The City stated it did not disagree with the Committee's position.⁷ However, rather than undertaking to re-insert the relevant clauses into the Principal Local Law, the City advised it had no issue with the Legislative Council disallowing the Amendment Local Law.
- 4.7 The City advised that the management of the City's bush fire brigades would shortly be taken over by the Department of Fire and Emergency Services (DFES) and therefore:
- [g]iven that in six months the City will have no Bush Fire Brigades to manage, the most pragmatic approach to this issue is for the JSCDL to disallow the amendment local law and for the City to commit to the repeal of the City of Rockingham Bush Fire Control and Bush Fire Brigades Local Law 2001 upon transition of the Singleton VBFB.⁸
- 4.8 The Committee is disappointed with the City's position. It is the responsibility of local governments to ensure that their local laws comply with all statutory requirements in legislation passed by the State Parliament. When a local law offends the Committee's terms of reference, and an undertaking to correct the local law is requested and not given, the Committee has no option but to recommend disallowance.
- 4.9 The tabling of this disallowance report could have been avoided if the City had given the requested undertakings or repealed the Amendment Local Law, regardless of the transitioning of the management of its bush fire brigades.

5 Conclusion

- 5.1 The Committees Term of Reference 10.6(a) states that:
- [i]n its consideration of an instrument [including a local law], the Committee is to inquire whether the instrument ... is within power.
- 5.2 The Committee concludes that the Amendment Local Law is inconsistent with the provisions of the Act and consequently offends the Committee's Term of Reference 10.6(a).

⁷ See Appendix 2, p 12.

⁸ *ibid.*

- 5.3 The Committee notes the WALGA Model Bush Fire Brigades law reflects the Committee's position in these matters.
- 5.4 The Committee therefore recommends to the Parliament that the Amendment Local Law be disallowed.
- 5.5 Disallowing invalid local laws ensures that they are removed from the public record, thereby reducing the risk of public misinformation.

6 Recommendation

- 6.1 The Committee makes the following recommendation.

RECOMMENDATION 1

The *City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018* be disallowed.

Dear Mayor

City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018 (Amendment Local Law)

I refer to a letter dated 25 January 2019 from Mr Peter Varris, Manager Governance and Councillor Support, City of Rockingham, which enclosed a copy of the Amendment Local Law and the associated explanatory material.

The Joint Standing Committee on Delegated Legislation considered the Local Law at its meeting yesterday and resolved to write to you regarding the following issues.

Inconsistent with the Act— Amendment Local Law

Section 62(1) of the *Bush Fires Act 1964 (Act)* provides the general power to make local laws relating to bush fire brigade matters:

62. Local government may make local laws

- (1) A local government may make local laws in accordance with subdivision 2 of Division 2 of Part 3 of the *Local Government Act 1995* for and in relation to —
 - (a) the appointment, employment, payment, dismissal and duties of bush fire control officers; and
 - (b) the organisation, establishment, maintenance and equipment with appliances and apparatus of bush fire brigades to be established and maintained by the local government; and
 - (c) any other matters affecting the exercise of any powers or authorities conferred and the performance of any duties

imposed upon the local government by this Act. (underlining added)

Further, bush fire brigade local laws must provide for the following matters:

43. Election and duties of officers of bush fire brigades

A local government which establishes a bush fire brigade shall by its local laws provide for the appointment or election of a captain, a first lieutenant, a second lieutenant, and such additional lieutenants as may be necessary as officers of the bush fire brigade, and prescribe their respective duties.

The advice given to the City's Council was that many matters prescribed in the principal local law¹ did not have to be prescribed, and could instead be regulated administratively by the City.² There appears to have been a fundamental misunderstanding about what matters had to be dealt with by a bush fire brigades local law, and that misunderstanding has led to many matters being removed from the principal local law—matters which the Act contemplates will be regulated by local laws.

The misunderstanding appears to have arisen because of the word 'may' in section 62(1) of the Act (quoted above). As the word 'may' is permissive, the adviser has interpreted section 62(1) to mean that the City, if it wishes to regulate the matters listed in that section, does not need to regulate those matters by local law.

The word 'may' is *prima facie* permissive and gives the City a discretion as to whether it will make a local law regulating those matters. The power to make such local laws is permissive because local governments are not compelled to make bush fire brigade local laws. However, if a local government chooses to regulate bush fire brigade matters, it must do so by local law, not by another method.

The City's advisers consider the Act outdated and notes that, while a review of the Act has been mooted 'for some time', no changes are imminent.³ The City may consider the Act to be outdated but that does not mean it can ignore the statutory scheme that has been laid out by that Act.

The Committee is of the view that the following clauses should not have been deleted from the principal local law:

- Clauses 3.2(2)–(5). These clauses provide more detail about how the Captain, First Lieutenant and other bush fire brigade officers are to be appointed and what should happen if, for example, the positions become vacant. These clauses should be re-inserted in order for the principal local law to comply with section 43 of the Act.
- Part 4, Division 2 (clauses 4.3–4.5). These clauses deal with the role and duties of the Chief Bush Fire Control Officer. They should be re-inserted in order for the principal local law to comply with section 62(1)(a) of the Act.
- Part 4, Division 3 (clauses 4.6–4.8). These clauses deal with, for example, when a brigade must hold its annual general meeting, how a brigade must nominate one of its members to be considered by the City when it appoints a bush fire brigade officer. These clauses should be re-inserted in order for the principal local law to comply with sections 62(1)(a) and (b) of the Act.

¹ *City of Rockingham Bush Fire Control and Bush Fire Brigades Local Law.*

² City of Rockingham, Minutes of ordinary Council meeting, 26 June 2018, pp 165–6.

³ *ibid.*, p 165.

- Clauses 4.10–4.12. These clauses deal further with nominations and recommendations for bush fire control officers, to be considered by the City when it appoints such an officer. They should be re-inserted in order for the principal local law to comply with section 62(1)(a) of the Act.
- Part 5 (clauses 5.1–5.6). These clauses determine the types of membership which are available in a brigade, the eligibility requirements for each type of membership and the role of each type of member. They should be re-inserted in order for the principal local law to comply with section 62(1)(b) of the Act.
- Part 7 (clauses 7.1–7.4). These clauses provide for how a brigade is to ensure that it receives the equipment it requires from the City. For example, the brigade must make funding requests for additional equipment. These clauses should be re-inserted in order for the principal local law to comply with section 62(1)(b) of the Act.

The clauses of the Amendment Local Law which delete the clauses listed above are inconsistent with the Act and are therefore not 'within power' of that Act. This is in breach of the Committee's Term of Reference 10.6(a). Further, local laws which are inconsistent with an Act and other written laws are inoperative and void to the extent of that inconsistency.⁴

Inconsistent with the Act—principal local law

Clause 6.1 of the principal local law provides that:

The appointment, dismissal and management of brigade members by the bush fire brigade are governed by the Rules [the Rules Governing the Operation of Bush Fire Brigades⁵] as set out in the City of Rockingham Policy and Procedures Manual.

The matters contained in the Rules are quite detailed and extensive and deal with the day-to-day operation of bush fire brigades. The Rules usually appear in a schedule to bush fire brigade local laws (as is the case with the WALGA template), meaning that they form part of the local law. When the principal local law was made in 2001, the City opted to deliberately leave the Rules out of the local law and maintain them as a policy document.

In doing so, the City exercised its power to make bush fire brigade local laws unlawfully because:

- section 62(1)(b) required the City to include such matters in its bush fire brigade local law—put another way, the principal local law is (and has, since its making, been) inconsistent with that section. The Rules also deal with, for example, duties of the Captain of a bush fire brigade, which section 43 of the Act requires to be prescribed in a bush fire brigades local law
- it subdelegated its power to regulate these matters to a differently constituted Council. Local laws must be made by an absolute majority of the Council, whereas City policies would only require simple majority resolutions. This subdelegation is not authorised by the Act.

Request for undertakings

The Committee requests that the City's Council provide written undertakings that:

⁴ *Local Government Act 1995* s 3.7; *Interpretation Act 1984* s 43(1).

⁵ Definition of 'Rules': Principal local law cl 1.2(1).

1. within six months, the City will:
 - (a) re-insert the following clauses into the principal local law:
 - (i) Clauses 3.2(2)–(5).
 - (ii) Part 4, Division 2 (clauses 4.3–4.5).
 - (iii) Part 4, Division 3 (clauses 4.6–4.8).
 - (iv) Clauses 4.10–4.12.
 - (v) Part 5 (clauses 5.1–5.6).
 - (vi) Part 7 (clauses 7.1–7.4).
 - (b) make any necessary consequential amendments.
2. until the principal local law is amended in accordance with undertaking 1, the City will not enforce the principal local law in a manner that is inconsistent with undertaking 1.
3. until the principal local law is amended in accordance with undertaking 1, the City will, when making the principal local law available to the public (whether in hard copy or electronic form—including on the City's website), ensure that it is accompanied by a copy of these undertakings.

To assist you, I **enclose** a suggested form of Council resolution to provide the undertakings.

The undertakings should be given in the form of a letter signed by you as Mayor, not the Chief Executive Officer or other officer of the City. This is because, pursuant to section 2.8(1)(d) of the *Local Government Act 1995*, the 'Mayor or President speaks on behalf of the local government' to the Parliament of Western Australia.

I note that your Council will meet on 23 April 2019 and therefore request that the undertakings be provided to the Committee by **Friday 3 May 2019**.

Suggestion for further amendment to principal local law

The Committee also strongly suggests that the City insert its Rules Governing the Operation of Bush Fire Brigades into the principal local law as soon as possible.

Notice to disallow

The Committee resolved to give notice of motion in the Legislative Council to disallow the Amendment Local Law. Notice will be given on 4 April 2019. The reasons for giving notice are:

- to protect the Parliament's right to disallow the Amendment Local Law should the Committee recommend disallowance
- to provide the Committee with additional time to scrutinise the Amendment Local Law and, if necessary, obtain further information.

The giving of the notice should not be taken as indicating that the Committee has resolved to recommend disallowance at this stage.

Confidentiality

Notwithstanding the confidential status of this letter, the Committee authorises the City to discuss the contents of this letter with the Department of Local Government, Sport and Cultural Industries, WALGA and the City's legal advisers.

If you have any queries in relation to this matter, please contact one of the Committee's Advisory Officers, Ms Denise Wong, on 9222 7408 or at dwong@parliament.wa.gov.au.

Suggested form of Council resolution to provide the undertaking

The Council of the City of Rockingham undertakes to the Joint Standing Committee on Delegated Legislation that:

1. within six months, the City will:
 - (a) re-insert the following clauses into the *City of Rockingham Bush Fire Control and Bush Fire Brigades Local Law*:
 - (i) Clauses 3.2(2)–(5).
 - (ii) Part 4, Division 2 (clauses 4.3–4.5).
 - (iii) Part 4, Division 3 (clauses 4.6–4.8).
 - (iv) Clauses 4.10–4.12.
 - (v) Part 5 (clauses 5.1–5.6).
 - (vi) Part 7 (clauses 7.1–7.4).
 - (b) make any necessary consequential amendments.
2. until that local law is amended in accordance with undertaking 1, the City will not enforce the principal local law in a manner that is inconsistent with undertaking 1.
3. until that local law is amended in accordance with undertaking 1, the City will, when making the principal local law available to the public (whether in hard copy or electronic form—including on the City's website), ensure that it is accompanied by a copy of these undertakings.

Dear Hon Robin Chapple MLC

City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018 (Amendment Local Law)

I refer to your letter dated 21 March 2019 regarding a Notice to disallow the City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018 (Amendment Local Law). Ms Denise Wong one of the Committee's Advisory Officers provided approval to extend the time to provide the undertakings until after the City of Rockingham 28 May 2019 Council Meeting.

A report regarding the Amendment Local Law was presented to the 28 May 2019 Council Meeting. An extract of the report from the City of Rockingham 28 May Council Meeting is enclosed.

Summary of the information from the Report:

- At the start of the Bush Fire Control and Bush Fire Brigades Local Law 2001 being reviewed the City of Rockingham had two Volunteer Bush Fire Brigades (VBFB) from Baldivis and Singleton.
- During the review process the Baldivis VBFB was transformed into a Department of Fire and Emergency Services (DFES) Volunteer Fires and Emergency Service (VFES). The City also transitioned the management of the City's Incident Control Vehicle (ICV) to DFES.
- The Singleton VBFB in December 2018 voted to become managed by DFES.
- The City received a letter in May 2019 from the DFES Commissioner confirming an agreement in principle to transition Singleton VBFB to a DFES VFES. The expectation is that this work will be completed within 6 months and before the commencement of the next bushfire season.
- After the transition is complete the City will no longer have any Volunteer Bush Fire Brigades (VBFB). Therefore the City will begin the process to repeal the Bush Fire Control and Bush Fire Brigades Local Law 2001 within 3 months of the completed transition.

- It will take 4 to 6 months to process a further amendment local law which reinstates the matter required by the JSCDL. As such, the City could advise the JSCDL that it has no issue with the City of Rockingham Bush Fire Brigades Amendment Local Law 2018 being disallowed.
- The effect of this is that when Parliament accepts the JSCDL motion that the Amendment Local Law be disallowed, the original requirements of the Bush Fire Brigades Local Law will revert to what they were before amendment and as they have operated since 2001.
- This does not mean that the City disagrees with the committee's correspondence; the position of the JSCDL is acknowledged and respected. It is simply that the City will shortly have no bush fire brigades to manage and no need for a local law at all; making an amendment would be pointless.

Below is the Council Resolution adopted on 28 May 2019:

Council Resolution

That Council:

1. **ADVISES** the Joint Standing Committee on Delegated Legislation (JSCDL) that it has no issue with the City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018 being disallowed;
2. **ADVISES** the JSCDL that this does not mean that the City disagrees with its position which is acknowledged and respected, but simply that the City of Rockingham's only remaining Bush Fire Brigade will soon transition to a Volunteer Fire and Emergency Service and responsibility will be assumed by the WA Department of Fires and Emergency Services (DFES), making further amendments to the local law pointless; and
3. **COMMITTS** to the JSCDL that the City will begin the process to repeal the City of Rockingham Bush Fire Control and Bush Fire Brigades Local Law 2001 within 3 months of transferring responsibility of the existing brigade to DFES.

Carried en bloc

The City advises the Joint Standing Committee on Delegated Legislation (Committee) that it has no issue with the City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018 being disallowed. The City does not disagree with the Committee's decision which is acknowledged and respected but simply that the City of Rockingham's only remaining Bush Fire Brigade will soon transition to a Volunteer Fire and Emergency Service and responsibility will be assumed by the WA Department of Fires and Emergency Services (DFES), making further amendments to the local law pointless.

The City will begin the process to repeal the City of Rockingham Bush Fire Control and Bush Fire Brigades Local Law 2001 within 3 months of transferring responsibility of the existing brigade to DFES.

Purpose of Report

To propose a response to a request by the WA Parliamentary Joint Standing Committee on Delegated Legislation (JSCDL) to further amend the City's Bush Fire Control and Bush Fire Brigades Local Law 2001.

Background

At the 27 November 2018 Council Meeting, Council resolved to make a Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018 which was published in the Government Gazette on 18 January 2019.

The intent of the amendments was to remove matters set out in the City of Rockingham Bush Fire Control and Bush Fire Brigades Local Law 2001 that were not required to be regulated by the Bush Fires Act 1954 and could be dealt with by other means.

Subsidiary legislation such as local laws are subject to scrutiny by the WA Parliamentary Joint Standing Committee on Delegated Legislation (JSCDL). The committee has advised the City that it considers a number of the changes made by the Amendment Local Law to be inconsistent with the Bush Fires Act 1954 (the Act) and has requested the City to reinstate a number of the clauses deleted by the amendment local law, failing which it will recommend to Parliament that the amendment local law be disallowed.

In November 2016, the Baldy Volunteer Bush Fire Brigade (VBFB) was transformed into a Department and Fire and Emergency Services (DFES) Volunteer Fire and Emergency Service (VFES) and assigned additional responsibilities in keeping with its evolving area of operation. In the case of the Baldy VFES this included structural; fire-fighting capability.

In 2017 the City transitioned the management of the City's Incident Control Vehicle (ICV) to DFES. The volunteer group that managed the ICV on behalf of the City have been retained but with increased support and training opportunities under the management of DFES.

These changes (Baldy VFES and DFES managed ICV) have not led to any change in 'area of operation' and have derived significant benefits for the City and the community, with greater presence of DFES in the City's district; additional training and support for volunteers; and increased localised capability to combat emergencies.

The Singleton VBFB is managed by the City of Rockingham and provides first response services for bushfire in the localities of Karnup and Keralup. Singleton VBFB was established in 1979 and currently has 50 registered members. Brigade members have been in discussions with the City and representatives of the DFES over several months in 2018 about the future of the brigade and the potential for increased functions and responsibilities within the City's district.

At the Singleton VBFB general meeting held on 19 December 2018, members voted in favour of becoming a DFES managed VFES. During the consultation, DFES representatives have indicated that if the Singleton VBFB is converted to a VFES, it would be allocated 'natural hazards' training and responsibilities whilst maintaining its primary role in combating bushfires. There would be no change to its primary area of operation.

Details

Clauses that the amendment local law deleted, which the JSCDL require to be reinstated, relate to matters about which the Act provides that a local government may make local laws, and in particular under s62 of the Act:

62. Local government may make local laws

- (1) *A local government may make local laws in accordance with subdivision 2 of Division 2 of Part 3 of the Local Government Act 1995 for and in relation to*
- (a) *the appointment, employment, payment, dismissal and duties of bush fire control officers; and*
 - (b) *the organisation, establishment, maintenance and equipment with appliances and apparatus of bush fire brigades to be established and maintained by the local government; and*
 - (c) *any other matters affecting the exercise of any powers or authorities conferred and the performance of any duties imposed upon the local government by this Act.*

The JSCDL may have misunderstood the City's intent. In correspondence to the Mayor, the Deputy Chair of the JSCDL advises that the minutes of the Council meeting of 26 June 2018 (pp165-6) state that the City is deleting a number of clauses from the local law as the matters dealt with can be 'regulated administratively by the City'.

The agenda and meeting minutes do not say that. The actual words used are that these matters can be dealt with by 'other means'. This does not mean 'regulation' - the objective of the amendment local law was to change the Bush Fire Brigades local law to the effect that only those matters required to be dealt with by a local law by s43 of the Act are regulated.

PAGE 3

In addition, while it did not take issue with any of the other matters deleted from the Bush Fire Brigades local law, while not part of the Amendment Local Law the JSCDL also noted that clause 6.1 of the Bush Fire Control and Bush Fire Brigades Local Law 2001 refers to 'Rules'; and that the clause amounts to a subdelegation which is unlawful. It has strongly recommended that the Rules be inserted as a schedule to the local law.

All this aside, City's only Volunteer Bush Fire Brigade (Singleton) is soon to be managed by DFES. The Baldivis VBFB and ICV volunteer group have already been transformed into a DFES VFES. The City received a letter in May 2019 from the DFES Commissioner confirming an agreement in principle to transition Singleton VBFB to a DFES VFES. The expectation is that this work will be completed within 6 months and before the commencement of the next bushfire season.

Due to this it may be more pragmatic to deal with this issue as outlined in the 'comment' section below rather than further amend the Bush Fire Control and Bush Fire Brigades Local Law 2001.

Implications to Consider

a. Consultation with the Community

It would be quite straightforward to make a local law to address the matters required by the JSCDL. Section 62 of the Bush Fires Act 1954 provides that a local government may make local laws about bush fire brigades using the process set out in section 3.12 of the Local Government Act 1995.

Amongst other things this requires a local government to give state-wide and local public notice stating that it proposes to make a local law, the purpose and effect of which is summarized in the notice for a period of 6 weeks after it first appears.

An amendment local law would need to state its purpose and effect, be advertised for community feedback for a period of 6 weeks, and copies sent to the Ministers for Local Government and Fire and Emergency Services.

The results of the community consultation and feedback from the Ministers are to be considered by Council before it makes the local law.

b. Consultation with Government Agencies

As noted above, if an amendment local law is preferred, the relevant Ministers must be given a copy and also invited to provide comments.

c. Strategic

Community Plan

This item addresses the Community's Vision for the future and specifically the following Aspiration and Strategic Objective(s) contained in the Strategic Community Plan 2019-2029:

Comments

The review of the Bush Fire Control and Bush Fire Brigades Local Law commenced early in 2018. Much has transpired in respect to the operational management of Bush Fire Brigades since that time.

The City received a letter in May 2019 from the DFES Commissioner confirming an agreement in principle to transition Singleton VFBF to a DFES VFES. The expectation is that this work will be completed within 6 months and before the commencement of the next bushfire season. The Baldivis VFES and ICV are already under the management of DFES.

It will take 4 to 6 months to process a further amendment local law which reinstates the matter required by the JSCDL. As such, the City could advise the JSCDL that it has no issue with the City of Rockingham Bush Fire Brigades Amendment Local Law 2018 being disallowed.

The effect of this is that when Parliament accepts the JSCDL motion that the Amendment Local law be disallowed, the original requirements of the Bush Fire Brigades Local Law will revert to what they were before amendment and as they have operated since 2001.

This does not mean that the City disagrees with the committee's correspondence; the position of the JSCDL is acknowledged and respected. It is simply that the City will shortly have no bush fire brigades to manage and no need for a local law at all; making an amendment would be pointless.

When the Singleton VFBF is transferred to DFES and no longer under the control of the City, the Bush Fire Control and Bush Fire Brigades local law can be repealed altogether.

If Council prefers to instead amend the local law as advised by the JSCDL, Council needs to resolve the following:

That Council:

1. **UNDERTAKES** to the Joint Standing Committee on Delegated Legislation (JSCDL) that it will;
 - (a) re-insert the following clauses into the City of Rockingham Bush Fire Control and Bush Fire Brigades Local law 2001:
 - (i) Clauses 3.2(2)-5
 - (ii) Part 4, Division 2 (clauses 4.3-4.5)
 - (iii) Part 4, Division 3 (clauses 4.6-4.8)
 - (iv) Clauses 4.10-4.12
 - (v) Part 5 (clauses 5.1-5.6)
 - (vi) Part 7 (clauses 7.1-7.4)
 - (b) make any necessary consequential amendments.
2. Until the City of Rockingham Bush Fire Control and Bush Fire Brigades Local law 2001 is amended in accordance with undertaking 1, the City will not enforce the principal local law in a manner that is consistent with undertaking 1.
3. Until the City of Rockingham Bush Fire Control and Bush Fire Brigades Local law 2001 is amended in accordance with undertaking 1, the City will, when making the principal local law available to the public (whether in hard copy or electronic form – including on the City's website), ensure that it is accompanied by a copy of these undertakings.

The Officers agree to the JSCDL amendments on the following clauses:

- Reinsert clauses 3.2(2)-(5). These clauses provide more detail about how the Captain, First Lieutenant and other bush fire brigade officers are to be appointed and what should happen if, for example, the positions become vacant. These clauses should be re-inserted in order for the principal local law to comply with section 43 of the Act.
- Reinsert Part 4, Division 2 (clauses 4.3-4.5). These clauses deal with the role and duties of the Chief Bush Fire Control Officer. They should be re-inserted in order for the principal local law to comply with section 62(1)(a) of the Act.
- Reinsert Part 4, Division 3 (clauses 4.6-4.8). These clauses deal with, for example, when a brigade must hold its annual general meeting, how a brigade must nominate one of its members to be considered by the City when it appoints a bush fire brigade officer. These clauses should be re-inserted in order for the principal local law to comply with sections 62(1)(a) and (b) of the Act.
- Reinsert clauses 4.10-4.12. These clauses deal further with nominations and recommendations for bush fire control officers, to be considered by the City when it appoints such an officer. They should be re-inserted in order for the principal local law to comply with section 62(1)(a) of the Act.
- Reinsert Part 5 (clauses 5.1-5.6). These clauses determine the types of membership which are available in a brigade, the eligibility requirements for each type of membership and the role of each type of member. They should be re-inserted in order for the principal local law to comply with section 62(1)(b) of the Act.
- Reinsert Part 7 (clauses 7.1-7.4). These clauses provide for how a brigade is to ensure that it receives the equipment it requires from the City. For example, the brigade must make funding requests for additional equipment. These clauses should be re-inserted in order for the principal local law to comply with section 62(1)(b) of the Act.

Given that in six months the City will have no Bush Fire Brigades to manage, the most pragmatic approach to this issue is for the JSCDL to disallow the amendment local law and for the City to commit to the repeal of the City of Rockingham Bush Fire Control and Bush Fire Brigades Local Law 2001 upon transition of the Singleton VBFB.

Dear Ms Behan

SHIRE OF YORK BUSH FIRE BRIGADES LOCAL LAW

I refer to your correspondence dated 19 December 2023 sent to the Minister for Emergency Services regarding the Shire's proposed *Bush Fire Brigades Local Law*. The Minister has referred a copy of the proposed local law to DFES to provide a response.

DFES notes the Shire's unconfirmed Minutes from its Ordinary Council Meeting of 26 October 2023 indicating that the Shire had regard both to the Joint Standing Committee of Delegated Legislation's Report 16,¹ and the model template law developed by the Western Australian Local Government Association.

Please note that DFES cannot provide legal advice, the Shire should consider obtaining its own independent legal advice as it determines necessary.

Below are comments on the *Bush Fire Brigades Local Law* for the Shire's consideration:

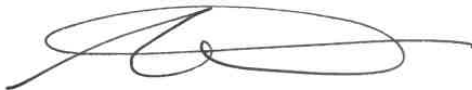

- While the term "normal brigade activities" is defined within the Rules (set out in the First Schedule), this term is first referenced in the body of the local law (at clause 2.1). For ease of reference, it is recommended the Shire consider including the definition in clause 1.2 Definitions.
- Section 43 of the *Bush Fires Act 1954* (WA) provides: "A local government that establishes a bush fire brigade shall, by its local laws, provide for the appointment or election of a captain, a first lieutenant, a second lieutenant, and such additional lieutenants as may be necessary ... and prescribe their respective duties." (emphasis added). DFES notes that while the duties of the Captain are provided for in clause 3.2 of the Rules, these relate only to brigade meetings and there are no further duties of the Captain or other officers provided for otherwise.

¹ Joint Standing Committee on Delegated Legislation, [Report 16 City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018](#).

- The *Fire Brigades Regulations 1943* (WA) stipulate eligibility criteria for volunteer brigades formed under the *Fire Brigades Act 1954* (WA). Regulation 159C provides for eligibility of probationary members from 16 years if they have parental / guardian consent and the brigade's captain is satisfied that the prospective member is able to perform the requisite duties. As a matter of policy, the Shire may wish to consider adding these protective mechanisms within their clause 4.2 Fire Fighting members.

I trust this information is of assistance.

Yours sincerely

Good afternoon Anneke

This email is regarding the Shire's proposed local law. No major issues have been identified, but some standard comments and the Minister's directions are below.

Bush Fire Brigades Local Law

1. Local law made under Bush Fires Act

The Department is aware that this local law is made under the Bush Fires Act, in addition to the Local Government Act.

Accordingly, the Shire should ensure that it has sent a draft of the local law to the Minister for Emergency Services, presuming it has not done so already. If the Minister does not receive a copy, the local law's validity may be affected.

The Minister for Emergency Services and DFES are the subject experts on bush fire legislation and local laws. Accordingly, any advice they give regarding the local law's content should be strongly considered.

2. Minor edits

The following minor edits are suggested:

- Front page - add the wording Shire of York above the wording BUSH FIRE BRIGADES LOCAL LAW
- Front page - BUSH FIRE BRIGADES LOCAL LAW change to BUSH FIRES BRIGADE LOCAL LAW 2024
- Proxy vote form - [INSERT NAME] BUSH FIRE BRIGADE change to SHIRE OF YORK BUSH FIRE BRIGADE

The Shire should also ensure that all references and cross references are accurate.

Minister's Directions – pursuant to s 3.12(7) of the Local Government Act 1995

Please note: Once the Shire has published a local law in the *Government Gazette*, the Shire must comply with the requirements of the Minister's *Local Laws Explanatory Memoranda Directions 2010*. The Shire must, within 10 working days of the Gazetted publication date, forward the signed Explanatory Memoranda material to the Committee at the current address:

Legislative Council Committee Office
GPO Box A11
PERTH WA 6837

A copy of the Explanatory Memoranda forms can be downloaded from the Department of Local Government, Sport and Cultural Industries website at www.dlgsc.wa.gov.au. A copy of the Directions is also available at the Committee's webpage at the Parliament WA website. Failure to comply with the Directions may render the local law inoperable.

EXECUTIVE SUMMARY

1 The Joint Standing Committee on Delegated Legislation (Committee) has concluded that the *City of Gosnells Bush Fire Brigade Local Law 2023* (Gosnells Local Law) is invalid and offends its term of reference (a) because it:

- is not authorised by the *Local Government Act 1995* (LGA)
- is inconsistent with section 62(1)(a) of the *Bush Fires Act 1954* (Bush Fires Act)
- contains an unauthorised sub-delegation of legislative making power.

Not authorised by the *Local Government Act 1995*

- 2 The Committee has concluded that the City of Gosnells (City) did not follow the correct procedure when it made the Gosnells Local Law.
- 3 In making a local law, a local government is to follow the procedure set out in section 3.12 of the LGA. This includes a requirement to give local public notice of the proposed local law and invite submissions.
- 4 The LGA provides that the local government, after considering any submissions received, may make a local law that is not significantly different from the proposed local law. If the local government decides to make a local law that is significantly different from the proposed local law, it is to recommence the law making procedure.
- 5 The Gosnells Local Law is invalid because it is significantly different from the proposed local law and the City did not recommence the law making procedure. The proposed local law, of which local public notice was given, did not deal with the governance of bush fire brigade meetings and its operational structure. In contrast, the adopted local law did.
- 6 The Gosnells Local Law is invalid and offends the Committee's term of reference (a) because it is not authorised by the LGA.

Inconsistent with section 62(1)(a) of the *Bush Fires Act 1954*

- 7 The regulatory scheme created by the Bush Fires Act contemplates that where a local government decides to regulate matters specified in section 62(1)(a), it is required to do so by local law.
- 8 The Gosnells Local Law does not deal with the appointment, employment, payment, dismissal and duties of bush fire control officers. It presumably leaves to the bush fire brigade operating procedures (Procedures) substantive matters governing its structure.
- 9 The Gosnells Local Law is invalid by failing to regulate the matters covered by section 62(1)(a) of the Bush Fires Act. Subsidiary legislation, including local laws, must not be inconsistent with the provisions of the written law under which it is made.

Unauthorised sub-delegation of legislative making power

- 10 The Gosnells Local Law, in providing for the Chief Executive Officer to establish and implement the Procedures, contains an unauthorised sub-delegation of legislative making power.
- 11 The Gosnells Local Law is invalid and offends the Committee's term of reference (a) as the sub-delegation is not authorised by the Bush Fires Act.
- 12 The Committee has recommended that the Gosnells Local Law be disallowed.

Recommendation

The recommendation appears in the text at the page number indicated:

RECOMMENDATION 1

Page 9

The *City of Gosnells Bush Fire Brigade Local Law 2023* be disallowed.

1 Reference and procedure

- 1.1 On 9 June 2023 the *City of Gosnells Bush Fire Brigade Local Law 2023* (Gosnells Local Law) was published in the *Government Gazette*.
- 1.2 Upon gazettal, the Gosnells Local Law stood referred to the Joint Standing Committee on Delegated Legislation (Committee).¹

2 Breach of section 3.12(4) of the *Local Government Act 1995*

- 2.1 The Committee has concluded that the City of Gosnells (City) did not follow the correct procedure when it made the Gosnells Local Law. The Gosnells Local Law is invalid and offends the Committee's term of reference (a) because it is not authorised by the empowering enactment.

Statutory procedure for making a local law

- 2.2 The power to make the Gosnells Local Law was derived from section 3.5(1) of the *Local Government Act 1995* (LGA) and section 62(1)(a) of the *Bush Fires Act 1954* (Bush Fires Act). Section 3.5(1) of the LGA states:

A local government may make local laws under this Act prescribing all matters that are required or permitted to be prescribed by a local law, or are necessary or convenient to be so prescribed, for it to perform any of its functions² under this Act.
- 2.3 Section 62(1) of the Bush Fires Act is at Appendix 1.
- 2.4 Part 3, Division 2, Subdivision 2 of the LGA sets out the procedure that a local government must follow when making a local law. In the case of the Gosnells Local Law, sections 3.12(4) and 3.13 are most relevant. Sections 3.12 and 3.13 of the LGA are at Appendix 2.
- 2.5 Importantly, section 3.12(4) requires that, after local public notice of a proposed local law has been given and after the last day for submissions, the local government:

is to consider any submissions made and may make the local law* as proposed or make a local law* that is not significantly different from what was proposed.
(underlining added)

*Absolute majority required.
- 2.6 Section 3.13 of the LGA states:

Procedure where significant change in proposal

If during the procedure for making a proposed local law the local government decides to make a local law that would be significantly different from what it first proposed, the local government is to recommence the procedure. (underlining added)

- 2.7 The Department of Local Government, Sport and Cultural Industries (Department) created a Statutory Procedures Checklist to assist local governments complete the mandatory procedural steps prescribed by section 3.12 of the LGA to pass a valid local law. Part C of the checklist contains the requirements of section 3.12(4) of the LGA.³

The procedure for making the *City of Gosnells Bush Fire Brigade Local Law 2023*

- 2.8 The City proposed the Gosnells Local Law at an Ordinary Council Meeting on 28 February 2023 (Proposed Local Law). The Proposed Local Law is at Appendix 3.
- 2.9 The stated purpose of the Proposed Local Law was to:
- provide for the establishment and administration of a bush fire brigade.⁴
- 2.10 The Proposed Local Law included clauses 2.1, 2.2 and 2.3 which deal with:
- the establishment of a bush fire brigade
 - the naming of, and appointment of officers to, the bush fire brigade
 - the duties of the captain and other officers of the bushfire brigade.
- 2.11 The Proposed Local Law also contained clause 3.1 which deals with responsibility for administrative arrangements.
- 2.12 The Proposed Local Law was then advertised for public comment pursuant to section 3.12(3) of the LGA.⁵ Two submissions were received.
- 2.13 One submission was received from the Department which advised it has no significant issues with the Proposed Local Law.⁶
- 2.14 The second submission was received from the Department of Fire and Emergency Services (DFES). DFES noted that the Proposed Local Law dealt only with the provision of appliances, equipment, apparatus, and funding for the bush fire brigade.⁷ DFES suggested that the City should consider including other administrative provisions in the Proposed Local Law. This was based on a 2019 report by the Committee⁸ on what should be included in a bush fire brigade local law.⁹
- 2.15 On review of DFES's submission, the City of Gosnells Council (Council) adopted several amendments to the Proposed Local Law. The amendments:
- inserted 2 new definitions:
 - *bush fire brigade operating procedures* means the Brigade Operating Procedures approved by the Chief Executive Officer as amended from time to time

⁹ City of Gosnells [Minutes](#), Ordinary Council Meeting, 23 May 2023, accessed 7 November 2023, p 31.

- *Chief Executive Officer* means the Chief Executive Officer of the City of Gosnells
 - inserted a new clause 2.4 which deals with bush fire brigade meetings
 - amended clause 3.1(1) and inserted new clauses 3.1(2) and (3) which deal with the administration of bush fire brigades.
- 2.16 The Proposed Local Law, including these amendments, was adopted by the Council on 23 May 2023.¹⁰ The Gosnells Local Law is at Appendix 4.
- 2.17 In summary, the Proposed Local Law did not contain provisions about how meetings of the bush fire brigade are to be conducted or operating procedures for the bush fire brigade. The adopted Gosnells Local Law contained these provisions.

Instrument is 'significantly different' from what was proposed

- 2.18 The Committee is of the view that the Gosnells Local Law is 'significantly different' from the Proposed Local Law.
- 2.19 The LGA does not define 'significantly different'.
- 2.20 Edleman J in a 2017 High Court judgment stated:
- where a statute employs a term in its ordinary sense, there can be no warrant for the extension of the meaning beyond its ordinary sense.¹¹
- 2.21 The Macquarie Dictionary defines 'significant' to mean 'important; of consequence'¹² and 'different' to mean 'differing in character; having unlike qualities; dissimilar'.¹³
- 2.22 There is limited legislative guidance on the meaning of 'significantly different'.
- 2.23 In *Clark v Cook Shire Council* [2008] 1 Qd R 327, the Queensland Court of Appeal unanimously approved of a 'macrocosm' view of the legal test for 'significantly different'. The Court found that the modifications to a proposed planning scheme must have the consequence that the modified scheme as a whole is significantly different from the proposed scheme as notified.¹⁴ (underlining added)
- 2.24 A former committee has observed that in determining if a law made is significantly different from a proposed law, each case turns on its own facts.¹⁵
- 2.25 Examples of where the Committee has found a local law to be 'significantly different' from an adopted local law include:
- *City of Kalamunda Dogs Local Law 2021*: The proposed local law permitted 4 dogs to be kept on certain premises, whereas the adopted local law only permitted 2 dogs to be kept. The Legislative Council disallowed the local law on the Committee's recommendation.¹⁶

- *City of Subiaco Waste Local Law 2022*: The adopted local law increased a penalty for breach of a provision from \$50 to \$250. The City of Subiaco undertook to repeal the local law and make a new one complying with section 3.12 of the LGA.
- 2.26 Former committees have found a significant difference between proposed local laws and those which, after local public notice had been given, were adopted. Examples include local laws which:
- lowered the thickness threshold for reusable plastic bags from 60 microns to 35 microns¹⁷
 - inserted a clause which prevented the owner or occupier of premises adjacent to a verge charging a fee for parking on the verge¹⁸
 - prescribed prickly lettuce as a pest plant, where the main purpose of the local law was to prescribe pest plants for the district¹⁹.

The City of Gosnells Bush Fire Brigade Local Law 2023

- 2.27 The Committee concludes that inserting clauses that deal with the governance of bush fire brigade meetings and its operational structure is a significant change.
- 2.28 Further, the Committee's view is that these additional clauses are a material aspect of the Gosnells Local Law. The governance of bush fire brigade meetings and its operational structure are key provisions of the Gosnells Local Law. Inserting these additional clauses changes the Gosnells Local Law as a whole.
- 2.29 The modification to the Proposed Local Law after the consultation period had closed meant the public was not consulted about how bush fire brigade meetings are to be conducted. Clauses 2.4(1) and 3.1(2) of the Gosnells Local Law contain the only references to the bush fire brigade operating procedures (Procedures). Members of the public should have had an opportunity to comment on these clauses and the reference to the Procedures. There was no opportunity to consider the new clauses prior to the adoption of the Gosnells Local Law.
- 2.30 The Committee's view is that this is contrary to one of the intents of sections 3.12 and 3.13 of the LGA, which is to:
- ensure that local governments engage in community consultation prior to making a local law. This consultation process is particularly important when new laws are being proposed or inserted into a local law.²⁰
- 2.31 The consultation process required by the LGA is rendered meaningless if the proposed local law is then adopted with significant changes.

Can section 3.12(2A) of the *Local Government Act 1995* save the instrument from invalidity?

2.32 Section 3.12(2A) of the LGA provides that:

Despite subsection (1), a failure to follow the procedure described in this section does not invalidate a local law if there has been substantial compliance with the procedure.

2.33 The Committee is of the view that in failing to recommence the procedure for making the Gosnells Local Law, it is invalid by reason of non-compliance with sections 3.12(4) and 3.13 of the LGA.

2.34 It is not possible to comply substantially with the local law-making procedure if the requirements of section 3.12(4) of the LGA are not satisfied. It is a vital step in the process.

2.35 Consequently, section 3.12(2A) of the LGA cannot be relied upon to save the Gosnells Local Law from invalidity due to that non-compliance.

3 Inconsistency with section 62(1)(a) of the *Bush Fires Act 1954*

3.1 The Committee has concluded that the Gosnells Local Law is inconsistent with section 62(1)(a) of the Bush Fires Act and offends the Committee's term of reference (a) in that it is not authorised by the empowering enactment.

3.2 Section 62(1) of the Bush Fires Act is at Appendix 1.

Exercise of power under section 62(1)(a) of the *Bush Fires Act 1954*

3.3 In its Report 16,²¹ the former Committee found that the *City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018* was not within power of section 62(1) of the Bush Fires Act.

3.4 The former Committee stated:

the regulatory scheme created by the Act contemplates that where a local government decides to regulate areas that are the subject matter of section 62(1) it is required do so by way of local law.²²

3.5 It noted:

The advice given to the City's Council was that many matters prescribed in the principal local law did not have to be prescribed, and could instead be regulated administratively by the City. There appears to have been a fundamental misunderstanding about what matters had to be dealt with by a bush fire brigades local law, and that misunderstanding has led to many matters being removed from the principal local law-matters which the Act contemplates will be regulated by local laws.

The misunderstanding appears to have arisen because the word 'may' in section 62(1) of the Act (quoted above). As the word 'may' is permissive, the adviser has

²¹ Joint Standing Committee on Delegated Legislation, report 16, *City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018*, Western Australia, Legislative Council, 27 June 2019, accessed 7 November 2023.

²² Joint Standing Committee on Delegated Legislation, *report 16*, accessed 7 November 2023, p 2.

interpreted section 62(1) to mean that the City, if it wishes to regulate the matters listed in that section, does not need to regulate those matters by local law.

The word 'may' is *prima facie* permissive and gives the City a discretion as to whether it will make a local law regulating those matters. The power to make such local laws is permissive because local governments are not compelled to make bush fire brigade local laws. However, if a local government chooses to regulate bush fire brigade matters, it must do so by local law, not by another method.²³

- 3.6 The Parliament endorsed the former Committee's view and disallowed the *City of Rockingham Bush Fire Control and Bush Fire Brigades Amendment Local Law 2018*.²⁴
- 3.7 The Committee's position regarding the interpretation of section 62(1)(a) of the Bush Fires Act has not changed. This is based on the following additional factors:
- The view that section 62(1)(a) conveys a discretionary power ignores High Court case law on the modern approach to statutory interpretation. This requires the context of the provision as well as the purpose of the legislation as a whole to be considered rather than the strict literal or grammatical meaning of the words. Statutory interpretation is not just concerned with the classification of a provision as mandatory or discretionary but also with whether an act done in breach of the provision is invalid.²⁵ The classification is the end of the enquiry, not the beginning.
 - Statutory powers of the type set out in section 62(1)(a) are not mere powers a local authority has an option to exercise or not according to its unfettered choice. They are powers conferred for the purpose of attaining statutory objects. Parliament has conferred an authority on local governments to make local laws. It must therefore be exercised if a local government has decided to establish, maintain and equip a bush fire brigade. In this sense, 'may' means 'must'.
 - In identifying the purpose behind section 62(1)(a), assistance can be obtained from the Long Title of the Bush Fires Act, in the absence of an 'objects and purposes' provision. It states:

An Act to make better provision for diminishing the dangers resulting from bush fires, for the prevention, control and extinguishment of bush fires, for the repeal of the *Bush Fires Act 1937* and for other purposes.

Section 62(1(a)) confers a local government with authority. That authority must be exercised if the circumstances call for it. Long Title's purposes are achieved when local governments make local laws for the matters they contain. The Parliament has considered these matters to be critical in better providing for diminishing bush fire danger.
 - One purpose in the Long Title is to prevent, control and extinguish bush fires. This purpose would be defeated without departmental and parliamentary oversight of the subject matters covered by section 62(1)(a). If a local government chose to regulate these matters by administrative action rather than by a local law, the matters would:
 - not be transparent to residents and ratepayers
 - exclude the community in the democratic process of law making on a subject matter of particular historical and current importance to those residents and ratepayers

- exclude Ministerial and departmental oversight
 - not be referred to the Parliament for scrutiny.
- 3.8 In summary, the Parliament intended that when a local government decides to establish a bush fire brigade and regulate the matters in section 62(1)(a) it must do so by making a local law.

The City of Gosnells Bush Fire Brigade Local Law 2023

- 3.9 Appointment, employment, payment, dismissal and duties of bush fire control officers are matters covered by section 62(1)(a) of the Bush Fires Act. The Gosnells Local Law does not provide for these matters.
- 3.10 The Gosnells Local Law is invalid by failing to regulate all matters covered by section 62(1)(a) of the Bush Fires Act. Subsidiary legislation, including local laws, must not be inconsistent with the provisions of the written law under which it is made.²⁶

4 Sub-delegation of legislative power

- 4.1 The Committee has concluded that providing for the Chief Executive Officer to establish and implement the Procedures in clause 3.1(2) of the Gosnells Local Law amounts to an unauthorised sub-delegation of legislative making power. This offends the Committee's term of reference (a) in that it is not authorised by the empowering enactment.
- 4.2 Clause 3.1(2) of the Gosnells Local Law is contained in Appendix 4.

Principles of sub-delegation

- 4.3 It is a fundamental principle that legislative power should only be delegated in appropriate cases and to appropriate persons. Further, there is a general rule against sub-delegation; namely, a person cannot, without authority, delegate legislative power that has been delegated.²⁷ This rule is based on the principle that a body that has been delegated the power to make legislation cannot itself delegate this power.
- 4.4 However, there is a distinction to be drawn between the sub-delegation of administrative and legislative power.
- 4.5 It has been said that:
- The wider the field of operation left to the subdelegate, the more likely it is that the court will take the view there has been a subdelegation of legislative power. Where, on the other hand, the matters left to be carried out by the subdelegate are questions of detail which merely fill the gaps left in the legislation itself, or which are to be carried out in accordance with guidelines laid down in the legislation, the more likely it will be that the courts will determine that the subdelegate is exercising administrative powers only, and the subdelegation will be valid.²⁸
- 4.6 The distinction between legislative powers and administrative powers is not always clear. The terminology used by the courts in identifying a valid sub-delegation of administrative power

²⁶ [Interpretation Act 1984](#), s 43(1), accessed 7 November 2023.

is not consistent. However, in general, the following principles apply and assist the Committee in identifying possibly invalid sub-delegations:

- legislative power:
 - establishes a broad policy framework
 - is expressed in mandatory or prohibitive terms
 - includes penalties for breaches of its provisions
- administrative power:
 - does not involve any wide policy considerations
 - is the application of general rules to particular cases
 - provides the details under the broad policy framework established by legislative power
 - is often exercised by express reference to guidelines established by legislative power.

The City of Gosnells Bush Fire Brigade Local Law 2023

- 4.7 Establishing and implementing Procedures involves developing a broad policy framework. The requirement to do so is expressed in clause 3.1(2) in mandatory terms by the use of the words 'is to establish and implement'. This is a legislative power.
- 4.8 Clause 3.1(2) is not authorised by the Bush Fires Act. If Parliament intended for chief executive officers to make Procedures, it would have provided for that in the Bush Fires Act. The Bush Fires Act does not authorise or contemplate a chief executive officer to make Procedures.
- 4.9 Clause 3.1(2), in purporting to authorise the Chief Executive Officer to establish and implement the Procedures, is an unauthorised sub-delegation of legislative making power. The Bush Fires Act does not authorise this to occur when the Gosnells Local Law intends for the Procedures to deal with matters required to be dealt with by a local law.

5 Conclusion

- 5.1 The Committee's term of reference 10.6(a) states:
- In its consideration of an instrument, the Committee is to inquire whether the instrument—(a) is within power.
- 5.2 The Gosnells Local Law offends the Committee's term of reference (a) in that it is not authorised by the empowering enactment on the basis of:
- non-compliance with mandatory requirements in the LGA
 - inconsistency with the Bush Fires Act
 - unauthorised sub-delegation of legislative power.

Benefits to recommending disallowance

- 5.3 There are a number of benefits to recommending the disallowance of invalid instruments. These include ensuring that invalid laws are quickly removed from the public record and reducing the risk of public misinformation.

6 Recommendation

6.1 The Committee makes the following recommendation:

SECTION 62 OF THE *BUSH FIRES ACT 1954*

Bush Fires Act 1954
Miscellaneous **Part V**

s. 62

62. Local government may make local laws

- (1) A local government may make local laws in accordance with subdivision 2 of Division 2 of Part 3 of the *Local Government Act 1995* for and in relation to —
 - (a) the appointment, employment, payment, dismissal and duties of bush fire control officers; and
 - (b) the organisation, establishment, maintenance and equipment with appliances and apparatus of bush fire brigades to be established and maintained by the local government; and
 - (c) any other matters affecting the exercise of any powers or authorities conferred and the performance of any duties imposed upon the local government by this Act.
- (2) Where a regulation made by the Governor under this Act is inconsistent with or repugnant to a local law previously made by a local government under subsection (1) and still in force, the regulation prevails and the local law to the extent by which it is inconsistent with or repugnant to the regulation is deemed to be repealed.

Legislative functions of local governments	Division 2
	s. 3.12

3.12. Procedure for making local laws

- (1) In making a local law a local government is to follow the procedure described in this section, in the sequence in which it is described.
- (2A) Despite subsection (1), a failure to follow the procedure described in this section does not invalidate a local law if there has been substantial compliance with the procedure.
- (2) At a council meeting the person presiding is to give notice to the meeting of the purpose and effect of the proposed local law in the prescribed manner.
- (3) The local government is to —
 - (a) give local public notice stating that —
 - (i) the local government proposes to make a local law the purpose and effect of which is summarized in the notice; and
 - (ii) a copy of the proposed local law may be inspected or obtained at any place specified in the notice; and
 - (iii) submissions about the proposed local law may be made to the local government before a day to be specified in the notice, being a day that is not less than 6 weeks after the notice is given;

and
 - (b) as soon as the notice is given, give a copy of the proposed local law and a copy of the notice to the Minister and, if another Minister administers the Act under which the local law is proposed to be made, to that other Minister; and
 - (c) provide a copy of the proposed local law, in accordance with the notice, to any person requesting it.

Dear Mr Linnell

SHIRE OF YORK BUSH FIRE BRIGADES LOCAL LAW 2024

I refer to the Shire's correspondence dated 5 June 2024 to the Minister for Emergency Services regarding the Shire's proposed *Bush Fire Brigades Local Law 2024*. The Minister has referred a copy of the local law to DFES for review and direct response.

I acknowledge the Shire's unconfirmed Minutes from its Ordinary Council Meeting (OCM) of 28 May 2024 in which the Shire elected to re-draft its 2023 local law, previously forwarded to the Minister on 19 December 2023. I note the OCM minutes reference the Shire's consideration of feedback received, including my comments of 15 January 2024.

While noting that the Shire has undertaken to use the "model" local law developed by the Western Australian Local Government Association, I make the following further comments for the Shire's consideration:

- In relation to clause 4.2, while the Shire has included parental/guardian consent and endorsement from the brigade Captain in relation to members under the age of 17 years, the Shire may wish to consider extending this requirement to persons under 18 years. Further, the Shire may wish to consider removing reference to the *Fire Brigade Regulations* which are not applicable to bush fire brigades.

I trust this information is of assistance.

Yours sincerely

Dear Chris,

RE : Draft Bush Fire Brigades Local Law 2024 – Submission.

I write in reference to the above with respect for the need to refresh our 1942 Local Law for Bush Fire Brigades.

The draft is particularly prescriptive with multitudinous detail which will be a difficult to garner support for with the members of local brigades. Brigade Volunteers are already struggling with what they view as burdensome regulation when it comes to fire “rules” and we have noticed too many able-bodied volunteers, who are experienced fire fighters, dropping out of the brigades due to ever increasing directives and rulings.

Surely the opportunity here is to construct a Local Law that meets the necessary requirements, yet is as simple and unobtrusive as possible. I don’t believe the draft as presented satisfies this objective, and will likely meet with subsequent resistance from local volunteer fire fighters.

The Shire of Beverley and the City of Swan are two LGA’s who have good examples of concise and simple Local Laws for Bush Fire Brigades.

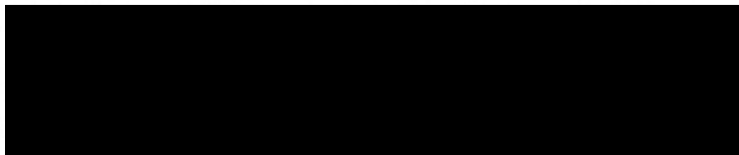

Further observations :

1. Committees are not clearly defined. The word committee is used regularly in the draft doc’ and seems to refer to both the Bush Fire Advisory Committee and the Bush Fire Brigade Committee without clarity. “Committee” is not determined under definitions. I would recommend a clear distinction is made with an explanation of how each will be populated.

2. 3.7 determines..... “one brigade member is to be nominated to the Bush Fire Advisory Committee” whereas 3.10 determines the BFAC population will be “determined by the Local Government”
 So is it one brigade member or more than one to populate the BFAC ??
 I would recommend at least two brigade members as determined by each respective brigade be the minimum number for representation on the BFAC, more if desired.

Thanks for the opportunity to comment.

Yours faithfully,

BFCO Group Submission

Friday, 19th July 2024

Chief Executive Officer
Shire of York
PO Box 22
York WA 6302
Records@york.wa.gov.au

To the Chief Executive Officer,

Re: Submission for Proposed Shire of York Bush Fire Brigades Local Law 2024

This submission has been prepared on behalf of the greater Bush Fire Control Officer (BFCO) group within the Shire of York (SoY) in response to the proposed Shire of York Bush Fire Brigade Local Law 2024 (Local Law). It seeks to address a number of significant concerns that the BFCO's have in regard to the proposed Local Law, which are set out below.

We acknowledge that considerable time and work has been invested into the creation of the Local Law in its draft form. It is worth noting that there is a general understanding that a local law must likely be created for the SoY to meet legislative requirements, and we do not seek to prevent that from occurring. However, we are still effectively bound by local laws and so therefore every effort must be made for these to be practical and representative of either:

- (i) The existing practises of the local bush fire brigades; or
- (ii) Represent an achievable and desirable change that does not significantly differ from the existing practises.

It is our belief that the proposed changes in the Local Law draft are disruptive to the general momentum and operations of the existing bush fire brigades, which are run wholly through volunteers, a fact that the SoY should appreciate and value.

Communication of Proposed Local Law

The key stakeholders of this proposed Local Law are the bush fire brigades within the York district and their respective BFCO's. It is therefore disappointing and unacceptable that the brigade members and in particular their BFCO's were not specifically notified of this proposed Local Law. We feel that this does not lend itself towards an honest, open and transparent process. The Local Law has evidently been drafted by those who are unfamiliar with how bush fire brigades operate. If suitable consultation was held with key stakeholders and taken onboard prior to preparing the draft of the Local Law, it is likely that many of the issues raised with the proposed Local Law would not exist.

Dissolution of Brigades

Under Part 2, Section 2.6, Page 7, the proposed Local Law allows for the SoY to cancel the registration of any brigades operating within the district. The criteria prescribed within the Local Law that allows for this dissolution is subjective and vague and ultimately provides power to the SoY without any consideration to the Chief BFCO and the other BFCO's nominated to represent the various brigades. This does not align with the interests of the bush fire brigades and we therefore request that an addition be made to this section to the effect that:

'any dissolution of a brigade can only occur if a quorum amongst all BFCO's registered within the entire Shire of York approves of the dissolution at a meeting.'

Whilst the Bush Fires Act 1954 does provide authority to Local Government to dissolve a brigade, it does not detail subjective criteria such as this proposed Local Law providing additional justification and other local governments have not felt the need to include it in their own local laws. Therefore, if an addition to the effect of the above is not included, the dissolution section should be removed from the proposed Local Law entirely.

Proposed Dates

A number of dates are specified within the proposed Local Law that are considered impractical with regards to the operation of our brigades. It would be desired that these dates be removed entirely; however, if this is not an achievable outcome, the following changes are proposed to be made:

Section 3.6 (Page 8) Holding of Annual General Meeting.

'31st of May' be changed to the '31st October at the start of each fire season'.

Section 4.6 (Page 10) Notification of Membership.

'30th June' be changed to the '14th November at the start of each fire season'.

These changes are important as our brigades typically hold annual general meetings in September or October, as this is directly prior to the commencement of the fire season. This is the logical time to bring fire related topics to the forefront of member's minds and allows for a more accurate forecast of which members are active and their personal capacity to contribute to the brigades. This is of particular importance to seasonal workers for farming operations that may not be present at earlier times of the year. The proposed Local Law as it currently stands would place all of our brigades in contempt of complying with the Local Law with our AGM meetings and arguably provide sufficient justification for the SoY to cancel our registration if it so desired.

Proposed Committees

The Local Law is somewhat unclear but makes reference to both a brigade specific committee as well as an overarching advisory committee for all brigades within the SoY.

The brigade specific committee, as discussed on page 14, is constituted by the captains and relevant lieutenants, but provides no clarity as to whether all BFCO's are automatically included. An extended hierarchy

Shire of York Bush Fire Brigades Local Law 2024

BFCO Group Submission

amongst officers is also further required in section 3.3 (4) on page 13, which is not in the interests of a harmonious brigade and this section must be removed to prevent creating an unhealthy culture. An additional definition section should be added to the effect that:

‘All BFCO’s registered to a brigade are to be considered lieutenants of that brigade.’

The existing collection of BFCO’s within the SoY have previously been termed an advisory committee. Under the proposed Local Law, the advisory committee representing all brigades appears to be constituted by only a single member from each brigade as set out in section 3.7 on page 8. This will significantly reduce the number of leaders within the brigades that are having input into making important decisions. The current configuration, where BFCO’s from all brigades sit on an effective advisory committee for important decision making is key to ensuring that well rounded decisions are made that encompass a variety of opinions and solutions. We therefore request that sections relating to an advisory committee within the Local Law be removed where unnecessary to simplify the document and an additional definition section should be added to the effect that:

‘The Advisory Committee shall consist wholly of all registered BFCO’s within the Shire of York.’

Other Local Governments

Other local governments have also produced proposed local laws in relation to bush fire brigades to address the same concerns that have presumably prompted the SoY’s proposed Local Law. It is worth noting that of those reviewed, including the City of Swan and the Shire of Beverley, these are considerably smaller documents that allow for far greater flexibility and freedom of operation to their bush fire brigades with less reference to providing authority to the respective local government. The City of Swan’s proposed local law is significantly more concise and aligns better with our current operations. Given the size of the City of Swan and its associated available resources, it is asserted that their proposed local law will still suitably meet the legislative requirements of the Bush Fires Act 1954. We therefore recommend that the majority of the Shire of York’s BFB Local Law draft be replaced with the content contained in the City of Swan’s BFB Local Law draft.

Conclusion

As volunteers providing an essential service to our community and as leaders within our brigades, we trust that you will pay regard to all of the points that have been raised within this submission and appropriately integrate all of them to achieve a Local Law that serves the residents of York and the continuation of our volunteer bush fire service.

Yours Sincerely,

On Behalf of the CBFCO and the Wider BFCO Group.

Subject: Wednesday Meeting

Hi Chris,

A few questions in regards to concerns of the volunteers that have been raised with me. Maybe we could cover these points on wednesday?

Regards [REDACTED]

- What is wrong with the current law and what or who doesn't it cover.
- Who is saying it needs to be amended and why.
- I have read the Minutes from the Oct 2023 York council meeting. It stated in there three options, with writing a new Law as option 3 and recommended (if it's only a recommendation why are we changing it).
- I have heard that other Council's submissions have failed, how and why? In addition to this rather than us writing a submission for us to hang ourselves with why doesn't the relevant dept or bureaucrat tell us what needs changing and why.
- Why was this decision made with, to my understanding, no consultation to any of the BFCO's, Capt or Vice Captains or BFB's for that matter.
- We must have our local Shire fighting for us and pushing back with the assistance of all regional shire's standing as ONE with the bureaucracy gone mad approach!! Most of our Volunteers are generational, if we lose them they will NOT be replaced!!!
- Will this new law beneficially change the way fires are controlled and fought or will it turn out to have a negative effect.

Shire of York Bush Fire Brigades Local Law 2024

BFAC Group Submission

Friday, 6th December 2024

Chief Executive Officer
Shire of York
PO Box 22
York WA 6302
Records@york.wa.gov.au

To the Chief Executive Officer,

Re: Submission for Proposed Shire of York Bush Fire Brigades Local Law 2024

This submission has been prepared on behalf of the Bush Fire Advisory Committee (BFAC) group within the Shire of York (SoY) in response to the proposed Shire of York Bush Fire Brigade Local Law 2024 (Local Law). This is the second submission made by the BFAC group in relation to the proposed Local Law and specifically refers to the revised proposed Local Law as published for review on the SoY's website, dated 30th September 2024. This submission seeks to address a number of significant concerns that the BFAC still have in regard to the proposed Local Law, which are set out below.

The primary factors for our concerns outlined below relate to both the culture of our brigades and safety of our crews on the fireground. As volunteers, safety for our brigade fire suppression activities is of paramount importance. A healthy culture is also essential within our brigades in maintaining adequate active members in the long-term future. Therefore, the implementation of any Local Law cannot afford to compromise on either of these factors and every effort must be made to ensure that the Local Law supports a practical framework of operations harmonious and complimentary to our current practises.

On the 2nd December, 2024, a meeting was held between relevant representative members from the SoY and the BFAC in an effort to rewrite the specific sections of concern within the proposed Local Law. All points were suitably resolved at this meeting with all parties voicing their acceptance of the group formed resolutions. The following requested changes outlined throughout this document embody those resolutions formed between the parties at the meeting and therefore they are reasonably expected to be implemented in essence.

It should be noted that the document advertised for the second review does not have page numbers and therefore all page numbers referenced in this submission refer to the overall page numbers of the document.

Bush Fire Advisory Committee (BFAC)

The existing collection of BFCO's and captains within the SoY have previously been termed an advisory committee. Under the proposed Local Law, the advisory committee representing all brigades appears to be constituted by only a single member from each brigade as set out in section 3.7 on page 10. This will significantly reduce the number of leaders within the brigades that are having input into making important decisions. The current configuration, where BFCO's and captains from all brigades sit on the advisory

committee for important decision making is key to ensuring that well rounded decisions are made that encompass a variety of opinions and solutions. We therefore request that changes to the following effect be applied:

- (i) Existing section 3.7, Division 3, in regards to nominations for the BFAC at each fire brigade's AGM is to be deleted.
- (ii) Existing section 3.8, Division 3, in regards to nominations in the absence of an existing BFAC is to be deleted.
- (iii) An additional section to be added in Division 3 to the effect that at least one brigade member is to be nominated for the position of fire control officer at the brigade AGM.
- (iv) An additional section be added in Division 4 to the effect that:
'The Advisory Committee shall consist wholly of all registered BFCO's and captains within the Shire of York.'
- (v) All other related sections are modified as required to align with the above changes.

BFAC Hierarchy Within Brigades

The brigade specific committee, as discussed on page 16, is constituted by the captains and relevant lieutenants, but provides no clarity as to whether all BFCO's are automatically included. A previous change was implemented to resolve this but created further issues that would be detrimental to the culture within individual brigades. As an effective solution, we request that changes to the following effect be applied:

- (i) Existing section 4.2 (1) to be modified to the following:
"The Committee of the bush fire brigade is to consist of the brigade officers being the captain, the lieutenants and all bush fire control officers of the bush fire brigade."
- (ii) Existing section 4.2 (2) stating the following to be deleted:
'All BFCO's registered to a brigade are to be considered lieutenants of that brigade.'

It is also noted through extended discussion on this section that the Bushfires Act 1954 would reasonably be interpreted to infer that the voting in of a first and second lieutenant at each brigade AGM is required. In an effort to avoid unnecessary hierarchy being introduced to the BFCO group, it is noted that these roles would ideally go to active brigade members that are not nominated to the position of bush fire control officers.

Incident Control on Fireground

The proposed Local Law stipulates in section 2.3 (2) on page 7 that in the case of fire control officers being present at a fire, the effective incident control rest with the most senior officer, with the inference that this automatically changes ownership as soon as a more senior officer arrives. As a result, ownership and responsibility of command on the fireground could become unclear to crews and would result in the incident controller having no effective handover and minimal knowledge of the incident. It could also result in their being a significant number of command changes in a short period, which would not be conducive to

implementing effective fire suppression strategies. This presents a significant safety risk for our operational crews as they would be forced to receive directions from newly arriving officers that do not have an effective understanding of the inherent risks and opportunities relating to the incident. We therefore request that changes to the following effect be applied:

- (i) Existing Section 2.3 (2) to be modified to the following:

“Where a bushfire control officer is in attendance at a fire which the members of the bush fire brigade have command of under the Act and the Bush Fire Operating Procedures, the first arriving bushfire control officer is to assume the role of incident controller and has full control over other persons fighting the fire and is to issue instructions as to the methods to be adopted by the fire fighters.”

- (iii) An additional section be added as Section 2.3 (3), as deemed appropriate:

“Any change in incident controller is to be mutually agreed between both relinquishing and receiving bushfire control officers and requires an effective handover; unless a more senior ranked fire bushfire control officer deems the effective command of the incident controller to be inadequate in which case they have the right to re-assign the role.”

Conclusion

We appreciate the efforts the SoY have shown throughout this second review process towards consulting with the BFAC on changes required to the proposed Local Law. We look forward to being notified and receiving the final revision of the Local Law once it is published.

Yours Sincerely,

On Behalf of the CBFCO and the Entire BFAC Group.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Executive

PURPOSE OF REPORT

This report presents a draft land lease agreement with the York & District Co-operative Ltd (York Co-op) to Council for consideration.

BACKGROUND

Enacting the Shire's Strategic Community Plan and Access and Inclusion Plan, the Shire engaged Town Team Movement, in 2022 to refine the community voice through purposeful and focused community engagement specifically around revitalisation of the York Central Business District.

The outcome of this work was a CBD Revitalisation Plan and toolkit. Part of the plan included Quick Win projects, activation ideas and longer term projects. Around the time of this taking place, the York Home Hardware store at 142 Avon Terrace, York had closed and been re-located.

The section of Macartney Street between Avon Terrace and Lowe Street was identified as a Quick Win Project location within the York CBD Revitalisation Plan. An excerpt from the Plan is presented in Appendix 1.

The demolition of the existing building and Quick Win Project presented an opportunity for York Co-op and the Shire to work together to realise value to the community in activating these spaces and to address community's desire for more street greening, shade, seating and toilets.

York Co-op are the owners of Lot 4 (142) Avon Terrace, York, shown on aerial image below:

To formalise an in-principle agreement between both parties as to shared objectives and commitments for the future use of all or part of the land, a Memorandum of Understanding (MOU) has been in place since December 2022. The parties have met regularly and the MOU has been reviewed and updated as progress is made towards the intended outcomes.

The MOU was last updated in February 2024 and is presented as Appendix 2 for reference.

At its December 2023 Meeting Council considered the Concept Plan and resolved (071223):

“That, with regard to the Concept Plan - York & District Co-operative Ltd - Old Hardware Site - Lot 4 (142) Avon Terrace, York, Council:

- 1. Accepts the Concept Plan for Lot 4 (142) Avon Terrace, York, as presented in Appendix 1.***
- 2. Directs the Chief Executive Officer to continue working with the York & District Co-operative Ltd to develop detailed designs for the site and determine the legal agreement for the long-term use of the land (Lot 4 (142) Avon Terrace, York).***
- 3. Notes the detailed designs and draft legal agreement(s) will be presented to Council for consideration once developed.”***

COMMENTS AND DETAILS

The Shire are now in a position where some initial development of the site can commence. To enable this, the Shire and York Co-op need to have a legal agreement in place, defining responsibilities and liabilities and how the relationship is to be managed long term.

A draft lease for the portion of land that the Shire is to develop as a community space, is presented in Confidential Appendix 3.

The draft lease has been endorsed by the York Co-op Board, confirmed via email from the York Co-op Chief Executive Officer on 7 April 2025.

By entering into this lease, the Shire is effectively acquiring a land asset. In addition, clause 15.4 of the draft lease agreement specifies that if the Lessor (York Co-op) decides to sell the land the Lessee (the Shire) will have first offer to negotiate said purchase.

Section 3.59 of the *Local Government Act 1995* specifies a process in relation to commercial enterprises by local governments. For example, when a local government enters into a land transaction that is preparatory to entry into a major land transaction it is considered a commercial enterprise. Entering an agreement where the Shire is to develop the land would be considered a land transaction under Section 3.59 and the potential future purchase of the land could be considered a major land transaction, depending on the value at the time purchase.

However, in accordance with Regulation 8 of *Local Government (Functions and General) Regulations 1996*, a land transaction is exempt for the purposes of section 3.59 if the Shire enters into it without intending to produce profit to itself and without intending that another person will be sold, or given joint or exclusive use of, all or any of the land involved in the transaction.

The intent of the Shire is utilise this space for community purpose. There is no plan to generate a profit from the activities on the land or from the land itself. Therefore, the Shire is exempt from the requirements of Section 3.59 in relation to the agreement and potential purchase of this portion of land.

Key proposed lease terms are provided below:

Proposed Lease Terms

a. Purpose

Community Purpose, including toilets, shade structures, walkways and gardens and uses reasonably ancillary thereto.

b. Rent

Equal to the rates charged on the entire of Lot 4, excluding additional charges for services, imposed on the non-leased portion of Lot 4.

c. Term

An initial term of ten (10) years is proposed commencing 1 May 2025 with the option of a further three (3) five (5) years terms.

d. Insurance

The Shire (Lessee) must effect and maintain the following insurances as a minimum:

- a. Public Liability of not less than twenty million dollars (\$20,000,000)
- b. Contents insurance to cover the Lessee's equipment
- c. Any applicable employer's insurance (for example, workers compensation insurance)
- d. Insurances to cover any damage and/or theft to the Lessee's property

The York Co-op (Lessor) is not required to take out or maintain any insurance in respect of the land or the improvements.

e. Firebreaks

The Shire is responsible for the management of the land including installing and maintaining the firebreaks, in accordance with the *Bush Fires Act 1954* and the Lessor's reasonable requirements.

f. Development

Any development proposals would require a development approval.

g. Casual Hire

The lessee may hire out the Grounds on a casual basis, provided the use is consistent with the permitted purpose and the lessee obtains prior written consent from the York Co-op. This clause will enable the Shire to provide the space to the community.

OPTIONS

Council has the following options:

Option 1: Council could choose to authorise the Shire President and Chief Executive Officer to sign the land lease agreement between the Shire of York and the York Co-op, as presented in Appendix 3.

Option 2: Council could choose to reject the request for endorsement of the lease with the York Co-op.

Option 3: Council could choose to request changes to the terms and conditions of the draft lease.

Option 1 is the recommended option.

 - (i) *the local government proposes to commence the major trading undertaking or enter into the major land transaction described in the notice or into a land transaction that is preparatory to that major land transaction; and*
 - (ii) *a copy of the business plan may be inspected or obtained at any place specified in the notice; and*
 - (iii) *submissions about the proposed undertaking or transaction may be made to the local government before a day to be specified in the notice, being a day that is not less than 6 weeks after the notice is given;*
 - and*
 - (b) *make a copy of the business plan available for public inspection in accordance with the notice; and*
 - (c) *publish a copy of the business plan on the local government's official website.*
- (5) *After the last day for submissions, the local government is to consider any submissions made and may decide* to proceed with the undertaking or transaction as proposed or so that it is not significantly different from what was proposed.*

** Absolute majority required.*
- (6) *If the local government wishes to commence an undertaking or transaction that is significantly different from what was proposed it can only do so after it has complied with this section in respect of its new proposal.*
- (7) *The local government can only commence the undertaking or enter into the transaction with the approval of the Minister if it is of a kind for which the regulations require the Minister's approval.*
- (8) *A local government can only continue carrying on a trading undertaking after it has become a major trading undertaking if it has complied with the requirements of this section that apply to commencing a major trading undertaking, and for the purpose of applying this section in that case a reference in it to commencing the undertaking includes a reference to continuing the undertaking.*
- (9) *A local government can only enter into an agreement, or do anything else, as a result of which a land transaction would become a major land transaction if it has complied with the requirements of this section that apply to entering into a major land transaction, and*

for the purpose of applying this section in that case a reference in it to entering into the transaction includes a reference to doing anything that would result in the transaction becoming a major land transaction.

(10) *For the purposes of this section, regulations may —*

- (a) prescribe any land transaction to be an exempt land transaction;*
- (b) prescribe any trading undertaking to be an exempt trading undertaking.”*

Local Government (Functions and General) Regulations 1996

“8. Exempt land transactions prescribed (Act s. 3.59)

- (1) A land transaction is an exempt land transaction for the purposes of section 3.59 of the Act if the local government enters into it —*
 - (a) without intending to produce profit to itself; and*
 - (b) without intending that another person will be sold, or given joint or exclusive use of, all or any of the land involved in the transaction.*
- (2) For the purposes of subregulation (1)(b) a person is given joint use of land if the land is to be jointly used for a common purpose by the local government and that person (whether or not other persons are also given joint use of the land).*
- (3) A transaction under which a local government disposes of a leasehold interest in land is an exempt land transaction for the purposes of section 3.59 of the Act if —*
 - (a) all or any of the consideration to be received by the local government under the transaction is by way of an increase in the value of the land due to improvements that are to be made without cost to the local government; and*
 - (b) although the total value referred to in the definition of major land transaction in that section is more, or is worth more, than the amount prescribed for the purposes of that definition, it would not be if the consideration were reduced by the amount of the increase in value mentioned in paragraph (a).”*

Risk Related

The Financial Impact entering into the agreement is Minor (2).

The Likelihood of this changing over the lease period is Unlikely (2).

The overall Financial Risk Rating of entering into the lease is Low (4).

The risks around actual development of the space would be considered higher due to the costs involved. However, the lease agreement has been developed with these risks in mind and clauses have been carefully considered and developed to reduce the risk to both parties particularly around identifying what would happen should either party wish to exit the lease.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Legislative

PURPOSE OF REPORT

This report presents the major review of the Strategic Community Plan (SCP) and Corporate Business Plan (CBP) to Council for consideration.

BACKGROUND

All local governments in Western Australia are required to develop a Plan for the Future to incorporate a SCP and a CBP. The SCP is the main strategy and planning document that reflects the community's long-term vision, aspirations and priorities, covering a period of ten (10) years. The CBP is responsible for translating the strategic direction of the Shire, articulated within the SCP, into specific priorities and actions at an operational level and covers a four (4) year period.

Council adopted the SCP 2020-2030 at its June 2020 Ordinary Meeting (060620) and CBP 2020-2024 at its August 2020 Ordinary Meeting (060820). Council adopted the minor review of the SCP and CBP at its October 2023 Ordinary Meeting (051023).

Three (3) major parties are involved in the development of the Plan for the Future - the Administration, the Council and the community. Each party has a unique role and responsibilities for effective and sustainable integrated planning and reporting (IPR).

The ongoing Local Government Act Reform proposes that local governments prepare, adopt and publish a council plan to plan for the future services and facilities that are to be provided by the local government for the district. This is intended to replace the requirement for the SCP & CBP.

COMMENTS AND DETAILS

Via a Request for Quote process, INK Strategy was engaged to lead the major review.

Through the major review, the Shire has shifted to a Council Plan format, combining the functions of the SCP and CBP into one consolidated document (this Plan). As well as meeting the Act Reform requirements, this brings the benefit of having one (1) cohesive document that outlines a clear pathway from community aspirations to Council priorities and deliverables.

The results from the most recent Community Scorecard were considered as part of the review process as they clearly articulate that the York community continues to see culture, arts, events and tourism as a major contributing factor to our social fabric. A continuing need to focus on improved road maintenance and renewal has also been highlighted as being of major importance. There was

also a greater emphasis on Council leadership and governance. A copy of the Public Consultation Outcomes Report is presented in Appendix 1.

A copy of the Plan is presented in Appendix 2.

OPTIONS

Council has the following options:

Option 1: Council could choose to accept the changes of the major review and adopt the Plan.

Option 2: Council could choose to reject the changes of the major review and not adopt the Plan.

Option 3: Council could choose to make further amendments to the major review of the Plan and advise what those amendments are.

Option 1 is the recommended option.

IMPLICATIONS TO CONSIDER

Consultative

The review included a targeted program of community and stakeholder engagement to test the overall strategic direction and intent of the Plan.

A summary of engagement channels for internal and external stakeholders undertaken for the major review is detailed below:

Risk Related

Council risks non-compliance with the legislative requirements by not reviewing and adopting its Plan. This report mitigates that risk.

The reputational risk to Council is considered low as the community has been consulted in the development of the reviewed Plan.

Workforce

The Shire engaged a suitably qualified consultancy to facilitate the major strategic review.

Actions and outcomes identified in the Plan will have resourcing implications. Subject to adoption of the Council Plan, the Workforce Plan will be reviewed.

VOTING REQUIREMENTS

Absolute Majority: Yes

2: COUNCIL PLAN VISION:

The Draft Council Plan includes a new vision statement that articulates the Shire's 10 year aspiration. "A vibrant, family-friendly regional hub and cultural destination, offering opportunity and lifestyle connected to nature."

How well does this reflect your ideal future state for Shire of York?

Comments on vision statement:

- Noted Northam as regional hub (vs York)
- Statement lacks substance
- York not viewed as a cultural destination

Other commentary – not linked to vision statement

- The town needs entry statements on all main entrances to town. More work required on achieving family friendly aspects of the aspiration
- Complaint about school, recreation centre and roads
- York is not a huge industrial town there is only a certain amount of business in York so what are these young families to do for work to support their families. Reminder that York was built on the back of farming and agriculture so listen to the farmers.

3: COUNCIL PLAN PILLARS AND PRIORITIES:

For each Pillar below, respondents were asked how well:

- a) the aspiration statement reflects your ideal state
- b) the set of strategic priorities reflect your future priorities (please consider these together and rate overall)

Pillar 1 – Community and cultural vitality

- Aspiration statement: **70%** of respondents feel the **aspiration** statement reflects their ideal state **very well or well**, 19.5% moderately
- Set of strategic priorities: **58%** of respondents feel the **priorities** reflects their future priorities **very well or well**, 24% moderately

Comments - key themes:

- Seeking clarification on deliverables
- First Nations culture should not be second priority as York already does this well. Homelessness is a bigger issue
- Concern around "infill" (strongly against) as it will ruin the main benefit of living in a rural setting
- Concerned the aquatic facility will precipitate a large rate rise
- Comments on detailed structuring and implementation of youth strategy – to include early childhood, primary and high school
- Concern over welcome to country / level of cultural and First Nations inclusion
- Shire needs to support ageing well by prioritising social connection, supportive environments and health promotion, using existing partnerships and grants (e.g. Healthway, Act Belong Commit, Fuel to Go & Play).

1. PUBLIC CONSULTATION FINDINGS – SURVEY

3: COUNCIL PLAN PILLARS AND PRIORITIES:

Pillar 2 – Future ready economy

- Aspiration statement: **66.5%** of respondents feel the **aspiration** statement reflects their ideal state **very well or well**, 23.5% moderately
- Set of strategic priorities: **70.5%** of respondents feel the **priorities** reflects their future priorities **very well or well**, 21.5% moderately

Comments - key themes:

- More focus on festivals and events needed
- Dual lane roads during festivals to prevent people from leaving early due to traffic jams
- Shire would benefit from more cottage industries being allowed to work from home
- People seeking tactical implementation plan and accountability measures
- Farming and agriculture noted as not being mentioned in the 10 year priorities.
- Seeking tactical implementation plans / step by step implementation
- One complaint not linked to Pillar or question.

3: COUNCIL PLAN PILLARS AND PRIORITIES:

Pillar 3 – Thriving natural environment

- Aspiration statement: **61.5%** of respondents feel the **aspiration** statement reflects their ideal state **very well or well**, 29% moderately
- Set of strategic priorities: **61.5%** of respondents feel the **priorities** reflects their future priorities **very well or well**, 27% moderately

Comments - key themes:

- Control of Avon River noted as river corporations – Shire can make limited impact
- Move away from Shire positions on sustainability and climate
- Visitation appeal of environment and heritage buildings noted
- Survey should have included joint naming

1. PUBLIC CONSULTATION FINDINGS – SURVEY

3: COUNCIL PLAN PILLARS AND PRIORITIES:

Pillar 4 – Comfortable and connected places

- Aspiration statement: **66.5%** of respondents feel the **aspiration** statement reflects their ideal state **very well or well**, 25.5% moderately
- Set of strategic priorities: **68.5%** of respondents feel the **priorities** reflects their future priorities **very well or well**, 19.5% moderately

Comments - key themes:

- Need dual lane roads, more shaded areas and more toilets
- Noted roads will be extra busy with dump trucks from Perth but also coming Beverly Quairading and Northam soon
- Pedestrianisation (where it might result in loss or reduction in space Avon Terrace) or speed limit reduction not supported.
- Greater emphasis needed on supporting a health promoting community through built environments that enables people to be physically active and live well e.g. Healthy active by design
- Complaints / comments related to welcome to county not relevant to Pillar.

3: COUNCIL PLAN PILLARS AND PRIORITIES:

Pillar 5 – Strong governance and responsive leadership

- Aspiration statement: **76%** of respondents feel the **aspiration** statement reflects their ideal state **very well or well**, 12% moderately
- Set of strategic priorities: **66.5%** of respondents feel the **priorities** reflects their future priorities **very well or well**, 19.5% moderately

Comments on capability strategies - key themes:

- Improved communication – responded noted rarely knows what is happening in York (lives slightly outside town)
- The elected and members of staff need to be encouraged to engage with the residents
- Don't feel draft Plan is reflective of community suggested changes needed for improvement (greater emphasis on transparency, accountability and fair leadership especially at executive level.) Strong community desire to see a shift towards improved financial efficiency and optimised value for ratepayers and residents and less influence by external lobby groups
- Single issue comment – SAT related to boundary fence

1. PUBLIC CONSULTATION FINDINGS – SURVEY

4: COUNCIL PLAN 4-YEAR DELIVERABLES:

For each Pillar, respondents were asked how well the 4-year deliverables will be in delivering on the strategic priorities

- The 4-year deliverables for Comfortable and connected places rated most highly by respondents (combined 57.14% for very well and well)
- The deliverables for Community and cultural vitality rated lowest (combined 48% for very well and well) closely followed by Strong leadership, responsible governance (combined 49% for very well and well).

Comments - key themes:

- Seeking a plan that is specific, measurable and accountable. Draft noted for being broad and aspirational but lacking specific KPIs
- Look for opportunities to get ahead with economic opportunities e.g. an electric power outlet for Motor vehicles. Seeking Council to 'move with the times'
- Seeking more focus on early childhood and youth
- Responsive governance needs to improve
- Comment on WALGA 'imposed' regulation
- Comment on leadership (trust and delegation) missing from current Council
- Single issue comment – pool
- Comment on misalignment between Council agenda and ratepayer priorities
- Comment on need for improved (hard copy) communication

Pillar 1 – Community and cultural vitality

- 24% of respondents feel the 4-year deliverables will deliver on the strategic priorities **very well**
- 27% **well**
- 34% moderately
- 9.76% poorly

Pillar 2 – Future ready economy

- 25% of respondents feel the 4-year deliverables will deliver on the strategic priorities **very well**
- 30% **well**
- 32% moderately
- 12.5% poorly

Pillar 3 – Thriving natural environment

- 24% of respondents feel the 4-year deliverables will deliver on the strategic priorities **very well**
- 34% **well**
- 31% moderately
- 7% poorly

Pillar 4 – Comfortable and connected places

- 19% of respondents feel the 4-year deliverables will deliver on the strategic priorities **very well**
- 44% **well**
- 22% moderately
- 12% poorly

Pillar 5 – Strong governance and responsive leadership

- 17% of respondents feel the 4-year deliverables will deliver on the strategic priorities **very well**
- 32% **well**
- 34% moderately
- 7% poorly

Overall satisfaction with Draft Council Plan

The final question asked participants to indicate overall satisfaction with Draft Council Plan using a sliding scale from 0 – 100.

Based on 35 responses (accounting for those who skipped the question), the overall satisfaction rating is 56.67%

**NB: INK Strategy has omitted 4 responses (0,0,1,5) from this rating considered outliers for their consistently negative commentary unrelated to Council Plan questions provided throughout the survey.*

2. PUBLIC CONSULTATION FINDINGS – DROP IN SESSION

1: COUNCIL PLAN PILLARS AND PRIORITIES:

Attendees were asked to place a tick in the box to reflect how well the Draft Council Plan aspiration and 10-year priorities reflected the insights and priorities shared during community engagement. Responses summarised as follows:

	Very well	Well	Moderately well	Poorly	Not at all
Pillar 1 – Community and cultural vitality	4 ticks				
Pillar 2 – Future ready economy	2 ticks		2 ticks		
Pillar 3 – Thriving natural environment	1 tick	4 ticks			
Pillar 4 – Comfortable and connected places	2 ticks	2 ticks			
Pillar 5 – Strong governance and responsive leadership		2 ticks	2 ticks		

COMMENTS / QUERIES BY PILLAR

Community and cultural vitality:

- Does the Shire have a cultural consultant who guides programs and services to Aboriginal and broader community?
- Seeking specific outdoor facilities / playground for those living with a disability
- Community currently lack facilities for younger population (under 5 years) – Avon Park not suitable / not suited to all abilities (Cundi and Quairading referenced as benchmarks)
- Improved recreation facilities for young people and families
- Seeking clarification on future location of play group, library noted as getting small for activities such as Rhyme Time.

Future ready economy:

- Lack of facilities for young families linked to supporting spending and small business within the town.
- Benchmarks: Cundie and Beverley have free monthly events → Cundie CRC messy play, water play days at local fenced park. This attracts residents from York and associated spend in cafe / IGA / pubs instead (leakage from York).
- Noted recent closure of York businesses – a shame.

Thriving natural environment:

- Nil comments.

Comfortable and connected places:

- Avon Terrace: Close Avon Terrace on weekends and assist event organisers with traffic management plans; traffic calming/speed bump(s), within the 40kmh zone
- Avon park – design weak, boring, unable to safely watch children near road & river with poles that do nothing in the way of little kids unable to walk.
- Improving all parks, picnic areas & pathways is very important. Shade on main street as well.

Strong governance and responsive leadership:

- Noted community needs to elect community-minded Councillors
- Nominees need to not be single minded.

2. PUBLIC CONSULTATION FINDINGS – DROP IN SESSION

2: COUNCIL PLAN 4-YEAR DELIVERABLES:

For each Pillar, respondents were asked how well the 4-year deliverables will be in delivering on the strategic priorities by placing a tick in the box. Responses summarised as follows:

Pillar 5 – Strong governance and responsive leadership		5 ticks			

COMMENTS / QUERIES BY PILLAR

Community and cultural vitality:

- Would like to see KPI's
- Concerns / clarity over definition of youth – needs to include yearly childhood, primary and youth
- Seeking a young people's / children's area to be incorporated into new Aquatic Centre

Future ready economy:

- Nil comments

Thriving natural environment:

- Gwambygine needs to be cleaned up
- Importance of stormwater management plan and implementation emphasised

Comfortable and connected places:

- Shire advocacy for power and water upgrades to State Government emphasised

Strong governance and responsive leadership:

- Nil comments

3: COUNCIL PLAN VISION STATEMENT:

Two respondents indicated the draft Vision statement reflected their future aspirations for the Shire as 'very well', one as 'well'.

YORK 2035
TOGETHER WE THRIVE

Shire of York Council Plan

Draft for Council Adoption
April 2025

This is Ballardong Noongar Country

The Shire of York acknowledges the Ballardong Noongar people are the Traditional Custodians of this Country and recognises their continuing connection to land, water, sky and culture.

Their culture and connection to Country has endured for more than 60,000 years with significant sites and registered Aboriginal Heritage Places intact within Ballardong boodja (country) and the Shire of York, including Gogulyar Bilya / Avon River, caves, ceremonial sites, rock art, paintings and artefacts.

Spiritual and traditional ties to Country are deeply felt by Ballardong people today and are acknowledged by the Shire.

Our community is on a journey of learning and understanding the impact of settlement on the Ballardong community and is committed to building relationships and shared understanding through listening, respecting cultural knowledge and protocols and empowering Ballardong people.

We pay our respects to the Ballardong people and their Elders past, present and emerging.

Introduction and context

Message from the Shire President

Welcome to the Shire of York's Council Plan 2025-2035.

York is a town with a rich past, a strong community spirit, and an exciting future. We are proud of our heritage, our people, and the natural beauty that surrounds us. As we look ahead, the Shire of York remains committed to delivering on key priorities that will strengthen our community, protect our environment, and support a thriving local economy.

Over the years, we have worked closely with our residents to understand what matters most and where we should focus our efforts. This plan reflects those priorities—ensuring York remains a great place to live, work, and visit. From advocating for improved healthcare services and housing options to assisting the growth of employment opportunities and enhancing tourism, we are focused on building a sustainable and connected future.

The protection and enhancement of our natural environment also remain a key focus. We are committed to preserving our bushland, improving the ecology of Gogulyar Bilya / Avon River, and taking steps towards a more sustainable future. At the same time, we will continue to invest in our town centre, road networks, and public spaces, ensuring that York remains both beautiful and accessible for everyone.

Strong leadership and good governance underpin all that we do. We are dedicated to working closely with our community, strengthening communication, and ensuring transparency in decision-making. Achieving these goals will take collective effort, and we look forward to working together to bring this vision to life.

Thank you to everyone who has contributed to shaping this plan. Your input is invaluable in helping York move forward as a thriving, inclusive, and prosperous community.

Cr. Kevin Trent
OAM; RFD; JP
Shire President

Foreword from the Chief Executive Officer

Welcome to the Shire of York's Council Plan 2025-2035.

It is with great enthusiasm that I present the Shire of York's new Council Plan, a roadmap that reflects our shared aspirations for the future of our community. This plan replaces the previous Strategic Community Plan and Corporate Business Plan, bringing them together into a single, integrated document that will guide our decision-making and investment over the coming years.

York is a community rich in history, natural beauty, and opportunity. We want to ensure that our Shire remains a place where people feel connected, where businesses can thrive, and where our environment and culture are valued and protected. This plan has been shaped by extensive community input with over 1000 insights contributed by a broad cross section of our community ensuring the plan is built upon key themes that reflect what matters most to our residents.

We are committed to making York an inclusive and supportive place for people of all ages and backgrounds. Strengthening our community means fostering opportunities for young people, celebrating the cultural identity of the Ballardong Noongar people, and advocating for improved healthcare and diverse housing options to meet the needs of our growing population. A strong and diverse economy is essential to York's future, and we will continue working to attract new businesses, work on new ways to support small enterprises, and enhance cultural tourism to position York as a leading regional destination.

Our natural environment is at the heart of what makes York special, and we are dedicated to protecting and enhancing our bushland, improving the ecology of Gogulyar Bilya / Avon River, and driving sustainability initiatives to ensure our unique landscape is preserved for future generations. At the same time, we recognise the importance of maintaining and improving the spaces that bring our community together. From preserving our heritage to maintaining and upgrading roads, footpaths, and public spaces, we are committed to making York greener, more inviting, and easier to navigate.

Supporting all of this is our commitment to strong leadership, transparency, and meaningful engagement with our community. We are committed to improving how we engage and listen to our residents, strengthen governance, and for the Council to be informed, so they can make the considered strategic decisions that serve the best interests of York both now and into the future.

I would like to thank everyone who took the time to contribute to this inaugural Council Plan. This plan is not just about the Shire's priorities – it is about the collective vision of our community. Its success depends on collaboration, innovation, and a shared commitment to making York an even better place to live, work, and visit.

I look forward to working alongside our Council, staff, and community members as we bring this vision to life.

Chris Linnell
Chief Executive Officer

Integrated Planning and Reporting Framework

In accordance with section 5.56 of the Local Government Act 1995, all local governments in Western Australia are required to effectively plan for the future, in line with the requirements of the Department of Local Government, Sport and Cultural Industries (DLGSC) Integrated Planning and Reporting Framework (IPR).

The intent of the IPR framework is to ensure that priorities and services provided by the Shire are aligned with community needs and aspirations and, in doing so, facilitate a shift from short-term resource focus to a long-term value creation. The Shire's current Strategic Community Plan (SCP) and Corporate Business Plan (CBP) was developed in 2020, with a minor review completed in 2023 and a major review undertaken in 2025. Through the major review, the Shire has shifted to a Council Plan format, combining the functions of the SCP and CBP into one consolidated document (this Plan).

This brings the benefit of having one cohesive document that outlines a clear pathway from community aspirations to Council priorities and deliverables.

A suite of informing plans outline how the Council Plan is managed and resourced, which are available on the Shire's website and include:

- Long Term Financial Plan
- Asset Management Plans
- Workforce Plan
- Access and Inclusion Plan
- Risk Management Framework
- Aged Friendly Community Plan
- Business Continuity Plan
- Reconciliation Action Plan
- Wellbeing Plan
- CBD Revitalisation Plan

The Council Plan format and content is customised to the Shire's unique community context, needs, financial and other resources.

It forecasts a long term, 10-year vision and 10-year strategic priorities.

10-year strategic priorities are enabled through specified four-year deliverables. The annual budget and three-year financial forecast allocates funding aligned to the four-year deliverables, in context of the Shire's finite financial resources. Four-year deliverables are supported by detailed internal project and operational plans to guide implementation and measure outcomes.

The Annual Report, available on the Shire's website and in hard copy from the Shire's office, provides a detailed report on performance each year.

How to read this Council Plan

10 year horizon

The future aspiration:

A strong, inclusive community supporting all cultures and generations

Council Plan 10-year priorities

- 1.1 Assist place, education and employment opportunities for young people
- 1.2 Strengthen First Nations and cultural identity
- 1.3 Advocate for housing supply and diversity
- 1.4 Advocate for improvements in healthcare services and infrastructure for an aging population
- 1.5 Facilitate access to community facilities for all life stages
- 1.6 Strengthen community stewardship and volunteerism

Example of the relationship between the Shire's Council Plan and Annual budget (indicative only)

This diagram demonstrates how to read the Council Plan, showing the relationship between:

- Its 10-year strategic horizon – the vision and 10-year priorities
- The four-year deliverables (to achieve to the strategic horizon)
- The annual budget, which allocates funding to achieve the four-year deliverables in line with forecast timing and available resources.

4 year deliverables

1.1.4 Shire facilities such as the Community Resource Centre (CRC) are 'fit for purpose' to facilitate community networks and training opportunities			x	

1 year Annual Budget

Funding is allocated in the Annual Budget for actions specified in that year.

Evaluation and risk management

How will we evaluate the success of the Council Plan and ensure its delivery?

Council closely monitors implementation of the Council Plan. It has adopted an Integrated Planning and Reporting (Reporting) Policy (G4.2) which provides a mechanism for Council, on the advice of the CEO, to identify which projects (in addition to statutory requirements) it would like to see reported on a regular basis each year.

The intent of the policy is to provide Council with a mechanism to monitor progress of strategically significant and/or high expenditure projects.

The Shire will test community's satisfaction with progress against the Council Plan during the Minor and Major Strategic Review processes, every two years. The next review will be a Minor Review, in 2027.

The Shire's Risk Management Framework (March 2024) assists the Shire to understand and document its approach to the identification, assessment, management, reporting and monitoring of risks.

By monitoring the following risk categories, the Shire will safeguard delivery of Council Plan priorities:

Risk management objectives

1. Optimise the achievement of our vision, experiences, strategies, goals and objectives.
2. Provide transparent and formal oversight of the risk and control environment to enable effective decision making.
3. Enhance risk versus return within our risk appetite.
4. Embed appropriate and effective controls to mitigate risk.
5. Achieve effective corporate governance and adherence to relevant statutory, regulatory and compliance obligations.
6. Enhance organisational resilience.
7. Identify and provide for the continuity of critical operations

Risk management categories

- Injury or Death
- Failure/Loss of Infrastructure
- Theft Fraud Misconduct
- Climate Change/Environmental Damage
- Failure to Deliver Key Projects
- Loss of Financial Viability
- Reputational Damage
- Failure of Legislative Compliance

Progress updates will be visible to the community via reporting dashboards on the Shire's website, as well as via the Annual Report.

About the Shire of York

As Western Australia's oldest inland town, located only 97 kilometres from Perth, York is deeply connected to its heritage, with strong ties to Ballardong Noongar culture and Gogulyar Bilya / Avon River. The Shire includes key town sites of York, Gwambygine, Mount Hardey, Talbot, Greenhills and Kauring.

These elements, along with its rich Aboriginal and post-settlement history, draw visitors from across the state and beyond, contributing to York's strong positioning as a charming and accessible lifestyle and visitor destination.

In the years during and recently following the COVID-19 pandemic, the Shire's population grew significantly, predominantly with young families seeking an accessible and safe lifestyle, and older residents seeking a "tree change."

Agriculture (cropping and grazing) is the cornerstone of York's local economy with some 136,135ha of agricultural land holdings generating approximately \$46.2M in production value per annum. Other economic sectors include manufacturing, transport and logistics, retail and tourism. Housing availability and new supply has become a priority, with a dual need to accommodate both new residents and workers, along with the unique needs of an ageing population. This is a significant consideration and priority for the coming decade.

Looking to the future, key opportunities for the Shire include attracting and meeting the needs of new residents – with a focus on families and young people – and growing the cultural tourism sector – including leveraging its position as a Film Friendly Town, along with diversifying the local economy. Continuing to deliver high service levels across community wellbeing, economic development and environmental sustainability, advocating for heritage conservation and delivering strong leadership and governance are of key importance to the community.

York is on an exciting trajectory towards a prosperous, sustainable future as a lifestyle and cultural hub, positioned for innovation and growth.

Population and demographic data source: ABS Census 2021

York has become one of Australia's regional hotspots, with a remarkable 244% annual growth in migration from capital cities, as identified by the Regional Australia Institute in 2022.

Shire of York Elected Members

Elected Members are responsible for governing the Shire’s activities, overseeing its finances and resources and determining its policies.

The Shire of York has seven Councillors, elected for a term of four years and responsible for representing the interests of all electors, residents and ratepayers.

The Shire President and Deputy Shire President are elected by Councillors. The Shire President is responsible for chairing Council meetings, carrying out civic and ceremonial duties, speaking on behalf of Council and providing leadership and guidance to the community.

Towards 2035 Our community's aspirations

Towards 2035 – the big picture

The following broad themes have been highlighted by Elected Members and community, as key context for the decade ahead and have informed strategic direction for the Council Plan.

Changing population

York's appeal to 'tree changers' and as an affordable lifestyle proposition for families, is expected to continue. In context of broad housing affordability and access pressures, York is well positioned to harness demand, however housing and land supply needs to be readily available.

A more diverse community demographic of families and young people is emerging, and they require services, amenities, infrastructure, business and employment pathways that retain them into the future.

Economy and jobs

York's predominantly agricultural economy is undergoing structural change in terms of farming practice, technology, government policy (ceasing live exports) and more.

Continuing to support this sector through strong road networks and infrastructure is critical. Economic diversification is also needed, through tourism, industrial and small business opportunities that also provide local employment opportunities – this is a key focus for 2025-2035.

Culture and heritage

Conserving the heritage value and character of York as the state's oldest inland town, with intact streetscapes and heritage listed places – is an enduring focus.

York's potential as a cultural destination and hub for cultural tourism is undefined and a significant opportunity that requires resourcing and focus, also leveraging its Film Friendly Town status.

Improved acknowledgement of Ballardong Noongar heritage and strong partnerships that build capacity, are needed.

Climate and environment

Challenges including a drying climate, limited water and increasing urban heat effect are being experienced in York.

A focus on renewables (solar and wind), greening the town centre and private properties and maintaining focus on the health and management of Gogulyar Bilya / Avon River are of ongoing importance. Improving community access, amenity and connection to the river is a significant opportunity, along with places such as Mt Brown.

Health and wellbeing

Access to high quality healthcare at all life stages remains a significant issue, as in many regional towns. State government upgrades to York Hospital is required. A population 'ageing in place' requires specific support including in home, aged care and allied services.

Continual improvement of recreational facilities, wellbeing services and programs targeted at young people and support for volunteer clubs and community groups require ongoing future focus.

Governance and leadership

Strong, responsive and accountable governance is essential to develop community engagement and trust.

Clear and confident decision making and consistent communication of a strong, future-focussed vision for York are key drivers for the community. An ongoing focus on multi-channel communications, community engagement practices and supporting community understanding of the role of the Shire and Council, remain of paramount importance.

Towards 2035 – the big picture

In the decade to 2035, the following opportunities and challenges are anticipated for the Shire:

Structural challenges

- **Economy and workforce:** Historic dependence on agriculture and tourism may leave York vulnerable to future economic shifts. Limited and narrow employment opportunities and lack of affordable housing means young people leave town, further compounding local skills shortages.
- **Ageing population and youth retention:** York's ageing population presents unique needs / challenges for services and infrastructure. Young people leave town for employment opportunities, housing and lifestyle. Addressing these challenges are critical to ensure York offers lifestyle options for families and all community members.

Considerations

- ❖ **Failure to protect and leverage unique identity:** York risks losing its heritage and cultural identity without proactive management and protection. Challenges to visitor attraction include lack of visitor amenities and weaker destination marketing compared to competing towns / regions.
- ❖ **Infrastructure and connectivity:** Ageing infrastructure, road maintenance, limited transport options, digital connectivity and finite financial resources are impediments to growth and impact response to population demands.
- ❖ **Environmental sustainability:** Climate change, rising temperatures, and water scarcity are threats to York's agriculture, natural bushland, waterways, and overall liveability. Land and environmental management needs to be prioritised to prevent decline, including salinity, tree loss, and quality of the Gogulyar Bilya/Avon River. The landfill proposal near York will further emphasise these issues.
- ❖ **Volunteerism and emergency services:** Volunteer groups face burnout, with a small number of people shouldering responsibilities. Fire and Emergency Services struggle to attract and retain volunteers, presenting a risk to community safety and emergency response capabilities.

Opportunities

- ✓ **Tourism, heritage, and culture:** Positioning York as an arts, culture and heritage destination by developing cultural tourism infrastructure and experiences (events, festivals) and supporting filming opportunities. Conserving the Shire's heritage buildings and landscapes connected to Ballardong Noongar and colonial history.
- ✓ **Natural environment and sustainability:** Restore and protect the Gogulyar Bilya/Avon River and natural bushland to support tourism, recreation and environmental stewardship. Supporting and facilitating sustainability and renewable energy initiatives.
- ✓ **Infrastructure and built form:** Enhance town centre infrastructure, including roads, footpaths and recreation facilities. Explore a dedicated cultural hub and create safe, welcoming public spaces. Enable community participation in planning and decision making.
- ✓ **Economic development and business support:** Attract and support diverse businesses and reduce red tape. Focus on job creation, local economic growth and population retention, especially for families and young people. Encourage creative industries and innovative ventures, including digital infrastructure improvements.
- ✓ **Young people, families and lifestyle infrastructure:** Housing, schools, and recreational activities to attract young families and support community vibrancy. Promote outdoor lifestyle opportunities such as trails, bike paths, and family-friendly facilities.

Community engagement: Informing the Council Plan

As the highest order strategic document, the Council Plan will inform the Shire's decision making, resourcing and budgeting over the next 10 years.

As such, this major review process was informed by a robust program of community and stakeholder engagement, including with Elected Members, aligned with the Shire's ongoing outreach activities and commensurate with the community's size and capacity for engagement.

The engagement approach aimed to maximise community and stakeholder participation, leveraging the Shire's existing networks.

Engagement objectives

1. Position and build excitement for the major review
2. Deliver a program which provides all aspects of the community with equal opportunity to be involved and contribute
3. Utilise engagement to educate stakeholders around the role and importance of the major review process
4. Clearly articulate project scope, objectives, process to manage expectations and build ongoing trust with the community.

Communications tools and channels

Stakeholders were notified of the opportunity to participate in the major review via:

- The Shire's Facebook page and local newspaper content (Community Matters), with reference / links to an online survey
- Shire website – dedicated project page and profiling in Latest News
- The Shire's e-newsletter database
- Direct invitation to York Business Association (YBA) workshop
- The Farming community SMS database
- York Arts network promotion
- Hard copy surveys available at York CRC, YRCC and Shire venues
- Direct communication with Traditional Custodians, disability groups and CALD community, family playgroup and York Senior High School.

Key touchpoints with community:

99 survey responses

~52 people attended **7 drop-in sessions** at York Town Hall

1 Elected Member workshop
1 York Business Assoc workshop
1 Farmers Breakfast
1 Recreation Club workshop

Meeting with York Playgroup

1 creative engagement with York District Highschool students

Over 1,000 insights contributed to development of the Council Plan

Community engagement: Informing the Council Plan

The community told us what they valued most about the Shire's community identity and way of life:

- ❖ **Unique heritage:** including farming, historic streetscapes and buildings, status as WA's first inland town, and Ballardong Noongar cultural heritage
- ❖ **The lifestyle:** family-friendly, relaxed environment that celebrates natural beauty and is an alternative to city life
- ❖ **Destination appeal:** A vibrant visitor destination with cultural tourism, scenic landscapes, small businesses, and special events
- ❖ **Arts and culture:** A strong and still emerging arts scene, festivals, and creative initiatives, which contribute to York's character
- ❖ **Community connection:** A welcoming community that values collaboration across generations and lifestyles
- ❖ **Environmental sustainability:** A growing focus on sustainability, managing natural assets like Golgulgar Bilya / Avon River
- ❖ **Pride and resilience:** Community pride in heritage, culture, and achievements; a strong rural identity

The special and unique qualities that need to be safeguarded into the future are:

1. York's historic streetscapes, heritage buildings, and places of European settler and Ballardong Noongar significance
2. Gogulyar Bilya / Avon River, bushland, reserves, and wildlife while addressing environmental challenges
3. Maintaining the town's agricultural and rural identity, open spaces and small-town feel
4. Retaining its appeal as a visitor destination, and ensuring a vibrant, friendly town
5. Supporting the strong sense of community, collaboration, and inclusivity amongst residents
6. Supporting and promoting the creative community, cultural events and festivals
7. Supporting local businesses and strengthening economic opportunities
8. Providing high quality facilities, recreational opportunities and safe, accessible public spaces to enhance quality of life.

Community engagement: Informing the Plan

“10 years from now, I would be proud if York had achieved recognition for...”

- ❖ Being a welcoming, inclusive, and supportive community where people of all ages and backgrounds thrive
- ❖ Establishing itself as a must-visit destination in WA, known for its vibrant events, thriving small businesses, and rich cultural history
- ❖ A reputation as a dynamic cultural hub, honouring Aboriginal and agricultural heritage, rivalling iconic towns like Daylesford and Hahndorf
- ❖ Leading the way in environmental care with recognition for enhancing biodiversity, water quality, and tree coverage, balancing agriculture and development
- ❖ A modern town with strong heritage identity, a vibrant and accessible Main Street, and an inviting entry statements
- ❖ Investment in high quality facilities, such as a new aquatic centre, improved roads, and sustainable housing
- ❖ A hub of sustainable economic growth, with thriving local businesses, diverse industries, and employment opportunities.

“The most important investment the Shire can make for its future is...”

"The most important investment York can make is in its **youth**. Without them, the town will age and die."

"The Shire must focus on **roads, pathways, and sustainable infrastructure** to grow and thrive."

"**Supporting local businesses and clubs** is essential to building a balanced and rewarding community."

"The future lies in protecting what we value while **creating opportunities for youth, tourism, and sustainable development**."

"Address **gaps in essential services** such as medical and improve local infrastructure in line with community needs."

Focus on **attracting 35–55-year-olds** to provide labour for local businesses, ensuring a vibrant workforce

"Preserving the **natural environment and heritage** while supporting tourism is the key to York's future success."

"**Protect and conserve heritage buildings** and ensure the town maintains its traditional appeal."

"Actively promote and support **First Nations culture and arts**."

"We need **bold plans to ensure York's relevance**, attracting new residents and fostering economic growth."

"Investing in **culture, arts, and heritage** will make York a standout destination and a proud community."

"**Strong leadership and governance**, with a focus on transparency and effective decision-making."

Part 4.

Achieving our priorities – Council Plan implementation

Implementing the Council Plan

The Shire of York plays a vital role in shaping community and balancing service delivery, regulation, and advocacy. It provides infrastructure, manages development, supports local businesses and tourism, and ensures community well-being. While its responsibilities are broad, its focus is on sustaining York's unique character and future growth.

DELIVERY LEAD

We direct-deliver services, programs and initiatives important to the community.

- Providing parks, roads, drainage, waste management, and cultural facilities.
- Maintaining infrastructure assets such as parks, playgrounds, and buildings.
- Offering non-asset based services such as events, social services including childcare, aged care and library services.

REGULATOR

We regulate to ensure safety, fairness, and compliance

- Ensuring public health standards in food premises.
- Regulating compliance for new buildings and land use.
- Balancing operational requirements with potential community impact.

PARTNER / ENABLER

We build partnerships and enable others to assist in delivering initiatives.

- Establishing and maintaining formal and informal partnerships and alliances to strategically leverage Shire capacity and resources to maximise our reach and impact.
- Building capacity of community groups and others to support delivery through volunteer programs, grant funding and sponsorships.

ADVOCATE

We advocate on behalf of the community and stakeholders, for initiatives important to the Shire.

- Advocating for community interests to regional agencies, Federal and State Government.
- Engaging in statutory processes such as State level planning.

Responsible governance

The Council Plan is informed by asset, financial management and workforce planning, along with business unit plans and issue-specific operational plans. The Asset Management Plan, Long Term Financial Plan and Workforce Plan each play a key role to ensure responsible governance:

Asset Management Plan: Guides the protection and enhancement of the Shire's natural and built environment – including constructing, maintaining and renewing the Shire's assets in a financially sustainable manner.

Long Term Financial Plan: Guides the Shire's allocation of financial resources to maintain services, deliver and maintain infrastructure. It also determines the level of rates required to fund services and projects.

Workforce Plan: Aims to enhance workforce capacity to meet community needs, by ensuring the organisation has the required staff, capabilities, and resources for current and future service demands.

Major projects and initiatives

Revitalisation of Old Home Hardware site

The Shire of York and the York & Districts Co-operative are partnering to transform the Old Home Hardware site into a safe, green, and functional community space. This project includes the demolition of the existing building and a Quick Win activation initiative, creating an opportunity for collaborative community value.

The Shire intends to lease part of the site long-term.

The community co-design process delivered in 2023 as part of the Town Teams work has provided the inspiration for the concept planning. Currently in the design phase, the Shire is working with a landscape architect and traffic engineer to finalise plans.

A land use agreement is being drafted with the Co-op to support the project's future use.

Project Timeline:

- **Concept Plan Development:** Commenced October 2024
- **Formal Lease Agreement:** Commenced December 2024
- **Community Engagement:** Mid 2025
- **Stage 1 Construction:** Scheduled to commence 2025

York Aquatic Facility Renewal

The renewal of York's aquatic facility is more than just replacing an aging pool—it's about creating a modern community space that will serve generations to come. With the existing infrastructure deteriorating, a new pool is essential to meet York's future needs.

Following feasibility studies, the Council resolved in April 2024 to plan for a 50-metre pool. Geotechnical investigations of potential sites have been completed, with planning now focused on Site B in the Recreation Precinct (corner of South and Forrest) as the preferred location for the new aquatic facility.

Key project milestones include the approval of the Concept Design, Detailed Design, and Business Case, alongside securing funding. The Shire remains committed to engaging the community throughout the process to ensure the new facility supports York's health, well-being, and social connection for the next 50 years.

Project Timeline:

- **Engagement with user groups** to plan for relocation – 2025
- Establishment of **Project Advisory Group** - 2025
- **Concept Designs and Business Case** commencing 2025; presented to Council by March 2026

Key Decision Point– funding confidence.

Industrial area upgrades

The Shire of York is upgrading the light industrial area to accommodate Restricted Access Vehicles (RAVs), improving freight movement and supporting local businesses. Currently, RAV 4 vehicles cannot legally enter the area, limiting deliveries and business access to essential services.

The project will upgrade four key intersections to support heavy vehicles and renew the road and drainage network, including pavement removal, underground service adjustments, power line relocation, drainage upgrades, and new road construction. Signage, pavement marking, and improvements to business interfaces will also be completed.

Project Timeline:

- **Concept Plan Development:** Complete 2023/24
- **Funding Confirmed:** July 2024
- **Design phase:** May – October 2025
- **Land Acquisition:** from March 2025
- **Construction:** commencing mid 2026

All projects subject to funding, budget and other approvals.

Managing our assets

The Shire of York is built on a strong foundation of infrastructure, supporting both everyday life and future growth.

From roads to community spaces that bring people together, these assets are essential for residents, businesses, and visitors alike.

The Shire takes a proactive approach to asset management, ensuring infrastructure remains functional, sustainable, and delivers long-term value.

Roads and pathways	Paths, roads, car parks, street furniture, streetlights, street signs and drainage.
Recreation and Parks	Playgrounds, parks, ovals, public spaces, public art, water bodies, trees and gardens, irrigation, lighting, signage, waste receptacles.
Buildings	Sporting facilities, community facilities, staff facilities, depots, social and commercial properties, public toilets.
Plant and Equipment	Maintenance equipment, fleet, information technology.

Investment in core services

The Shire is committed to responsible financial management and expenditure that enhances services and infrastructure for residents and business. The figures below show expenditure against key services along with a three-year forecast, utilising WA Treasury expected CPI increases. Major projects investment is not reflected in these figures.

SY045-04/25 SUPPORT FOR THE AUSTRALIAN LOCAL GOVERNMENT ASSOCIATION'S 2025 FEDERAL ELECTION PRIORITIES

NATURE OF COUNCIL'S ROLE IN THE MATTER

Executive

PURPOSE OF REPORT

This report presents a proposal to support the Australia Local Government Association's 2025 federal election priorities and its national 'Put Our Communities First' advocacy campaign.

BACKGROUND

The next Federal Election will be held on Saturday 3 May 2025.

Working in conjunction with its member state and territory associations, the Australian Local Government Association (ALGA) has developed a framework and resources for a national advocacy campaign that will run in the lead up to this election.

Based around the tagline of "Put Our Communities First", the goal is to secure additional federal funding that will support every council to play a bigger role delivering local solutions to national priorities.

All Australian councils have been asked to participate in this campaign to ensure a coordinated approach that will deliver the best possible outcomes.

COMMENTS AND DETAILS

The 'Put Our Communities First' campaign will advocate for new federal funding to be distributed to all councils on a formula-basis, similar to the Commonwealth's Roads to Recovery Program, or the previous Local Roads and Community Infrastructure Program.

This will ensure that every council and community benefits and support local decision making based on local needs.

ALGA has developed free campaign resources that can be adapted and used by all councils to ensure a consistent and effective approach.

Participating in a national advocacy campaign does not preclude the Shire from advocating on additional local needs and issues, but it will strengthen the national campaign and support all 537 Australian local governments.

The five (5) national funding priorities have been determined by the ALGA Board – comprised of representatives from each of Australia's state and territory local government associations – and align with key national priorities.

These five (5) funding priorities are:

\$1.1 billion per year for enabling infrastructure to unlock housing supply

\$500 million per year for community infrastructure

\$600 million per year for safer local roads

\$900 million per year for increased local government emergency management capability and capacity

\$400 million per year for climate change adaptation

Further information on each of these priorities is listed below.

Housing enabling infrastructure

A lack of funding for enabling infrastructure – including roads, and water and sewerage treatment connections and facilities – is a significant barrier to increasing housing supply across the country.

Research from [Equity Economics](#) found that forty (40) percent of local governments have cut back on new infrastructure developments because of inadequate enabling infrastructure funding.

This research also shows that achieving the National Housing Accord's housing targets would incur an additional \$5.7 billion funding shortfall on top of infrastructure funding gaps already being felt by councils and their communities.

A (5) five year, \$1.1 billion per annum program would fund the infrastructure that is essential to new housing developments, and Australia reaching its housing targets.

Community Infrastructure

ALGA's [2024 National State of the Assets report](#) indicates that \$8.3 billion worth of local government buildings and \$2.9 billion worth of parks and recreation facilities are in poor condition and need attention.

Introduced in 2020, the Local Roads and Community Infrastructure Program supported all councils to build, maintain and upgrade local facilities, with \$3.25 billion allocated on a formula basis.

This program had a significant impact, driving an almost \$1 billion improvement in the condition of local government buildings and facilities; and a \$500 million per year replacement fund would support all councils to build, upgrade and revitalise the community infrastructure all Australians rely on.

Safer Roads

Councils manage more than seventy-five (75) percent of Australia's roads by length, and tragically more than half of all fatal road crashes in Australia occur on these roads.

In 2023 the Australian Government announced that it would double Roads to Recovery funding over the forward estimates, providing councils with an additional \$500 million per year.

However, recent independent research by the [Grattan Institute](#) highlighted a \$1 billion local government road maintenance funding shortfall, meaning there is still a significant funding gap.

Providing local government with \$600 million per year tied to road safety programs and infrastructure upgrades would support all councils to play a more effective role addressing Australia's road toll.

Climate adaptation

Local governments are at the forefront of grappling with climate impacts as both asset managers and land use decision makers.

However, funding and support from other levels of government has failed to keep pace, placing an inequitable burden on councils and communities to fund this work locally.

A \$400 million per year local government climate adaptation fund would enable all councils to implement place-based approaches to adaptation, delivering local solutions to this national challenge.

Emergency management

Fires, floods and cyclones currently cost Australia [\\$38 billion per year, and this is predicted to rise to \\$73 billion by 2060](#).

Australian councils play a key role preparing for, responding to and recovering from natural disasters, but are not effectively funded to carry out these duties.

The Government's \$200 million per year Disaster Ready Fund is significantly oversubscribed, especially considering the scale and cost of disaster mitigation projects.

Numerous national reviews – including the [Colvin Review](#) and [Royal Commission into Natural Disaster Arrangements](#) – have identified the need for a significant uplift in local government emergency management capability and capacity.

A \$900 million per year fund would support all councils to better prepare their communities before natural disasters, and more effectively carry out the emergency management responsibilities that have been delegated to them.

Local Impact

The updated Asset Management Plans identify significant funding shortfalls for infrastructure renewal and any increase in funding would greatly assist in delivering these services.

Although with the date of Council's April 2025 Ordinary Meeting meaning there is limited time between Council's consideration of this matter and the Federal Election, it is still considered important for the Shire of York to support and participate in ALGA's campaign to increase federal funding for all local governments. To enable a quick turn around on Council's resolution, if supported, Officers have prepared the letters referenced in the Officer's recommendation.

OPTIONS

Council has the following options:

- Option 1:** Council could choose to support ALGA's 2025 federal election priorities, and its national 'Put Our Communities First' advocacy campaign and direct the Chief Executive Officer to write to the local federal member(s) of Parliament, all known election candidates in local federal electorates and the President of the Australian Local Government Association expressing support for ALGA's federal election funding priorities.
- Option 2:** Council could choose not to support ALGA's 2025 federal election priorities, and its national 'Put Our Communities First' advocacy campaign.

Option 1 is the recommended option

PURPOSE OF REPORT

This report presents the statement of financial activity, creditors payment listing and purchasing card transactions to Council for noting.

BACKGROUND

Local governments are required to prepare general purpose financial reports in accordance with the *Local Government Act 1995*, the *Local Government (Financial Management) Regulations 1996* and the *Australian Accounting Standards*.

A statement of financial activity and any accompanying documents are to be presented to the Council at an ordinary meeting of the Council within two months after the end of the month to which the statement relates. The Statement of Financial Activity summarises the Shire's operating activities and non-operating activities. In accordance with Regulation 13 of the *Local Government (Financial Management) Regulations 1996*, a list of accounts paid is to be presented to Council and be recorded in the minutes of the meeting at which the list was presented.

COMMENTS AND DETAILS

This report is presented for Council's consideration and provides information for the period ending 31 March 2025 and includes the following:

1. Monthly Statements
2. List of Creditor Payments
3. Business Card Statement and Transaction Summary
4. List of Purchasing Card Transactions

The November 2024 Fuel Card Listing is included as it has not previously been presented. In 2024 the fuel transactions were presented two months in arrears while in 2025 this was updated to just the previous month. In the changeover the November statement was omitted. It is now presented.

The following information provides balances for key financial areas for the Shire of York's financial position as at 31 March 2025. The opening figures for this month's report have been updated to reflect the annual financial report.

List of Payments for March 2025

A list of accounts paid from the Municipal Fund and Trust Fund under the Chief Executive Officer's delegated authority for the month of March 2025 is presented to Council for noting.

Outstanding Rates and Services

The total outstanding rates balance at the end of March 2025 was \$1,948,767 compared to \$2,688,097 at the end of March 2024. Earlier budget adoption meant rates were levied in August this year compared to September last year resulting in earlier payments. Total outstanding rates are trending at roughly the same levels as last year with the current years' final instalment due March rather than April as was the case in 2024.

TABLE 1.

Council has appointed an appropriately qualified and experienced debt collection contractor to assist in resolving both younger and older outstanding debts. Officers continue to administer payment arrangements outside of the ordinary payment options in line with the current Policy F1 - Revenue Collection.

**Minor differences in percentage calculations are due to rounding errors as percentages are displayed as whole numbers.*

Outstanding Sundry Debtors

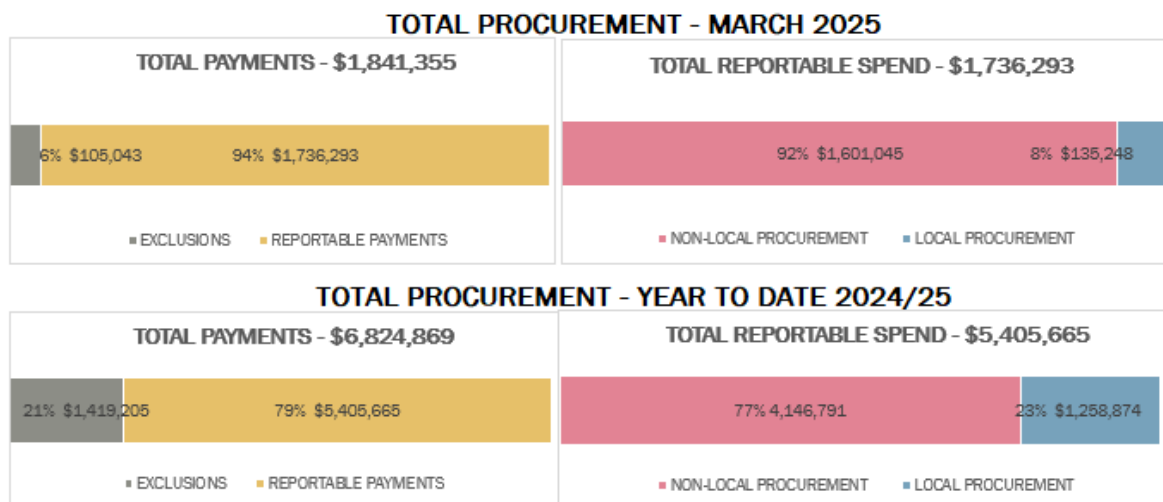

The figure for total outstanding sundry debtors as at 31 March 2025 was \$27,682 compared to \$15,398 as at 31 March 2024. Sundry debtors are reduced this month due to the resolution of many current debts. Aged debts are made up of a number of small debts with no single issue dominating.

Local Procurement

To support the local economy, Council commits to spending locally where possible and reasonably practicable. For the month of March 2025, Officers report the following in relation to local procurement, noting that 8% of payments were made to local businesses by the end of March with the year-to-date (YTD) figure currently standing at 23%.

The above figures provide an indication of the levels of local procurement as a percentage of reportable payments. It is important to note that in the development of the above tables, several exclusions apply and are not included in the reportable totals. These include, but are not limited to, payments made for the following:

1. Superannuation
2. Goods and Services Tax
3. Department of Fire and Emergency Services
4. Local Government Insurance Services
5. WA Local Government Association
6. WA Treasury Corporation
7. Office of the Auditor General
8. Utilities (Synergy, Telstra, Water Corporation)
9. Placement of Shire term deposits

SHIRE OF YORK
NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 31 MARCH 2025

1 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Local Government (Financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Supplementary information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 03 April 2025

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

MATERIAL ACCOUNTING POLICIES

Material accounting policies utilised in the preparation of these statements are as described within the 2024-25 Annual Budget. Please refer to the adopted budget document for details of these policies.

Critical accounting estimates and judgements

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
 - Property, plant and equipment
 - Infrastructure
- Impairment losses of non-financial assets
- Expected credit losses on financial assets
- Assets held for sale
- Investment property
- Estimated useful life of intangible assets
- Measurement of employee benefits
- Measurement of provisions
- Estimation uncertainties and judgements made in relation to lease

CURRENT AND NON-CURRENT CLASSIFICATION

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the local governments' operational cycle.

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 8 - Other assets.

KEY INFORMATION

Initial recognition

An item of property, plant and equipment or infrastructure that qualifies for recognition as an asset is measured at its cost.

Upon initial recognition, cost is determined as the amount paid (or other consideration given) to acquire the assets, plus costs incidental to the acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Local Government (Financial Management) Regulation 17A(5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

Individual assets that are land, buildings and infrastructure acquired between scheduled revaluation dates of the asset class in accordance with the Shire's revaluation policy, are recognised at cost and disclosed as being at reportable value.

Measurement after recognition

Plant and equipment including furniture and equipment and right-of-use assets (other than vested improvements) are measured using the cost model as required under *Local Government (Financial Management) Regulation 17A(2)*. Assets held under the cost model are carried at cost less accumulated depreciation and any impairment losses being their reportable value.

Reportable Value

In accordance with *Local Government (Financial Management) Regulation 17A(2)*, the carrying amount of non-financial assets that are land and buildings classified as property, plant and equipment, investment properties, infrastructure or vested improvements that the local government controls.

Reportable value is for the purpose of *Local Government (Financial Management) Regulation 17A(4)* is the fair value of the asset at its last valuation date minus (to the extent applicable) the accumulated depreciation and any accumulated impairment losses in respect of the non-financial asset subsequent to its last valuation date.

Amounts shown above include GST (where applicable)

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectable amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

KEY INFORMATION

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the period that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

All debenture repayments were financed by general purpose revenue.

KEY INFORMATION

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature. Non-current borrowings fair values are based on discounted cash flows using a current borrowing rate.

KEY INFORMATION

Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Employee Related Provisions

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

Capital grant/contribution liabilities

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

11 QUESTIONS FROM MEMBERS WITHOUT NOTICE**12 BUSINESS OF AN URGENT NATURE INTRODUCED BY DECISION OF THE MEETING**

A Late Item will be presented regarding the 2025 Local Government Ordinary Elections following the receipt of information from the WA Electoral Commission.

13 MEETING CLOSED TO THE PUBLIC**13.1 Matters for which the Meeting may be closed****RECOMMENDATION**

That Council considers the confidential report(s) listed below in a meeting closed to the public in accordance with Section 5.23(2) of the *Local Government Act 1995*:

SY048-04/25 - Confidential - Outstanding Rates and Sundry Debts - Debt Recovery

This matter is considered to be confidential under Section 5.23(2)e(iii) of the *Local Government Act 1995*, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with a matter that if disclosed, would reveal information about the business, professional, commercial or financial affairs of a person, where the information is held by, or is about, a person other than the local government.
