**Local Government Act 1995 (as amended)****Part 1 Introductory Matters**

## 1.3. Content and intent

- (1) This Act provides for a system of local government by —
  - (a) providing for the constitution of elected local governments in the State;
  - (b) describing the functions of local governments;
  - (c) providing for the conduct of elections and other polls; and
  - (d) providing a framework for the administration and financial management of local governments and for the scrutiny of their affairs.
- (2) This Act is intended to result in —
  - (a) better decision making by local governments;
  - (b) greater community participation in the decisions and affairs of local governments;
  - (c) greater accountability of local governments to their communities; and
  - (d) more efficient and effective local government.
- (3) In carrying out its functions a local government is to use its best endeavours to meet the needs of the current and future generations through an integration of environmental protection, social advancement and economic prosperity.

**Part 2 Constitution of Local Government****Division 2 Local Governments and Councils of Local Governments**

## 2.7 The Role of Council

- (1) The Council —
  - (a) directs and controls the Local Government's affairs; and
  - (b) is responsible for the performance of the Local Government's functions.
- (2) Without limiting subsection (1), the Council is to —
  - (a) oversee the allocation of the Local Government's finances and resources; and
  - (b) determine the Local Government's policies.

**Meetings generally open to the public**

- 5.1. (1) Subject to subsection (2), the following are to be open to members of the public —
- (a) all council meetings; and
  - (b) all meetings of any committee to which a local government power or duty has been delegated.
- (2) If a meeting is being held by a council or by a committee referred to in subsection (1) (b), the council or committee may close to members of the public the meeting, or part of the meeting, if the meeting or the part of the meeting deals with any of the following —
- (a) a matter affecting an employee or employees;
  - (b) the personal affairs of any person;
  - (c) a contract entered into, or which may be entered into, by the local government and which relates to a matter to be discussed at the meeting;
  - (d) legal advice obtained, or which may be obtained, by the local government and which relates to a matter to be discussed at the meeting;
  - (e) a matter that if disclosed, would reveal —
    - (i) a trade secret;
    - (ii) information that has a commercial value to a person; or
    - (iii) information about the business, professional, commercial or financial affairs of a person, where the trade secret or information is held by, or is about, a person other than the local government;
  - (f) a matter that if disclosed, could be reasonably expected to —

- (i) impair the effectiveness of any lawful method or procedure for preventing, detecting, investigating or dealing with any contravention or possible contravention of the law;
    - (ii) endanger the security of the local government's property; or
    - (iii) prejudice the maintenance or enforcement of a lawful measure for protecting public safety;
  - (g) information which is the subject of a direction given under section 23 (1a) of the Parliamentary Commissioner Act 1971; and
  - (h) such other matters as may be prescribed.
- (3) A decision to close a meeting or part of a meeting and the reason for the decision are to be recorded in the minutes of the meeting.

## **G 10 PUBLIC QUESTION TIME**

### **Policy Statement**

- 1.0 "Public Question Time" will be limited to 15 minutes\*. The Council may exercise a discretion to extend the time by resolution if required. If there are questions remaining unasked at the expiration of the time allotted members of the public will be asked to submit their questions in writing to the Chief Executive Officer who will provide a written reply with the response placed in the Agenda of the next Ordinary Meeting of the Council.

*\*A minimum of 15 minutes is provided by Regulation 6(1) of the Local Government (Administration) Regulations 1996 (Section 5.24 of the Local Government Act 1995)*

- 2.0 Questions may be asked at the Ordinary Council Meeting and any Committee meeting on any matter affecting the Council and the Shire's operations. Questions submitted to Special Meetings of the Council will be restricted to the subject matter of the meeting.
- 3.0 Each questioner will be limited to two (2) questions. Statements or long preamble are not permitted.
- 4.0 People wishing to ask questions will be encouraged to put their questions in writing or in a prescribed form and submit them to the Chief Executive Officer prior to 10 am on the day of the meeting. This allows for an informed response to be given at the meeting. Oral questions are permitted.
- 5.0 Priority will be given to questions about matters on the agenda for the meeting and which are submitted in accordance with 4.0 above.
- 6.0 Every person who wishes to ask a question must identify themselves and register with a Council Officer immediately prior to the meeting. Subject to 5.0 above questions will be taken in the order in which people register.
- 7.0 Questions containing offensive remarks, reference to the personal affairs or actions of Elected Members or staff, or which relate to confidential matters or legal action will not be accepted. Questions that the Presiding Member considers have been answered by earlier questions at the meeting or earlier meetings may not be accepted.
- 8.0 On receipt of a question the Presiding Member may answer the question or direct it to the Chief Executive Officer to answer. If the question is of a technical nature the Chief Executive Officer may direct the question to a senior technical officer present. If the question requires research, it will be taken on notice.
- 9.0 There will be no debate on the answers to questions.
- 10.0 A summary of the question and the answer will be recorded in the minutes of the Council meeting at which the question was asked.
- 11.0 Public Question Time guidelines incorporating this policy are being prepared and will include information on the other methods of enquiry that are available to members of the public to obtain information from the Shire.

## 1 OPENING

### 1.1 Declaration of Opening

### 1.2 Acknowledgement / Disclaimer

The Shire President advises the following:

*“The York Shire Council acknowledges the Ballardong people of the Noongar Nation who are the Traditional Owners of this country and recognise their continuing connection to land, water, sky and culture. We pay our respects to all these people and their Elders past, present and emerging.*

*This meeting is being recorded on a digital audio and visual device to assist with minute taking purposes. The public is reminded that in accordance with Section 6.16 of the Shire of York Local Government (Council Meetings) Local Law 2016 that nobody shall use any visual or vocal recording device or instrument to record the proceedings of Council without the written permission of the presiding member.*

*I wish to draw attention to the Disclaimer Notice contained within the agenda document and advise members of the public that any decisions made at the meeting today, can be revoked, pursuant to the Local Government Act 1995.*

*Therefore members of the public should not rely on any decisions until formal notification in writing by Council has been received. Any plans or documents in agendas and minutes may be subject to copyright. The express permission of the copyright owner must be obtained before copying any copyright material.”*

### 1.3 Standing Orders

### 1.4 Announcement of Visitors

### 1.5 Declarations of Interest that Might Cause a Conflict

Councillors/Staff are reminded of the requirements of s5.65 of the Local Government Act 1995, to disclose any interest during the meeting when the matter is discussed and also of the requirement to disclose an interest affecting impartiality under the Shire of York's Code of Conduct.

Name	Item No & Title	Nature of Interest (and extent, where appropriate)

### 1.6 Declaration of Financial Interests

A declaration under this section requires that the nature of the interest must be disclosed. Consequently a member who has made a declaration must not preside, participate in, or be present during any discussion or decision making procedure relating to the matter the subject of the declaration.

Other members may allow participation of the declarant if the member further discloses the extent of the interest and the other members decide that the interest is trivial or insignificant or is common to a significant number of electors or ratepayers.

Name	Item No & Title	Nature of Interest (and extent, where appropriate)

### 1.7 Disclosure of Interests that May Affect Impartiality

Councillors and staff are required (Code of Conduct), in addition to declaring any financial interest, to declare any interest that might cause a conflict. The member/employee is also encouraged to disclose the nature of the interest. The member/employee must consider the nature and extent of the interest and whether it will affect their impartiality. If the member/employee declares that their impartiality will not be affected then they may participate in the decision making process.

Name	Item No & Title	Nature of Interest (and extent, where appropriate)

## 4 PUBLIC QUESTION TIME

Public Question Time is conducted in accordance with the Act and Regulations. In addition to this the Shire's *Local Government (Council Meetings) Local Law 2016* states:

### 6.7 Other procedures for question time for the public

- (1) A member of the public who wishes to ask a question during question time must identify themselves and register with a Council Officer immediately prior to the meeting.
- (2) A question may be taken on notice by the Council for later response.
- (3) When a question is taken on notice the CEO is to ensure that—
  - (a) a response is given to the member of the public in writing; and
  - (b) a summary of the response is included in the agenda of the next meeting of the Council.

- (4) Where a question relating to a matter in which a relevant person has an interest is directed to the relevant person, the relevant person is to—
  - (a) declare that he or she has an interest in the matter; and
  - (b) allow another person to respond to the question.
- (5) Each member of the public with a question is entitled to ask up to 2 questions before other members of the public will be invited to ask their questions.
- (6) Where a member of the public provides written questions then the Presiding Member may elect for the questions to be responded to as normal business correspondence.
- (7) The Presiding Member may decide that a public question shall not be responded to where—
  - (a) the same or similar question was asked at a previous meeting, a response was provided and the member of the public is directed to the minutes of the meeting at which the response was provided;
  - (b) the member of the public uses public question time to make a statement, provided that the Presiding Member has taken all reasonable steps to assist the member of the public to phrase the statement as a question; or
  - (c) the member of the public asks a question that is offensive or defamatory in nature, provided that the Presiding Member has taken all reasonable steps to assist the member of the public to phrase the question in a manner that is not offensive or defamatory.
- (8) A member of the public shall have 2 minutes to submit a question.
- (9) The Council, by resolution, may agree to extend public question time.
- (10) Where any questions remain unasked at the end of public question time they may be submitted to the CEO who will reply in writing and include the questions and answers in the agenda for the next ordinary Council meeting.
- (11) Where an answer to a question is given at a meeting, a summary of the question and the answer is to be included in the minutes.

<b>Appendices:</b>	<b>1. Location Plan <a href="#">↓</a></b> <b>2. Development Application <a href="#">↓</a></b>

### NATURE OF COUNCIL'S ROLE IN THE MATTER

Quasi-judicial

### PURPOSE OF REPORT

For Council to determine a development application to construct a single house and ancillary accommodation at Lot 90 (51) Brunswick Road, York. The application proposes a variation to both State Planning Policy 7.3 - Residential Design Codes (R-Codes) and Local Planning Policy P2 – Barn Style Shed Houses (LPP2).

### BACKGROUND

Lot 90 (51) Brunswick Road, York (referred to herein as the property) is 3,440m<sup>2</sup> in area and is currently vacant of development. The property is zoned Residential with a density code of R10 under the Shire of York's Local Planning Scheme No. 3 (Scheme).

A Location Plan is presented in Appendix 1.

A development application was submitted on 5 June 2024 which proposes to construct a single house, ancillary accommodation, outbuilding, carport and swimming pool which will be:

#### Single House

- Based on rectangle shed design/frame.
- Four (4) bedroom, open plan lounge/dining room, kitchen, office, bathroom, laundry and ensuite bathroom with front and rear verandahs.
- 24.09m x 15m (361.35m<sup>2</sup> floor area), internal floor area of 216.81m<sup>2</sup>.
- Setback 12.07m from Brunswick Road, 6m from the western side boundary and 5.32m from the eastern boundary.
- Timber verandah posts with 200mm diameter.
- Wall height of 3m and ridge height of 5.8m with 1.2m of fill above Natural Ground Level (NGL) on eastern elevation.

- Colorbond 'Dune' wall cladding, 'Shale Grey' roof with 'Basalt' trimmings and 'Charcoal Lustre' window frames.
- Gable roof with 30° pitch and 5° pitch on verandahs.
- Three (3) 5,000L rainwater tanks.

#### Ancillary Accommodation (Ancillary Dwelling)

- Based on square shed design/frame
- 8m x 8m (64m<sup>2</sup> floor area), internal floor area of 40m<sup>2</sup>.
- One (1) bedroom, open plan kitchen/dining room and bathroom with front verandah.
- Setback 6.8m from the western side boundary and 8.145m from the rear boundary.
- Timber verandah posts with 200mm diameter.
- Wall height of 3m and ridge height of 4.62m with 350mm of fill above NGL on northeastern elevation.
- Colorbond 'Basalt' wall cladding, 'Shale Grey' roof with 'Basalt' trimmings and 'Charcoal Lustre' window frames.
- Open gable roof with 22° pitch.
- 5,000L rainwater tank.

#### Outbuilding

- 12m x 7.5m (90m<sup>2</sup>) floor area.
- Setback 6.8m from the western side boundary.
- Gable roof with a wall height of 3m and ridge height of 4.005m with a 15° pitch. A maximum of 390mm of fill is proposed to northeastern elevation.
- Two (2) roller doors and one (1) personnel door.
- Colorbond 'Basalt' wall cladding, 'Shale Grey' roof with 'Dune' trimmings.
- For storage of vehicles, machinery, equipment and tools.
- Two (2) 5,000L rainwater tanks.

#### Carport

- 8m x 8m (64m<sup>2</sup>) floor area.
- Setback 6.8m from the western side boundary.
- Open Gable roof with a wall height of 2.6m and ridge height of 3.615m with a 15° pitch. A maximum of 240mm of fill is proposed.
- Colorbond 'Shale Grey' roof with 'Basalt' trimmings.
- 5,000L rainwater tank.

#### Swimming Pool

- Plunge pool with brick paving surrounding.
- 2,600mm diameter, 1,600mm deep.
- Pool barrier fence.
- Located behind single house.

A copy of the Development Application is presented in Appendix 2.

The application requires development approval because the proposed single house and ancillary accommodation is based on a shed design or frame which Local Planning Policy P2 – Barn Style Shed Houses does not permit within the York townsite.

Council is requested to determine either to approve the application with conditions or refuse the application and list reasons why.

## COMMENTS AND DETAILS

The application is required to be assessed in accordance with the Scheme, LPP2, LPP13, R-Codes and the *Planning and Development (Local Planning Schemes) Regulations 2015* Schedule 2 Deemed Provisions.

### Local Planning Scheme No. 3

The property is zoned 'Residential' by the Scheme.

A single house is a 'P' use within the Residential Zone, meaning that the use is permitted if it complies with all relevant development standards and requirements of the Scheme.

An ancillary dwelling is ancillary development to a single house and is an 'I' use within the Residential Zone, meaning that the use is permitted if it is consequent on, or naturally attaching, appertaining or relating to the predominant use of the land and it complies with all relevant development standards and requirements of this Scheme.

As the single house and ancillary accommodation are both based on a shed design/frame, LPP2 applies to this development.

The Scheme Aims include:

- *“Protect and enhance the amenity and health of the York community*
- *Facilitate a diversity of lifestyle and housing opportunities that reflect the rural and historic character of the Shire.”*

Residential Zone Objectives, as set out in Part 3, Section 16:

- *“To provide for a range of housing and a choice of residential densities to meet the needs of the community.*
- *To facilitate and encourage high quality design, built form and streetscapes throughout residential areas.*
- *To provide for a range of non-residential uses, in particular tourism and cultural activities, which are compatible with and complementary to residential development.*
- *To achieve a high standard of development and residential amenity that complements the heritage character of York.”*

### SPP7.3 Residential Design Codes

R10 coding applies.

The proposal complies with the provisions of the R-Codes.

#### Local Planning Policy P2 – Barn Style Shed Houses (LPP2)

The intent of the policy is to ensure that residential development is of a high quality to meet the objectives of the zone. The provisions of the policy state that the development of 'barn style' dwellings and any other type of dwelling based on a shed design or frame will not be permitted in the York townsite.

It is considered that the design of the single house and ancillary accommodation has been altered sufficiently to ensure that its appearance does not resemble a shed through the inclusion of verandahs with treated pine posts and numerous double glazed lean windows to the front and rear elevations, and therefore meets the following objectives of the policy:

- *“To achieve a high stand of development and residential amenity.*
- *To protect the natural and historic beauty of the York town site.*
- *To make provisions as to the nature and location of residential buildings.*
- *To ensure infill residential development in heritage precincts and near heritage places to be of a high standard and not to detract from the place or precinct.”*

The proposed outbuilding and carport comply with LPP13.

The existing amenity in the locality consists mainly of single houses with a variety of roof designs including gable, hip and cross-hipped roof construction. The majority of the single houses are brick with zincalume, tile and colorbond roofs. It is noted that Brunswick Road was included in Local Planning Policy – Restriction on Building Materials, which was revoked by Council in May 2012. This policy only allowed for dwellings, extensions or renovations to external walls to be constructed of brick, stone or other like substances and was considered too restrictive and did not reflect current building design.

The proposed single house and ancillary accommodation involves a gable roof design with verandahs and Colorbond roof/wall sheeting. The proposal differs from others on the street in its design and features. However, the proposed development is in harmony with the broader neighbourhood.

The proposal was referred to adjoining neighbours, inviting comment within a period of fourteen (14) days ending on 24 June 2024. No submissions were received.

## **OPTIONS**

Council has the following options:

**Option 1:** Council could choose to approve the application with conditions.

**Option 2:** Council could choose to refuse the application and list the reasons for refusal.

**Option 3:** Council could choose to approve the application and list modified conditions.

Option 1 is the recommended option.

## **IMPLICATIONS TO CONSIDER**

### **Consultative**

The development was referred to all adjoining neighbours for a period of fourteen (14) days ending on 24 June 2024.

No submissions were received prior to the close of the referral period objecting to the proposal.

### **Strategic**

#### Strategic Community Plan 2020-2030

Goal 4: Built for lifestyle and resilience

To have a built environment which supports community, economy and the environment, respects the past and creates a resilient future.

### **Policy Related**

There are no adverse policy implications, as assessed in this report, that will result from the approval of this proposal.

### **Financial**

There are no immediate financial implications for the Shire, aside from the administrative costs associated with processing the application which are provided for in the annual budget and have been offset in part by the development application fee paid by the applicant. All costs associated with the development have and will continue to be met by the landowner.

It is significant to note should the applicant/landowner be aggrieved by Council's final decision in this matter, they have the right seek a formal review of that decision by the State Administrative Tribunal. Should this occur, the Shire would need to respond. The cost to respond to an appeal cannot be determined at this preliminary stage but could be expected, based on the recent experience of other local government authorities in Western Australia, to range anywhere from \$5,000 to \$60,000 excluding GST depending upon how far the matter proceeds through the review process.

### **Legal and Statutory**

Local Planning Scheme No.3

*Planning and Development Act 2005*

*Planning and Development (Local Planning Schemes) Regulations 2015*

*Local Planning Policy P2 – Barn Style Shed Houses*

*Local Planning Policy P13 – Outbuildings in R-Coded Areas*

**Risk Related**

A risk assessment of the proposal has been undertaken, and there was no medium to high risks identified with the proposal. Standard appeal rights to the State Administrative Tribunal are available to the applicant as explained previously above (see Financial Implications).

**Workforce**

The scope of this report is managed within current operational capacity.

**VOTING REQUIREMENTS**

**Absolute Majority:    No**

**RECOMMENDATION**

**That, with regard to the Development Application - Construction of Barn Style Shed House and Ancillary Accommodation with R-Code Variations - Lot 90 (51) Brunswick Road, York, Council:**

- 1. Approves the development application for the construction of a Barn Style Shed House and Ancillary Accommodation at Lot 90 (51) Brunswick Road, York, subject to the following conditions:**
  - a. The development hereby approved shall be substantially commenced within two (2) years of the date of this decision notice unless otherwise approved by the local government.**
  - b. The development hereby approved shall be undertaken in accordance with the signed and stamped approved development plans enclosed, including any notes placed thereon in red by the local government and except as may be modified by the following conditions.**
  - c. Any additional development which is not in accordance with the application the subject of this approval or any condition of approval will require the further approval of the local government.**
  - d. The proposed development shall be connected to reticulated electricity and water supply infrastructure to the specifications and satisfaction of the relevant service providers prior to its occupation and use.**
  - e. An adequate on-site effluent disposal system, as determined by the local government's Environmental Health Officer, shall be installed with all such work to be undertaken to the specifications and satisfaction of the local government's Environmental Health Officer prior to occupation and use of the proposed development.**
  - f. All stormwater drainage from the proposed development shall be managed and disposed on-site to the specifications and satisfaction of the local government unless otherwise approved by the local government.**
  - g. Prior to occupation of the development, a vehicle crossover shall be constructed along the land's primary street frontage to the specifications and satisfaction of the local government.**
  - h. Prior to occupancy of the development, privacy screening shall be installed which is visually impermeable and is to comply in all respects with the requirements of Clause 5.4.1 of the Residential Design Codes (Visual Privacy) deemed-to-comply provisions, to the satisfaction of the local government.**

**Advice Notes**

- 1. If the development the subject of this approval is not substantially commenced within a period of two (2) years, or another period specified in the approval after the date of determination, the approval will lapse and be of no further effect.**
- 2. Where an approval has lapsed, no development must be carried out without the further approval of the local government having first been sought and obtained. Should the approval period lapse, a new planning application with relevant retrospective fees may be required by the Shire of York.**
- 3. This is a development approval of the Shire of York under its Local Planning Scheme No. 3. It is not a building permit or an approval to commence or carry out development under any other law. It is the responsibility of the applicant/landowner to obtain any other necessary approvals, consents, permits and licenses required under any other law, and to commence and carry out development in accordance with all relevant laws.**

4. If the applicant or owner is aggrieved by this determination, there is a right of review by the State Administrative Tribunal in accordance with Part 14 of the *Planning and Development Act 2005*. An application must be made within twenty-eight (28) days of the determination.
5. In accordance with the *Building Act 2011* and *Building Regulations 2012*, a building permit application must be prepared, submitted to and approved by the local government's Building Surveyor prior to the commencement of any demolition, construction or earthworks on the land. Please contact the Shire's Building Surveyor for further information.
6. Failure to comply with any of the conditions of this development approval constitutes an offence under the provisions of the *Planning and Development Act 2005* and the Shire of York Local Planning Scheme No. 3 and may result in legal action being initiated by the local government.
7. An 'Application to Construct or Install an Apparatus for the Treatment of Sewage' prepared pursuant to the specific requirements of the *Health (Treatment of Sewage and Disposal of Effluent and Liquid Waste) Regulations 1974* must be prepared and submitted to the local government's Environmental Health Officer for consideration and determination prior to preparation and lodgement of a building permit application.
8. An application to construct a new crossover is required pursuant to Regulation 12 of the *Local Government (Uniform Local Provisions) Regulations 1996*.

#### COVER LETTER for Development Approval

To: York Shire

Attention: Planning Department

Attached is a development application for a New Single House, Shed, Carport, Swimming/splash pool, Granny Flat and ATU septic system which is to be constructed at 51 Brunswick Road, York, WA, 6302. The lot is currently vacant with no existing buildings or structures on it.

Although this property is a R10 Code Residential property, we have no plans to subdivide the property and want to keep it a spacious family residence.

The house comprises of 4 bedrooms, a study and 2 bathrooms and will be a steel structure with Colourbond roof and Colourbond exterior wall cladding. As the structure of the house is a Class A1 building, we are making certain changes to make it less shed-like and more residence-like;

- Roof pitch to be 30°.

- The veranda posts at the back and front will comprise of 200mm diameter timber posts.

- The windows on the west side of the house, the front of the house at the study and the windows at the back of the house at the lounge area, are leaner and taller windows (double glazed) than the rest of the house, allowing natural light in and to give it a beautiful residential look.

- A veranda at the North side (front) of the house and a wider veranda at the South side (back) of the house, allows for sun protection and outdoor living space.

**Proposes and existing access** ways are to be at the Northern front corner of the property and the driveway will run to the South side of the property, allowing access to the rest of the property.

As the property is zoned R10, an **Aerobic Treatment Unit** to be installed. The ATU system will have 200sqm below ground drip irrigation and will be installed as per Shire Regulations.

The property is **not within a bushfire prone area**; therefore, a BAL report has not been completed.

The proposed **colour schedule** is as follows:

**House: Main family home.**

- Roof to be Shale Grey
- Exterior walls to be Dune
- Trimnings, including down pipes/gutters, to be Basalt
- Window frames from Janson's Windows, to be Charcoal Lustre
- Veranda timber posts 200mm x 200mm treated pine

**Out building - Granny Flat: For the use of future retirement, visitors.**

- Roof to be Shale Grey
- Exterior walls to be Basalt
- Trimnings, including down pipes/gutters, to be Basalt
- Window frames from Janson's Windows, to be Charcoal Lustre
- Veranda timber posts 200mm x 200mm treated pine

**Outbuilding - Shed: For the use of vehicle storage and machinery, equipment, tools.**

- Roof to be Shale Grey
- Exterior walls to be Basalt
- Trimnings to be in Dune, including down pipes/gutters

**Carport – For the use of vehicles:**

- Roof to be Shale Grey
- Trimnings, including down pipes/gutters to be Basalt

For **Drainage and storm water**; All buildings and carport down pipes/gutters to run into multiple rain water tanks, no tanks exceeding 5000l, to ensure, water runoff from the roofs of all buildings and structures are captured and used in the summer to water the garden and lawn.

**Setbacks:**

- East Side Setback – 6m from house
- West Side Setback – 6.8m from house
- North Side Setback – west corner, 10m and east corner, approximately 17m to front of house.
- South Side Setback – 10 from Granny Flat

**Justification:**

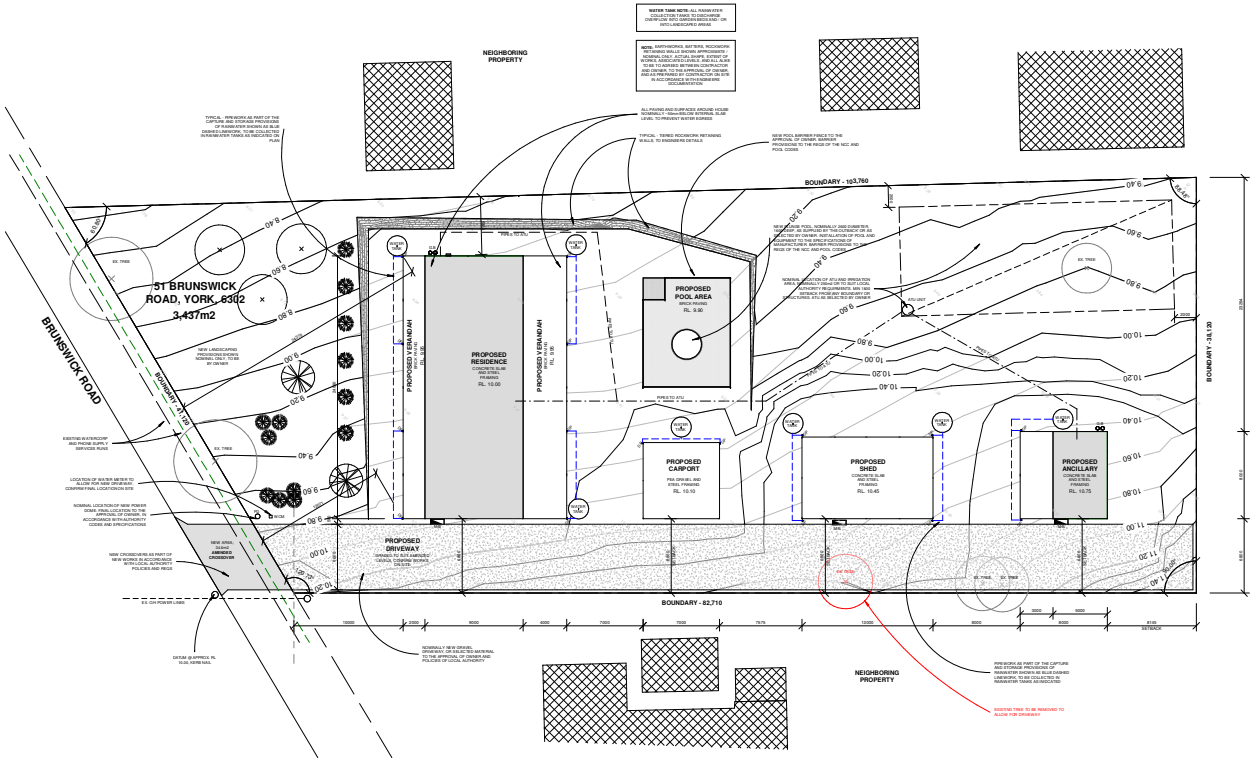

- We've decided on Owner Builder, as the waiting time for Building Companies are too long (two year and more) and the cost is unaffordable.
- We are currently renting at very high cost to our family and the cost of living is constantly rising, as is the rental market, not to mention how difficult it is to find a rental or a suitable rental property.
- Although this is a Class 1A house design and granny flat design, we have incorporated residential windows, both toughened glass and double-glazed windows where applicable and different size windows, and also incorporated back and front verandas for the main house and also a veranda/carport for the granny flat.
- Instead of using the usual steel posts for the house and granny flat, we've opted to use 200mm x 200mm treated timber posts, which will also blend in with the surrounding natural look and beautiful historical buildings of York.
- We could not find a suitable kit home and asked our designer and supplier to assist us on a design that would be suitable for our family.
- This Class 1A buildings will present as a residential building with the higher roof pitch of 30°, colours we've chose to represent a residential home and the different size windows and veranda areas to be supported by timber posts
- We have incorporated a sliding door at the main bedroom and the lounge area and beautiful timber doors with glass insets for the main entrance door and laundry door.
- Splash pool to be stainless steel with beautiful timber decking on the one side and fenced to accordance to pool fencing regulations, with a view toward Mt Brown.
- As the front of the property on the North side, runs at an angle and there will be space ample available, raised garden beds and flower boxes, with trees and a new fence to be erected to hide the residence from the road frontage.

Thank you for your assistance with our application and please let us know if more information is required.

Kind regards

James and Bernice Rowan

**SY061-07/24 DEVELOPMENT APPLICATION - CONSTRUCTION OF BARN STYLE SHED HOUSE AND OVER HEIGHT OUTBUILDING - LOT 77 (78) NEWCASTLE STREET, YORK**

<b>File Number:</b>	<b>4.7544</b>
<b>Author:</b>	<b>Sharla Simunov, Planner</b>
<b>Authoriser:</b>	<b>Lindon Mellor, Executive Manager Infrastructure &amp; Development Services</b>
<b>Previously before Council:</b>	<b>Not Applicable</b>
<b>Disclosure of Interest:</b>	<b>Nil</b>
<b>Appendices:</b>	<b>1. Location Plan <a href="#">↓</a></b> <b>2. Development Application <a href="#">↓</a></b>

**NATURE OF COUNCIL'S ROLE IN THE MATTER**

Quasi-judicial

**PURPOSE OF REPORT**

For Council to determine a development application to construct a single house and over height outbuilding at Lot 77 (78) Newcastle Street, York. The application proposes a variation to both Local Planning Policy P2 – Barn Style Shed Houses (LPP2) and Local Planning Policy P13 – Outbuildings in R-Coded Areas (LPP13).

**BACKGROUND**

Lot 77 (78) Newcastle Street, York (referred to herein as the property) is 2,034m<sup>2</sup> in area and is currently vacant of development. The property is zoned Residential with a density code of R5 under the Shire of York's Local Planning Scheme No. 3 (Scheme).

A Location Plan is presented in Appendix 1.

A development application was submitted on 19 April 2024 which proposes to construct a single house and outbuilding which will be:

Single House

- Based on square shed design/frame.
- Two-bedroom, open plan kitchen/dining/living room, bathroom/laundry and verandah.
- 13m x 13m (169m<sup>2</sup> floor area), internal floor area of 70m<sup>2</sup>.
- Setback 38.6m from Newcastle Street, 4.09m from the northern side boundary and 8.87m from the rear.
- Wall height of 3m and ridge height of 4.1m with 310mm of fill above Natural Ground Level (NGL) on the western elevation.
- Colonial style window design.
- Dark blue corodek walls, silver corodek roof with white trim.
- Open Gable roof with 15° pitch and 6° pitch on verandah.
- 22,000L rainwater tank.

Outbuilding

- 10m x 9m (90m<sup>2</sup>) floor area.
- Setback 3.5m from the southern side boundary and 8m from the rear boundary.

- Gable roof with a wall height of 4m and ridge height of 5.21m with a 15° pitch. A maximum of 100mm of fill is proposed.
- Be constructed of Colourbond steel. Dark blue walls with silver roof and white trim.
- 22,000L rainwater tank.

A copy of the Development Application is presented in Appendix 2.

The application requires development approval because the proposed single house is based on a shed design or frame which Local Planning Policy P2 – Barn Style Shed Houses does not permit within the York town site and the ridge height of the proposed outbuilding exceeds that permitted by Local Planning Policy P13 - Outbuildings in R-Coded Areas. The application has been presented to Council for determination due to the extent of the variations.

Council is requested to determine either to approve the application with conditions or refuse the application and list reasons why.

## COMMENTS AND DETAILS

The application is required to be assessed in accordance with the Scheme, LPP2, LPP13, State Planning Policy 7.3 - Residential Design Codes (R-Codes) and the *Planning and Development (Local Planning Schemes) Regulations 2015* Schedule 2 Deemed Provisions.

### Local Planning Scheme No. 3

The property is zoned 'Residential' by the Scheme.

A single house is a 'P' use within the Residential Zone, meaning that the use is permitted if it complies with all relevant development standards and requirements of the Scheme. As the single house is based on a shed design/frame, LPP2 applies to this development.

An outbuilding is ancillary development to a single house and is permitted development which is exempt from planning consent, except where it requires variation under the Scheme, R-Codes or Local Planning Policy. The proposed outbuilding involves variation to LPP13 because it exceeds the maximum ridge height permitted.

The Scheme Aims include:

- *"Protect and enhance the amenity and health of the York community"*
- *"Facilitate a diversity of lifestyle and housing opportunities that reflect the rural and historic character of the Shire."*

Residential Zone Objectives, as set out in Part 3, Section 16:

- *"To provide for a range of housing and a choice of residential densities to meet the needs of the community."*
- *"To facilitate and encourage high quality design, built form and streetscapes throughout residential areas."*
- *"To provide for a range of non-residential uses, in particular tourism and cultural activities, which are compatible with and complementary to residential development."*
- *"To achieve a high standard of development and residential amenity that complements the heritage character of York."*

### SPP7.3 Residential Design Codes

R5 coding applies.

5.4.1 Visual Privacy	The FFL on the northern side of the dwelling is less than 0.5m from NGL. There is no overlooking present.	Complies.

The proposal complies with the provisions of the R-Codes.

#### Local Planning Policy P2 – Barn Style Shed Houses (LPP2)

The original plans proposed a square shed design/frame with a dark blue corodek cladding. Through negotiations with the applicant, the cladding of the proposed single house has been amended to hardiplank weatherboards to ensure that it does not appear as a shed or barn.

The intent of the policy is to ensure that residential development is of a high quality to meet the objectives of the zone. The provisions of the policy state that the development of 'barn style' dwellings and any other type of dwelling based on a shed design or frame will not be permitted in the York town site.

It is considered that the design of the dwelling has been altered sufficiently to ensure that its appearance does not resemble a shed through the inclusion of colonial style windows, verandahs and hardiplank weatherboard cladding, and therefore meets the following objectives of the policy:

- *“To achieve a high stand of development and residential amenity.*
- *To protect the natural and historic beauty of the York town site.*
- *To make provisions as to the nature and location of residential buildings.*
- *To ensure infill residential development in heritage precincts and near heritage places to be of a high standard and not to detract from the place or precinct.”*

15.	Does not require the removal of existing protected Flora.	N/A																														

The existing amenity in the locality consists mainly of single houses with a variety of roof designs including gable, hip and cross-hipped roof construction, a variety of materials such as brick, weatherboard, hardiplank and colorbond with zincalume, tile and colorbond roofs. There are also two (2) American barn style shed houses within close proximity to the property that were approved prior to LPP2 being adopted.

The proposed single house involves an open gable roof with verandah on three (3) sides, corodek roof sheeting and colorbond gutters and fascia with hardiplank weatherboard wall cladding.

Overall, the architectural style of the proposed development with the materials and design of the single house and outbuilding is considered compatible with existing development in the locality.

The proposal was referred to adjoining neighbours, inviting comment within a period of fourteen (14) days ending on 20 June 2024. No submissions were received.

## OPTIONS

Council has the following options:

**Option 1:** Council could choose to approve the application with conditions.

**Option 2:** Council could choose to refuse the application and list the reasons for refusal.

**Option 3:** Council could choose to approve the application and list modified conditions.

Option 1 is the recommended option.

## **IMPLICATIONS TO CONSIDER**

### **Consultative**

The development was referred to all adjoining neighbours for a period of fourteen (14) days ending on 20 June 2024.

No submissions were received prior to the close of the referral period objecting to the proposal.

### **Strategic**

#### Strategic Community Plan 2020-2030

Goal 4: Built for lifestyle and resilience

To have a built environment which supports community, economy and the environment, respects the past and creates a resilient future.

### **Policy Related**

There are no adverse policy implications, as assessed in this report, that will result from the approval of this proposal.

### **Financial**

There are no immediate financial implications for the Shire, aside from the administrative costs associated with processing the application which are provided for in the annual budget and have been offset in part by the development application fee paid by the applicant. All costs associated with the development have and will continue to be met by the landowner.

It is significant to note should the applicant/landowner be aggrieved by Council's final decision in this matter, they have the right seek a formal review of that decision by the State Administrative Tribunal. Should this occur, the Shire would need to respond. The cost to respond to an appeal cannot be determined at this preliminary stage but could be expected, based on the recent experience of other local government authorities in Western Australia, to range anywhere from \$5,000 to \$60,000 excluding GST depending upon how far the matter proceeds through the review process.

### **Risk Related**

A risk assessment of the proposal has been undertaken, and there was no medium to high risks identified with the proposal. Standard appeal rights to the State Administrative Tribunal are available to the applicant as explained previously above (see Financial Implications).

### **Workforce**

The scope of this report is managed within current operational capacity.

**VOTING REQUIREMENTS**

**Absolute Majority:    No**

**RECOMMENDATION**

**That, with regard to the Development Application - Construction of Barn Style Shed House and Over Height Outbuilding - Lot 77 (78) Newcastle Street, York, Council:**

- 1. Approves the development application for the construction of a Barn Style Shed House and Over Height Outbuilding at Lot 77 (78) Newcastle Street, York, subject to the following conditions:**
  - a. The development hereby approved shall be substantially commenced within two (2) years of the date of this decision notice unless otherwise approved by the local government.**
  - b. The development hereby approved shall be undertaken in accordance with the signed and stamped approved development plans enclosed, including any notes placed thereon in red by the local government and except as may be modified by the following conditions.**
  - c. Any additional development which is not in accordance with the application the subject of this approval or any condition of approval will require the further approval of the local government.**
  - d. The proposed development shall be connected to reticulated electricity and water supply infrastructure to the specifications and satisfaction of the relevant service providers prior to its occupation and use.**
  - e. An adequate on-site effluent disposal system, as determined by the local government's Environmental Health Officer, shall be installed with all such work to be undertaken to the specifications and satisfaction of the local government's Environmental Health Officer prior to occupation and use of the proposed development.**
  - f. All stormwater drainage from the proposed development shall be managed and disposed on-site to the specifications and satisfaction of the local government unless otherwise approved by the local government.**
  - g. Prior to occupation of the development, a vehicle crossover shall be constructed along the land's primary street frontage to the specifications and satisfaction of the local government.**

**Advice Note**

- 1. If the development the subject of this approval is not substantially commenced within a period of two (2) years, or another period specified in the approval after the date of determination, the approval will lapse and be of no further effect.**
- 2. Where an approval has lapsed, no development must be carried out without the further approval of the local government having first been sought and obtained. Should the approval period lapse, a new planning application with relevant retrospective fees may be required by the Shire of York.**
- 3. This is a development approval of the Shire of York under its Local Planning Scheme No. 3. It is not a building permit or an approval to commence or carry out development under any other law. It is the responsibility of the applicant/landowner to obtain any other necessary approvals, consents, permits and licenses required under any other law, and to commence and carry out development in accordance with all relevant laws.**
- 4. If the applicant or owner is aggrieved by this determination, there is a right of review by the State Administrative Tribunal in accordance with Part 14 of the *Planning and Development Act 2005*. An application must be made within twenty-eight (28) days of the determination.**
- 5. In accordance with the *Building Act 2011* and *Building Regulations 2012*, a building permit application must be prepared, submitted to and approved by the local**

government's Building Surveyor prior to the commencement of any demolition, construction or earthworks on the land. Please contact the Shire's Building Surveyor for further information.

6. Failure to comply with any of the conditions of this development approval constitutes an offence under the provisions of the *Planning and Development Act 2005* and the Shire of York Local Planning Scheme No. 3 and may result in legal action being initiated by the local government.
7. An 'Application to Construct or Install an Apparatus for the Treatment of Sewage' prepared pursuant to the specific requirements of the *Health (Treatment of Sewage and Disposal of Effluent and Liquid Waste) Regulations 1974* must be prepared and submitted to the local government's Environmental Health Officer for consideration and determination prior to preparation and lodgement of a building permit application.
8. An application to construct a new crossover is required pursuant to Regulation 12 of the *Local Government (Uniform Local Provisions) Regulations 1996*.

LOCATION PLAN – LOT 77 (78) NEWCASTLE STREET, YORK

Shire of YORK

5<sup>th</sup> June 2024

RE: 78 Newcastle Street, YORK 6302

To whom it may concern;

### **Proposed Shed**

The proposed shed, with a ridge height of 5.21m, will not detract from the streetscape or the visual amenity of residents or neighbouring properties as they are located in the rear corner of the property, facing the garage/shed of the adjoining property. The height is required for the overall aesthetics of the property and adjoining property and for ventilation during the summer months.

The shed will be situated at the rear of the block and is proposed to be lower than the barn style dwelling at 76 Newcastle Street. It will also be a similar height to the neighbouring shed at 80 Newcastle Street, please refer to the image below:

### **Proposed colours of [REDACTED] Outbuilding**

Dark Blue walls  
Silver Roof sheets  
White trim

### **Proposed Dwelling**

With regard to the proposed dwelling on site, a barn style dwelling has been built on a neighbouring property at 76 Newcastle Street, York:

As this has been permitted to be built next door to my proposed dwelling, we believe the Shire of York have set a precedent of approving this type of development in the area.

In comparison, the dwelling being proposed at 78 Newcastle Street is a single storey structure, located at the rear of the property, to become an ancillary dwelling once the main residence is built in front of the proposed dwelling. Whereas the barn style dwelling at 78 Newcastle Street is the main residence and is located at the front of the property, therefore being far more prominent and having a higher impact on the streetscape and surrounding areas.

The main residence is planned to be constructed in 2030. At this time the proposed dwelling will go through a change of use with council to become an ancillary structure. This is why the floor area of the proposed dwelling is 70m<sup>2</sup> to ensure compliance with the ancillary dwelling requirements.

The homeowners will be planting a native garden in front of the proposed dwelling to act as screening from the street. This will help to reduce the impact on the streetscape prior to the construction of the main residence. The homeowners have selected colonial style windows to create a dwelling with the look and feel of a single storey colonial miners or agricultural cottage. We believe this fits well with the surrounding area and suits York's colonial heritage.

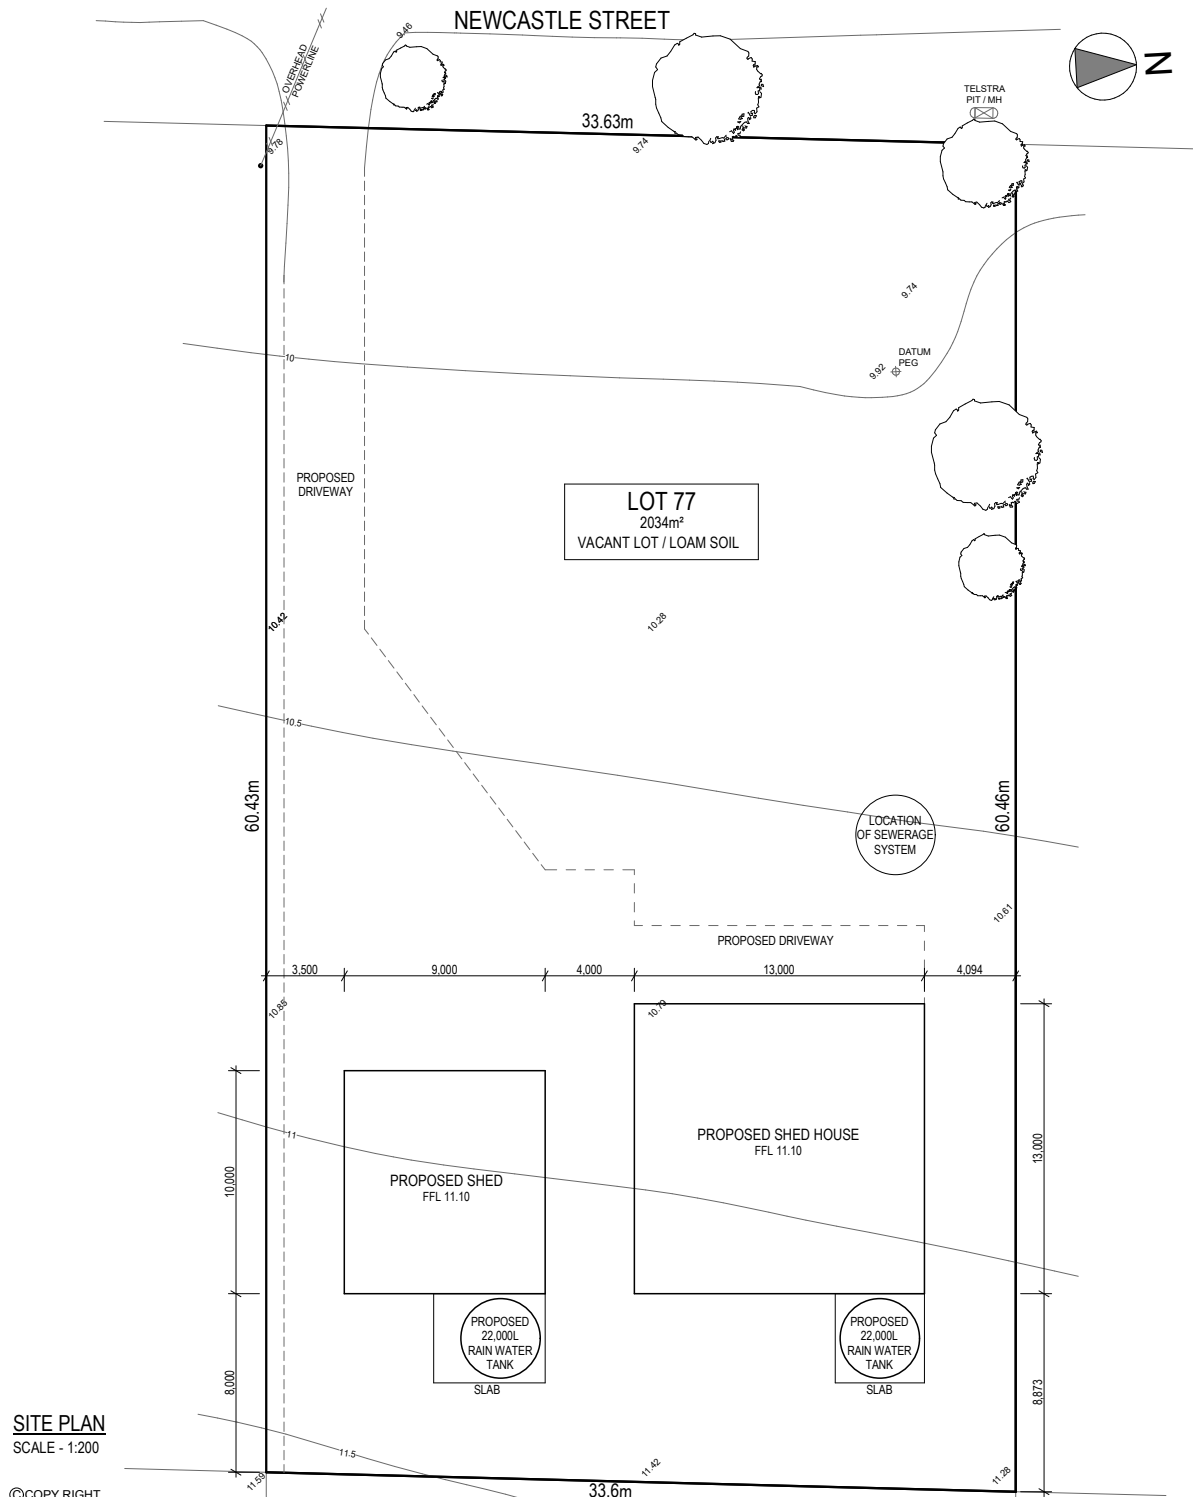

**Proposed colours of dwelling:**

Dark Blue walls  
Silver Roof sheets  
White trim

**NATURE OF COUNCIL'S ROLE IN THE MATTER**

Executive

**PURPOSE OF REPORT**

This report presents the acquittals received from funded activities and projects delivered between November 2023 – June 2024 for Council's review.

Acquittals include funding provided for stand-alone projects and initiatives as well as organisations who receive recurrent (multiyear) funding from the Shire.

**BACKGROUND**

Policy C3 - Community Funding: Grants and Sponsorship and Policy C4 - Sponsorship of Tourism Events provide the parameters for considering applications for Shire financial and in-kind support. Two (2) rounds of sponsorship are opened to the community each year for a minimum four (4) week period. Applications are considered against the criteria contained in Council policies and guidelines and recommendations approved by Council at its next available meeting.

Historically, the Shire has provided support for activities, infrastructure improvements for facilities and funding for events that contribute to the Shire's community, social and economic objectives.

In certain circumstances, where Council sees significant benefit to the community of maintaining support for a project or activity on an on-going basis it may resolve to consider, via the Integrated Planning and Reporting Framework review cycle or the Annual Budget process, inclusion as a Multiyear Funding Agreement (MFA).

In both instances, acquittal reporting is a requirement of sponsorship. Dependant on the size, scale and frequency of funding, acquittal reporting detail varies. At minimum acquittal reports must include:

1. Key outcomes
2. Lessons learned
3. Community benefits
4. How the Shire was acknowledged
5. Budget detailing how the monies were spent

At its November 2023 Ordinary Meeting Council considered the applications received through the Community Funding program and resolved in part (111123):

***“That, with regard to Community Funding Applications, Council:***

1. ***Approves the following community funding requests totalling \$9,000 to be funded from budget allocations as presented in confidential Appendix 2:***

<b><i>APPLICANT</i></b>	<b><i>PURPOSE OF FUNDING</i></b>	<b><i>REQUEST</i></b>
<b><i>York Golf Club</i></b>	<b><i>To improve the appearance of the club house and amenities facilities</i></b>	<b><i>\$2,000</i></b>

The funding for the RSL MFA was considered by Council at its May 2021 Ordinary Meeting, where it resolved (080521):

***“That Council:***

1. ***Authorises the Chief Executive Officer to renew multi-year funding agreements for the following activities and events that occur on an annual basis to commence following the adoption of the 2021/22 financial budget:***
  - ***York Agricultural Society – York Show (\$11,000)***
  - ***Premiere Events – York Motorcycle Festival (\$22,500)***
2. ***Authorises the Chief Executive Officer to negotiate new funding agreements for the following activities and events that occur on an annual basis to commence following the adoption of the 2021/22 financial budget:***
  - ***York Veteran Car Club – York Motor Show (\$10,000)***
  - ***York RSL – ANZAC day (\$3,000)***
3. ***Authorises the Chief Executive Officer to make any necessary minor typographical and formatting changes to the funding agreements.***
4. ***Approves the Shire President and Chief Executive Officer to engross the final agreements.***

## COMMENTS AND DETAILS

The following table summarises the community funding recipient acquittals received.

**TABLE 1.**

<b>ORGANISATION</b>	<b>PURPOSE</b>	<b>PROVISION</b>	<b>ACQUITTAL SUMMARY</b>
York Golf Club	Club House Amenities upgrades	\$2,000	Improvements to men's changerooms and toilets completed, extending the facility's longevity and improving the potential of the club to host tournaments and events, and encourage RV Tours (already booked for September). Family day and Junior Program planned for this season. Shire credited in event posters, speeches and all marketing.

In addition, the following table summarises acquittals received from MFA organisations.

**TABLE 2.**

<b>ORGANISATION</b>	<b>PURPOSE</b>	<b>PROVISION</b>	<b>ACQUITTAL SUMMARY</b>
RSL	ANZAC Day Services (x2) and March	\$3,000	Dawn Service at Wongborel/Mt Brown attended by ~150+; Gunfire Breakfast attended by ~150+, service at War Memorial attended by 250+. In addition a pre-ANZAC Day service was conducted at Ballardong Nursing Home by a member of the RSL and YDHS attended by York Sub Branch President and a wreath laid. Shire acknowledged on service programmes, signage, in speeches and on event flyers and posters.
Wheatbelt Arts & Events Inc	York Festival 2023	\$28,500	A total of approximately twenty-three (23) events with ~1,200 attendees, resulting in total economic benefit of ~\$238,000. Revenue from the events is invested back into the delivery of events. Thirteen (13) local volunteers assisted in the delivery of the various activities. Community engagement undertaken: eight (8) x consultations with Bilya Gogulyar Boodja Aboriginal Corp. Shire acknowledged in social media posts, media releases (radio and editorial pieces in the ABC & BBC news),

			printed event programmes, e-newsletters, roadside banners, website, in opening speeches and on Volunteers T-Shirts.

The acquittals are presented in Appendices 1 and 2.

### In Summary:

1. With regards to Community Funding, the \$2,000 provided to the Golf Club for renovations has already increased the capacity of the club to host events and attract more visitors through various competition days and tournaments, including Golf WA RV Tours, which have already booked for September 2024 (i.e approximately thirty (30) RV's)
2. With regards to MFA provided to the RSL York Subbranch, it is noted that:
  - a. This is the final year of funding under the RSL's existing multi-year agreement.
  - b. The rising costs associated with traffic management for these events is presenting a burden for the RSL and there is concern these long-established events may not be able to continue in their present format. Indicative quotes being in the region of \$8,000 - \$11,000 for conforming personnel and equipment in order to comply with Local Area Traffic Management Plans.
  - c. There was an underspend of \$630 on the funding provided by the Shire. Final payment of the 20% allocation will not be made, and an invoice raised to recover funds already sent but not expended.
3. With regards to funding provided through MFA to Wheatbelt Arts & Events Inc it is noted that:
  - a. This is the first year of funding under Wheatbelt Arts & Events Inc current multi-year agreement.
  - b. Much of the funding required to deliver the Festival in September 2023, including the Shire's funding, was not confirmed until August 2023. The consequence being that the September program was delivered over three (3) events in September 2023, January 2024 and April 2024, and resulted in the later acquittal date accordingly.
4. Funded events continue to support delivery of Council's strategic, economic and community objectives.

### OPTIONS

Council has the following options:

**Option 1:** Council could choose not to accept the acquittals as presented.

**Option 2:** Council could choose to seek further details from the funded organisations.

**Option 3:** Council could choose to accept the acquittals as received.

Option 3 is the recommended option.

### IMPLICATIONS TO CONSIDER

#### Consultative

In preparation of this report:

1. Debrief communications with each funded organisation.
2. Debrief meetings with the Shire events team.
3. Review of received acquittal documents.

#### Strategic

Strategic Community Plan 2020-2030

**Goal 1: The Place to Be**

To be a close-knit community, full of life, in a welcoming and accessible place for all.

**Goal 5: Strong Leadership and Governance**

To have effective and responsive leadership and governance, where a sense of collective purpose and shared direction combine to work together.

**Policy Related**

C3 Community Funding; Grants & Sponsorship

C4 Sponsorship of Tourism Events

**Financial**

The financial implications have been detailed earlier in this report and are included in each acquittal report. Council could request more detailed financial reporting and/or audited financial statements from funded organisations. However, this approach would need to be provided as part of a review of the overall community funding program and engagement options to consult with the community identified as part of this process prior to the inclusions being implemented.

**Legal and Statutory**

Nil in relation to the receipt of the acquittals.

**Risk Related**

Should Council choose not to accept the acquittals, this poses a reputational and compliance risk which is considered moderate and a potential financial risk which is also rated moderate. Regular reporting in accordance with MFA and policy requirements including acceptance of acquittals through resolution provides acceptable treatment controls to manage the risks identified.

**Workforce**

Time to review and monitor the acquittal reporting process is managed within existing resources.

**VOTING REQUIREMENTS**

**Absolute Majority: No**

**RECOMMENDATION**

**That, with regard to the Sponsorship Acquittals - York Golf Club, York RSL and Wheatbelt Arts & Events Inc, Council:**

- 1. Accepts the following acquittal report for Community Funding:**
  - a. York Golf Club, as presented in Appendix 1.**
- 2. Accepts the following acquittal reports for Multi-year Funding Agreements:**
  - a. York RSL**
  - b. Wheatbelt Arts & Events Inc., both presented in Appendix 2.**
- 3. Notes that Officers will invoice the York Sub-Branch of the RSL for funds unspent in the 2023/24 financial year.**

**Type of Project Funded :** Tourism Festival

**Organisation Name (name of group funded):** Wheatbelt Arts & Events Inc

**Date funding was granted:** 2023

**Date project was delivered:** 2023-24

### **Describe the key outcomes of your project:**

2023 came with significant funding challenges that ultimately produced a total income of \$79,420 compared to \$450,000-\$500,000 in each of 2021 and 2022. In addition, much of the funding required to deliver a festival in September 2023, including the Shire's funding, was not confirmed until August 2023, too late to be able to deliver the September program. The consequence of this meant that the September program was delivered over three events, being Kambarang exhibition of Ballardong Noongar artists (September 2023), Ballardong First (January 2024) and The Autumn Program (April 2024), delivering ~23 events with ~1200 total attendees giving a total economic benefit ~\$238,000.

The Kambarang exhibition exhibited artwork from 5 local artists exhibited in the Sandalwood Yards over a period of 7 days.

Ballardong First was a new event launched in conjunction with the Shire of York's Australia Day commemorations with a program curated and delivered by York's Ballardong Noongar community. The program celebrated Ballardong Noongar culture with a bush tucker picnic, craft workshops, dance performance, music, creation of a community artwork, talks given by local Elders and truth telling sessions. Ballardong First was hailed by Reconciliation WA as offering the way forward for communities to celebrate First Nations culture alongside Australia Day commemorations and attracted media coverage from the BBC and ABC nationally.

The Autumn program saw WAEi collaborating with Writing WA to present the York Regional Writers Weekend, including the 2nd iteration of the Wheatbelt Short Story competition for unpublished writers.

**What were the key lessons your organisation learned while delivering the project?**

Interest in First Nations culture is growing, although it was felt that the location of the Kamabrang exhibitions at the Sandalwood Yards was too far out of town to capture good visitor numbers.

Ballardong First further demonstrated the growing interest in all aspects of First Nations culture. The BushTucker BBQ was extremely well received with an estimated 250 attendees tasting items from the native menu. The venue used for the workshops and talks was unable to accommodate the number of attendees in comfort, but a simple restructure of the daily schedule next year will resolve this. The Truth telling sessions were also extremely well attended with far more than expected turning up, both local and Perth based Noongar and non-Indigenous visitors. Each session had about 50 participants compared to the anticipated 25.

The Autumn program was a consolidation of the remaining elements in our funding that required delivery in 23/24 and as such was not as cohesive as we would normally program. Whilst the Writers program and the York Dark Corners walking tour were well attended and well received, the other activities aimed at children were under attended. We put this down to timing on the last weekend of school holidays, mixed messaging within the program and saturation of other events on that day.

**How many people benefited from your project?**

Total attendees at all events estimated at 1595. Deducting 25% for returning attendees and 26% for local gives estimated nett attendance of 782. In addition, we had 13 local volunteers who helped with various activities across this period.

Club / Group membership increases (if applicable) N/A

Community engagement undertaken (school incursions, pre or post event workshops, drop in sessions)  
In addition to the above, we held 8 x consultations with Bilya Gogulyar Boodja Aboriginal Corp between November and April, which were attended by an average of six at each meeting?

**How was the Shire of York acknowledged throughout this project?**

Annual Report	N/A

Please include copies of the relevant promotional material acknowledging the Shire's sponsorship – see end of document.

**Did your organisation spend all sponsorship funds granted? If not, why?** YES

**Did your club or organisations derive revenue from the sponsorship?** Not directly, but sponsorship from the Shire of York helped to leverage other sponsorship and enabled us to stage events that generated revenue from ticket sales.

If yes, what is the derived revenue being spent on? Revenue is invested back into delivery of events.

**NATURE OF COUNCIL'S ROLE IN THE MATTER**

Executive

**PURPOSE OF REPORT**

This report presents requests for the renewal of multi-year funding agreements (MFA) for the York RSL and York Agricultural Society (YAS), and a request for a new MFA for the Flour Mill Emporium for Council's consideration.

**BACKGROUND**

Most local governments in Western Australia provide a mechanism for the support of community, business and economic activities. Policies C3 - Community Funding: Grants and Sponsorship and C4 - Sponsorship of Tourism Events provide the parameters for considering applications for support.

In certain circumstances Council has resolved to provide multi-year funding to organisations and/or events that have a demonstrated capacity to contribute to the Shire's objectives annually, and over an extended period.

In accordance with the above policies, multi-year funding agreements can be offered for a maximum of three (3) years and formalised through a written multi-year funding agreement which outlines the obligations of each of the parties.

The multi-year funding agreements for the York RSL and YAS were considered by Council at its May 2021 Ordinary Meeting, where it was resolved (080521):

***"That Council:***

- 1. *Authorises the Chief Executive Officer to renew multi-year funding agreements for the following activities and events that occur on an annual basis to commence following the adoption of the 2021/22 financial budget:***
  - *York Agricultural Society – York Show (\$11,000)***
  - *Premiere Events – York Motorcycle Festival (\$22,500)***
- 2. *Authorises the Chief Executive Officer to negotiate new funding agreements for the following activities and events that occur on an annual basis to commence following the adoption of the 2021/22 financial budget:***
  - *York Veteran Car Club – York Motor Show (\$10,000)***
  - *York RSL – ANZAC day (\$3,000)***

3. ***Authorises the Chief Executive Officer to make any necessary minor typographical and formatting changes to the funding agreements.***
4. ***Approves the Shire President and Chief Executive Officer to engross the final agreements.***
5. ***Requests the Chief Executive Officer to include the above amounts in the 2022/23 and 2023/24 financial years budgeting process."***

## COMMENTS AND DETAILS

### **Renewal of Multi-year Agreements**

#### **1. YAS**

As part of the 2024 acquittal process, the YAS are seeking renewal of their MFA for the next three (3) years from 2024/25 to 2026/27.

The YAS' previous agreement, which expired at the end of June 2024, provided funding as outlined in below.

**TABLE 1.**

<b>RECIPIENT</b>	<b>START</b>	<b>EXPIRY</b>	<b>PROVISIONS</b> (All amounts are ex GST)
YAS	1 July 2021	30 June 2024	\$11,000 per annum paid as milestone payments (90% & 10% on successful acquittal) Financial contribution for the annual York Show

With regards to the YAS' renewal application, it is noted the YAS use funding from the Shire of York specifically for the fireworks display and for generators and technicians to power the Show. Lack of power to outdoor areas at the Forrest Oval precinct is problematic, limiting the layout of the show and incurring additional expense. As such, the amount being requested in this renewal application is substantially more per annum than previous years' allocations i.e approximately an additional 40% in the first year, plus an additional 5% in each of the following two (2) years thereafter, totalling \$57,690 over the three (3) year period.

Officers have investigated upgrading the power supply at the Forrest Oval Precinct to negate the need for generators and technical staff. While further conversation needs to be held with the YAS, the Shire has received a quote of \$14,085 excluding GST and trenching works for the installation of two (2) 3 phase power domes to support the Show and other similar activities. Should this be installed prior to Year 1 of the agreement, funding support to the YAS could be reduced to fireworks only, and in-kind power supply. This would result in a saving between \$10,000 - \$18,000 over the three (3) years of the of the agreement. This saving would be reduced if the upgrade could not be delivered by Year 1 however would still see savings across this and future agreements. Officers recommend supporting the application as it stands but allowing for a reduction in funding when installation is complete.

The YAS are no longer registered for GST and this would need to be updated on a new agreement.

The proposed funding agreement with the YAS is outlined in below.

<b>FINANCIAL YEAR</b>	<b>SPONSORSHIP</b>	<b>FIRST PROGRESS PAYMENT (80%)</b>	<b>FINAL PAYMENT ON ACQUITTAL (20%)</b>
2024/25	\$18,300 ex GST	July 2024	1 June 2025 or earlier upon successful acquittal
2025/26	\$19,215 ex GST	July 2025	1 June 2026 or earlier upon successful acquittal
2026/27	\$20,175 ex GST	July 2026	1 June 2027 or earlier upon successful acquittal

A copy of the YAS' application is presented in confidential Appendix 1.

## 2. York RSL

As part of the 2024 acquittal process, the York RSL are seeking renewal of their MFA for the next three (3) years from 2024/25 to 2026/27, with a request for an increase in funding from \$3,000 to \$3,500 per annum.

The RSL's previous agreement, which expired at the end of June 2024, provided funding as outlined below.

**TABLE 3.**

RECIPIENT	START	EXPIRY	PROVISIONS (All amounts are ex GST)
RSL York Sub Branch	1 July 2021	30 June 2024	\$3,000 per annum paid as milestone payments (90% & 10% on successful acquittal)  Financial contribution to deliver annual ANZAC commemorations

The RSL use these funds to organise the ANZAC Day Dawn Service, Gunfire Breakfast, Street Parade and ANZAC Day service at the War Memorial. These events connect the York community and also bring visitors to York. Over the past three (3) years, the RSL have noted a steady increase in attendees. This has demonstrated the support, enthusiasm and potential for the event, but has also resulted in additional expense, such as increased printing costs to produce service programs.

The RSL rely on funding from the Shire and Lotterywest, along with their own fundraising efforts in order to run these events. The provision of traffic management has presented a serious financial burden in recent years and combined with an ageing and dwindling membership base, threatens to cancel, or curtail, these traditional, commemorative community activities.

Table 4 outlines the proposed funding agreement with the York RSL for Council consideration.

2025/26	\$3,500 ex GST	July 2025	1 June 2026 or earlier upon successful acquittal
2026/27	\$3,500 ex GST	July 2026	1 June 2027 or earlier upon successful acquittal

A copy of the RSL's funding application is presented in confidential Appendix 2.

### **Proposed New Agreement**

In addition to the above, Officers are requesting Council consider entering into a new MFA with the Flour Mill Emporium, in an effort to provide surety of funding and to ease the burden of ongoing paperwork for funding applications on its committee whilst they work towards becoming self-sustaining. The Flour Mill Emporium have received annual funding through the Community Sponsorship rounds over several consecutive years and have had an allocation included in the annual budgeting process for the Meet the Makers program. However, no formal agreement is currently in place.

Eligible applications are assessed against the following criteria:

1. Compliance with guideline and policy
2. Value for investment
3. Community, social and sporting benefit

4. Alignment to the Strategic Community Plan and Corporate Business Plan aspirations and outcomes
5. Level of dedication and proven commitment demonstrated by the applicant (previous funding acquittals, matched funding contributions, project's reach and participation levels)

An assessment panel consisting of the Manager Community & Place, Tourism & Economic Development Coordinator and Finance Manager provided an assessment rating to inform the request and recommendations presented.

Assessment was undertaken against the following scoring criteria.

CRITERIA	SCORING INSTRUCTIONS	ASSIGNED SCORE				
Event Classification	Local/community, Emerging, Major, or Significant event (as described below)					
	<b>Application</b>	<b>1</b>	<b>2</b>	<b>3</b>	<b>4</b>	<b>5</b>
Economic Impact	1 (nil/minor) to 5 (high/significant impact)					
Social Benefit	1 (no/minor benefit) to 5 (high/major benefit)					
Environmental Impact	1 (high negative environmental impact) to 5 (low negative environmental impact)					
Strategic Benefit	1 (nil/minor benefit) to 5 (high/major benefit)					
Promotional Benefit (Benefit to the Shire)	1 (no/minor benefit) to 5 (high/major benefit)					
<b>Total</b>						

The assessment panel considers the merits of each request in accordance with Policy C3 - Community Funding Grants & Sponsorship and its associated guidelines.

With regards to the Flour Mill Emporiums application for an MFA, it is noted that the 'Meet the Makers' workshops have been successfully running since 2022, offering community entertainment, encouraging interest in local arts and artisans, supporting local musicians and contributing to York's business, cultural and tourism industries.

The Flour Mill volunteers have been building the Emporium's stock over many years and in opening seven (7) days per week, providing a destination for visitors to York. The premises provides disabled access via ramps, parking and amenities and activities with no participation costs, creating inclusivity for all. The Flour Mill Emporium Inc proposal aligns with the Shire's Strategic Community Plan.

The Flour Mill Emporium Inc is a not-for-profit organisation with all income it receives being invested back into its constitutional objectives of promotion and support of artists, artisans, local traders and tourism ventures in York.

Officers engaged with the applicant to discuss the proposal prior to submission and provided encouragement and guidance around working towards self-sustainability of their initiatives.

The application requests \$4,000 per annum (\$12,000 over three (3) years). However, based on these discussions and assessment against the guidelines and criteria, the recommendation from the Evaluation Panel is to provide staggered funding up to a total of \$9,000 over three (3) years as detailed below.

FINANCIAL YEAR	SPONSORSHIP	FIRST PROGRESS PAYMENT (90%)	FINAL PAYMENT ON ACQUITTAL (10%)
2024/25	\$4,000 ex GST	July 2024	1 June 2025
2025/26	\$3,000 ex GST	July 2025	1 June 2026
2026/27	\$2,000 ex GST	July 2026	1 June 2027

A copy of the Flour Mill Emporium's funding application is presented in confidential Appendix 3.

## OPTIONS

Council has the following options:

**Option 1:** Council could choose to support the Officers' recommendations as presented.

**Option 2:** Council could choose to seek further details from applicants prior to a resolution. Officers do not recommend this option as it is likely to delay the delivery of the proposed programs and create uncertainty regarding the funding required to deliver the outcomes intended.

**Option 3:** Council could choose to reduce the amounts of funding. Officers do not recommend this option as it could result in reduced program outcomes or some events or programs not proceeding as intended.

**Option 4:** Council could choose to reject all applications for funding as presented.

Option 1 is the recommended option.

## IMPLICATIONS TO CONSIDER

### Consultative

Officers have engaged with applicants where required or as detailed in this report and provided opportunity to discuss proposals prior to the applications being submitted.

### Strategic

#### Strategic Community Plan 2020-2030

Goal 1: The Place to Be

To be a close-knit community, full of life, in a welcoming and accessible place for all.

Goal 2: Driving the York Economy Forward

To have a vibrant, diverse and prosperous local economy which creates local jobs, business opportunities and a positive image for the Shire.

Goal 5: Strong Leadership and Governance

To have effective and responsive leadership and governance, where a sense of collective purpose and shared direction combine to work together.

### Policy Related

C3 Community Funding; Grants & Sponsorship

C4 Sponsorship of Tourism Events

### Financial

The previous 2023/24 budget included the following budget allocations for MFA, totalling \$34,000.

TABLE 6.

BUDGET ALLOCATION	GL ACCOUNT	AVAILABLE FUNDING
-------------------	------------	-------------------

MFA Ag Society	132150	\$11,000
Multi-Year Funding	132144	\$10,000
Area Promotion	132145	\$10,000
Public relations – RSL MYF	041112	\$3,000
<b>Total Funding Pool Available</b>		<b>\$34,000</b>

While the 2024/25 Annual Budget had not yet been adopted at the time of compiling this report, allowances will be made to cater for these funding amounts without increase on previous years.

### **Legal and Statutory**

All Council supported events need to comply and be assessed against any statutory policies and legislation. Events funded through the community funding round still require applications and assessment in accordance with the Shire's events approvals process ahead of the event occurring.

### **Risk Related**

Should Council choose not to enter into multi-year funding agreements for recurring activities and event, this poses a reputational risk which is considered moderate to high in this particular instance and a potential financial risk which is rated moderate. Entering into agreements ensures that the expectations on both parties are clear and reduces the risk to ratepayer funds.

### **Workforce**

The scope of this report can be managed utilising existing resources.

### **VOTING REQUIREMENTS**

**Absolute Majority: No**

**RECOMMENDATION**

That, with regard to the Requests for new Multi-Year Funding Agreements, Council:

1. Receives the request for multi-year funding from the York Agricultural Society, as presented in confidential Appendix 1.

**NATURE OF COUNCIL'S ROLE IN THE MATTER**

Executive

**PURPOSE OF REPORT**

This report presents the Confirmed and Unconfirmed Minutes of the Access & Inclusion Advisory Group (the Group) Meetings held between April and June 2024 to Council. Also presented is the Shire of York's Access and Inclusion Plan report for noting.

**BACKGROUND**

At its June 2017 Ordinary Meeting Council resolved in part (120617):

- "3. Establishes an Access and Inclusion Advisory Committee in accordance with the Terms of Reference as attached at Appendix C to this report and requests the Chief Executive Officer to;**
- (a) call for expressions of interest from the community for a period of four weeks for membership of the Access and Inclusion Advisory Committee;**
  - (b) present the nominations received for Council's consideration.**
- 4. Notes that the Access and Inclusion Advisory Committee is a formal committee of Council under Part 5, Division 2 (Sub-division 2) of the Local Government Act 1995."**

The then Access and Inclusion Advisory Committee (the Committee) held a workshop in August 2021 to discuss amendments to the Committee's Terms of Reference as concerns were raised that the:

- 1. The Council process was difficult to follow
- 2. The Terms of Reference were too formal
- 3. Members had limited input into the agenda
- 4. There was limited time for discussion
- 5. The meeting was not a model of accessibility
- 6. Community members cannot see that members are raising issues

The Committee requested that Council consider a different format for the Committee.

At its November 2021 Ordinary Meeting Council considered the future of the Committee and resolved (301121):

***“That, with regard to the Review of the Access and Inclusion Advisory Committee, Council:***

- 1. Resolves not to reform the Access and Inclusion Advisory Committee of Council.***
- 2. Resolves to form a new Advisory Group that meets a minimum of four (4) times a year and then on an as needs basis to inform Council projects.***
- 3. Requests the Chief Executive Officer to develop a new, more inclusive Terms of Reference that:***
  - a. Allows for flexible meeting times, member input into meeting agendas and adequate time for discussion.***
  - b. Showcases a more inclusive meeting model.***
- 4. Requests the Chief Executive Officer to conduct an expression of interest process for members to the new Advisory Group.***
- 5. Notes the minutes of each new Advisory Group Meeting will be reported to Council at the next available Ordinary Meeting.”***

In April 2022 Officers released RFQ 19-2122 EEO (Equal Employment Opportunity) Engagement seeking a suitably qualified and experienced consultant to prepare the Terms of Reference for the new Access and Inclusion Advisory Group (AIAG).

This work was completed and in December 2022 an Expression for Interest (EOI) was released seeking members for the new AIAG. Due to a lack of responses, the EOI remained open for four (4) months after which time only one (1) response was received.

At its May 2023 Concept Forum Council were presented with the progress to date with Officers seeking direction following the low response rate. It was agreed a more targeted approach would be undertaken in the second call for nominations.

A further call for nominations was undertaken in March 2024 with Officers reaching out to community members, education and service organisations that would be able to provide valid and valuable input into the Shire's plans, programs and projects. The new AIAG was formed and had its inaugural meeting on 2 April 2024. The Group comprises Officers, local community members with lived experience, and service providers.

In accordance with Point 5 above, the Minutes of the Group's Meeting are presented in Appendices 1 to 3.

## **COMMENTS AND DETAILS**

This report presents the Minutes of the first three (3) AIAG meetings held on 2 April 2024, 23 April 2024 and 19 June 2024. The Terms of Reference require the AIAG to meet a minimum of four (4) times per year. However, due to the preparation of the new Access and Inclusion Plan, the AIAG are meeting on a more regular basis to inform this process.

### **AIAG Minutes**

At its Meeting held on 2 April 2024 the Group was presented with information relating to:

1. Terms of Reference

A key activity of the first session was to review the Terms of Reference (TOR) as prepared by the external consultant and determine whether changes were required to assist the Group in optimal functioning. No changes were made to the suggested TOR.

2. Access and Inclusion Plan (AIP)

The AIAG were provided with information relating to the upcoming AIP consultation and their role in the Disability and Access Inclusion Plan (DAIP) process.

3. Code of Conduct

The AIAG were introduced to the Shire's Code of Conduct and expectations around their behaviour as a member of the AIAG.

At its Meeting held on 23 April 2024 the Group was presented with information relating to:

1. Engagement of Equal Disability Consultants to undertake community consultations and prepare the new AIP. AIAG Members were consulted on their ability to participate in the upcoming engagements.

2. Update on progress of Access and Inclusion Works on Avon Terrace

Positive feedback was received from the Group on the delivery of this much needed work which was identified as part of the outgoing AIP.

3. Workshops and Events

- The Community Development Officer (CDO) attended the Digital Accessibility in the Workplace Centre for Accessibility Australia.
- The Community Development Officer (CDO) attended the Social Inclusion and Disability Awareness workshop led by Inclusion Solutions.
- The AIAG were reminded that the Living Well Seniors' Expo and Forum would be held 17 May 2024 and Group members would be assisting with the community consultation and surveys for the AIP.

At its Meeting held on 19 June 2024 the Group was presented with information relating to:

1. AIP – Consultant Progress Report

Equal Access and Inclusion attended the meeting by Zoom and presented the Group with the feedback on engagement activities conducted for comment and discussion.

2. Update on progress of Access and Inclusion Works on Avon Terrace

Conclusion of the Avon Terrace works were confirmed and the AIAG updated on Stage 2 works subject to budget adoption.

Note: The minutes of the AIAG have been prepared in accordance with the Web Content Accessibility Guidelines as a result of the workshop presented by the Centre for Accessibility Australia.

It is proposed that the minutes of the AIAG are presented to Council annually for consideration along with the Disability Access and Inclusion Report.

### **Disability Access and Inclusion Report**

*The Disability Services Act 1993* requires public authorities to report annually on the implementation of its Disability Access and Inclusion Plan (Shire of York AIP). These reports are used by the Minister to compile a progress report to Parliament annually in December.

The Western Australia for Everyone: State Disability Strategy 2020-2030 (the Strategy) sets a foundation for building a more inclusive Western Australia. The Strategy references the role of DIAPs as an important way of ensuring that public authorities continue to improve access and inclusion outcomes for people with disability.

Presented in Appendix 4 is the Shire of York's DAIP Progress Report for the 2023/24 financial year outlining progress against the DAIP Action Plan and outcomes. Key outcomes include:

- The Avon Terrace Access and Inclusion Updates completed June 2024
- The formation of the new AIAG
- Progress towards the establishment of the new AIP

The final report to Department of Communities will also include photographs demonstrating progress associated with the key outcomes listed above.

## OPTIONS

Council has the following options:

**Option 1:** Council could choose to note the minutes of the AIAG and direct the Chief Executive Officer to present minutes annually along with the Disability Access and Inclusion Report prepared for the Department of Communities.

**Option 2:** Council could choose to note the minutes of the AIAG and direct the Chief Executive Officer to present minutes at the next Ordinary Meeting of Council following the AIAG meeting.

Option 1 is the recommended option.

Lisa Astle  
Bev Penny  
Liz Christmas  
Marjorie Kirkoff  
Kelly Tenni (Teams)

Apologies – Scott Hollier and Joe Fitch

### APPROVAL OF MINUTES

Preliminary Meeting no past minutes

### MEETING

Acknowledgement of Country – Lisa Astle

Anneke opened the meeting and explained why we are here.

Terms of Reference explained

Round the table introductions and experience with disabilities.

Discussion regarding the purpose of the group and our aspirations.

Thoughts on additional members, these included Father Phillip Raymond, Bernie Finestone, Syd Bignell (or staying in place rep, Angela Ashworth (YDHS Education support) or Emily, the YDHS psychiatrist.

Explanation about how the meetings will run going forward. Less formal than the previous committee and free flow of ideas. Members can bring non-members if they have particular experience to bring to the group.

Discussed what the new priorities are moving forward with the new Disability, Access and Inclusion Plan 2024 – 2030. Liz voiced her dissatisfaction that expectations expressed in the current DAIP were not being met.

Sam explained where we are at with the new the review and update of the existing Access & Inclusion Plan, and the appointment of consultant Leanda Syme to undertake the review. E-Qual have 25 years' experience in the field and lived experience, either with disability themselves or as a carer for a person living with disability. The Shire will support the Consultant with scheduling and provision of meeting facilities.

Review of Terms of Reference – Liz pointed out small grammatical error but otherwise accepted.

Outline the scope of the group and provide clarification:

The Access & Inclusion Advisory Group are to provide advice to council around community need and the implementation and review of the Access & Inclusion Plan. The group's role is NOT to police the community, but to provide "a voice" for the Shire of York's diverse community to guide good governance.

Outline timelines for the DAIP draft which will be expected in June.

Update on the Avon Terrace upgrades starting next month in a reduced scope. Also discussed other works such as the extra drainage at the cemetery making it more accessible.

## **AFTER MEETING**

Send out Minutes, existing DAIP, Code of Conduct and Terms of Reference to be signed.

## **NEXT MEETING**

Next meeting tentatively set for 23 April 2024

In Attendance: Lisa Astle, Community Development Officer, Shire of York - Chairman  
Samantha Good, Project Officer, Shire of York  
Liz Christmas  
Louise Draper-Sevenson  
Marjorie Kerkhoff  
Bev Penny  
Joseph Fitch, NBN Co (via Teams)  
Kelly Tenni, Wanslea (via Teams)  
Dr. Scott Hollier, Centre for Accessibility Australia (via Teams)  
Monique Hutchinson, HEALthy Self Wellness York (arrived at 6pm)

Apologies: Alina Behan, Sarah Sloss

Meeting started at: 5.32pm

#### 1. Welcome & Introductions

- 1.1 Acknowledgement of Country read by Marjorie
- 1.2 Round table introductions and welcome to new group members
- 1.3 Recap on the purpose and goals of the group for those not at preliminary meeting.

#### 2. Review of Previous Meeting Minutes

- 2.1 Liz and Marjorie advised of spelling corrections required to names for future minutes. These will be noted and updated.
- 2.2 Confirmation for new attendees that they had received and understood the Terms of Reference. Explanation of the less formal structure to enable free flow of ideas and greater input. Advice to new attendees that they may invite non-members to contribute to the group if they feel they have particular access or inclusion experience/s that would be useful to share. Kelly Tenni suggests that her colleague, Bonnie from Wanslea, would be a useful contributor. Bonnie is Wanslea's Early Childhood NDIS Coordinator working with 0-9 year olds and social inclusivity.
- 2.3 All attendees asked to read and sign the Terms of Reference to indicate their agreement and return to Lisa.

#### 3. Access & Inclusion Plan (A&IP) – Consultant Progress Report

- 3.1 New attendees advised that the Shire of York has engaged Leanda Syme of E-QUAL Disability Consultants to undertake a review and update of the existing A&IP.
- 3.2 An initial meeting with Leanda, Alina & Sam took place on the 16/04/2024. A draft consultation plan has been developed outlining each stage of the process. Community Consultations will begin from May, incorporating a range of strategies to collect feedback, including a survey, workshops, meetings and attendance at events such as the

Seniors Forum.; with view to having a DRAFT for review late June/early July and the FINAL A&IP in August

Q: Liz asked if the process would include a review/audit of Actions from the previous plan?

A: Yes

3.3 Advertising of the Community Consultation stage is ready in draft form, pending confirmation of dates for meeting with the Access & Inclusion Advisory Group, Shire staff and other groups such as the Aboriginal Advisory Group. Attendees asked to indicate their availability and preference for meeting with Leanda on either the 8<sup>th</sup>, 9<sup>th</sup> or 10<sup>th</sup> of May. Preference is for the afternoon of the 9<sup>th</sup> or morning of the 10<sup>th</sup> – the 8<sup>th</sup> is not suitable. This will be relayed to Leanda and confirmation will be emailed to attendees as soon as possible.

3.4 Leanda is currently working on developing the questions for a survey.

Q: Liz asked if the group have the ability to have input into & approve the survey questions before they are published?

A: Sam advised that Leanda will be meeting with the Group on the 9<sup>th</sup> or 10<sup>th</sup> and they will have the opportunity to discuss with her then, and that they may also make contact with Leanda directly to give specific feedback.

A: Scott Hollier advised that he has worked with Leanda Syme & E-qual before and highly rates her expertise and knowledge in this field. He has no doubt that Leanda will do a brilliant job.

3.5 Leanda Syme has suggested that members of the A&IAG can assist by attending the Seniors Forum on the 17th May. She is unable to attend but is happy to provide some specific questions for them to collect feedback on. Positive response from group with at least 3 stating availability to attend.

Q: Liz asked if a copy of the consultation plan was available.

A: Sam advised that a summary could be emailed.

#### 4. Incoming Correspondence

4.1 Positive feedback received regarding the cleanliness and accessibility of York's public toilets. Letter tabled for attendees to read. Liz provided feedback via email to group prior to meeting (Attachment 1). Comments noted. Overall, although it is acknowledged that maintenance, cleaning & facility upgrades are an ongoing concern, it is great to share the positives and pleasing to see the post has received 128 Likes. Discussion amongst group as to whether 'Likes' can be considered an accurate reflection of community perception.

Q: Liz asked if copies of the letter were available.

A: As it was correspondence received by the Shire of York circulation of copies would not be appropriate.

#### 5. Update on Works

5.1 Lisa provided an update on the access upgrades on Avon Terrace. i.e. rebuilding of access ramps and improvements to accessible parking. Group feeling is that they have been waiting quite sometime and that this progress is a relief, assuming the Shire get them in the right places.

## 6. Workshops & Events

- 6.1 Lisa attended Digital Accessibility in the Workplace workshop presented by our own Dr Scott Hollier. Very informative. Scott gave explanation of the “Web Content Accessibility Guidelines (WCAG)”. These guidelines provide 13 keys points to address accessibility and inclusion obstacles for people with disability, and directly address OUTCOME 3 of our Access & Inclusion Plan – “Access to Information.” Scott will be a valuable resource during this process.
- 6.2 Lisa has also attended the ‘Social Inclusion and Disability Awareness’ workshop led by Adam Popham and Matt Shaw from Inclusion Solutions. The workshop concentrated on Social Inclusion in sport, events, and community groups. The topics covered were disability awareness, the importance of social inclusion, terminology, and inclusive language, understanding inclusion theories and examining case studies. Comprehensive booklets were provided, covering all the discussed content. Moving forward, Matt and Adam will serve as valuable contacts.
- 6.3 Living Well York Seniors Expo & Forum. Recap of date – 17 May 2024. Lisa will send around Flyer with meeting minutes. Questions for A&IAG to use to seek feedback will be provided by Leanda prior to the event.

## 7. Open Floor

- 7.1 Marjorie advised of a safety concern regarding the slide at Avon Park. Shire advised about one month ago. There is a hard clump of dirt at the bottom of the slide; not forgiving for a child or adult landing on it.
- 7.2 Q: Bev asked if we had received a response from the school as to their representation on the Advisory Group.  
A: Lisa advises no response from the school as yet.
- 7.3 Discussion with Monique from Healthy Self Wellness around the services they provide

## 8. Next Meeting Date & Adjournment

- 8.1 Next meeting scheduled for **WEDNESDAY 22<sup>nd</sup> MAY @ 5.30pm.**  
Changing from Tuesdays to avoid clash with Shire Council Meetings held on Tuesdays and deferring until after meetings with Leanda on 9-10/05/2024 and the Seniors Forum on the 17/05/2024. Lisa will send out minutes, agenda and Calendar Invites.

Meeting closed at: 6.19pm

Minutes recorded by: Sam Good

ATTACHMENT 1: Comments from Liz Christmas regarding 23<sup>rd</sup> April Agenda Item 4, Incoming Correspondence.

*increasing positivity. — 100 lines*

**Liz Christmas's comments on 23rd April Agenda Item 4, Incoming Correspondence:**

- Positive feedback received regarding the cleanliness and accessibility of our Public Toilets.
- Discussion on any further actions needed based on this feedback.

**The Shire of York Facebook page** had the following item:

<https://www.facebook.com/photo/?fbid=435469319138515&set=a.249508761067906>

*"Shire of York: Praise for York's Public Toilets!*

*York boasts three public toilet facilities located at: Johanna Whitely Park, Avon Park, Visitor Centre*

*We recently received fantastic feedback about these facilities! A thrilled tourist sent us a letter expressing gratitude and appreciation for how clean and accessible they are.*

*This feedback is a testament to our commitment to accessibility as outlined in our access and inclusion plan.*

*Big thanks to our amazing cleaning staff at the Shire of York for their hard work and dedication!"*

However, it is the view of myself and several other respondents to the post that we must not sit on our laurels just because someone out of town felt that these toilets (or the ones he or she went to) were better than some they had accessed elsewhere.

- For a start, they only went to those that were male, or female, or disabled, according to who they were.
- There were quite a few comments in response to the post, and I am singling out those that suggest we need to improve the situation.

SYD BIGNELL (Co-ordinator of the group which has set up in town to provide care and assistance locally for local people who are aged or have disabilities):

- Lack of **toilet brushes**;
- In the **Accessible Toilet at Avon Park**: *'the lid serves no purpose other than to limit access to that toilet'.*

MIKE BRYANT:

- **Avon Park Men's toilets** are below average, the urinal dated, and always smelly. (He does remark that their age has something to do with it, saying *"Not through lack of cleaning, just old. So before anyone relaxes that's something for the to do list."*

LIZ CHRISTMAS: (chief experience being with the Disabled/'Accessible' toilets, due to height and ease of getting up issues in particular, but with other observations)

- The cleanliness of the **Avon Park** toilet room is not particularly admirable; and it seems shabby;
- The lid on the **Avon Park** toilet leans right over the toilet and causes great difficulty with sitting at a comfortable and suitable angle;
- The 'twist to flush' system could be very hard for someone with hand arthritis to use;
- The **Town Hall** Accessible toilet is clean and nicely finished BUT:
- The seat is too low;
- The seat is so close to the rail on the wall, that I have to twist my left hand under it to grasp it useably, while having me right hand down on the toilet seat; I then have to twist my knees and back awkwardly to push myself up; there could be a better arrangement;
- The one I find least awkward is the **Johanna Whitely Park** Accessible Toilet -- by my recall, anyway (I shall go and try it out again if I get time before the meeting).

THERE NEEDS TO BE AN UNBIASED EXAMINATION OF ALL THE RELEVANT ISSUES:

Cleanliness	Toilet brushes
Height	Placement of rails
Seat lids	Door handles
Flushing mechanisms	General amenity

Meeting started at: 5.31pm

#### 1. Welcome & Introductions

- 1.1 Acknowledgement of Country read by Alina.
- 1.2 Alina introduced herself and introduced Sam in her new role as Manager, Community & Place and Chair for future AIAG meetings.
- 1.3 Sam thanked all members for attendance. Round table introduction of new members and thank you to Kelly Tenni for her contribution to date. Kelly hands over to her York colleague Holly Parker, who is also a York local.
- 1.4 Review of previous minutes – Minutes accepted
- 1.5 Sam introduced and welcomed Leanda, consultant from E-Qual Disability Services.

#### 2. Access & Inclusion Plan (A&IP) – Consultant Progress Report

- 2.1 Leanda provided an update to the group on the current status of the DAIP process.
  - The DAIP is in the beginning of a rough draft
  - The planning and execution of the community consultation have been successfully completed.
  - The feedback has been consolidated.
  - The survey was distributed throughout May in both digital and physical formats
  - Leanda received 75 feedback responses via phone, email, and the survey.
  - When questioned about the low response numbers, Leanda emphasised that the priority was on quality rather than quantity.
  - Leanda explain that an action plan is a living document constantly evolving.

- 2.2 Alina explained that action plans are very dependent on budgets. Action plans identify the priorities then budget is then allocated according to these priorities.
- 2.3 According to the community and staff surveys 67% of community and 68% of staff think that the Shire of York is a welcoming and inclusive community.
- 2.4 The community appreciate the footpath and ramp improvements, the library, the accessibility of documents in different formats and the implementation of a DAIP.
- 2.5 What people want to see;
- More services and activities for all community members
  - Additional parking and increased parking enforcement
  - Improvements to toilets and a new changing places facility.
  - Business encouraged, possibly through incentives, to be more accessible and inclusive.
  - Lots of suggestions for events: designated seating, extra parking, sensory area, increased advertising in all formats.
  - Improvements to Shire facilities such as toilets and lower admin counter.
  - Accessible and Inclusive gyms and playgrounds.
  - Expert advice for the Shire staff.
  - More accessibility and Inclusion training for Shire staff
  - Dedicated support line
  - Live streamed Council meetings with captioning.
  - Understanding of the WWW Consortium (WC3)
  - More ways to complain and feedback returned in a timely manner.
  - Shire of York develop a good relationship with disability job providers.
- 2.6 Liz stated that we should be more accepting of all differences not just disabilities. Discussion about the broader concept of access and inclusion, encompassing aspects such as cultural diversity, socio-economic backgrounds, LGBTQI+ and other dimensions of community diversity. Alina commented on the limited scope of access and inclusion in the survey feedback.
- 2.7 Next steps: Staff workshop 27 June to discuss outcomes, a draft DAIP should be completed in July and then the action plan can be started.
3. Review of York Seniors Expo and Forum
- 3.1 Positive feedback and good numbers, regardless of reports to the contrary in local paper.
- 3.2 Marjorie thanked for her attendance and efforts in getting attendees to complete surveys and for obtaining feedback.
4. Update on Shire Works
- 4.1 Lisa read update provided by Shire Project Officer regarding access upgrades on Avon Terrace. i.e. rebuilding of access ramps and improvements to accessible parking. All works in the current program have been finished.
- 4.2 Budgets currently being allocated, and awaiting approval towards Stage Two of the required works.

## 5. Open Floor

- 5.1 Liz asked about the language to be used in the updated DAIP. Leanda informed it would be simple, plain language. Liz specifically highlighted the importance of avoiding ambiguity in the document; this was agreed by the group.
- 5.2 Alina discussed business incentives for improved access and inclusion including the possibility of improvement grants to encourage local businesses to become more accessible and inclusive.
- 5.3 Majorie suggested the group to look at the City of Mandurah's plan, as a great example.

## 6. Next Meeting Date & Adjournment

- 6.1 Next meeting scheduled for **WEDNESDAY 24 JULY @ 5.30pm**.  
Lisa will send out minutes, agenda and Calendar Invites.

Meeting closed at: 6.44pm

DAIP Progress Report 1 July 2023 – 30 June 2024

### Achievement 1

Access and Inclusion Upgrades to Avon Terrace. The Shire has recently completed access and inclusion upgrades to Avon Terrace the main shopping and social hub of the Shire of York. Improvements include realignment and the provision of additional access ramps and tactile pavers with an emphasis on ensuring safe and stable travel along both sides of the main street. Four accessible bays have been upgraded to meet current standards and an additional accessible bay created to provide access to the western side of the street.

A further phase of works will be conducted in the 2024/25 financial year to ensure ancillary streets are also brought up to a higher standard to improve safe travel for all.

### Achievement 2 – DAIP Action

New Access and Inclusion Advisory Group. The Access and Inclusion Advisory Committee held a workshop in August 2021 to discuss amendments to the Committee's Terms of Reference as concerns were raised that:

1. The Council process was difficult to follow
2. The Terms of Reference were too formal
3. Members had limited input into the agenda
4. There was limited time for discussion
5. The meeting was not a model of accessibility
6. Community members cannot see that members are raising issues

After reworking the Terms of Reference, expressions of interest were sought from community members with lived experience and service providers to form the new Access and Inclusion Advisory Group. There is now the ability to invite additional members, or contributors as required by the group to ensure the right voices are heard at the right time. This group is now actively supporting the Shire in its projects and programs as well as guiding the formation of the new Access and Inclusion Plan.

### Achievement 3 – DAIP Action

Preparation of the New Access and Inclusion Plan 2024 – 2029. After the formation of the Access and Inclusion Advisory Group consultants E-qual were appointed to prepare the Shire's new Access and Inclusion Plan. There were some delays to commencement but since the start-up meeting on 16 April 2024 a range of engagement and community consultation activities have been conducted including:

- 3 in-person community workshops at the Shire's accessible Community Resource Centre
- Seniors' Expo and Forum engagement conducted by Access and Inclusion Advisory Group members
- Whole of community survey available via website, social media and hard copies
- Staff and elected members survey
- Staff workshop
- Reporting back to the Access and Inclusion Advisory Group

A Draft Access and Inclusion Plan will be presented to community and council for further feedback during July/August of 2024.

**NATURE OF COUNCIL'S ROLE IN THE MATTER**

Legislative

**PURPOSE OF REPORT**

This report presents the training and professional development undertaken by Councillors during the financial year 1 July 2023 to 30 June 2024.

**BACKGROUND**

With the introduction of provisions contained within the *Local Government Legislation Amendment Act 2019*, from July 2019 newly elected Councillors are required to complete five (5) mandatory modules of training within the first twelve (12) months of being elected to office and all local governments are to prepare a report for each financial year on the training completed by Councillors in that financial year, publishing a copy of the report on its website.

The four (4) Councillors elected at the October 2023 election were:

1. Cr James Adamini (term ends 16 October 2027)
2. Cr Kevin Pyke (term ends 16 October 2027)
3. Cr Denese Smythe (term ends 16 October 2027)
4. Blake Luxford (resigned 1 April 2024)

Following the resignation of Blake Luxford, and in accordance with Schedule 4.1A of *the Local Government Act 1995*, the Shire was able to offer the position to the first unelected candidate from the 2023 ordinary election, Mr Christian Gibbs, without needing to hold an extraordinary election. Mr Gibbs accepted the position and was sworn in at a Special Council Meeting held on Tuesday 9 April 2024. Councillor Gibbs' term ends 16 October 2027.

**COMMENTS AND DETAILS**

Councillors Adamini, Gibbs and Pyke are required to complete the mandatory training by 20 October 2024. Councillor Smythe is exempt from the requirement to complete the mandatory training as she completed the training in September 2020.

Presented in Appendix 1 is the report on Councillor training and professional development completed within the financial year 1 July 2023 to 30 June 2024. The Chief Executive Officer is required to publish the report on the Shire's website within one (1) month after the end of the financial year to which the report relates.

The report highlights that Councillors Adamini and Pyke are yet to commence the training, whereas Councillor Gibbs has completed all five (5) modules within the first few months of being elected.

In addition to the five (5) mandatory modules, several other professional development opportunities were undertaken by Councillors throughout the financial year. These included attendance at the WALGA Local Government Convention, various webinars and courses and a strategic/budget workshop. In addition, Councillor Smythe commenced the Diploma of Local Government (Elected Member) in November 2023, with regular status reports presented to Council. Councillor Smythe is due to complete the Diploma modules in August 2024 with the presentation of Diploma Qualifications to occur at the 2024 WALGA Convention in October.

## OPTIONS

Council has the following options:

**Option 1:** Council can choose to reject the report.

**Option 2:** Council can choose to accept the report.

Option 2 is the recommended option.

## IMPLICATIONS TO CONSIDER

### Consultative

Councillors

Executive Leadership Team

### Strategic

#### Strategic Community Plan 2020-2030

Goal 5: Strong Leadership and Governance

To have effective and responsive leadership and governance, where a sense of collective purpose and shared direction combine to work together.

### Policy Related

E2 Councillors - Training and Continuing Professional Development

### Financial

In accordance with Policy E2 Councillors - Training and Continuing Professional Development and as part of the annual budget process, an allocation will be made for professional development during the financial year. In the event training costs exceed the budget, these costs will be borne by the individual Councillor.

### Legal and Statutory

Sections 5.126 and 5.127 of the *Local Government Act 1995* (the Act) are applicable and state:

The scope of this report is managed within current operational capacity.

**VOTING REQUIREMENTS**

**Absolute Majority: No**

**RECOMMENDATION**

**That, with regard to the Report on Training Undertaken by Councillors in 2023/24, Council:**

- 1. Notes the report prepared on the training and professional development completed by Councillors in the financial year 2023/24, as presented in Appendix 1.**
- 2. Requests the Chief Executive Officer to publish the report on the local government's website prior to 31 July 2024, which is within one (1) month after the end of the financial year to which the report relates.**
- 3. Encourages Councillors Adamini and Pyke to complete the Council Member Essentials five (5) mandatory modules prior to 20 October 2024.**

Executive

**PURPOSE OF REPORT**

This item presents a report from Cr Denese Smythe on the status towards completion of the Diploma of Local Government – Elected Member (Course Code LGA50220).

**BACKGROUND**

Councillor Denese Smythe is enrolled to complete the Diploma of Local Government (the Diploma). The Diploma program is the highest level of qualification that an Elected Member can obtain through WALGA Training.

The qualification gives individuals the opportunity to expand their skills and knowledge through developing a deeper understanding of legislative and regulatory requirements and how they apply to the roles and responsibilities of an Elected Member.

The Diploma explores a wide range of topics such as financial reports and budgets, dealing with conflict, community leadership and advocacy, strategic decision making, policy development, asset management and understanding land use and local planning schemes. The training program will enable Elected Members to increase their competency in order to be a strong leader for their local community and to confidently contribute to informed decision making.

The qualification has been developed according to the requirements of the Local Government Training Package and has been approved for delivery by the Training Accreditation Council. The Diploma is nationally recognised within the Australian Qualification Framework and consists of ten (10) Units of Competency (UoC), being six (6) core and four (4) elective units.

The training for each UoC includes seven (7) topic specific intensive workshops followed by virtual training sessions to deepen the individual's understanding and to prepare them for each individual assessment task. Each UoC has a set of individual assessment tasks, requiring approximately fifteen (15) hours of reading, research and completing each task.

**COMMENTS AND DETAILS**

In accordance with Clause 7.1 of Policy E2 – Councillors: Training and Continual Professional Development, within thirty (30) days of attending a professional development event of more than one (1) day duration, Councillors must submit an individual or combined report for inclusion on the Council agenda.

The report provided by Councillor Denese Smythe on the successful UoC completion is presented in Appendix 1.

Cr Denese Smythe may wish to make further comment at the Meeting.

## OPTIONS

Council has the following options:

**Option 1:** Council could choose to note the report provided by Cr Denese Smythe.

**Option 2:** Council could choose to reject the report provided by Cr Denese Smythe.

Option 1 is the recommended option.

**Cr Denese Smythe report on Diploma training**

I wish to report that I have successfully completed and passed the Strategic Decision Making (IPR) unit LGAMEM003 and the LGAPLA003 Assess Development Applications and Implement Planning Scheme.

**LGAMEM003**

The Strategic Decision Making (IPR) unit provides an introduction about integrating community priorities into the strategic planning and budgeting process.

The course uses existing legislation as the basis to explore the way in which local governments are required to plan for the future.

Links are explored between planning, policy development and major strategy documents such as asset management and infrastructure plans.

Topics covered within the course included putting strategic planning in perspective; the integrated Planning and Reporting (IPR) framework; the analysis and consultation process and formulation; and implementation of a strategic plan.

The unit of competency included:

1. Collaborate with other elected members to identify strategic organisational and community issues.
2. Prioritise organisational and community issues requiring high level strategic decision making within financial and resource limitations.
3. Source, interpret, discuss, analyse and report on information that informs high level strategic decisions.
4. Interpret legislation to identify and comply with mandatory requirements for community consultation.
5. Propose, evaluate and discuss alternative solutions.
6. Analyse the political, social and economic environment and take into account emerging trends and current and possible future goals of the organisation.
7. Review proposed high level strategic decisions to determine implications for implementation.
8. Support high level strategic decisions that represent and promote community interests.
9. Collaborate with other elected members to make informed high level strategic decisions.
10. Interpret, review and participate in endorsement of council plans
11. Monitor, discuss, analyse and report on implementation and outcomes of high level strategic decisions.
12. Collaborate with other elected members to instigate reviews where high level strategic decision outcomes are not met.
13. Identify own contribution to high level strategic decision making to identify and act on opportunities for improvement.

I would like to thank Cr Trent, Shire President for his willingness to collaborate with me on this unit.

**LGAPLA003**

The Assess Development Applications and Implement Planning Scheme unit describes the performance outcomes, skills and knowledge required to deal with and make development applications decisions as an elected member.

The units had three elements which included Prepare for Development Planning Decision Making

**Element 1:**

- Read and interpret legislation, schemes and instrument to determine development planning requirements relevant to selected member decision making.
- Collaborate with other elected members identify and prioritise development planning issues.
- Source, interpret, discuss, analyse and report on information that informs development planning decisions.
- Propose, evaluate and discuss alternative development planning solutions
- Review proposed development planning decisions to determine implications for implementation
- Support development planning decisions that represent and promote community interests.
- Collaborate with other elected members to make informed development planning decisions in the public interest
- Set development planning policies to achieve council vision
- Allocate resources to support development planning decisions
- Monitor, discuss analyse and report on implementation and outcome of development planning decisions
- Collaborate with other elected members to instigate review where development planning outcomes are not met
- Reflect on own contribution to development planning making to identify and act on opportunities for improvement.

<b>Summary of assessment outcomes:</b> Denese, you have demonstrated throughout this assessment you're in depth understanding of the required knowledge and practical application of skills demonstrating competency in all aspects of this unit of competency. Your provision of the required information confirms your high level research skills, including details relating to the development application, being the heritage building in York. The analysis of the submissions, clarifying the issues that are relevant to the planning scheme, regulations, and policy as opposed to the submitters personal bias towards the development were all valid. Your knowledge of the process for dealing with scheme amendments, the application of Heritage legislation, including your revised answers on the specific detail required if the management category is to be amended, each confirm your knowledge of these requirements. Your revised answer confirming the resources required in the budget to process planning applications, the more detailed definition of quasi-judicial, the need to consult the community on strategic planning initiatives and policy were all valid and well explained. Your evidence in response to the case study was of a high standard. Congratulations on successfully completing LGAPLA003 Assess development applications and implement planning scheme.

**NATURE OF COUNCIL'S ROLE IN THE MATTER**

Legislative

**PURPOSE OF REPORT**

The purpose of financial reporting and the preparation of monthly financial statements is to communicate information about the financial position and operating results of the Shire of York to Council and the community as well as monitor the local government's performance against budgets.

**BACKGROUND**

Local governments are required to prepare general purpose financial reports in accordance with the *Local Government Act 1995*, the *Local Government (Financial Management) Regulations 1996* and the *Australian Accounting Standards*.

A statement of financial activity and any accompanying documents are to be presented to the Council at an ordinary meeting of the Council within two (2) months after the end of the month to which the statement relates. The Statement of Financial Activity summarises the Shire's operating activities and non-operating activities.

In accordance with Regulation 13 of the *Local Government (Financial Management) Regulations 1996*, a list of accounts paid is to be presented to Council and be recorded in the minutes of the meeting at which the list was presented.

**COMMENTS AND DETAILS**

This report is presented for Council's consideration and provides information for the period ended 30 April 2024 and includes the following:

1. Monthly Statements
2. List of Creditor Payments
3. Business Card Statement and Transaction Summary
4. List of Purchasing Card Transactions

The inclusion of Purchasing Card Transactions is a new requirement following the latest tranche of Local Government Act reform requirements. This includes fuel cards, store cards or similar.

The following information provides balances for key financial areas for the Shire of York's financial position as at 30 June 2024.

List of Payments for June 2024

A list of accounts paid from the Municipal Fund and Trust Fund under the Chief Executive Officer's delegated authority for the month of June 2024 is presented to Council for noting.

Outstanding Rates and Services

The total outstanding rates balance at the end of June 2024 was \$1,807,671 compared to \$1,416,250 at the end of June 2023. Lower levels of collection activity due to staff turnover and non-recoverable debts over 3 years outstanding are leading to an increase in overall debt.

<b>Total Rates Outstanding</b>		<b>\$1,807,672</b>				<b>\$1,416,250</b>	

Officers continue to work with the Shire's debt collection agency, CS Legal, to resolve some long outstanding debts in the three (3) years and over categories. In addition, Officers continue to administer payment arrangements outside of the ordinary payment options in line with the current Policy F1 - Revenue Collection.

Outstanding Sundry Debtors

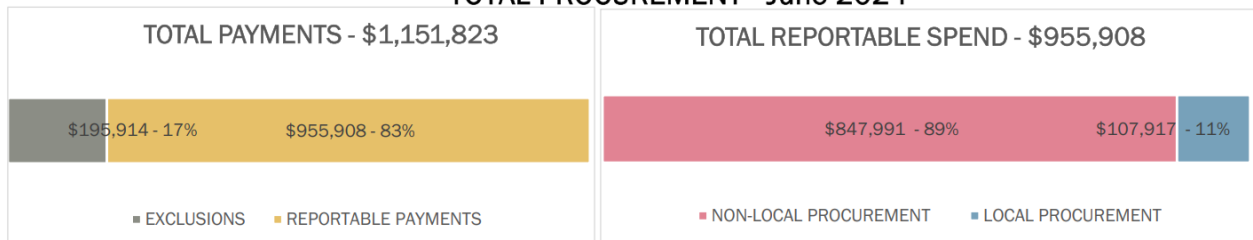

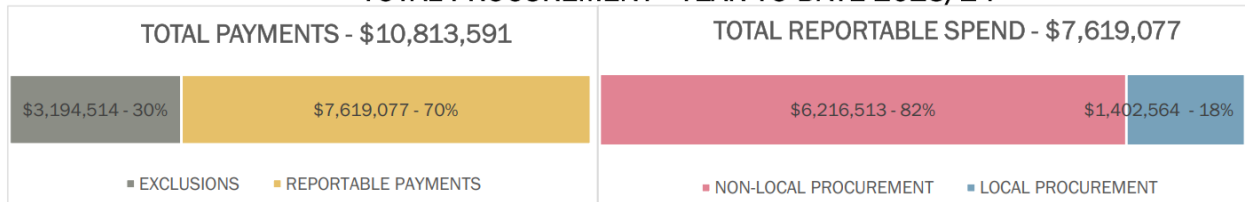

The figure for total outstanding sundry debtors as at 30 June 2024 was \$193,115 compared to \$174,430.87 as at 30 June 2023. The aged debt (90 days and over) is tracking higher than in the previous financial year due to various outstanding debtors.

Local Procurement

To support the local economy, Council commits to spending locally where possible and reasonably practicable. For the month of June 2024, Officers report the following in relation to local procurement, noting that 11% of payments were made to local businesses during the month. Officers further report the overall average of reportable local spend for the 2023/24 financial year to date was 18% at the end of June 2024.

**TOTAL PROCUREMENT - June 2024****TOTAL PROCUREMENT - YEAR TO DATE 2023/24**

The above figures provide an indication of the levels of local procurement as a percentage of reportable payments. It is important to note that in the development of the above tables, several exclusions apply and are not included in the reportable totals. These include, but are not limited to, payments made for the following:

1. Superannuation
2. Goods and Services Tax
3. Department of Fire and Emergency Services
4. Local Government Insurance Services
5. WA Local Government Association
6. WA Treasury Corporation
7. Office of the Auditor General

- (1A) *In this regulation —*

**committed assets** means revenue unspent but set aside under the annual budget for a specific purpose.

- (1) *A local government is to prepare each month a statement of financial activity reporting on the revenue and expenditure, as set out in the annual budget under regulation 22(1)(d), for the previous month (the **relevant month**) in the following detail —*
  - (a) *annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c); and*
  - (b) *budget estimates to the end of the relevant month; and*
  - (c) *actual amounts of expenditure, revenue and income to the end of the relevant month; and*
  - (d) *material variances between the comparable amounts referred to in paragraphs (b) and (c); and*
  - (e) *the net current assets at the end of the relevant month and a note containing a summary explaining the composition of the net current assets.*
- (1B) *The detail included under subregulation (1)(e) must be structured in the same way as the detail included in the annual budget under regulation 31(1) and (3)(a).*
- (1C) *Any information relating to exclusions from the calculation of a budget deficiency that is included as part of the budget estimates referred to in subregulation (1)(a) or (b) must be structured in the same way as the corresponding information included in the annual budget.*
- (2) *Each statement of financial activity is to be accompanied by documents containing —*
  - [(a) deleted]*
  - (b) *an explanation of each of the material variances referred to in subregulation (1)(d); and*
  - (c) *such other supporting information as is considered relevant by the local government.*
- (3) *The information in a statement of financial activity must be shown according to nature classification.*
- (4) *A statement of financial activity, and the accompanying documents referred to in subregulation (2), are to be —*
  - (a) *presented at an ordinary meeting of the council within 2 months after the end of the relevant month; and*

- (b) *recorded in the minutes of the meeting at which it is presented.*
- (5) *Each financial year, a local government is to adopt a percentage or value, calculated in accordance with the AAS, to be used in statements of financial activity for reporting material variances.*

**35. Financial position statement required each month**

- (1) *A local government must prepare each month a statement of financial position showing the financial position of the local government as at the last day of the previous month (the **previous month**) and —*
  - (a) *the financial position of the local government as at the last day of the previous financial year; or*
  - (b) *if the previous month is June, the financial position of the local government as at the last day of the financial year before the previous financial year.*
- (2) *A statement of financial position must be —*
  - (a) *presented at an ordinary meeting of the council within 2 months after the end of the previous month; and*
  - (b) *recorded in the minutes of the meeting at which it is presented.”*

**Risk Related**

It is a requirement of the *Local Government (Financial Management) Regulations 1996* that local governments prepare a Statement of Financial Activity within two (2) months after the end of the reporting period. This report mitigates the risk of non-compliance with the Regulations.

**Workforce**

The scope of this report can be managed within current operational capacity.

**VOTING REQUIREMENTS**

**Absolute Majority: No**

**NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY**  
**FOR THE PERIOD ENDED 30 JUNE 2024**

**1 BASIS OF PREPARATION AND SIGNIFICANT ACCOUNTING POLICIES**

**BASIS OF PREPARATION**

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

**Local Government Act 1995 requirements**

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

*Local Government (Financial Management) Regulations 1996*, regulation 34 prescribes contents of the financial report. Supporting information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

**THE LOCAL GOVERNMENT REPORTING ENTITY**

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement for those monies appear at Note 15 of the supplementary information.

**Judgements and estimates**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- impairment of financial assets
- estimation of fair values of land and buildings and infrastructure
- estimated fair value of provisions

**SIGNIFICANT ACCOUNTING POLICIES**

Significant accounting policies utilised in the preparation of these statements are as described within the 2023-24 Annual Budget. Please refer to the adopted budget document for details of these policies.

**PREPARATION TIMING AND REVIEW**

Date prepared: All known transactions up to 09 July 2024

**KEY INFORMATION**

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 4 - Other assets.

**SIGNIFICANT ACCOUNTING POLICIES**

Each class of fixed assets within either plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Financial Management Regulation 17A (5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

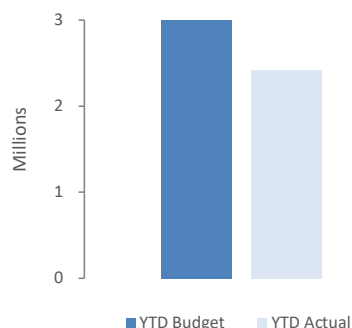

**Initial recognition and measurement for assets held at cost**

Plant and equipment including furniture and equipment is recognised at cost on acquisition in accordance with *Financial Management Regulation 17A*. Where acquired at no cost the asset is initially recognise at fair value. Assets held at cost are depreciated and assessed for impairment annually.

**Initial recognition and measurement between mandatory revaluation dates for assets held at fair value**

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

**KEY INFORMATION**

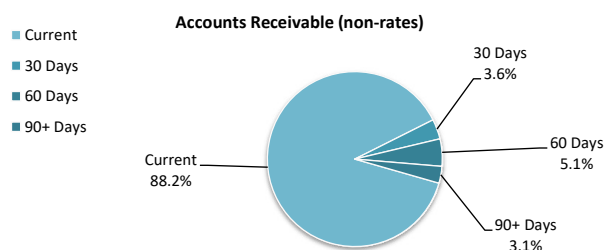

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectable amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

**Classification and subsequent measurement**

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

**KEY INFORMATION**

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the period that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

KEY INFORMATION

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature. Non-current borrowings fair values are based on discounted cash flows using a current borrowing rate.

**KEY INFORMATION**

**Provisions**

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**Employee Related Provisions**

**Short-term employee benefits**

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

**Other long-term employee benefits**

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

**Contract liabilities**

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

**Capital grant/contribution liabilities**

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

Delegation 1.1.19 - Power to Invest and Manage Investments

**Financial**

Revenue from investments is a funding source for the Shire and assists in maintaining the value of reserve funds. Policies and procedures are in place to ensure appropriate, responsible and accountable measures protect the Shire's funds.

**Legal and Statutory**

Section 6.14 of the *Local Government Act 1995* is applicable and states:

**“6.14. Power to invest**

- (1) *Money held in the municipal fund or the trust fund of a local government that is not, for the time being, required by the local government for any other purpose may be invested as trust funds may be invested under the Trustees Act 1962 Part III.*
- (2A) *A local government is to comply with the regulations when investing money referred to in subsection (1).*
- (2) *Regulations in relation to investments by local governments may —*
  - (a) *make provision in respect of the investment of money referred to in subsection (1); and*
  - [(b) deleted]*
  - (c) *prescribe circumstances in which a local government is required to invest money held by it; and*
  - (d) *provide for the application of investment earnings; and*
  - (e) *generally provide for the management of those investments.”*

Regulations 19 and 19C of the *Local Government (Financial Management) Regulations 1996* are applicable and state:

**“19. Investments, control procedures for**

- (1) *A local government is to establish and document internal control procedures to be followed by employees to ensure control over investments.*
- (2) *The control procedures are to enable the identification of —*
  - (a) *the nature and location of all investments; and*
  - (b) *the transactions related to each investment.*

**19C. Investment of money, restrictions on (Act s. 6.14(2)(a))**

- (1) *In this regulation —*  
**authorised institution** means —
  - (a) *an authorised deposit-taking institution as defined in the Banking Act 1959 (Commonwealth) section 5; or*

- (b) *the Western Australian Treasury Corporation established by the Western Australian Treasury Corporation Act 1986;*

**foreign currency** means a currency except the currency of Australia.

- (2) *When investing money under section 6.14(1), a local government may not do any of the following —*

- (a) *deposit with an institution except an authorised institution;*
- (b) *deposit for a fixed term of more than 3 years;*
- (c) *invest in bonds that are not guaranteed by the Commonwealth Government, or a State or Territory government;*
- (d) *invest in bonds with a term to maturity of more than 3 years;*
- (e) *invest in a foreign currency.”*

### **Risk Related**

Funds are invested with various financial institutions in accordance with the global credit framework outlined in the Shire's investment policy to reduce risk.

### **Workforce**

**11 QUESTIONS FROM MEMBERS WITHOUT NOTICE****12 BUSINESS OF AN URGENT NATURE INTRODUCED BY DECISION OF THE MEETING****13 MEETING CLOSED TO THE PUBLIC****13.1 Matters for which the Meeting may be closed****RECOMMENDATION**

That Council considers the confidential report(s) listed below in a meeting closed to the public in accordance with Section 5.23(2) of the *Local Government Act 1995*:

**SY069-07/24 - Confidential - Outstanding Rates and Charges - Payment Agreement**

This matter is considered to be confidential under Section 5.23(2)e(iii) of the *Local Government Act 1995*, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with a matter that if disclosed, would reveal information about the business, professional, commercial or financial affairs of a person, where the information is held by, or is about, a person other than the local government.
