4 PUBLIC QUESTION TIME

Public Question Time is conducted in accordance with the Act and Regulations. In addition to this the Shire's *Local Government (Council Meetings) Local Law 2016* states –

6.7 Other procedures for question time for the public

- (1) A member of the public who wishes to ask a question during question time must identify themselves and register with a Council Officer immediately prior to the meeting.
- (2) A question may be taken on notice by the Council for later response.
- (3) When a question is taken on notice the CEO is to ensure that—
 - (a) a response is given to the member of the public in writing; and
 - (b) a summary of the response is included in the agenda of the next meeting of the Council.
- (4) Where a question relating to a matter in which a relevant person has an interest is directed to the relevant person, the relevant person is to—
 - (a) declare that he or she has an interest in the matter; and

- (b) allow another person to respond to the question.
- (5) Each member of the public with a question is entitled to ask up to 2 questions before other members of the public will be invited to ask their questions.
- (6) Where a member of the public provides written questions then the Presiding Member may elect for the questions to be responded to as normal business correspondence.
- (7) The Presiding Member may decide that a public question shall not be responded to where—
 - (a) the same or similar question was asked at a previous meeting, a response was provided and the member of the public is directed to the minutes of the meeting at which the response was provided;
 - (b) the member of the public uses public question time to make a statement, provided that the Presiding Member has taken all reasonable steps to assist the member of the public to phrase the statement as a question; or
 - (c) the member of the public asks a question that is offensive or defamatory in nature, provided that the Presiding Member has taken all reasonable steps to assist the member of the public to phrase the question in a manner that is not offensive or defamatory.
- (8) A member of the public shall have 2 minutes to submit a question.
- (9) The Council, by resolution, may agree to extend public question time.
- (10) Where any questions remain unasked at the end of public question time they may be submitted to the CEO who will reply in writing and include the questions and answers in the agenda for the next ordinary Council meeting.
- (11) Where an answer to a question is given at a meeting, a summary of the question and the answer is to be included in the minutes.

Public Question Time commenced at 5.03pm.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Quasi-judicial.

PURPOSE OF REPORT

For Council to determine a development application for a dwelling and outbuilding with a reduced street setback at Lot 69 (14) Foreman Road, York.

BACKGROUND

Lot 69 (14) Foreman Road, York (referred to herein as the property) is 10,795m² in area and is vacant of development. The property is zoned Rural Residential and is surrounded by land similarly zoned to the north, east and west, with Residential R5/10 zoning to the south.

A Site Plan and Site Photos are presented in Appendix 1 and Appendix 2.

The proposed dwelling and outbuilding are required to have a minimum setback of twenty (20) metres to the land's primary street frontage as per Schedule 6 of Local Planning Scheme (LPS) No. 3.

Given the proposed dwelling and outbuilding are sited and orientated with direct frontage and access to Lewis Road, there is discretion to classify this road as the land's primary street frontage and Foreman Road as the secondary street frontage.

This means the dwelling and outbuilding are required to have a minimum setback of twenty (20) metres to Lewis Road and a ten (10) metre setback to Foreman Road as per Schedule 6 of LPS No.3.

The development application proposes to construct a dwelling and outbuilding which will:

Dwelling

1. Be 29.74m by 17.58m (roof 498.98m²) in area
2. Be setback 10m from Lewis Road (Variation)
3. Be constructed of face brick and a metal roof

Outbuilding

1. Be 19m by 10m (190m²) in area
2. Be setback 10m from Lewis Road (Variation)

3. Be setback 20m from Foreman Road
4. Have a gable roof with a wall height of 3.5m and ridge height of 4.47m
5. Be constructed of Colorbond steel (Colorbond Monument walls and roof, Colorbond Ironstone gutters, downpipes, barge, flashings and roller doors)

In addition to the plans, the applicant has submitted a cover letter to state the reasons for requiring the variations requested and why the dwelling could not be placed elsewhere on the lot. These include:

1. Setback variation of dwelling requested (reduction of 10m from TPS3):
 - a. Position - to position the house on higher ground, to get the best possible view of Walwaling/Mt Bakewell.
 - b. Comfort - to keep a considerable distance from the tree line to allow sun light into house and passive heating in the winter months.
 - c. Environment - to retain all trees on site.
2. Setback variation of shed requested (reduction of 10m from TPS3):
 - a. Environment - to retain all trees on site.

A copy of the development application submitted is presented in Appendix 3.

The application requires development approval because the proposed variation to the front street setback for both the dwelling and outbuilding is considered significant and objections to the proposal were received.

COMMENTS AND DETAILS

The application is required to be assessed in accordance with the Shire of York's LPS No. 3 (Scheme), *Planning and Development (Local Planning Schemes) Regulations 2015* – Schedule 2 Deemed Provisions and Local Planning Policy P14 - Outbuildings in Rural Zones.

Clause 32.1 Development Requirements states that:

“Unless otherwise provided by the Scheme, all development is required to comply with the requirements of Schedule 6 – Development Standards.”

The proposed development is a variation on the Scheme and Policy (see below).

Scheme Provision	Proposed	Comment
Minimum setbacks		
Front boundary - 20m	10m	Non-compliant A setback variation of ten (10) metres to the primary street frontage is being sought which is significant. This is not consistent with the front setback of other existing dwellings in the area
Side boundaries - 10m	20m	
Maximum Height		
Top of external wall - 6 metres above natural ground level (NGL)	4.5 meters	Complies
Top of pitched roof - 9 metres above NGL	6.7 meters	

The proposed outbuilding involves variation to the policy because it does not meet the minimum front setback requirements (refer table below).

Policy Provision	Proposed	Comment
Not to be attached to a dwelling	Outbuilding is not attached to dwelling	Complies
Not to be habitable	A dwelling is proposed to built at the same time	Complies
Not to be used for commercial purposes unless approved otherwise by the local government	The applicant has not stipulated what the shed will be used for. A condition may be placed on any approvals	Complies
Outbuildings with maximum aggregate outbuilding area as follows: Lot between 0.5ha and 2ha: 250m ²	19m x 10m Outbuilding (190m ²)	Complies
Not to exceed a wall height (measured from NGL) of 6 metres where located in a Rural Residential or Rural Small Holdings Zone	Wall height 3.5m	Complies
Not to exceed a roof ridge height (measured from NGL) of 9 metres where located in a Rural Residential or Rural Small Holdings Zone	Roof ridge height 4.47m	Complies
Not located within the street setback area of 11m Shed wall height less than or equal to 4.2m with a shed ridge height of less than or equal to 5.1m has a required setback of 11m	Outbuilding is 20m from the secondary street boundary of Foreman Road	Complies
Constructed of new cladding material unless otherwise approved. Re-used materials must be finished to present an “as new” appearance	Colorbond Monument walls and roof, Colorbond Ironstone gutters, downpipes, barge, flashings and roller doors	Complies
Wholly within any building envelope on the property	Is not within the primary setback area, proposed setback of 10m from Lewis Road	Variation proposed
Located within 50 metres of the dwelling on the property	Located approximately 30m from dwelling	Complies
Does not require the removal of existing protected or native Flora	Applicant proposes to keep all trees and rocks on the property	Complies

In accordance with the Scheme and Policy, variations are to be assessed against whether the development is consistent with the following:

1. The objectives which the policy was designed to achieve and whether the proposal meets the objectives of the scheme. The relevant objectives of the Local Planning Policy P14 - Outbuildings in Rural Zones and the Scheme are as follows:
 - a) *“To provide opportunities for a range of limited rural and related ancillary pursuits on rural residential lots where those activities will be consistent with the amenity of the locality and the conservation and landscape attributes of the land.*
 - b) *To set aside areas for the retention of vegetation and landform or other features which distinguish the land.*
 - c) *To encourage the growth of tourism businesses and experiences in York which are compatible with the rural character of the locality.*

- d) *To retain and enhance the rural landscape and amenity.*
- e) *To provide flexibility for outbuilding size, construction, and materials to meet the needs of local residents.*
- f) *To ensure that outbuildings are constructed and located in such a way as to minimise their impact on the amenity of the locality.”*

The dwelling and outbuilding are not consistent with the objectives of the Shire of York’s Scheme and Local Planning Policy P14 - Outbuildings in Rural Zones.

2. Clause 67 of Schedule 2 – Deemed Provisions of the *Planning and Development (Local Planning Schemes) Regulations 2015* also contains general matters for consideration. Those most relevant to this application are:

- “g) *any local planning policy for the Scheme area (see table above);*
- m) *the compatibility of the development with its setting including –*
 - (i) *the compatibility of the development with the desired future character of its setting; and*
 - (ii) *the relationship of the development to development on adjoining land or on other land in the locality, including, but not limited to, the likely effect of the height, bulk, scale, orientation, and appearance of the development.*
- n) *the amenity of the locality including the following –*
 - (i) *Environmental impacts of the development;*
 - (ii) *The character of the locality; and*
 - (iii) *Social impacts on the development.*
- p) *whether adequate provision has been made for the landscaping of land to which the application relates and whether any trees or other vegetation on the land should be preserved.”*

3. The objectives of the Rural Residential zone of Shire of York Scheme which are:

- *“To provide opportunities for a range of limited rural and related ancillary pursuits on rural-residential lots where those activities will be consistent with the amenity of the locality and the conservation and landscape attributes of the land.*
- *To set aside areas for the retention of vegetation and landform or other features which distinguish the land.*
- *To encourage the growth of tourism businesses and experiences in York which are compatible with the rural character of the locality.*
- *To retain and enhance the rural landscape and amenity”*

The provisions of the Scheme, Regulations and Policy require the setback variation be assessed in terms of whether the development will have a detrimental impact on visual amenity or character of the locality, from the streetscape or adjoining properties and whether it is consistent with orderly and proper planning.

All boundary setbacks are a discretionary standard which means Council has the power to vary them if it believes the impacts on the local streetscape and other nearby properties will be minimal.

Due to the proposed variation to the front street setback for both the dwelling and outbuilding, notification was sent to nineteen (19) neighbouring properties within a 200m radius. Three (3) submissions, all being objections, were received as detailed in the summary of submissions below.

The proposed dwelling is located on the southern side of the property with the proposed outbuilding to the left of the dwelling from Lewis Road. There is no proposed screening of the outbuilding within the application. The development, due to its location and setback from the front boundary, is likely to reduce the amenity of the area.

The existing character and amenity of the area is predominantly single houses with ancillary outbuildings with setbacks compliant with the Shire of York’s Scheme. It should be noted that a substantial number of the Rural Residential zoned lots in the vicinity of this property are not

developed. There are a small number of existing dwellings on Lewis Road that have dwellings with a front setback less than 20m which have previously been approved. One property located on Lewis Road also zoned Rural Residential has a reduced setback of 17m. The Residential R5/R10 zoned properties on the south side of Lewis Road require a minimum setback of 12m. One property has a reduced setback of 9.32m, the remaining properties vary from 14m to 27m setbacks.

The location of the outbuilding may be considered detrimental to the overall aesthetics of the area as all sheds in the vicinity of this property are located behind the dwellings.

On this basis it is recommended that the dwelling and outbuilding be refused.

OPTIONS

Council has the following options:

Option 1: Council could refuse the application.

Option 2: Council could refuse the application for other reasons and list the reasons for refusal.

Option 3: Council could approve the application subject to the following conditions:

1. The development hereby approved shall be substantially commenced within two (2) years of the date of this decision notice.
2. The development hereby approved shall be undertaken in accordance with the signed and stamped, Approved Development Plan(s) (enclosed), including any notes placed thereon in red by the local government and except as may be modified by the following conditions.
3. The outbuilding is not to be used for habitable purposes.
4. The outbuilding is not to be used for commercial and/or industrial purposes.
5. All stormwater is to be managed on site by the landowner to the satisfaction of the local government.
6. The outbuilding is to be constructed of a non-reflective colour that is compatible with the surrounding outbuildings.
7. Plans as a result of conditions 3, 4, 5 and 6 must be maintained for the life of the development.

Advice Notes:

- a. *If the development the subject of this approval is not substantially commenced within a period of 2 years, or another period specified in the approval after the date of determination, the approval will lapse and be of no further effect.*
- b. *Where an approval has lapsed, no development must be carried out without the further approval of the local government having first been sought and obtained. Should the approval period lapse, a new planning application with relevant retrospective fees may be required by the Shire of York.*
- c. *If the applicant or owner is aggrieved by this determination, there is a right of review by the State Administrative Tribunal in accordance with the Planning and Development Act 2005 Part 14. An application must be made within 28 days of the determination.*
- d. *In accordance with the provisions of the Building Act 2011, and Building Regulations 2012, an application for a building permit must be submitted to, and approval granted by the Shire, prior to the commencement of the development hereby permitted.*

Option 1 is the recommended option.

IMPLICATIONS TO CONSIDER**Consultative**

The development was advertised in accordance with requirements of the Scheme and the *Planning and Development (Local Planning Schemes) Regulations 2015*.

Objections were received from three (3) surrounding properties. A summary of submissions is provided below. Full copies of the submissions are presented in Appendix 4.

Summary of Objections	Officer Comment
Dwelling and outbuilding should meet street frontage setbacks of 20m from Foreman Road and Lewis Road. Every house in Lewis Road complies with 20m setback or exceeds minimum setback.	<p>Dwelling and outbuilding setbacks to Foreman Road are compliant with the 20m requirement</p> <p>There are a small number of existing dwellings on Lewis Road that have dwellings with a front setback less than 20m which have previously been approved</p> <p>One property located on Lewis Road also zoned Rural Residential has a reduced setback of 17m.</p> <p>The Residential R5/R10 zoned properties on the south side of Lewis Road require a minimum setback of 12m. One property has a reduced setback of 9.32m, the remaining properties vary from 14m to 27m setbacks.</p>
Shed location is detrimental to the overall aesthetics of the area and should not be allowed. Every other shed in Lewis Road is behind the dwellings	This is a valid planning reason to object to the proposal and is worthy of consideration
Disagreement about justification letter on positioning dwelling on higher ground for the views	Valid objection as the proposed new dwelling can still achieve expansive, uninterrupted views of Walwalying/Mt Bakewell to the north-north-east if it was sited in the northern portion of the property facing Foreman Road
Objection to main driveway being on Lewis Road. The estate plan shows entrance off Foreman Road. Proposed driveway at top of a crest considered a traffic hazard	<p>The estate plan located at the entrance to the York Estate has no statutory weight as the design details within it have not been adopted under an approved structure plan or local development plan. The estate plan is therefore a general guide only with the location of any new crossover being at the discretion of Council.</p> <p>There are five (5) existing separate driveway crossovers for the existing residential properties in the same general location as the proposed new crossover for the development on Lot 69 (14) Foreman Road</p>

StrategicStrategic Community Plan 2020-2030

Goal 4: Built for Lifestyle and Resilience

To have a built environment which supports community, economy, and the environment, respects the past, and creates a resilient future.

There are no workforce implications.

VOTING REQUIREMENTS

Absolute Majority: No

MOTION

Moved:

Seconded:

That, with regard to the Development Application – Dwelling and Outbuilding with Reduced Street Setback – Lot 69 (14) Foreman Road, York, Council:

1. Resolves to refuse the development application for a Dwelling and Outbuilding with Reduced Street Setback at Lot 69 (14) Foreman Road, York for the following reasons:
 - a. The application proposes multiple variations to the Local Planning Scheme No. 3. and Local Planning Policy P14 - Outbuildings in Rural Zones.
 - b. The application would set an undesirable precedent in the area.

ALTERNATE MOTION RESOLUTION 040222

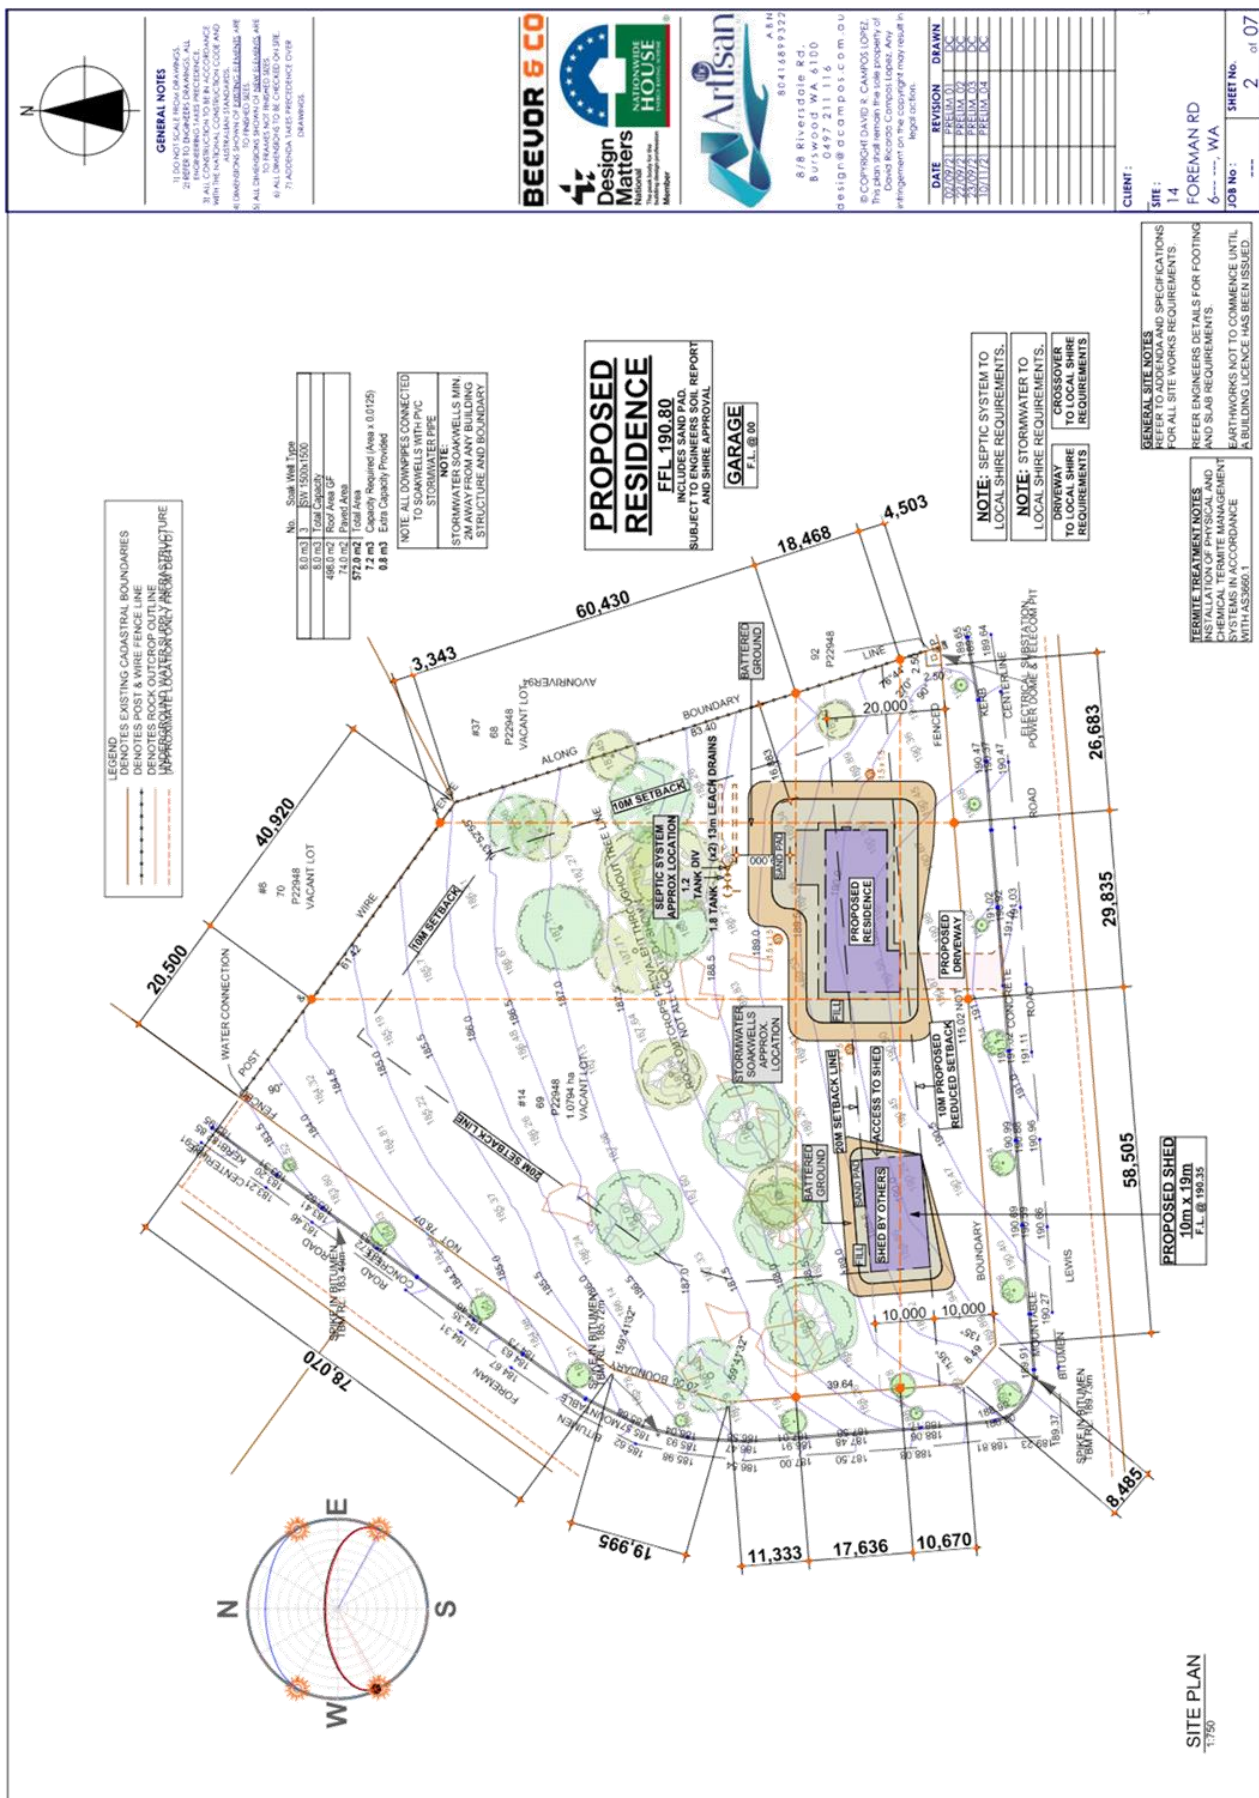

Moved: Cr Stephen Muhleisen

Seconded: Cr Ashley Garratt

That Council defers the final determination of the application and requests the Chief Executive Officer to undertake discussions with the landowners regarding the proposed boundary setbacks, with a view of asking the landowners to submit a revised site development plan for consideration by Council.

CARRIED: 7/0

REASON: To give the Shire of York time to find a resolution and resolve the issue with the proposed setbacks and hopefully find common ground for both the land owner, the Shire of York and the neighbours.

Shire of York

2nd December 2021

RE: Lot 69, 14 Foreman Road, YORK 6302

To whom it may concern;

The proposed home in this corner lot is a one-storey dwelling, which has been drawn and designed, complying with the street-setback of 20mt. on the main road 'Foreman Rd', but exceeding 10mt beyond the street-setback on 'Lewis Rd' (as you will see in the Site plan).

The reason for this proposal is to position the house on the higher ground, to get the best possible view from Mt. Bakewell. The proposed access is on Lewis Rd.

Another reason has to do with comfort. We are trying to keep a considerable distance from the tree line, to allow sun light into the house and passive heating in the winter months.

After long thoughts about the best possible location of the house, we concluded, that it is where currently sits in the proposal, and we would appreciate your help so we can obtain an approval for this.

The shed will also need a reduced set back to avoid being too close to the established trees as you can see on the site plan.

The client has indicated they wish to keep all trees onsite.

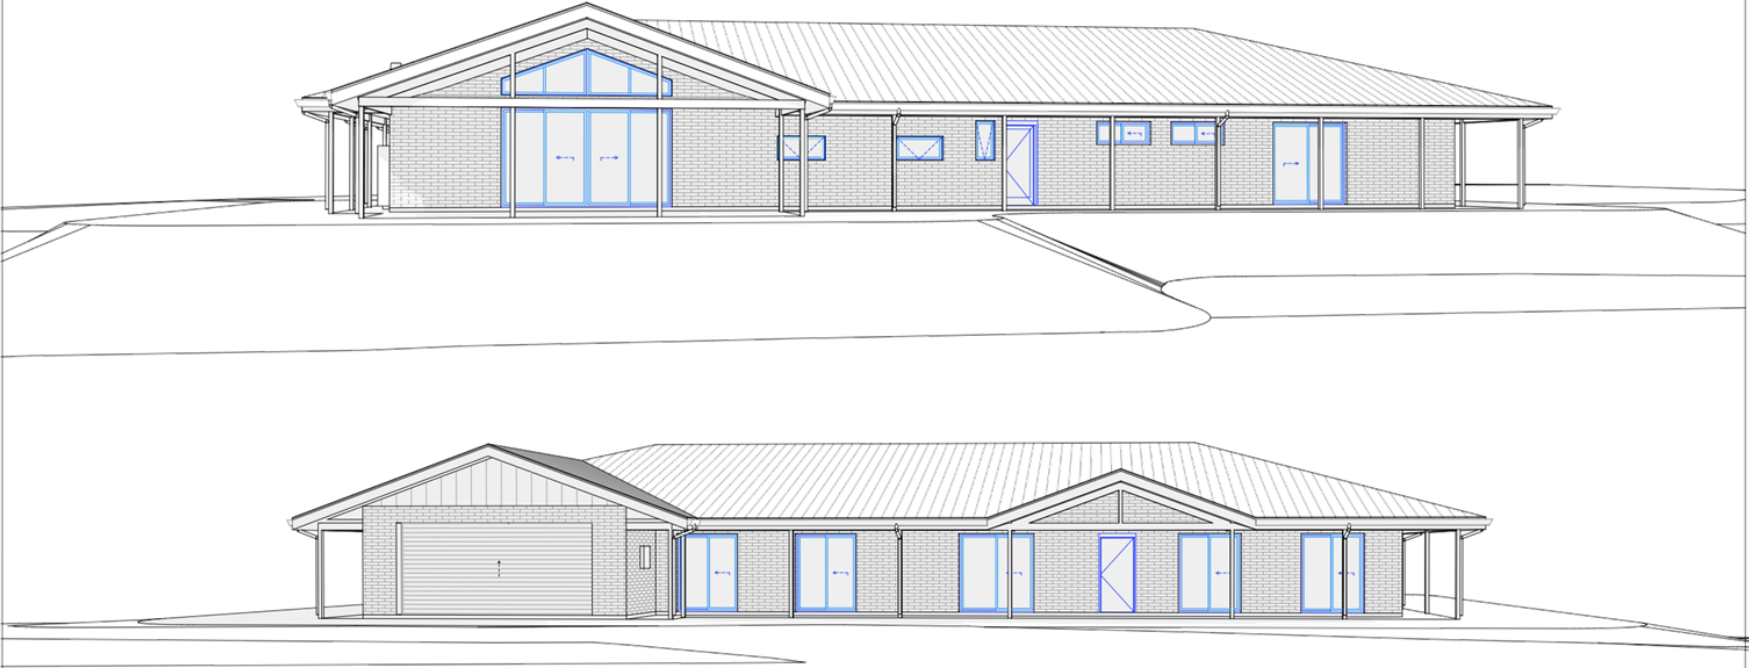

If you have further questions, please do not hesitate to communicate with us.

Proposed Development Lot 69 Foreman Road York

We are in receipt of the above and wish to lodge an objection to the site of the proposed shed on Lot 69 Foreman Road.

The shed in particular and the house appear to be shoe horned into a small corner of a large block of land. This has placed the shed in an unsightly location and not in ambience with the existing surroundings. There would appear to be adequate room further down the block to build a shed.

We also object to any alteration to the 20metre setback. Why has this been proposed for a main through road to the estate?

We also object to having the proposed driveway located on Lewis Road when the estate plan clearly shows the entrance is off Foreman Road. In particular the proposed driveway exits right on the brow of a hill on Lewis Road and could be considered a traffic hazard for anyone backing out of the proposed driveway. We know what it is like having to back/drive out from our location at

How high do you call "Higher Ground". Any block/building facing Foreman Road is going to have good viewing of Mt Bakewell.

**Proposed Building Development :
Lot 69 (14) Foreman Road, York
Dwelling and Outbuilding with Reduced Street Setback**

In regards to the proposed development plans submitted to you we wish to draw your attention to the following.....

The house and shed need to adhere to regulations and be 20m setback from the street frontage being Lewis Rd not 10m as suggested in the proposal.

The present location of the shed detailed on the plans will detract from the streetscape and the visual aspects of neighbouring properties. The size of the shed being parallel and close to Lewis Rd is not a good idea.

The proposed site for the house also must be 20m setback as required by other landowners in Lewis Rd.

Please give this submission consideration.

York Shire Council
PO Box 22
York 6302
To Whom it May Concern

Proposed Building Development Lot 69 (14) Foreman Rd York.

We object to the proposed development plans for the following reasons:

1. The house and shed need to both be within the prescribed Building envelope, which is 20m setback from street frontages (Foreman Rd and Lewis Rd) not 10m from Lewis Rd as suggested in the proposal. Every other house in Lewis Rd complies, or exceeds, this 20m requirement.
2. The proposed location of the shed on the road front corner of the block will be detrimental to the overall aesthetics of the area and should not be allowed. (Every other shed in Lewis Rd is located away from the road frontage discreetly behind the houses)
3. Positioning the house on "Higher Ground" as proposed seems to be irrelevant as the view of Mt Bakewell, if the house was located facing Foreman Rd, is at least as good as the view from the proposed site. (This has an uninterrupted view and maintains the overall integrity of the subdivision).

SY019-02/22 REQUEST FOR TENDER T02-2122 - PURCHASE OF GRADER

File Number:	AS.TEN.82
Author:	Sinead McGuire, Executive Manager Infrastructure & Development Services
Authoriser:	Chris Linnell, Chief Executive Officer
Previously before Council:	Not applicable

NATURE OF COUNCIL'S ROLE IN THE MATTER

Executive

PURPOSE OF REPORT

Council is requested to consider the tenders received in response to Request for Tender (RFT) T02-2122 Purchase of Grader.

BACKGROUND

The Shire of York's existing grader, originally purchased in 2012 is at the end of its useful life. In accordance with the Shire's scheduled plant replacement schedule and to enable the Shire to continue its annual works and maintenance program a replacement grader was scheduled to be purchased.

COMMENTS AND DETAILS

In accordance with Policy F2 - Procurement, the RFT was advertised on 7 January 2022 via WALGA eQuotes under the category of Trucks and Associated Equipment 1: Heavy Duty, Tandem Drive Articulated Grader.

This request invited suitably qualified respondents to undertake the trade in of the existing grader and the supply and delivery of one (1) heavy duty, tandem drive articulated grader. The supply and delivery of the grader included items such as registration, licensing, operator induction and training. Tenders closed on Monday 31 January 2022.

Offers were received from three (3) respondents. The net value of the purchase includes the trade in price of the existing grader and purchase price of the new grader. This is summarised in the table below:

CONTRACTOR	PRICE (Excluding GST)
Tenderer A	\$347,500
Tenderer B	\$359,607
Tenderer C	\$364,000

The tenders were evaluated by a panel consisting of three (3) Officers being the Executive Manager Infrastructure & Development Services, Depot Administration Officer and Works Supervisor using the following criteria:

Price	50%
Timeliness of Delivery	40%
Warranty & Service	10%

A copy of the Panel's combined evaluation is presented in confidential Appendix A.

Tenderer A met the compliance criteria as set out in the RFT. Tenderer C was partially conforming. Tenderer B was deemed as non-conforming. Tenderer A confirmed its availability to supply within the nominated delivery date within the RFT document. Tenderer B did not provide a delivery date. Tenderer C confirmed a delivery timeframe after this time.

Based upon the average weighted score obtained from the evaluation panel, Tenderer A is considered to be the preferred tenderer.

OPTIONS

Council has the following options:

- Option 1:** Council could accept Tenderer A as the preferred tenderer for RFT T02-2122 and authorise the Chief Executive Officer (CEO) to execute the contract documents.
- Option 2:** Council could nominate another Tenderer as the preferred tenderer for RFT T02-2021 and authorise the CEO to execute the contract documents.
- Option 3:** Council could decline to enter into an arrangement with any tenderer and direct the CEO to reject all tenders.

Option 1 is the recommended option.

Policy Related

F2 Procurement

Although the *Local Government (Functions and General) Regulations 1996* requires tenders to be called for works and services over \$250,000, as a risk reduction measure Policy F2 requires tenders to be called for works and services over \$150,000.

Financial

The expenditure budget for this item is \$400,000. The proceeds sale of assets budget for this item is \$70,000. The net budget value for this \$330,000.

All tenderers price is above the budget allowance. The preferred tenderer is \$17,500 over the budgeted allowance. Additional plant purchases are planned for 2021/22. Following the results of these, adjustments will be made from the Plant Reserve if required.

Legal and Statutory

Section 3.57 of the *Local Government Act 1995* requires a local government to invite tenders before it enters into a contract of a prescribed kind under which another person is to supply goods and/or services.

Part 4 (Tenders) of the *Local Government (Functions and General) Regulations 1996* requires that tenders are to be publicly invited for such contracts where the estimated costs of providing the total service exceeds \$250,000.

Risk Related

Having a new grader as part of the Shire's fleet will reduce ongoing maintenance costs and improve road maintenance grading effectiveness. It will also provide an improved working environment for staff operating the machine.

Workforce

There are no workforce implications resulting from this tender.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Executive

PURPOSE OF REPORT

This report outlines the regional tourism work undertaken since the cessation of the Avon Valley Tourism (AVT) membership in 2019 and seeks Council approval to develop a regional brand identity with other Avon Local Government Authorities (Avon LGA).

BACKGROUND

In previous years York was represented at a regional tourism level by AVT, the affiliated local tourism organisation for the Avon Valley. AVT was operated by a board of volunteers from across the Avon LGA and financially supported through LGA membership fees. With limited funding to employ paid staff to manage operations, AVT has seen a gradual decline in membership and has not been actively operating since late 2019.

At its February 2020 Ordinary Meeting Council considered the report SY011-02/20 Avon Tourism Membership and resolved (140220):

“That Council;

- 1. Chooses not to renew the Shire of York's Avon Tourism Membership for the 2020/21 financial year.***
- 2. Requests the Chief Executive Officer to include an allocation of \$8,500 in GL132148 Tourism Membership as part of the 2020/21 financial budgeting process be utilised to support York Tourism projects and York Branding.***
- 3. Thanks Avon Tourism for its ongoing commitment and contribution to regional tourism for York and the Avon Region.”***

In accordance with point two (2) a budget allocation of \$8,500 in GL132145 Area Promotion to support tourism membership was adopted as part of the 2020/21 Budget for this purpose. Due to the COVID-19 travel restrictions at that time, the budget allocation was carried forward as part of the adopted 2021/22 Budget.

In the absence of AVT, York, Beverley, Goomalling, Northam and Toodyay continued to work collaboratively on the following tourism strategies:

1. Audit of Avon Valley tourism products and services. Presented in Appendix 1 is the Avon Region Tourism Audit Data which details the audit data collated for York, Beverley, Northam and Toodyay LGA's
2. Familiarisation tours with peak bodies, Destination Perth and Tourism WA, showcasing each LGA's key attractions and tourism operators

3. Representing the region at the 2021 Perth Caravan and Camping Expo
4. Development of three (3) self-drive itineraries across the region based on common attractions such as heritage, outdoor recreation and family friendly points of interest
5. Workshops to determine commonalities and preferred marketing methods/platforms
6. Exploring emerging tourism products and services that could be realised for the Avon Valley

Utilising this data and the marketing collateral created, Officers met with Destination Perth (DP) to explore the potential to develop a tourism brand and strategy for the Avon Valley. DP is one of WA's five (5) government funded, regional tourism organisations who work both independently and in partnership with Tourism Australia, Tourism Western Australia, the tourism industry and key local stakeholders. DP represent the Perth and surrounding regions consisting of six (6) tourism precincts:

1. Perth City
2. Fremantle and Rottnest Island
3. Sunset Coast
4. Peel and Rockingham
5. Swan Valley and Darling Range
6. Avon Valley

All Avon LGA's agreed a partnership approach with DP could:

1. Assist Avon LGA's develop a clear marketable brand identity
2. Develop a program of strategic activities to target domestic and intrastate markets
3. Leverage current DP memberships to access larger state-wide marketing campaigns
4. Provide professional resource support to promote the Avon Valley vs the current ad hoc approach undertaken via each LGA's Visitor Centres

DP agreed to review the current audit and feasibility data and has since provided a tiered partnership proposal for Avon LGA's consideration. Presented in Confidential Appendix 2 is the DP membership proposal for Council's review.

DP met with Avon Valley CEO's, Officers and tourism operators in August 2021 to table the proposal in person and seek feedback. In principal support from the Avon LGA's was provided, indicating the silver association membership option as the preferred option. Key points of the proposal include:

1. A yearly membership fee of \$5,000 at the silver membership level. To date five LGA's have committed to contributing, with a total combined pool of funds of \$25,000
2. DP confirmed matched funding of \$25,000
3. A total pool of funds of \$50,000 for Avon Valley marketing expenditure in the 2021/22 financial year
4. Delivery of tactical campaigns specific to the Avon Valley for inclusion in existing Tourism WA and DP market activities

COMMENTS AND DETAILS

In October 2021, Avon LGA's met with DP to determine how the funds would be spent and the delivery timeframes. The following initiatives and associated budgets are detailed below for Council's consideration.

Regional Brand Identity

Pool funding allocation: \$10,000

Deliverable: February 2022

The Avon Valley region lacks a cohesive brand identity that represents the appeal of tourism experiences in the region. Development of a regional brand is seen as the immediate priority to enable the region to be marketed effectively. DP have engaged a creative team to develop brand concepts.

These concepts are presented in confidential Appendix 3. The selected brand identity sourced from these concepts will represent the Avon Valley in future marketing campaigns and across a number of applications.

Holiday Planner

Pool funding allocation: \$14,000

Deliverable: March 2022

A printed visitor guide for the Avon Valley region has not been published since 2019. The publication is seen as a good mechanism to soft launch the new Avon Valley brand identity and provide visual representation of the Avon Valley region, highlighting each LGA's key attractions, events/festivals and a comprehensive Avon Valley regional map. Concepts and an initial print production of 25,000 copies (approx. 5,000 per LGA) are expected to be available by mid-March.

Perth Caravan & Camping Expo

Pool funding allocation: \$7,000

Deliverable: March 2022

DP will coordinate an exhibitor stand for the Avon Valley at the 2022 Perth Caravan & Camping expo including hire furniture, graphic wraps and design of the space based on the new branding identity and palette. The exhibitor stand will be staffed by Visitor Centre personnel from across the Avon LGA's. A soft launch of the Avon Valley Holiday Planner and giveaway competition is also envisioned to attract visitor interest to the site and the new brand.

Tactical Media Marketing

Pool funding allocation: \$18,000

Deliverable: March – May 2022

DP will use Helix Personas, a psychographic segmentation and data integration platform capable of collecting and separating consumer behaviour data into targetable groups by location, age, gender, values, beliefs and attitudes, to ensure targeted marketing efforts. Utilising this technology, a number of marketing methods will be rolled out throughout March and April to emphasize the Avon Valley region and its key attractions. DP will also provide evaluation reporting in late May to review the marketing efforts undertaken for future campaigns.

Current marketing methods agreed to include bus backs, website platform, social media advertorial/blogs and inclusion in the RAC magazine.

A full range of tactical marketing opportunities is presented in Appendix 4.

Summary

Officers are confident the regional tourism strategies are consistent with York's current tourism aspirations and align with the Strategic Community Plan and Corporate Business Plan. Furthermore, the partnership with DP increases York's reach, opportunities and exposure to larger tourism audiences across WA.

Officers recommend the \$8,500 budgeted to support tourism membership be utilised to support the DP silver membership proposal and its associated activities.

OPTIONS

Council has the following options:

Option 1: Council could choose not to participate in the regional partnership proposal and retain the budget allocated for this purpose. Officers are not recommending this option as it does not allow scope for the existing work undertaken to continue.

Option 2: Council could choose to seek partnership proposals from alternate regional tourism organisations such as Australia's Golden Outback or Australia's Coral Coast. However, this option would require further resources and could be detrimental to the existing relationship built with DP and Avon Valley LGA's.

Option 3: Council could utilise the \$8,500 in Tourism Memberships to work with DP and Avon Valley LGA's to develop a brand identity for the region to promote and market.

Option 3 is the recommended option as it offers the best value for money and is the preferred direction of all other Avon LGA partners.

Policy Related

Nil

Financial

A budget allocation of \$8,500 in GL132145 Area Promotion for tourism memberships is available to support the DP membership proposal totalling \$5,500 including GST. Officers recommend the remaining funds of \$3,000 allocated to GL132145 Area Promotion be retained for future tourism related activities.

Legal and Statutory

Nil

Risk Related

Reputational (Social and Community): York's credibility/loss of stakeholder trust with localised tourism operators, DP and Avon LGA's should Council choose not to support the Officer's recommendation.

Risk Rating and Acceptance: considered a low-risk rating due to the ongoing relationship likely to still occur between all Shires and no service disruption likely. The minor reputational risk has adequate controls that can be managed by routine procedures and periodic reviews.

Workforce

Officers acknowledge that a mixture of existing staff resources through the Visitors Centre and paid resources through the DP partnership will be required to support this proposal. Outside this scope no further workforce implications are anticipated.

SY021-02/22 2021 YORK FESTIVAL ACQUITTAL AND 2022 REQUEST FOR CAMPING

Author:	Esmeralda Harmer, Events and Economic Development Officer
Authoriser:	Alina Behan, Executive Manager Corporate & Community Services
Previously before Council:	Not applicable
Appendices:	1. 2021 York Festival Acquittal ↓

NATURE OF COUNCIL'S ROLE IN THE MATTER

Executive

PURPOSE OF REPORT

This report requests Council accepts the acquittal received from Wheatbelt Arts & Events (WaE) for the 2021 York Festival and considers the request for glamping approval as part of 2022 York Festival programming.

BACKGROUND

Council has historically provided support for activities, organisations and events that contribute to the Shire's community, social and economic objectives through the Community Funding Program.

In certain circumstances, where Council sees significant benefit to the community of maintaining support for a project or activity on an on-going basis it may resolve to consider, via the Integrated Planning and Reporting Framework review cycle or the Annual Budget process, inclusion as a Multiyear Funding Agreement (MYA).

Acquittal reporting is a requirement of sponsorship, required no later than ninety (90) days following the delivery of the Festival. Dependant on the size, scale and frequency of funding, acquittal reporting detail varies. The WaE MYA indicates the acquittal report must provide:

1. Scope of activities undertaken
2. Visitor numbers in accordance with KPI targets
3. Visitor spend in accordance with KPI targets
4. Key outcomes
5. Lessons learned
6. Expenditure detailing how Shire funding was spent
7. 2022 Festival scope

Presented in Appendix 1 is the 2021 York Festival Acquittal as received from WaE for Council's review.

COMMENTS AND DETAILS

Key elements detailed in the 2021 Festival acquittal include:

1. Over 100 programmed activities, a 100% increase in comparison to the 2019 Festival program. Officers note the 2020 Festival did not proceed due to COVID-19
2. An estimated 24,500 people attended the three weekend – two weeklong Festival
3. Visitors stayed approximately 3.8 days with an economic multiplier spend of approx. \$9.8 million over the fourteen (14) days of activity. Methodology used to formulate these figures is

based on Culture Counts (database system) and Tourism WA's model for calculating economic benefit

4. The addition of a jazz weekend program curated by Mace Francis which is intended to become a fixture of the Festival program
5. The addition of a weekend of readers and writer's activity curated by Will Yeoman which is expected to become a fixture of the Festival program
6. More CBD accommodation options are needed. The Festival occurs in peak season with many operators at capacity prior to the Festival commencing, limiting opportunity for day-trippers to stay longer or attend multiple weekday activities
7. A wider range of food choices and availability from local and external operators is needed to meet visitor demand and expectation
8. Scope to include more mid-week events to attract visitors during the school holiday period would be beneficial, However, this would need to be considered in conjunction with accommodation availability

Officers propose WaE seek assistance from the York Business Association, in conjunction with tourism operators, to determine strategies to improve the food availability outcomes experienced in 2021. This could include work to develop a survey and/or focus group discussions to determine current levels of service, the potential to amend/alternate trading hours and/or where needed food truck outsourcing to meet visitor demand and expectation during peak periods.

The York Festival has grown in size and scale since its inception in 2016 and the key highlights and challenges detailed in the acquittal report reflect this growth. Council committed to funding of \$23,500 in the 2021/22 financial year and \$25,000 in the 2022/23 financial via the current MYA with WaE. Whilst Council's funding commitment is substantial, the economic spend generated and benefits to the town's position as a tourism attraction is also considered proportionate to the amount funded.

Officers recommend the acquittal be accepted and 2022 preparations be considered to enable WaE to continue to develop the Festival programming.

2022 Festival Preparations

Early discussions with WaE indicate the program is being developed to offer multiple weekday activities. This is a deliberate effort to attract more families over the school holiday period and to encourage visitors to stay midweek and engage in multiple activities.

Furthermore, WaE are considering the introduction of value adds to ticket purchases, such as food, beverage and/or camping. WaE envision the value add-ons could assist in addressing some of the constraints experienced in 2021.

Add-ons could:

1. Ensure ticket holders have breakfast provisions or pre-booked restaurant bookings with their purchased ticket/s for performances occurring late evening or early morning
2. Provide accommodation assurity for ticket holders at the time of their ticket purchase, keeping visitors and their economic spend in the York region
3. Provide early quantity indicators, helping to inform where local tourism operator opportunities could be and quantify where outsourcing efforts are best directed

Officers concur with this approach as it strikes a balance between current and emerging needs whilst allowing the Festival to grow in a way that is mutually beneficial to both local tourism operators and visitors.

Camping Proposal

WaE is seeking use of the YRCC for temporary camping for the duration of the Festival (nineteen (19) days total including bump in/out). A number of alternate sites were investigated including the Sandalwood Yards and Mongers Reserve. However, these locations would require the addition of portable toilets, showers and security fencing to meet the numbers anticipated, proving cost prohibitive for Festival organisers.

Historically, approval to use sites such as the YRCC for camping has not been sought from Council and was managed at an operational level. However, the duration WaE are seeking to have camping available triggers the need for a Council resolution on the matter.

WaE's preferred location:

1. Provides existing amenities and built infrastructure
2. Offers potential for Belgravia Leisure to provide meals and recreation for campers
3. Provides existing passive and closed-circuit security surveillance

Furthermore, WaE is requesting the following:

1. Area to enable up to 20 glamping tents for the duration of the Festival (three (3) weekends, two (2) weeks in late September/early October)
2. Area for Festival attendees to erect their own tents (at a cost). Size of the space is yet to be determined. However, organisers believe a space to accommodate up to 50 tents would be sufficient (in addition to the glamping area)
3. Grassy or a soft surfaced area in close proximity to amenities
4. A location near the CBD within walking distance to performing venues

Early discussions with Belgravia Leisure indicate interest to explore the meal and beverage provisions further should Council approve the temporary camping request. Both the Shire and Belgravia Leisure agree that camping on Forrest Oval is not permitted. The best suited site within the YRCC is the soft sand area adjacent to the Barker Street entry. Some work to determine an amenity cleaning and waste management schedule will also need further consideration should Council approve the camping request.

Officers acknowledge there may be some concern from York's accommodation sector regarding the camping request and have undertaken a desktop review of existing accommodation and camping options in an effort to understand if the camping request has merit. The following findings were noted:

1. Onsite tents and designated tenting areas are offered in limited capacity at caravan parks or farm stays in the York area
2. Of the 565 beds available in the York area (B&B's, hotels, farm stays, self-contained as of December 2021), approximately 10% had intermittent vacancies during the 2021 Festival
3. The intermittent vacancy levels noted are relatively low in comparison to the number of accommodation beds usually available
4. During peak season, minimum two- or three-night stays are a general condition of stay for most accommodation providers
5. There is limited opportunity for daytrip visitors to become overnight stays

It is apparent that York has increased in popularity since the introduction of annual events. Whilst visitor numbers continue to grow, accommodating visitors has not grown at the same rate, resulting in full occupancy across the accommodation sector, often before peak and festival seasons commence.

Coupled with long-term accommodation contracts with road/construction workers and repeat customer bookings up to a year in advance, this has resulted in an economic leakage problem for York. People are unable to convert their daytrip to an overnight stay or are opting to travel through to other parts of the Avon region, taking their economic spend with them.

Short term measures during peak seasons such as temporary camping/glamping could reduce economic leakage and increase the conversion of daytrip visitors to overnight stays, particularly midweek and during school holidays as the Festival proposes.

Officers see merit in WaE providing camping options during the Festival. Should Council provide approval for camping, further work to define the size of the camping space, management of the site and consultation with local accommodation providers will be a requirement as part of the events assessment and approvals process.

OPTIONS

Council has the following options:

- Option 1:** Council could accept the acquittal report and provide in principle support WaE's request for camping at the YRCC subject to further details being provided.
- Option 2:** Council could accept the acquittal report and decline WaE's request for camping. Officers are not recommending this option as it does provide opportunity to address the economic leakage problem outlined in this report or support growth of the Festival.
- Option 3:** Council could accept the acquittal report and request alternate locations be investigated. Officers are not recommending this option as feasibility work regarding alternate locations has already been undertaken and included in this report.

Option 1 is the recommended option.

H3 Temporary Accommodation

Policy H3 Temporary Accommodation states:

"Living in a caravan or camping for a period of time greater than 3 days in any 28-day period on land that you own or a legally entitled to occupy is not permitted without written approval from Council. Council may grant permission for a period not exceeding 3 months however, upon request for an extension of time, up to 12 months may be conditionally granted."

Financial

The financial implications have been detailed earlier in this report and are detailed in the acquittal report presented in Appendix 1. Should Council approve the temporary camping requested, fees will be applicable in accordance with the Shire's Schedule of Fees & Charges.

Legal and Statutory

Further comment was sought from the Shire's planning department in relation to regulatory requirements regarding temporary accommodation.

Regulation 11(2) of the *Caravan Parks and Camping Grounds Regulations 1997* is applicable and states:

11. Camping other than at caravan park or camping ground

- (1) A person may camp —
- (a) for up to 3 nights in any period of 28 consecutive days on land which he or she owns or has a legal right to occupy, and may camp for longer than 3 nights on such land if he or she has written approval under subregulation (2) and is complying with that approval; or
 - (b) for up to 24 consecutive hours in a caravan or other vehicle on a road side rest area; or
 - (c) for up to 24 consecutive hours in a caravan or other vehicle on a road reserve in an emergency, unless to do so would cause a hazard to other road users or contravene any other written law with respect to the use of the road reserve; or
 - (d) on any land which is —
 - (i) held by a State instrumentality in freehold or leasehold; or
 - (ii) dedicated, reserved, or set apart under the Land Administration Act 1997 or any other written law, and placed under the care, control or management of a State instrumentality,in accordance with the permission of that instrumentality; or
 - (e) on any unallocated Crown land or unmanaged reserve, in accordance with the permission of the Minister within the meaning of the Land Administration Act 1997, or a person authorised by the Minister to give permission under this paragraph.
- (2) Written approval may be given for a person to camp on land referred to in subregulation (1)(a) for a period specified in the approval which is longer than 3 nights —
- (a) by the local government of the district where the land is situated, if such approval will not result in the land being camped on for longer than 3 months in any period of 12 months; or
 - (b) by the Minister, if such approval will result in the land being camped on for longer than 3 months in any period of 12 months; or
 - (c) despite paragraph (b), by the local government of the district where the land is situated —
 - (i) if such approval will not result in the land being camped on for longer than 12 consecutive months; and
 - (ii) if the person owns or has a legal right to occupy the land and is to camp in a caravan on the land while a permit has effect in relation to the land.

Regulations 51 and 54 of the *Caravan Parks and Camping Grounds Regulations 1997* are also applicable and state:

“51. Calculation of camping sites

The maximum number of camping sites endorsed by a local government on a licence for use at a facility is not to exceed —

- (a) for a nature based park, one site for each 50 m² of camping ground available at the facility; and

- (b) *for any other facility, one site for each 25 m² of camping ground available at the facility.*

54. Temporary licence

- (1) *A local government may, on payment of the fee set out in item 3 of Schedule 3, grant a temporary licence for a facility which is to remain in force for such period of less than one year, as is provided in the licence.*
- (2) *A local government is to endorse on a temporary licence for a facility as conditions of the licence —*
- (a) the maximum number of sites that may be used at the facility; and*
 - (b) the maximum number of sites of particular types that may be used at the facility; and*
 - (c) the services and facilities that are to be provided.”*

Risk Related

Reputational (low/medium) – in relation to the camping requested and perceived loss of business to local accommodation operators. Officers have suggested acceptable treatment controls within this report to help manage this risk such as early engagement with tourism operators

Financial (low) – in relation to the acquittal report received. Council could request further financial details regarding expenditure of the Festival's entire budget be provided. However, this is not a requirement of the current MYA or requested of any other MYA's the Shire has.

Workforce

Time to review and monitor the acquittal reporting process can be managed within existing resources, including management of the camping approvals process should Council approve this request.

ACQUITTAL REPORT

Type of Project Funded (Sporting, Tourism Festival, Community based event/workshop): Festival

Organisation Name (name of group funded): Wheatbelt Arts & Events Inc.

Date funding was granted: 2019

Date project was delivered: 25 September - 10 October 2021

Describe the key outcomes of your project: Over 14 days, The York Festival delivered a multi-arts event that was attended by an estimated 24,500 people (excluding artists and arts workers). The festival program comprised over 100 events (more than double the number of events in the 2019 Festival program), including several new initiatives that will become fixtures in future festival events. These included the jazz program, curated by Mace Francis which was held across the opening long weekend, and the writers program, curated by Will Yeoman. Whereas in previous years, overnight visitors stayed just one or two nights, this year the festival succeeded in attracting visitors who stayed for longer, eg 12% stayed one night, 10% stayed two nights, 12% stayed three nights, while 1% stayed five nights.

What were the key lessons your organisation learned while delivering the project?

The festival is hampered by the limited number of venues;
There is scope for more midweek events to attract more visitors during the school holiday period;
The festival needs to address the challenges of providing visitors with more and better food choices over and above what the local eateries are able to provide;
The Festival's website functionality needs improvement;
Visitors need more camping options closer to town. We are keen to explore the possibility of providing camping at the oval or in the vicinity of the carriage diner;

How many people benefited from your project?

Attendance numbers: 25,199 including artists and arts workers (19,624 visitors)

Local attendance over the fourteen days was estimated at 5,102

Club / Group membership increases (if applicable). N/A

Community engagement undertaken (school incursions, pre or post event workshops, drop in sessions)

The festival program included approx. 30 workshops including 10 by the Embroiderers Guild of Western Australia, indigenous crafts, circus skills, weaving, knot tying, lashing and other techniques as part of the creation of the forest of cubbies, dyeing with plants, sandcastle, and others. The forest of cubbies succeeded in enabling family groups and for people with varying abilities to spend time outdoors working on a highly creative project.

Economic benefit to the town. Survey results showed that visitors' length of stay in York increased from an average of 1.3 days in 2018 and 2019 to 3.8 days in 2021. Using Tourism WA's model for calculating the economic benefit, we estimate the festival delivered \$9.8 million into the local economy over the fourteen days. This demonstrates the substantial benefit of an event with a duration of more than just one or two days.

How was the Shire of York acknowledged throughout this project?

In the printed program, on the festival's website, on roadside banners, pole wraps on Avon Terrace, media releases, newsletters, posters and on social media. The Shire President was interviewed by GWN7.

Did your organisation spend all sponsorship funds granted? If not, why? Yes

Did your club or organisations derive revenue from the sponsorship? Not directly, but sponsorship from the Shire of York helped to leverage other sponsorship and enabled us to stage events that generated revenue from ticket sales.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Executive

PURPOSE OF REPORT

This report is to present the first quarterly report on operations at the York Recreation and Convention Centre (YRCC) following the appointment of Belgravia Leisure (BL) as management service providers.

BACKGROUND

At its September 2021 Ordinary Meeting Council resolved (110921):

“That, with regard to the York Recreation and Convention Centre Operations Report, Council:

- 1. Notes the community submissions received as part of the consultative process.***
- 2. Authorises the Chief Executive Officer to finalise the negotiations with Belgravia Leisure.***
- 3. Authorises the Chief Executive Officer to finalise the inventory of equipment at the point of handover.***
- 4. Agrees to the Management Contract with Belgravia Leisure as presented in Confidential Appendix 1: Draft Management Contract York Recreation and Convention Centre.***
- 5. Authorises the Shire President and Chief Executive Officer to engross the documentation as per the terms and conditions of the Management Contract.***
- 6. Authorises the Chief Executive Officer to make any necessary minor typographical and formatting changes to the Contract prior to signing.”***

BL assumed control of the facility the week commencing Monday 15 November 2021.

Performance Criteria and Key Performance Indicators (KPIs) are documented in the Management Contract. Monthly reports are provided by BL against these criteria. Use of the building is contingent on the KPIs in the Management Agreement being achieved. The Shire will continue to report progress against these KPIs quarterly to Council.

COMMENTS AND DETAILS**1. Transition**

In preparation for the transition to BL management the incoming Venue Manager started in advance of the official handover. In this time, he worked with the Shire's Centre Manager and YRCC Project Officer to check inventory and stock and familiarise himself with the facility. During the first two weeks

of operation, teams from the Shire and BL were working to switch over the IT networks, phones, emails, website and point of sale (POS) till system. Most of these elements transitioned successfully. However, the POS system failed after handover and resulted in the decision being made to close the restaurant for two service nights until the system was working effectively. In hindsight BL reported that in any future transitions they would close operations for a period to ensure issues were resolved prior to opening.

To ensure security, locks in the facility were re-keyed and sporting clubs and regular users given replacement keys as agreed with the Shire's Centre Manager. Again, this was a successful process and allowed the new Venue Manager the opportunity to interact with all clubs early on. This was made easier by the Venue Manager being on site Monday to Friday 9am to 5pm. There have been requests for additional keys by clubs, and these are being cut as requested by the sporting groups to ensure their seamless operations.

2. Staffing

All staff were offered the opportunity to take up employment with BL. As part of the transition, five (5) Shire staff accepted roles with BL. The first recruit for Bar Manager did not pass probation. Since that time a new Bar Manager has been recruited and is settling in well. A cleaner has been recruited and the improvements in cleaning are apparent. A potential applicant has now been identified for the Access & Inclusion/Community Engagement role.

3. Performance

As November was a short month with mostly transitional activities it was agreed that reporting against KPIs would commence for the month of December. Presented in confidential Appendices 1 and 2 are the monthly reports for December 2021 and January 2022 respectively. Key aspects of those reports include:

3.1 **Forrest Bar and Grill**

In addition to regular meal service, the YRCC has hosted a number of successful events including the Ladies Bowls Gala Day, Men's Invitation Bowls Day, 3 day Inter League Bowls Tournament, various Christmas functions, Year 6 graduation, supporting the Australia Day celebrations as well as WA Police and Wheatbelt Health functions. As required in the KPIs a monthly events program has been scheduled commencing with Valentine's Day dinner on 14 February 2022 and service is scheduled to increase to three nights a week in late February.

Numbers for regular meal service have been encouraging with one (1) December weekend reporting one hundred (100) covers on a Saturday, and a further fifty (50) on the Sunday. This has reduced during January as usual but compares favourably with the 2019/20 reported average attendance of sixty-five (65) adults and children on a Friday night, and twenty-five (25) on a Sunday.

3.2 **Programs**

BL are investigating the possibility of commencing a Les Mills Spin class and Pump class to support community fitness.

3.3 **Safety and Maintenance**

BL continue to work with the Shire to identify and resolve safety and maintenance issues that will affect customer satisfaction. The Shire has purchased and installed flooring in the gym to replace damaged areas of tiling. Due to deterioration of existing equipment five (5) new pieces of cardio equipment are on order and expected to arrive late February.

BL has purchased a 'walkie lift loader' to assist with deliveries (previously staff relied on the Depot crew to assist with the Shire forklift). Storage rooms and cupboards have had shelving and stacking systems installed to allow floors to be clear and cleaned. Several maintenance issues have been identified and are being worked through with the Shire in accordance with the management contract.

BL has been proactively managing the COVID-19 mandates and has been able to draw on its experience in other states to manage implementation of the mandates.

3.4 Engagement and Club Development

A weekly e-newsletter is being sent to a database of 240 users and access to sports community personal development sessions opened. The full year program started in February, there is no cap to the number of participants, and it is an open invite to all groups in York that might find value in participating (not just groups at the YRCC, such as the Golf Club, Pony Club, Croquet Club etc). Once in place the Access & Inclusion/Community Engagement Officer will work with the clubs to determine future training needs.

Customer Satisfaction Feedback forms have also been made available from 4 February 2022 and the community is being encouraged to submit feedback.

Shire staff currently meet weekly with the Centre Manager to discuss ongoing transitional and operational issues. It is expected this will move to monthly in due course.

Authoriser: Alina Behan, Executive Manager Corporate & Community Services

Previously before Council: 23 November 2021

Appendices: 1. Summary of Payment Agreement Applications - Confidential

NATURE OF COUNCIL'S ROLE IN THE MATTER

Executive

PURPOSE OF REPORT

The purpose of this report is to provide Council with details regarding payment arrangement applications the Shire has received that do not qualify under Delegation DE3-3 – Agreement as to Payment of Rates and Service Charges.

This report seeks Council's approval to accept the Officer's recommendations regarding the proposed arrangements, as presented in confidential Appendix 1.

BACKGROUND

The current Policy F1 - Revenue Collection Policy and Delegation DE3-3 Agreement as to Payment of Rates and Service Charges authorises the Chief Executive Officer to accept payment arrangements for outstanding rates and charges where there are no arrears and the balance will be paid in full by 30 June of the relevant financial year. Any applications outside this scope are to be presented to Council for review and acceptance or rejection. Any application for a payment arrangement relating to sundry debtor charges must be referred to Council as there is no current delegation.

COMMENTS AND DETAILS

Council has approved twenty-two (22) applications for the 2021/22 financial year. The majority of these agreements expire on 30 June 2022.

The Shire has received two (2) further applications for the 2021/22 financial year that do not qualify under Delegation DE3-3 and therefore require Council consideration.

The applicants are claiming financial difficulties or hardship as a result of their circumstances.

Confidential Appendix 1 details the current debts and a brief reason why the debtors cannot meet the standard payment options. The table also provides an Officer recommendation for each application.

Applications are assessed on a case-by-case basis, taking into consideration people's circumstances, in accordance with Principle (c) of Policy F1.

Any application approved is subject to the condition where any default may result in debt recovery action being taken without further notice.

OPTIONS

Council has the following options:

Option 1: Council could approve the applications for payment arrangements as presented in Confidential Appendix 1.

Option 2: Council could choose which applications to approve or reject.

Option 3: Council could reject all requests for payment arrangements.

Option 1 is the recommended option, noting that Officers have worked with the applicants regarding their current financial circumstances and ability to pay. One of the principles of Policy F1 is that people's circumstances are taken into account. Default by the applicant on payments made under the arrangement may result in debt recovery action.

Financial

The total debt associated with the payment arrangements relating to rates and charges as at 31 January 2022 is \$4,796.43.

This represents approximately 0.2% of the total outstanding rates and charges as at 31 January 2022.

Legal and Statutory

Section 6.49 of the *Local Government Act 1995* is applicable and states:

“6.49. Agreement as to payment of rates and service charges

A local government may accept payment of a rate or service charge due and payable by a person in accordance with an agreement made with the person.”

Risk Related

The Financial Impact risk is Insignificant (1).

The Likelihood of recurrence is Possible (3).

The overall risk rating is Low (3).

The risk can be considered acceptable as there is a policy in place to control and manage the risk. Should any debtors default on their arrangement, debt recovery action can be taken to recover the due amounts.

The financial risk reduces as the debts are paid.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Legislative
Review

PURPOSE OF REPORT

The purpose of financial reporting and the preparation of monthly financial statements is to communicate information about the financial position and operating results of the Shire of York to Council and the community as well as monitor the local government's performance against budgets.

BACKGROUND

Local governments are required to prepare general purpose financial reports in accordance with the *Local Government Act 1995*, the *Local Government (Financial Management) Regulations 1996* and the *Australian Accounting Standards*.

A statement of financial activity and any accompanying documents are to be presented to the Council at an ordinary meeting of the Council within two months after the end of the month to which the statement relates. The Statement of Financial Activity summarises the Shire's operating activities and non-operating activities.

It should be noted that the figures reflected in the following reports are an estimate of the end of year position only for 2021/22 and are correct for the 2020/21 as stated in the Annual Financial Report.

COMMENTS AND DETAILS

This report is presented for Council's consideration and provides information for the period ended 31 December 2021 and includes the following:

1. Monthly Statements
2. List of Creditor Payments
3. Business Card Statement and Transaction Summary

The following information provides balances for key financial areas for the Shire of York's financial position as at 31 December 2021.

Outstanding Rates and Services

The total outstanding rates balance at the end of December 2021 was \$2,594,701 compared to \$2,480,216 at the end of December 2020.

Current Year	Properties	31/12/2021	%		Properties	31/12/2020	%
3 years and over	81	\$ 546,147	21%		83	\$ 451,271	18%
2 years and over	96	\$ 185,286	7%		94	\$ 196,621	8%

1 year and over	155	\$ 244,169	9%		168	\$ 298,259	12%
Total Aged		\$975,602	38%			\$946,151	38%
Current Rates	1219	\$1,792,863	62%		1291	\$1,534,065	62%
Total Rates Outstanding		\$2,594,701				\$2,480,216	

Officers continue to work with the Shire's debt collection agency, CS Legal, to resolve some long outstanding debts in the two (2) years and over categories. In addition, officers continue to administer payment arrangements outside of the ordinary payment options in line with the current Revenue Collection policy.

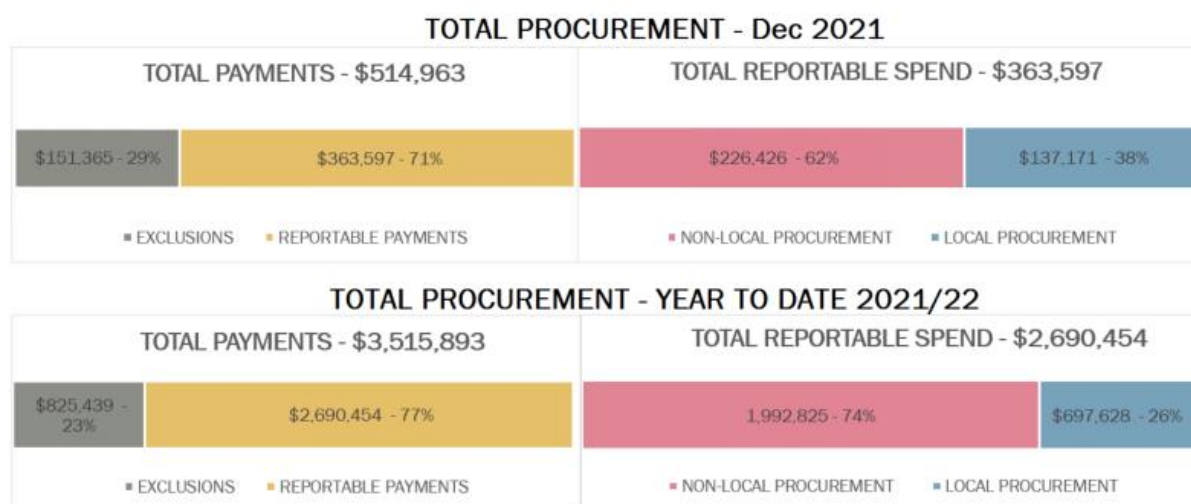

Outstanding Sundry Debtors

The figure for total outstanding sundry debtors as at 31 December 2021 was \$51,877 compared to \$37,038 as at 31 December 2020. 49% of the debtors are current as compared to previous year which were 43%.

Current Year	31/12/2021	%		31/12/2020	%
90 days and over	\$14,730	28%		\$15,856	43%
60 days and over	\$0	0%		\$4,084	11%
30 days and over	\$11,587	22%		\$1,148	3%
Current	\$25,561	49%		\$15,950	43%
Total Debtors Outstanding	\$51,877			\$37,038	

Local procurement

In addition to the 'York Dollar\$ Shop Local' scheme and to further support the local economy, Council commits to spending locally where possible and reasonably practicable. For the month of December, Officers report the following in relation to local procurement, noting that 38% of payments were made to local businesses during the month. Officers further report the overall average of reportable local spend or the 2021/22 financial year was 26%

The above figures provide an indication of the levels of local procurement as a percentage of reportable payments. It is important to note that in development of the above tables, a number of exclusions apply and are not included in the reportable totals. These include, but are not limited to, payments made for the following:

1. Superannuation
2. Goods and Services Tax
3. Department of Fire and Emergency Services

4. Local Government Insurance Services
5. WA Local Government Association
6. WA Treasury Corporation
7. Office of the Auditor General
8. Utilities (Synergy, Telstra, Water Corporation)
9. Placement of Shire term deposits

- (d) *sufficient information to identify the transaction.*

34. *Financial activity statement required each month (Act s. 6.4)*

(1A) *In this regulation —*

committed assets means revenue unspent but set aside under the annual budget for a specific purpose.

- (1) *A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for that month in the following detail —*
 - (a) *annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c); and*
 - (b) *budget estimates to the end of the month to which the statement relates; and*
 - (c) *actual amounts of expenditure, revenue and income to the end of the month to which the statement relates; and*
 - (d) *material variances between the comparable amounts referred to in paragraphs (b) and (c); and*
 - (e) *the net current assets at the end of the month to which the statement relates.*
- (2) *Each statement of financial activity is to be accompanied by documents containing —*
 - (a) *an explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets; and*
 - (b) *an explanation of each of the material variances referred to in subregulation (1)(d); and*
 - (c) *such other supporting information as is considered relevant by the local government.*
- (3) *The information in a statement of financial activity may be shown —*
 - (a) *according to nature and type classification; or*
 - (b) *by program; or*
 - (c) *by business unit.*
- (4) *A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be —*
 - (a) *presented at an ordinary meeting of the council within 2 months after the end of the month to which the statement relates; and*
 - (b) *recorded in the minutes of the meeting at which it is presented.*
- (5) *Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances."*

Risk Related

It is a requirement of the *Local Government (Financial Management) Regulations 1996* that local governments prepare a Statement of Financial Activity within two (2) months after the end of the reporting period. This report mitigates the risk of non-compliance with the Regulations.

FOR THE PERIOD ENDED 31 DECEMBER 2021**

Local Government (Financial Management) Regulations 1996 Financial reports — s. 6.4

34. Financial activity statement required each month (Act s. 6.4)

(1) A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for that month in the following detail —

(a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c); and

(b) budget estimates to the end of the month to which the statement relates; and

(c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates; and

(d) material variances between the comparable amounts referred to in paragraphs (b) and (c); and

(e) the net current assets at the end of the month to which the statement relates.

The Shire has adopted a variance threshold of 10% or \$5,000 whichever is higher

We suggest you carefully check all entries on your statement. Apparent errors or possible unauthorised transactions should be promptly reported to us.

The security of your Personal Identification Number (PIN) is very important. To avoid being liable for unauthorised transactions, you should follow the terms and conditions of your account. We also recommend some simple steps to protect your PIN:

- Memorise your PINs and passwords and destroy any communications advising you of new ones. Don't keep a record of your PINs or passwords, in written or electronic form.
- If you choose your own, ensure that it is not something easy to guess like your (or a family member's) birth date, name, phone number, postcode, driver's licence number or numbers that form a pattern.
- Don't tell anyone your PIN, not even friends, family or a bank representative.
- Ensure nobody watches you enter your PIN or password. A good practice is to cover the keypad when you put in your PIN or password.
- Watch out for email, SMS or call scams asking for details relating to your account. If you receive suspicious emails, please contact us immediately.

Please note: These are guidelines only. While following these steps will help you to protect your PIN, your liability for any losses arising from unauthorised transactions is determined in accordance with the ePayments Code. For further details, see <https://asic.gov.au/regulatory-resources/financial-services/epayments-code/> or visit bendigobank.com.au/mycard for all card related information. Business customers visit [mybusinesscard](https://bendigobank.com.au/mybusinesscard).

All card transactions made in currencies other than Australian dollars will incur a fee of 3% of the transaction value. (Additional charges may apply for cash transactions.)

NATURE OF COUNCIL'S ROLE IN THE MATTER

Legislative
Review

PURPOSE OF REPORT

The purpose of financial reporting and the preparation of monthly financial statements is to communicate information about the financial position and operating results of the Shire of York to Council and the community as well as monitor the local government's performance against budgets.

BACKGROUND

Local governments are required to prepare general purpose financial reports in accordance with the *Local Government Act 1995*, the *Local Government (Financial Management) Regulations 1996* and the *Australian Accounting Standards*.

A statement of financial activity and any accompanying documents are to be presented to the Council at an ordinary meeting of the Council within two months after the end of the month to which the statement relates. The Statement of Financial Activity summarises the Shire's operating activities and non-operating activities.

It should be noted that the figures reflected in the following reports are an estimate of the end of year position only for 2021/22 and are correct for the 2020/21 as stated in the Annual Financial Report.

COMMENTS AND DETAILS

This report is presented for Council's consideration and provides information for the period ended 31 January 2022 and includes the following:

1. Monthly Statements
2. List of Creditor Payments
3. Business Card Statement and Transaction Summary

The following information provides balances for key financial areas for the Shire of York's financial position as at 31 January 2022:

Outstanding Rates and Services

The total outstanding rates balance at the end of January 2022 was \$2,096,788 compared to \$2,025,723 at the end of January 2021.

Current Year	Properties	31/01/2022	%		Properties	31/01/2021	%

2 years and over	95	\$ 183,726	9%		93	\$ 195,648	8%
1 year and over	149	\$ 235,028	11%		158	\$ 291,148	12%
Total Aged		\$964,573	46%			\$933,950	38%
Current Rates	1201	\$1,132,216	54%		1260	\$1,091,773	62%
Total Rates Outstanding		\$2,096,788				\$2,025,723	

Officers continue to work with the Shire's debt collection agency, CS Legal, to resolve some long outstanding debts in the two (2) years and over categories. In addition, officers continue to administer payment arrangements outside of the ordinary payment options in line with the current Revenue Collection policy.

Outstanding Sundry Debtors

The figure for total outstanding sundry debtors as at 31 January 2022 was \$52,337 compared to \$55,382 as at 31 January 2021. 51% of the debtors are current as compared to previous year which were 50%.

Current Year	31/01/2022	%		31/01/2021	%
90 days and over	\$11,617	22%		\$17,503	32%
60 days and over	\$10,981	21%		\$595	1%
30 days and over	\$2,883	6%		\$9,809	18%
Current	\$26,857	51%		\$27,475	50%
Total Debtors Outstanding	\$52,337			\$55,382	

Local procurement

In addition to the 'York Dollar\$ Shop Local' scheme and to further support the local economy, Council commits to spending locally where possible and reasonably practicable. For the month of January, Officers report the following in relation to local procurement, noting that 27% of payments were made to local businesses during the month. Officers further report the overall average of reportable local spend for the 2021/22 financial year to date was 26%.

TOTAL PROCUREMENT - Jan 2022**TOTAL PROCUREMENT - YEAR TO DATE 2021/22**

The above figures provide an indication of the levels of local procurement as a percentage of reportable payments. It is important to note that in development of the above tables, a number of exclusions apply and are not included in the reportable totals. These include, but are not limited to, payments made for the following:

1. Superannuation
2. Goods and Services Tax
3. Department of Fire and Emergency Services
4. Local Government Insurance Services
5. WA Local Government Association
6. WA Treasury Corporation
7. Office of the Auditor General
8. Utilities (Synergy, Telstra, Water Corporation)
9. Placement of Shire term deposits

Local Government (Financial Management) Regulations 1996 Financial reports — s. 6.4

34. Financial activity statement required each month (Act s. 6.4)

(1) A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for that month in the following detail —

(a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c); and

(b) budget estimates to the end of the month to which the statement relates; and

(c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates; and

(d) material variances between the comparable amounts referred to in paragraphs (b) and (c); and

(e) the net current assets at the end of the month to which the statement relates.

The Shire has adopted a variance threshold of 10% or \$5,000 whichever is higher

AUTOMATIC PAYMENTS HAVE BEEN SPECIFIED FOR YOUR ACCOUNT.

We suggest you carefully check all entries on your statement. Apparent errors or possible unauthorised transactions should be promptly reported to us.

The security of your Personal Identification Number (PIN) is very important. To avoid being liable for unauthorised transactions, you should follow the terms and conditions of your account. We also recommend some simple steps to protect your PIN:

- Memorise your PINs and passwords and destroy any communications advising you of new ones. Don't keep a record of your PINs or passwords, in written or electronic form.
- If you choose your own, ensure that it is not something easy to guess like your (or a family member's) birth date, name, phone number, postcode, driver's licence number or numbers that form a pattern.
- Don't tell anyone your PIN, not even friends, family or a bank representative.
- Ensure nobody watches you enter your PIN or password. A good practice is to cover the keypad when you put in your PIN or password.
- Watch out for email, SMS or call scams asking for details relating to your account. If you receive suspicious emails, please contact us immediately.

Please note: These are guidelines only. While following these steps will help you to protect your PIN, your liability for any losses arising from unauthorised transactions is determined in accordance with the ePayments Code. For further details, see <https://asic.gov.au/regulatory-resources/financial-services/epayments-code/> or visit bendigobank.com.au/mycard for all card related information. Business customers visit [mybusinesscard](https://bendigobank.com.au/mybusinesscard).

All card transactions made in currencies other than Australian dollars will incur a fee of 3% of the transaction value. (Additional charges may apply for cash transactions.)

That Council considers the confidential report(s) listed below in a meeting closed to the public in accordance with Section 5.23(2) of the Local Government Act 1995:

SY028-02/22 - Confidential - Behaviour Complaint - Alleged Breach of Code of Conduct

This matter is considered to be confidential under Section 5.23(2) - b of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with the personal affairs of any person.

SY029-02/22 - Confidential - Disposal of St Patrick's Convent School - Lots 800-801, 25-27 South Street, York

This matter is considered to be confidential under Section 5.23(2) - c and e(ii) of the Local Government Act, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with a contract entered into, or which may be entered into, by the local government and which relates to a matter to be discussed at the meeting and a matter that if disclosed, would reveal information that has a commercial value to a person, where the information is held by, or is about, a person other than the local government.

Disclosure of Interest – Cr Garratt – Impartial – SY028-02/22 – Confidential – Behaviour Complaint – Alleged Breach of Code of Conduct

Cr Garratt read the Impartiality Declaration - ... With regard to Behaviour Complaint – Alleged Breach of Code of Conduct the matter in Item SY028-02/22 I disclose that I have an association with the applicant (or person seeking a decision). The association is of an Impartial Nature as I am the accused Councillor. As a consequence, there may be a perception that my impartiality on the matter may be affected. I declare that I will consider this matter on its merits and vote accordingly.

SY028-02/22 - CONFIDENTIAL - BEHAVIOUR COMPLAINT - ALLEGED BREACH OF CODE OF CONDUCT

RESOLUTION

150222

Moved: Cr Kevin Trent

Seconded: Cr Peter Wright

That, with regard to the Behaviour Complaint - Alleged Breach of Code of Conduct, Council:

- 1. Resolves that the alleged breach of Policy E1 - Code of Conduct: Council Members, Committee Members & Candidates by Councillor Ashley Garratt is unsubstantiated as while it is believed there has been an error of judgement, based on the evidence provided in confidential Appendix 1, it cannot be concluded that a breach against Division Three of the Code of Conduct has occurred.**
- 2. Requests the Chief Executive Officer to implement a Plan, as presented in confidential Appendix 2, for Councillor Ashley Garratt to undertake training in the use of social media and the Code of Conduct.**
- 3. Notes the training undertaken by Councillor Ashley Garratt will be reported in accordance with Section 5.127 of the Local Government Act 1995.**
- 4. Requests the Chief Executive Officer to notify the complainant of the outcome of the investigation and Council's decision.**
