**MINUTES OF SHIRE OF YORK
ORDINARY COUNCIL MEETING
HELD AT THE COUNCIL CHAMBERS, YORK TOWN HALL, YORK
ON TUESDAY, 25 AUGUST 2026 AT 5:00PM**

1 OPENING

1.1 Declaration of Opening

Cr Chris Gibbs, Shire President, declared the meeting open at 5.00pm.

1.2 Acknowledgement / Disclaimer

The Shire President advised the following:

"The York Shire Council acknowledges the Ballardong people of the Noongar Nation who are the Traditional Owners of the country where this meeting is being held and recognise their continuing connection to land, water, sky and culture. We pay our respects to all these people and their Elders past, present and emerging.

In accordance with Regulations 14I and 14J of the Local Government (Administration) Regulations 1996, notice is given that this meeting is being video and audio recorded to facilitate community participation and for minute-taking purposes. By being present at a meeting, members of the public consent to the possibility that their image and voice may be recorded. Audio recordings are published on the Shire's website following the meeting and may be released upon request to third parties.

Members of the public are reminded that, in accordance with Section 6.16 of the Shire of York Local Government (Council Meetings) Local Law 2016, nobody shall use any visual or vocal recording device or instrument to record the proceedings of Council without the written permission of the Presiding Member.

I wish to draw attention to the Disclaimer Notice contained within the agenda document and advise members of the public that any decisions made at the meeting today can be revoked in accordance with Regulation 10 of the Local Government (Administration) Regulations 1996. Therefore, members of the public should not rely on any decisions until formal notification in writing from the Shire has been received.

Any plans or documents in agendas and minutes may be subject to copyright. The express permission of the copyright owner must be obtained before copying any copyright material."

3 QUESTIONS FROM PREVIOUS MEETINGS

3.1 Response to Previous Public Questions Taken on Notice

DARLENE BARRATT

For several months I have been asking for the streets to be cleaned up mainly the pavers, I was sent a letter saying the pavers were cleaned 6 months prior to May and don't believe that to be correct, so I have sat quietly for the past 3 months as it was going to get done at end of May and still hasn't been done would just like to know when it will eventually get done

Response provided by Shire President

The Shire has now completed pressure cleaning of the main street brick pavers. This cleaning has been scheduled to align with the upcoming events season.

Moving forward the Shire will consider a routine three (3) monthly clean of the pavers instead of six (6). More frequent cleaning will improve footpath presentation and result in less intensive cleaning.

3.2 Response to Unasked Questions from the Previous Meeting

Nil

4 PUBLIC QUESTION TIME

Public Question Time is conducted in accordance with the *Local Government Act 1995* and Regulations. In addition to this the Shire's *Local Government (Council Meetings) Local Law 2016* states:

6.7 Other procedures for question time for the public

- (1) A member of the public who wishes to ask a question during question time must identify themselves and register with a Council Officer immediately prior to the meeting.
- (2) A question may be taken on notice by the Council for later response.
- (3) When a question is taken on notice the CEO is to ensure that—

- (a) a response is given to the member of the public in writing; and
 - (b) a summary of the response is included in the agenda of the next meeting of the Council.
- (4) Where a question relating to a matter in which a relevant person has an interest is directed to the relevant person, the relevant person is to—
 - (a) declare that he or she has an interest in the matter; and
 - (b) allow another person to respond to the question.
- (5) Each member of the public with a question is entitled to ask up to 2 questions before other members of the public will be invited to ask their questions.
- (6) Where a member of the public provides written questions then the Presiding Member may elect for the questions to be responded to as normal business correspondence.
- (7) The Presiding Member may decide that a public question shall not be responded to where—
 - (a) the same or similar question was asked at a previous meeting, a response was provided and the member of the public is directed to the minutes of the meeting at which the response was provided;
 - (b) the member of the public uses public question time to make a statement, provided that the Presiding Member has taken all reasonable steps to assist the member of the public to phrase the statement as a question; or
 - (c) the member of the public asks a question that is offensive or defamatory in nature, provided that the Presiding Member has taken all reasonable steps to assist the member of the public to phrase the question in a manner that is not offensive or defamatory.
- (8) A member of the public shall have 2 minutes to submit a question.
- (9) The Council, by resolution, may agree to extend public question time.
- (10) Where any questions remain unasked at the end of public question time they may be submitted to the CEO who will reply in writing and include the questions and answers in the agenda for the next ordinary Council meeting.
- (11) Where an answer to a question is given at a meeting, a summary of the question and the answer is to be included in the minutes.

Public Question Time commenced at 5.06pm.

4.1 Written Questions – Current Agenda

DIANE BUCKLEY

Question 1

If we have an appropriately qualified and experienced debt collection contractor why are our outstanding rates going higher? This is proof that increasing our rates is not justified and will cripple the residents further, this also affects their ability to spend money in our local businesses and that affects the whole community.

Ordinary Council Meeting Agenda

25 August 2026

Total Rates Outstanding		\$2,243,130	100%			\$2,109,634	100%

**Minor differences in percentage calculations are due to rounding errors as percentages are displayed as whole numbers.*

714 properties are on an instalment plan and represent approximately 2.64% of the total rates outstanding.

An appropriately qualified and experienced debt collection contractor has been appointed to assist in resolving outstanding debts. Officers continue to administer payment arrangements outside of the ordinary payment options in line with the current Policy F1 - Revenue Collection.

Response provided by the Shire President

There are a number of properties with significant outstanding balances, that are currently in the debt recovery process. Legal matters currently have hindered the recovery of these significant debts. The income from outstanding rates is offset by a doubtful debt provision.

Question 2

Why are our employee costs at \$7,151,335 which is only slightly less than incoming rates of \$8,920,131? How many employees are there currently working in our shire?

Response provided by the Shire President

Employee costs include superannuation, workers compensation, staff training, personal protective equipment, Employee Assistance Program in addition to salaries and wages. These expenses relate to 78 employees.

Question 3

Can you please explain these very high costs, our small shire can't afford costs like this? From Question 1, have the council spent \$89,497 recovering the outstanding rates debt? (Note – there seems to be quite a few entries that are incorrectly coded in the financials).

Expenditure from operating activities	
Materials and contracts	
Tree pruning \$58,796, Bridge Mtc \$85,233, Waste Management \$18,279, Environmental Control Expenses \$60,000, Review Town Planning Scheme \$45,000, Economic Grant Funding \$13,710, Mount Brown Park Mtc \$29,594, Pool Kiosk \$15,133, Consultants Fees \$111,429, Legal Expenses \$75,996, Debt Recovery \$9,497, Plant operating costs \$38,066, Artes & Cultural Planning \$26,453, CITS Book Grant \$17,271, Waugal Rises Phase 1 \$15,822 lower than anticipated. PWOH \$269,110 and POC \$209,259 to be reallocated. Rate recovery expenses not yet applied. CESM expenses \$20,019, Projects & Assets expenses \$162,692 lower than expected. Festivals & Events \$16,188 allocated to the incorrect IE code.	

Response provided by the Shire President

The costs highlighted are all projects that have costs lower than expected.

Only \$10,503 was spent on debt recovery in 2025/26.

As part of the end of year accounting processes, there are adjustments made to Public Works Overheads and Plant operating Costs, if they have been under or over allocated. An example being, higher fuel costs would need to be redistributed to the projects the plant was used on.

Question 4

How can we afford to spend this much on replacement computers? This is much more than I would spend. Is this for 5 staff computers?

Response provided by the Shire President

\$16,037.34 was for the purchase and network setup of 5 computers.

\$7,333.70 was for the monthly proactive service support fee, for our devices, server & network.

Question 5

If you are going to spend \$350 for approx. 10 people we should be asked to stay as well after the meeting.

Question 6

I would like to know how many vacant positions there are in our shire office currently?

Response provided by the Shire President

One, the vacant EMCCS role.

Question 7

Also when are we going to have fully trained and competent staff in the building and environmental services department? I have recently experienced days of waiting for the correct information before I could submit my application to Shire.

Response provided by the Shire President

No, this was the changeover cost for the replacement Ranger vehicle.

Question 11

Request for write off of council rates should include the amount and the reason, we don't need to know the name. What is the amount and reason for write off?

SY081-08/26 - Confidential - Rates and Charges - Request for Write Off - A60128

This matter is considered to be confidential under Section 5.23(4)(b) of the *Local Government Act 1995*, and the Council is satisfied that discussion of this matter in an open meeting would, on balance, be contrary to the public interest as it deals with information relating to the personal affairs of an individual.

Response provided by the Shire President

The information provided is line with industry practice and confidentiality, the amount will be provided in the Resolution of Council.

4.2 Public Question Time**DIANE BUCKLEY****Question 1**

I was disappointed that there wasn't an amount given of how many people submitted the objection to the rate increase as there was a lot of submission made on paper and there

was also email submission and I think the public should be advised, how many people did object to the rate increase.

Response provided by the Acting Chief Executive Officer

We received 126 paper copies over the front counter this afternoon.

Response provided by Shire President

Regarding the number of emailed copies, I will take it on notice.

DAVID SPARROW

Question 1

I would like to ask again because once again you open up this meeting by saying traditional owners and I call to question that and I would like that justified and why we are not saying for example God save the King or an acknowledgement in other ways. Why are we acknowledging one particular group? We are only here for a short time but to say that one particular group of people has ownership when I am the one paying rates is another thing so I would like that acknowledged and why do we say that at the start of meeting as opposed to say God save the King or the Lord's Prayer, please can this be addressed?

Response Provided by Shire President

I will take it on notice.

As there were no further questions Public Question Time concluded at 5.15pm.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Executive

PURPOSE OF REPORT

This report seeks Council approval to grant a two (2) month extension of the lease between the Shire of York and York Bowling Club Inc (YBC) for management of the York Recreation and Convention Centre (YRCC) Bar and Function Area. The proposed extension is to 4 November 2026. This will allow YBC to continue the management of the York Recreation and Convention Centre (YRCC) bar and function area, while due consideration is given to the lease renewal and YBC's request for continued funding.

BACKGROUND

At its May 2025 Ordinary Meeting, Council resolved (020525):

"That, with regard to Extension of Lease - York Recreation and Convention Centre Bar and Function Area - York Bowling Club Inc, Council:

- 1. Agrees to the lease with York Bowling Club Inc (the Lessee), as presented in confidential Appendix 2, for the portion of Lot 292 on Plan 103094, York, for the purpose of operating the York Recreation and Convention Centre Bar and Function Area in accordance with the following essential lease terms:***
 - a. A term of one (1) year commencing 5 September 2024.***
 - b. Option to renew for a further one (1), one (1) year term.***
 - c. Permitted Purpose to be used for bar and function services for the York community in line with the current approved liquor licence and lease agreement.***
 - d. Public Liability insurance of not less than ten million (\$10,000,000) to be the responsibility of the Lessee.***
- 2. Requests the Chief Executive Officer to advertise the proposal to lease management of the York Recreation and Convention Centre Bar and Function area for public submissions.***
- 3. Authorises the Shire President and Chief Executive Officer to endorse the lease documentation and apply the common seal, as per the terms and conditions of the lease, subject to no objections to the proposal to lease being received.***

- 4. Requests the Chief Executive Officer to include an amount of \$5,000 per month for salary support for the York Bowling Club in the 2025/26 budget process, subject to the signing of the lease agreement.**
- 5. Notes actions taken regarding the York Bowling Club's management arrangement of the bar and function service at the York Recreation & Convention Centre.**
- 6. Directs the Chief Executive Officer to provide Council with an update on progress at its August 2025 Ordinary Meeting."**

The lease was formally executed on Tuesday 29 July 2025. The agreement provided for a twelve (12) month extension of the lease commencing 5 September 2025, together with salary support of \$5,000 per month until August 2026.

The lease is due to expire on 4 September 2026, with no further options to extend. Consideration is now required regarding the future management arrangements for the YRCC Bar and Function area.

In early 2024, consultants 150Square Pty Ltd were engaged to develop management model options for the YRCC. They also facilitated consultation with YBC, York Agricultural Society, York Lawn Tennis Club Inc, York Football Club Inc, York Junior Football Club Inc, York Imperials Cricket Club Inc and York Basketball Club Inc.

The preferred option, presented to Council at its Ordinary Meeting, held on 25 June 2026, was for YBC to be the lead organisation with a view to transition to a combined club management model over twelve (12) to eighteen (18) months.

In May 2026, the Shire engaged 150Square Pty Ltd to reconvene with the relevant clubs to obtain feedback on current York Recreation and Convention Centre (YRCC) management arrangements and future intention.

A report outlining the feedback from the consultation and recommendations is presented in Appendix 1.

Representatives from YBC presented to Council at Concept Forum on 11 August 2026, in relation to their request for a continuation of wages support funding.

To allow sufficient time for Council to give appropriate consideration to the lease renewal and YBC's funding request, Officers are proposing an extension of the lease for a further two (2) months until 4 November 2026.

The proposed extension would enable YBC to continue operating the YRCC Bar and Function area and maintain services to the community while the lease and funding arrangements are negotiated. It is noted that no support funding for September and October has been agreed.

OPTIONS

Council has the following options:

- Option 1:** Council could choose to note the report and recommendations prepared by 150Square Pty Ltd and approve an extension of the existing lease agreement with the YBC for a period of two (2) months from the current expiry date, on the existing terms and conditions. Council could also direct the Chief Executive Officer to continue negotiations with the YBC in relation to renewal of the lease and ongoing support funding.
- Option 2:** Council could choose to note the report and recommendations prepared by 150Square Pty Ltd and not approve an extension of the lease with YBC and direct alternative arrangements for the management of the YRCC bar and restaurant.

Option 1 is the recommended option.

Financial

The proposed two (2) month extension of the existing lease agreement does not include additional salary support payments to the YBC and therefore, has no direct financial implications for the Shire.
 Any future financial support or funding allocation associated with the renewed lease arrangement will be subject to separate consideration by Council.

Legal and Statutory

Not applicable

Risk Related

There is a low financial risk to the Shire in supporting the YBC's ongoing management of the bar and function services at the YRCC.

There is low reputational risk to the Shire related to supporting an extension of lease for two (2) months. However, there could be moderate reputation risk if Council choose not to support the extension of lease and the YRCC closes for this time.

York Recreation Centre Check-In | Page 1

BACKGROUND

How the model came about

In November 2021, the management of the York Recreation and Convention Centre (YRCC) transitioned to external commercial management after many years of being Shire managed and staffed.

After two years of operation the commercial entity found that the service was not financially viable under commercial terms and requested early release from the management contract.

Council resolved not to re-open the Bar and Grill under Shire management, but to work with local sporting clubs again to find an alternative.

The York Bowling Club came forward as the lead organisation to do this, and support for this venture was given in principle by the clubs who used the YRCC.

The Shire of York engaged 150Square to work with the York Bowling Club to develop a management model for the bar and dining area. The model was adopted in the 2025/26 financial year, and 150Square returned in June 2026 to undertake a check-in.

Throughout the process, the intent was to work towards a combined clubs model for the delivery of the bar and function space.

About the model: Club representatives form a Recreation Centre Sports Committee. The intent is that the Recreation Centre Sports Committee would be incorporated and include representatives from clubs with a primary interest in seeing the bar remain operational, and as a community run space, and having the potential to earn funds, as well as inclusion of a Shire of York representative.

CURRENT STATUS (JULY 2026)

150Square spoke with the presidents of the York Imperials Cricket Club, the York Senior Football Club, the York Junior Football Club, the York Lawn Tennis Club and the immediate past president of the York Bowling Club.

All clubs were very supportive of the York Bowling Club managing the bar and function area. It was evident from all those we spoke to that care and attention are being given to the bar and function area. All clubs congratulated the York Bowling Club for putting its hand up, taking it on and making it a successful community space. Feedback included that the Bowling Club committee is amazing and that its dedication to the other clubs is greatly appreciated.

Clubs noted that the bar and function space was open during their training sessions and fixtured games, which was greatly appreciated. They were all happy to support the York Bowling Club by spending money over the bar. A continuing critical success factor is having someone from the York Bowling Club present during training sessions and fixtured home games.

The immediate past president of the York Bowling Club is now the assistant bar/kitchen manager, which has reduced the workload for the incoming York Bowling Club president

and supported attraction and retention in this key role. The bar manager that was engaged by the York Bowling Club when it took over the lease of the bar and function area has remained in the position throughout, providing good stability to the operations.

AREAS FOR IMPROVEMENT

The clubs want to continue to nurture and enhance their relationship with the York Bowling Club and see it as essential that they all work together to make this model succeed and retain the facility as a community space. However, there are always opportunities for improvement, including clarifying roles and responsibilities and allowing the model to evolve.

The York Senior Football Club works very closely with the York Bowling Club. The president meets weekly with the York Bowling Club president and/or bar manager to update them on activities. This has built confidence and trust between both clubs and is seen as a positive move. There is potential for a similar arrangement to occur across winter and summer clubs.

The York Senior Football Club runs the canteen and is happy to provide some dinners in the function area, as this brings a sense of belonging to the clubs. The club has a canteen manager and would like to see the restaurant side of the recreation centre offer regular evening meals during fixtured games. However, it recognises that the York Bowling Club has limitations, so a further discussion around the use of the kitchen could occur.

The York Junior Football Club already recognised its declining volunteer base, and in 2026 no longer runs the canteen; this is supplied by a food truck on weekends.

A majority of the clubs said they were very happy to step in behind the bar and would like to see the York Bowling Club reach out and accept more help, particularly during busy times. Currently, club members who step in behind the bar do not make any money and are giving their time to the York Bowling Club and their own club during fixtures. The York Senior Football Club is running a bar outside the recreation centre on occasional home games so it can generate income through an occasional liquor licence. This is not ideal, as it separates the sense of community, but it is recognised that the Football Club needs to be able to fundraise. The question becomes whether there is a better way to enable fundraising while still supporting the York Bowling Club to run a financially sustainable space that also supports the clubs that use it and volunteer behind the bar.

Clubs would like to see the space continue to have a family atmosphere and be activated with meals and bar service on set nights. However, they understand the limitations of the York Bowling Club. There may be opportunities for clubs to step up, run the kitchen and help make this happen.

Clubs noted that they use the kitchen, but there are some inconsistencies with expectations around cleanliness. There are a few issues that need to be resolved, and the York Bowling Club could consider using a checklist to ensure the kitchen is returned to the expected standard after use.

RISKS

Some clubs would like the opportunity to fundraise through bar sales. This presents a potential risk, as bar staff wages are currently supported by the Shire of York. If volunteers from other clubs work behind the bar for the York Bowling Club during busy periods, for fundraising purposes, it may be perceived that the Shire is indirectly subsidising those fundraising activities.

All clubs viewed the ageing demographics of the York Bowling Club and the bar manager as a risk, and would like to work together to help address this risk to ensure the bar and function space remains a viable community space with responsive service behind the bar during busy periods.

Another risk identified is that, while some York sporting clubs have quite large membership bases, the conversion to volunteer numbers is very low. All clubs recognise the significant contribution York Bowling Club volunteers make to ensure the space is open and functioning, but they also saw a risk that apathy may develop because of this dedication.

The clubs discussed the group messenger system used by the York Bowling Club to call for volunteers to work behind the bar. This was viewed positively; however, there was an acknowledgement that, due to changing demographics, the nature of volunteering and other pressures, the number and diversity of people stepping up to assist is not always what results. The York Senior Football Club noted that it is very difficult to get volunteers to help outside scheduled football training sessions and games. The York Bowling Club also noted this difficulty. The question becomes how to maximise micro-volunteering at times that are amenable to volunteers and when they are already physically at the recreation centre.

There are sometimes no set closing times on weekends when there is a home game, which can create misconceptions. Clubs want to maintain a family atmosphere, but also recognise that the Bowling Club may be tired at the end of the day, as it also has its own fixtured games, and may start packing up relatively early. The question is how clubs can step in behind the bar, meet what is required and help retain that family atmosphere, within liquor licensing restrictions.

Not all clubs involved in this conversation have members with RSA certification. However, the York Imperials Cricket Club is going to begin training its members in RSA. The club has fewer than 20 senior members and noted that it probably cannot commit many people to working behind the bar, but is happy to support the other clubs and the York Bowling Club when it can.

There was some discussion about clubs being aware of their lease arrangements with the Shire of York and ensuring they meet these requirements. It was noted that the responsibility for cleaning and returning spaces to their original state does not sit with the York Bowling Club. The Shire of York could take this opportunity to reconnect with all clubs and run through lease arrangements to clarify responsibilities.

Succession planning for the leadership of the York Bowling Club and the bar manager was discussed in a positive light. Clubs are happy to have a conversation about how they can

support this and acknowledge the significant contribution these leaders have made to the facility and the community.

Clubs were very supportive of the York Bowling Club, but were concerned that they as users were not stepping up enough or thinking through the challenges that lie ahead. They do not want to see the current model fail, as this would return the space to the same challenges that existed before the York Bowling Club took it on.

FOR CONTINUED DISCUSSION BY ALL CLUBS

1. How do we support the York Bowling Club to continue running the bar and function space in a financially sustainable manner, whilst also creating opportunities for other clubs to raise funds?
2. How do we activate the kitchen to encourage greater patronage to the bar and function space, and continue to provide a family friendly space?
3. How do we respond to changing demographics and volunteering patterns in the community, to ensure clubs remain vibrant and thriving, and can contribute volunteers to go behind the bar for the York Bowling Club?

It is acknowledged that the combined club model for the running of the bar and function space remains outstanding. However, moving towards this will take time and will require continued trust-building between all parties, clear roles and responsibilities, and continuing improvement on the current model and financial sustainability first.

STAGE 1 RECOMMENDATIONS (NEXT 3 MONTHS)

1. York Bowling Club consider set opening and closing times for the bar and function area, following consultation with clubs.
2. A full Winter and Summer season of fixtures has occurred; clubs discuss with the York Bowling Club the peak service periods (games, times) and staffing (hybrid of paid and volunteers) for the coming year.
3. Winter sports presidents meet with the York Bowling Club prior to season commencement, once during the season and at the end. The same structure is reflected in the Summer sports.
4. 150Square meets with the York Bowling Club Committee to discuss internal succession planning strategies to support the club with future leadership and management transition - which is noted that is already occurring.
5. Shire of York hold a meeting with club presidents to discuss user agreements and a reminder on expectations.
6. York Bowling Club introduce a simple kitchen checklist for all clubs to complete after use, so the kitchen is returned to the expected standard.
7. York Bowling Club and interested clubs trial meal nights during fixtured games, with clubs running the kitchen where York Bowling Club capacity is limited.

8. Clubs and the York Bowling Club agree an approach to club fundraising through bar sales, so clubs can fundraise without operating separate bars outside the centre.
9. Clubs compile a shared register of RSA-certified volunteers across all clubs and coordinate group RSA training. Plus increase volunteers behind the bar during peak service periods.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Legislative

PURPOSE OF REPORT

The purpose of this report is to seek Council's consideration of the submissions made, and to determine whether to make the proposed Shire of York Bush Fire Brigades Amendment Local Law 2026 in accordance with Section 3.12(4) of the *Local Government Act 1995* (the LG Act).

BACKGROUND

In December 2025, the Shire of York undertook to the Joint Standing Committee on Delegated Legislation (JSCDL) to amend the *Shire of York Bush Fire Brigades Local Law 2025* in accordance with their request. These undertakings are presented in Appendix 1.

At its May Ordinary Meeting, Council resolved (050526):

"That, with regard to Proposed Shire of York Bush Fire Brigades Amendment Local Law 2026, Council:

1. ***Recommences the law-making process for the Shire of York Bush Fire Brigades Amendment Local Law 2026. The purpose and effect of the local law being as follows:***

1. <i>Purpose</i>	2. <i>To make provisions about the organisation, establishment and equipment of bush fire brigades.</i>
3. <i>Effect</i>	4. <i>To ensure the Shire of York Bush Fire Brigades are created in accordance with the Bush Fires Act 1954.</i>

2. ***Authorises the Temporary Chief Executive Officer to carry out the law-making procedure under Section 3.12(3) of the Local Government Act 1995, by:***

- a. Giving local public notice of the proposed Shire of York Bush Fire Brigades Amendment Local Law 2026.**
 - b. Giving a copy of the proposed local law and notice to the Director General of the Department of Local Government, Industry Regulation and Safety and the Commissioner of the Department of Fire and Emergency Services.**
- 3. Authorises the Temporary Chief Executive Officer to make any minor formatting or typographical changes to the local law prior to advertising.**
- 4. Notes that the Temporary Chief Executive Officer, after the close of the public consultation period, will submit a report to Council on any submissions received on the proposed local law to enable Council to consider the submissions and determine whether to make the local law, in accordance with Section 3.12(4) of the Local Government Act 1995.”**

In accordance with Section 3.12(3) of the LG Act, local public notice was given, inviting submissions, with the submission period ending 15 July 2026. In accordance with Section 3.12(3C) of the LG Act, feedback was sought from the Departmental CEOs of the Department of Local Government, Industry Regulation and Safety (LGIRS) and the Department of Fire and Emergency Services (DFES).

COMMENTS AND DETAILS

Submissions received from DFES and LGIRS are presented in Appendix 2 and 3 respectively. Minor changes to the local law were suggested by LGIRS. The changes are not considered to be “*significantly different from what it first proposed*” according to Section 3.13 of the LG Act, as this does not alter the effect of the local law.

Appendix 4 contains the originally proposed amendment local law, while Appendix 5 presents the amendment local law with the suggested changes from LGIRS. A clean version of the proposed amendment local law which is being considered for adoption is presented in Appendix 6.

OPTIONS

Council has the following options:

- Option 1:** Council could choose not to make the Bush Fire Brigades Amendment Local Law 2026, providing reasons for that decision, and instead recommence the local law-making process in accordance with Section 3.12 of the LG Act.
- Option 2:** Council could choose to make the Shire of York Bush Fire Brigades Amendment Local Law 2026 and authorise the Acting Chief Executive Officer to carry out the actions required in accordance with Section 3.12 of the LG Act, publish an up-to-date consolidated version of the local law in accordance with Section 5.96A(b) of the LG Act and write to the Joint Standing Committee on Delegated Legislation, fulfilling our undertakings.

Option 2 is the recommended option.

Policy Related

There are currently no policies directly related to Bush Fire Brigades or making Local Laws. However, at its May 2024 Ordinary Meeting, Council adopted the updated Work Health and Safety Policy (H1), which includes volunteers (Resolution 070524).

Financial

There will be costs associated with the advertising and gazettal of the proposed amendment local law. These costs are unlikely to exceed \$3,000.

Legal and Statutory

Sections 3.5 and 3.12 of the *Local Government Act 1995* are applicable and state:

“3.5. Legislative power of local governments

- (1) *A local government may make local laws under this Act prescribing all matters that are required or permitted to be prescribed by a local law, or are necessary or convenient to be so prescribed, for it to perform any of its functions under this Act.*
- (2) *A local law made under this Act does not apply outside the local government’s district unless it is made to apply outside the district under section 3.6.*
- (3) *The power conferred on a local government by subsection (1) is in addition to any power to make local laws conferred on it by any other Act.*
- (4A) *Nothing in the Building Act 2011 prevents a local government from making local laws under this Act about building work, demolition work, a standard for the construction or demolition of buildings or incidental structures, or the use and maintenance of, and requirements in relation to, existing buildings or incidental structures, as those terms are defined in section 3 of that Act.*
- (4B) *Nothing in the Health (Miscellaneous Provisions) Act 1911 or the Public Health Act 2016 prevents a local government from making local laws under this Act about matters relating to public health (as defined in the Public Health Act 2016 section 4(1)).*
- (4) *Regulations may set out —*
 - (a) *matters about which, or purposes for which, local laws are not to be made; or*
 - (b) *kinds of local laws that are not to be made,**and a local government cannot make a local law about such a matter, or for such a purpose or of such a kind.*
- (5) *Regulations may set out such transitional arrangements as are necessary or convenient to deal with a local law ceasing to have effect because the power to make it has been removed by regulations under subsection (4).*

3.12. Procedure for making local laws

- (1) *In making a local law a local government is to follow the procedure described in this section, in the sequence in which it is described.*
- (2A) *Despite subsection (1), a failure to follow the procedure described in this section does not invalidate a local law if there has been substantial compliance with the procedure.*

- (2) *At a council meeting the person presiding is to give notice to the meeting of the purpose and effect of the proposed local law in the prescribed manner.*
- (3) *Subject to subsection (3A), the local government is to —*
 - (a) *give local public notice stating that —*
 - (i) *the local government proposes to make a local law the purpose and effect of which is summarised in the notice; and*
 - (ii) *a copy of the proposed local law may be inspected or obtained at any place specified in the notice; and*
 - (iii) *submissions about the proposed local law may be made to the local government before a day to be specified in the notice, being a day that is not less than 6 weeks after the notice is given;*
 - and*
 - (b) *as soon as the notice is given, give a copy of the proposed local law and a copy of the notice to —*
 - (i) *the Departmental CEO; and*
 - (ii) *if a department of the Public Service other than the Department assists in the administration of an Act under which the local law is proposed to be made — the chief executive officer of that other department;*
 - and*
 - (c) *provide a copy of the proposed local law, in accordance with the notice, to any person requesting it.*
- (3A) *The local government may, at the council meeting referred to in subsection (2), determine to proceed under subsection (3C) instead of subsection (3) if all the proposed local law would do is adopt, wholly and without modification —*
 - (a) *a model local law; or*
 - (b) *a model local law except certain provisions that the local government determines, at the council meeting referred to in subsection (2), are not relevant to the local government and the district.*
- (3B) *In subsection (3A)(a) and (b), references to a model local law include an amendment of a model local law.*
- (3C) *If the local government determines to proceed under this subsection, the local government must —*
 - (a) *publish a notice on the local government’s official website stating that —*
 - (i) *the local government proposes to make a local law the purpose and effect of which is summarised in the notice; and*
 - (ii) *a copy of the proposed local law may be inspected or obtained at any place specified in the notice; and*
 - (iii) *submissions about the proposed local law may be made to the local government before a day to be specified in the notice, being a day that is not less than 3 weeks after the notice is published;*
 - and*
 - (b) *as soon as the notice is published, give a copy of the notice to —*
 - (i) *the Departmental CEO; and*

- (ii) *if a department of the Public Service other than the Department assists in the administration of an Act under which the local law is proposed to be made — the chief executive officer of that other department;*
- and*
- (c) *provide a copy of the proposed local law, in accordance with the notice, to any person requesting it.*
- (4) *After the last day for submissions under subsection (3) or (3C) (as the case requires), the local government is to consider any submissions made and may make the local law* as proposed or make a local law* that is not significantly different from what was proposed.*
- * Absolute majority required.*
- (5) *After making a local law, the local government must —*
 - (a) *publish the local law in the Gazette; and*
 - (b) *give a copy of the local law to —*
 - (i) *the Departmental CEO; and*
 - (ii) *if a department of the Public Service other than the Department assists in the administration of an Act under which the local law is made — the chief executive officer of that other department.*
- (6) *After the local law has been published in the Gazette the local government is to give notice in the required way —*
 - (a) *stating the title of the local law; and*
 - (b) *summarising the purpose and effect of the local law (specifying the day on which it comes into operation); and*
 - (c) *advising that the local law is published on the local government's official website and that copies of the local law may be inspected at or obtained from the local government's office.*
- (6A) *For the purposes of subsection (6), the **required way** for giving a notice is as follows —*
 - (a) *if the local government proceeded under subsection (3) — by local public notice;*
 - (b) *if the local government proceeded under subsection (3C) — by notice published on the local government's official website.*
- (7) *The Minister may give directions to local governments requiring them to provide to the Parliament copies of local laws they have made and any explanatory or other material relating to them.*
- (8) *In this section —*
***making** in relation to a local law, includes making a local law to amend the text of, or repeal, a local law.*

Risk Related

If the Shire of York does not continue the local law-making process for the amendment local law, the compliance risk will be determined as being high, as the Joint Standing Committee on Delegated Legislation (JSCDL) may recommend disallowance of the local law to the Legislative Council, meaning that the Shire will have to recommence the local law-making process for the principal local law.

Dear Sir/Madam

SHIRE OF YORK BUSH FIRE BRIGADES AMENDMENT LOCAL LAW 2026

The Shire of York refers to the Committee's correspondence dated 21 October 2025 regarding the *Shire of York Bush Fire Brigades Local Law 2025*.

The Council of the Shire of York acknowledges the matters identified by the Committee and considered the Committee's request for undertakings at its Ordinary Council Meeting held 25 November 2025 (enclosed) and undertakes to the Joint Standing Committee on Delegated Legislation, that:

1. Within twelve (12) months, the Shire will make an Amendment Local Law to:
 - a. Delete clause 2.7(e).
 - b. Amend clause 2.7(1)(d) to clause 2.7(d) under clause 2.10.
 - c. Amend clause 2.7(1)(c) and 2.7(1)(d) under clause 2.11 to clause 2.7(c) and clause 2.7(d).
2. Until the *Shire of York Bush Fire Brigades Local Law 2025* is amended in accordance with these undertakings, the Shire of York will:
 - a. Not enforce the *Shire of York Bush Fire Brigades Local Law 2025* in a manner contrary to these undertakings.
 - b. Ensure that a copy of these undertakings accompanies the Local Law wherever it is publicly available, whether in hard copy or electronic form.
3. Authorises that these undertakings be given in the form of a letter signed by the Shire President to the Joint Standing Committee on Delegated Legislation pursuant to Section 2.8(1)(d) of the *Local Government Act 1995*, as per the Committee's request.

Dear Ms Behan

SHIRE OF YORK BUSH FIRE BRIGADES AMENDMENT LOCAL LAW 2026

I refer to correspondence dated 15 July 2026 regarding the Shire's proposed *Shire of York Bush Fire Brigades Amendment Local Law 2026 (Proposed Law)*.

The Department of Fire and Emergency Services has considered the Shire's Ordinary Council Meeting minutes of 26 May 2026 and the Proposed Law. I view the Proposed Law favourably as it provides a mechanism for encouraging bush fire brigade members to attend normal brigade activities, and to complete training in a timely manner.

Thank you for your correspondence.

SY076-08/26 COMPLETION OF RECRUITMENT PROCESS FOR APPOINTMENT OF THE CHIEF EXECUTIVE OFFICER

File Number: 4.10863

NATURE OF COUNCIL'S ROLE IN THE MATTER

Legislative Requirement

PURPOSE OF REPORT

The purpose of this report is for Council to consider the Council's certification requirements, in accordance with the *Local Government Act 1995 and Local Government (Administration) Regulations 1996*, that the recruitment process for the appointment of a Chief Executive Officer (CEO) was conducted in accordance with the adopted Model Standards for CEO Recruitment, Performance and Termination.

BACKGROUND

Regulation 18FB(3) of the *Local Government (Administration) Regulations 1996* provides that a local government must certify, by an absolute majority resolution, that the process that was followed in relation to the recruitment of the Chief Executive Officer, was carried out in accordance with the local government's adopted Standards for CEO Recruitment, Performance and Termination.

At its Ordinary Meeting, held on 23 June 2026, Council Resolved (070626):

"That, with regard to the Completion of Recruitment Process for Appointment of the Chief Executive Officer, Council:

- 1. Certifies that the Chief Executive Officer recruitment process, completed on execution of the CEO employment contract dated 5 June 2026 and approved by Council Resolution SY20260603 dated 3 June 2026, was conducted in accordance with the Shire of York's adopted standards for CEO recruitment."***

Officers provided a copy of the Report and Resolution to the Local Government Inspector (LGI) on 2 July 2026.

On 16 July 2026, Officers received a response from the Office of the LGI, requesting further detail in relation to evidence that the process was conducted in accordance with the Shire of York's adopted standards for CEO recruitment. This correspondence is presented as Appendix 1.

Officers sought guidance regarding what evidence is required. There is currently no prescribed template or specific guideline for a Regulation 18FB certification report, although the Inspectorate understands this will be beneficial to provide to the sector in the future.

The key requirement is that Council has sufficient information before it to satisfy itself that the CEO was employed in accordance with the Shire's adopted CEO recruitment standards. The report should provide enough evidence to demonstrate how each stage of the recruitment process complied with the relevant standards and any applicable regulatory requirements. This enables Council to make

an informed decision when certifying compliance under Regulation 18FB(3) and ultimately provides evidence to the Inspectorate that Council was informed when making the decision.

Officers reviewed minutes from other Local Governments with recently appointed CEOs to establish best practice.

Evidence aligned with the relevant clauses of Policy G26 – Model Standard for CEO Recruitment, Performance and Termination is provided below.

COMMENTS AND DETAILS

The *Local Government Legislation Amendment Act 2019* included a requirement for model standards covering the recruitment and selection, performance review and termination of employment of local government CEOs. The reforms are intended to ensure best practice and greater consistency in these processes between local governments.

Council adopted the model standards for CEO Recruitment, Performance & Termination at its April 2021 Ordinary Meeting (060421) as Policy G26.

On 8 July 2025, former Chief Executive Officer, Chris Linnell, tendered his resignation with his final day at the Shire being 17 October 2025. At its Ordinary Meeting, held on 22 July 2025, Council resolved to accept the resignation and appoint a Temporary Chief Executive Officer (Resolution 140725):

“That, with regard to Resignation of Chief Executive Officer and Appointment of Temporary Chief Executive Officer, Council:

- 1. Resolves to accept the resignation from Mr Chris Linnell as the Shire of York’s Chief Executive Officer effective from Friday 17 October 2025, as presented in Appendix 1, and thanks Mr Linnell for his contribution and service to Council and the community of York.***
- 2. In accordance with Policy G4 – Appointment of Acting or Temporary Chief Executive Officer, appoints Ms Alina Behan as Temporary Chief Executive Officer from Saturday 18 October 2025 until a substantive Chief Executive Officer commences employment, with remuneration paid in accordance with Band 3 Salaries and Allowances Tribunal Determination dated 4 April 2025, effective from 1 July 2025 (pro rata).***
- 3. In accordance with Policy G4 – Appointment of Acting or Temporary Chief Executive Officer, believes that Ms Alina Behan is suitably qualified for the position.”***

At a Special Meeting of Council, held on 2 December 2025, Council resolved the following (Resolution SY20251202 *En Bloc*):

“That, with regard to Process and Timeline of the Recruitment and Selection Process for the Chief Executive Officer, Council:

- 1. Adopts the proposed process and timeline for the recruitment and selection of a Chief Executive Officer for the Shire of York, as presented in confidential Appendix 8.1A.***
- 2. Notes that several of the timeframes can only be established following the appointment of an independent HR consultant engaged to facilitate the recruitment and selection process.”***

“That, with regard to Appointment of Elected Members to the CEO Selection Panel, Selection Panel Terms of Reference and Expression of Interest for Independent Member, Council:

- 1. Establishes a CEO Selection Panel comprising of Elected Members and an Independent Member for the purpose of recruiting and selecting a Chief Executive Officer for the Shire of York.***

2. ***Appoints Cr Chris Gibbs, Shire President; Cr Denese Smythe, Deputy Shire President; Cr Monique Hutchinson and Cr Kevin Trent as members to the CEO Selection Panel, with Cr Melissa Welsh appointed as the Deputy member.***
3. ***Adopts the Terms of Reference for the CEO Selection Panel, as presented in confidential Appendix 8.2A.***
4. ***Approves the Expression of Interest documentation, as presented in confidential Appendix 8.2B.***
5. ***Authorises the Acting Executive Manager Corporate & Community Services to make any minor typographical or formatting changes to the Terms of Reference and Expression of Interest documentation prior to publication.***
6. ***Notes Appendix 8.2A and Appendix 8.2B will no longer be confidential once published publicly."***

"That, with regard to Request for Quote - Consultancy Services to Facilitate the Recruitment and Selection of a Chief Executive Officer, Council:

1. ***Notes the Request for Quote for the Provision of Consultancy Services to Facilitate the Recruitment and Selection of a Chief Executive Officer, as presented in confidential Appendix 8.3A.***
2. ***Considers the Chief Executive Officer Recruitment Consultancy List for determining who to invite to quote, as presented in confidential Appendix 8.3B."***

The recruitment process was undertaken between 2 December 2025 and 5 June 2026 on which date the contract of employment was executed and common seal applied by Chris Gibbs, Shire President and appointed Candidate A (Alina Behan) as CEO.

Division 2 of Shire Policy G26 - Model Standards for CEO Recruitment, Performance, and Termination provides the standards for Recruitment of CEOs. Each of the clauses under this division that provides a requirement from the Standards are listed below, with a brief outline of those requirements and what the Shire did to satisfy the requirements of that clause.

Clause 5 – Determination of selection criteria and approval of job description form

The local government must determine the selection criteria for the position of CEO, and by resolution of an absolute majority of the council, approve a job description for the position of CEO which sets out the duties and responsibilities of the position and the selection criteria.

At the Special Council Meeting held on 24 February 2026 Council adopted the Position Description for the CEO position along with the selection criteria (Resolution SY20260203).

Clause 6 – Advertising Requirements

The local government must ensure it complies with section 5.36(4) of the Act and the Local Government (Administration) Regulations 1996 regulation 18A.

Bielby Downing Teal Pty Ltd (BDT) was engaged to manage the recruitment process for the CEO position via a competitive Request for Quote process in accordance with the Shire's Procurement Policy and endorsed by Council (Resolution SY20260103). BDT confirmed that the position was advertised in accordance with the legislative requirements.

The position was advertised from 27 February 2026 to 20 March 2026.

The advert was posted on the Shire's website and social media pages, the Bielby Downing Teal website, Seek website, LinkedIn and Local Government Professionals WA website.

The advert also appeared in the West Australian and York Community Matters newspapers in the first week of March 2026.

The above advertising campaign also ensured compliance with Section 1.7 of the *Local Government Act 1996*.

Clause 7 – Job description form to be made available by local government

The local government is to provide a copy of the job description form to anyone who requests it by either referring to the web address listed in the advertisement or by emailing or posting a copy to the person if unable to access the website.

The Application Pack prepared by BDT included a copy of the Position Description and Selection Criteria. Whenever requested, a copy was provided.

Clause 8 – Establishment of selection panel for employment of CEO

The local government must form a CEO selection panel made up of a Council-determined number of Councillors and at least one (1) independent member to conduct the recruitment and selection process.

At the Special Council Meeting held on 2 December 2025 Council endorsed the establishment of a CEO Recruitment and Selection Panel (the Panel) and endorsed the Panel's Terms of Reference, specifying the Panel be made up of four (4) elected members and one (1) independent person (Resolution SY20251202).

Council appointed Cr Chris Gibbs, Shire President, Cr Denese Smythe, Deputy Shire President, Cr Monique Hutchinson and Cr Kevin Trent as Members of the Panel, with Cr Melissa Welsh appointed as the Deputy Member (Resolution SY20251202).

At the Special Council Meeting, held on 13 January 2026 and following an Expression of Interest process, Council appointed Mark Duperouzel as the Independent Member of the Panel (Resolution SY20260102).

Clause 9 – Recommendation by selection panel

(1)-(3) Each applicant's knowledge, experience, qualifications and skills must be assessed against the selection criteria by or on behalf of the selection panel. Following the assessment, the selection panel must provide to the local government a summary of the selection panel's assessment of each applicant and, the selection panel's recommendation as to which applicant or applicants are suitable to be employed in the position of CEO.

BDT assessed each applicant's knowledge, experience, qualifications and skills and provided a candidate matrix summary report to the Panel on 25 March 2026. The Panel conducted further shortlisting and interviews between 30 March 2026 and 23 April 2026. Following this, the Panel met on 23 April 2026 to confirm which applicants were suitable to be employed in the position of CEO.

Council was provided with all documents including a confidential report prepared by BDT, including the assessment and recommendation from the Panel at a Special Council Meeting, held on 19 May 2026 (Resolution SY20260503).

(4) The selection panel must act in an impartial and transparent manner, and in accordance with the principles set out in section 5.40 of the Act.

The Panel conducted its activities in the appropriate manner as required under the Model Standards for CEO Recruitment, Performance, and Termination, and section 5.4 of the *Local Government Act 1995*.

(5) The selection panel must not recommend an applicant to the local government under subclause unless the selection panel has:

- a) assessed the applicant as having demonstrated that the applicant's knowledge, experience, qualifications and skills meet the selection criteria;*
- b) verified any academic, or other tertiary level, qualifications the applicant claims to hold;*
- c) whether by contacting referees provided by the applicant or making any other inquiries the selection panel considers appropriate, verified the applicant's character, work history, skills, performance and any other claims made by the applicant.*

The recommendation to Council was only made once the Panel and BDT had satisfactorily completed the required assessments and verifications including, but not limited to; assessing the candidate's ability to demonstrate that their knowledge, experience, qualifications and skills met the selection criteria, verifying their academic, or other tertiary level, qualifications and contacting referees to verify their character, work history, skills, performance and any other claims made by the candidate.

(6) The local government must have regard to, but is not bound to accept, a recommendation made by the selection panel under this clause.

Council endorsed the recommendations of the Panel (Resolution SY20260503).

Clause 10 – Application of CL.5 where new process carried out

This clause applies if the local government accepts a recommendation by the selection panel under clause 9(3)(a) that a new recruitment and selection process for the position of CEO be carried out in accordance with these standards.

This clause is not applicable to this recruitment process, as the Panel identified and recommended a suitable candidate for the CEO position.

Clause 11 – Offer of employment in position of CEO

Before making an applicant an offer of employment in the position of CEO, the local government must, by resolution of an absolute majority of the council, approve the making of the offer of employment to the applicant; and the proposed terms of the contract of employment to be entered into by the local government and the applicant.

At the Special Council Meeting held on 19 May 2026 Council endorsed by Absolute Majority the Chief Executive Officer Recruitment and Selection Panel's recommendation to enter into negotiations with Candidate A (Alina Behan) for the position of Chief Executive Officer and endorsed the terms of the draft employment contract (Resolution SY20260503).

Clause 12 – Variations to proposed terms of contract of employment

This clause applies when an applicant offered the CEO position negotiates an employment contract that differs from the terms previously approved by the local government, and before finalising such a negotiated contract, the Council must approve its terms by an Absolute Majority resolution.

Following negotiations with the preferred candidate, the proposed terms of the employment contract differed from those previously approved by Council.

The revised terms of the CEO employment contract were presented to Council at the Special Council Meeting held on 3 June 2026. Council, by Absolute Majority approved the finalised terms of the CEO employment contract and approved the appointment of the preferred candidate to the position of Chief Executive Officer (Resolution SY20260603).

The contract of employment was subsequently executed in accordance with the terms approved by Council.

Clause 13 - Recruitment to be undertaken on expiry of certain CEO contracts

Where the incumbent CEO will have held the position of CEO for a period of 10 or more consecutive years and the same time period has elapsed since a recruitment and selection process for the position was carried out, and the CEO has notified the local government that they wish to have their contract renewed upon its expiry, then before the expiry of the contract, the local government must carry out a recruitment process in accordance with these standards.

This clause does not apply to this recruitment process, as the process commenced due to the departure of the previous substantive Chief Executive Officer, Chris Linnell.

Clause 14 – Confidentiality of information

The local government must ensure that information provided to, or obtained by, the local government in the course of a recruitment and selection process for the position of CEO is not disclosed, or made use of, except for the purpose of, or in connection with, that recruitment and selection process.

No breach of confidentiality occurred during the recruitment process.

Certification Process

If Council adopts the Officer's Recommendation to certify compliance with the Shire of York Model Standards for CEO Recruitment, Performance and Termination for its completed CEO recruitment process, the Acting Chief Executive Officer will write to the Local Government Inspector, Tony Brown, and provide a copy of the resolution within the prescribed fourteen (14) days.

OPTIONS

Council has the following options:

Option 1: Council could choose to certify that the recruitment process has been completed in accordance with Shire Policy G26 - Model Standards for CEO Recruitment, Performance and Termination.

Option 2: Council could choose not to certify that the recruitment process has been completed in accordance with Shire Policy G26 - Model Standards for CEO Recruitment, Performance and Termination. Council would need to identify any non-compliance with the process.

Option 1 is the recommended option.

Hi Anneke,

Thank you for your notification to the Local Government Inspector of compliance with Regulation 18FB of the Local Government (Administration) Regulations 1996.

Regulation 18FB requires that, following the employment of a CEO, the local government must pass a resolution (by absolute majority) certifying that the CEO was employed in accordance with the local government's adopted CEO recruitment standards. A copy of that resolution must then be provided to the Local Government Inspector within 14 days of the resolution being passed.

The resolution should also be supported by sufficient evidence demonstrating how the council was satisfied of that compliance. Regulation 18FB(3) provides that the local government must "certify that the person was employed in accordance with the local government's adopted standards in relation to the recruitment of CEOs." Accordingly, it is expected that councillors have before them a report outlining the recruitment process and demonstrating compliance with the relevant standards, so that the council can make an informed certification.

Can you please provide a copy of this report presented to council to accurately confirm that the employment was undertaken in accordance with Regulation 18FB. If a report has not been presented to Council giving evidence for them to certify the process, it is likely the Shire will have to reconsider the matter and pass a new resolution, supported by sufficient information demonstrating compliance with the adopted CEO recruitment standards, before a valid certification can be made.

Let me know if you have any questions,

NATURE OF COUNCIL'S ROLE IN THE MATTER

Legislative

PURPOSE OF REPORT

To present the Monthly Financial Report for period ending 30 June 2026 (Appendix 1) to Council.

BACKGROUND

Regulations 34 and 35 of the *Local Government (Financial Management) Regulations 1996* require a monthly statement of financial activity, monthly statement of financial position and explanation of material variances to be presented to Council.

The report must be presented at an Ordinary Meeting of Council within two months after the end of the month to which the statement relates. Regulations prescribe the information to be contained in the report.

The Monthly Financial Report has been compiled to comply with the *Local Government Act 1995*, associated regulations, and to the extent they are not inconsistent with the *Local Government Act 1995* and the Australian Accounting Standards.

In accordance with regulation 34(5) of the *Local Government (Financial Management) Regulations 1996*, Council has adopted on 12 August 2025 the annual material variance threshold of 10% for reporting budget variances within monthly financial reporting for the 2025/26 financial year, subject to a \$10,000 minimum, below which, variances are not required to be reported.

COMMENTS AND DETAILS

The Monthly Financial Report for the period ending 30 June 2026 is presented as Appendix 1 and includes the following information as required by legislation:

- Statement of financial activity;
- Statement of financial position;
- Note 1 - Basis of preparation and significant accounting policies;
- Note 2 - Statement of financial activity information; and
- Note 3 - Explanation of material variances

The following additional information provides balances for key financial areas for the Shire of York's financial position as at 30 June 2026.

Outstanding Rates and Services

The total outstanding rates balance as at 30 June 2026 was \$2,243,130 compared to \$2,109,634 as at 30 June 2025. Final notices were sent out in October 2025.

714 properties are on an instalment plan and represent approximately 2.64% of the total rates outstanding.

An appropriately qualified and experienced debt collection contractor has been appointed to assist in resolving outstanding debts. Officers continue to administer payment arrangements outside of the ordinary payment options in line with the current Policy F1 - Revenue Collection.

Outstanding Sundry Debtors

The figure for total outstanding sundry debtors as at 30 June 2026 was \$211,542.11 compared to \$130,528.38 as at 30 June 2025.

Aged sundry debtors greater than ninety (90) days amount is mainly due to one (1) debtor being a BAS refund. A reconciliation of GST paid is being undertaken to resolve this outstanding balance.

The greater than sixty (60) days is mainly due to one (1) debtor for standpipe water use of \$8,260.

The greater than thirty (30) days is mainly due to one (1) debtor for road funding of \$69,370.

Current aged debtors is mainly due to two (2) debtors being licence fees of \$19,643 and grant funding totalling \$11,000, both balances were paid in July.

Generally, the aged debts are made up of smaller debts with no single-issue dominating.

SHIRE OF YORK
NOTES TO THE STATEMENT OF FINANCIAL ACTIVITY
FOR THE PERIOD ENDED 30 JUNE 2026

1 BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICIES

BASIS OF PREPARATION

This prescribed financial report has been prepared in accordance with the *Local Government Act 1995* and accompanying regulations.

Local Government Act 1995 requirements

Section 6.4(2) of the *Local Government Act 1995* read with the *Local Government (Financial Management) Regulations 1996*, prescribe that the financial report be prepared in accordance with the *Local Government Act 1995* and, to the extent that they are not inconsistent with the Act, the Australian Accounting Standards. The Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board were applied where no inconsistencies exist.

The *Local Government (Financial Management) Regulations 1996* specify that vested land is a right-of-use asset to be measured at cost, and is considered a zero cost concessionary lease. All right-of-use assets under zero cost concessionary leases are measured at zero cost rather than at fair value, except for vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Local Government (Financial Management) Regulations 1996, regulation 34 prescribes contents of the financial report. Supplementary information does not form part of the financial report.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

PREPARATION TIMING AND REVIEW

Date prepared: All known transactions up to 07 August 2026

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

All monies held in the Trust Fund are excluded from the financial statements.

MATERIAL ACCOUNTING POLICIES

Material accounting policies utilised in the preparation of these statements are as described within the 2024-25 Annual Budget. Please refer to the adopted budget document for details of these policies.

Critical accounting estimates and judgements

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

As with all estimates, the use of different assumptions could lead to material changes in the amounts reported in the financial report.

The following are estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year and further information on their nature and impact can be found in the relevant note:

- Fair value measurement of assets carried at reportable value including:
 - Property, plant and equipment
 - Infrastructure
- Impairment losses of non-financial assets
- Expected credit losses on financial assets
- Measurement of employee benefits

KEY INFORMATION

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of net current assets.

The local government classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at amortised cost held with registered financial institutions are listed in this note other financial assets at amortised cost are provided in Note 8 - Other assets.

KEY INFORMATION

Initial recognition

An item of property, plant and equipment or infrastructure that qualifies for recognition as an asset is measured at its cost.

Upon initial recognition, cost is determined as the amount paid (or other consideration given) to acquire the assets, plus costs incidental to the acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition.

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with *Local Government (Financial Management) Regulation 17A(5)*. These assets are expensed immediately.

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

Individual assets that are land, buildings and infrastructure acquired between scheduled revaluation dates of the asset class in accordance with the Shire's revaluation policy, are recognised at cost and disclosed as being at reportable value.

Measurement after recognition

Plant and equipment including furniture and equipment and right-of-use assets (other than vested improvements) are measured using the cost model as required under *Local Government (Financial Management) Regulation 17A(2)*. Assets held under the cost model are carried at cost less accumulated depreciation and any impairment losses being their reportable value.

Reportable Value

In accordance with *Local Government (Financial Management) Regulation 17A(2)*, the carrying amount of non-financial assets that are land and buildings classified as property, plant and equipment, investment properties, infrastructure or vested improvements that the local government controls.

Reportable value is for the purpose of *Local Government (Financial Management) Regulation 17A(4)* is the fair value of the asset at its last valuation date minus (to the extent applicable) the accumulated depreciation and any accumulated impairment losses in respect of the non-financial asset subsequent to its last valuation date.

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectable amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

Classification and subsequent measurement

Receivables which are generally due for settlement within 30 days except rates receivables which are expected to be collected within 12 months are classified as current assets. All other receivables such as, deferred pensioner rates receivable after the end of the reporting period are classified as non-current assets.

Trade and other receivables are held with the objective to collect the contractual cashflows and therefore the Shire measures them subsequently at amortised cost using the effective interest rate method.

KEY INFORMATION

Inventory

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

KEY INFORMATION

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the period that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition. The carrying amounts of trade and other payables are considered to be the same as their fair values, due to their short-term nature.

KEY INFORMATION

The Shire has elected to recognise borrowing costs as an expense when incurred regardless of how the borrowings are applied.

Fair values of borrowings are not materially different to their carrying amounts, since the interest payable on those borrowings is either close to current market rates or the borrowings are of a short term nature.

KEY INFORMATION

Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

Employee Related Provisions

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the calculation of net current assets.

Other long-term employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as employee related provisions in the statement of financial position.

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur. The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contract liabilities

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer.

Capital grant/contribution liabilities

Grants to acquire or construct recognisable non-financial assets to identified specifications be constructed to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

NATURE OF COUNCIL'S ROLE IN THE MATTER

Legislative

PURPOSE OF REPORT

To present the list of accounts paid by the Chief Executive Officer (CEO) under delegated authority for the period 1 to 31 July 2026 (Appendix 1).

BACKGROUND

Regulation 13 of the *Local Government (Financial Management) Regulations 1996* requires a list of accounts paid to be presented to Council at the next Ordinary Meeting of Council after the list has been prepared.

Regulations prescribe the information to be contained in the report.

Under Delegation 1.1.17, Council has delegated to the CEO to make payments from the Municipal and Trust funds, and this function is also sub delegated to other officers, by the CEO as appropriate.

The schedule of accounts has been prepared for all payments of accounts made since the previous period reported.

COMMENTS AND DETAILS

The following is a summary of the accounts and payments made for the period 1 to 31 July 2026 and presented in detail at Appendix 1.

Cheque Payments	0.00
Direct Debits Licensing	76,018.15
Total - Trust	76,018.15

TOTAL ACCOUNTS PAID**1,839,792.79**

Appendix 1 does not include 'Payroll Net Salaries' or 'Direct Debits Licensing' as these transactions are recorded into the Shire's financial system (SynergySoft) through a general journal or receipting.

Local Procurement

To support the local economy, Council commits to spending locally where possible and reasonably practicable. For the month of July 2026, Officers report the following in relation to local procurement, noting that 14% of payments were made to local businesses by the end of July, with the year-to-date (YTD) figure standing at 14%.

TOTAL PROCUREMENT - JULY 2026**TOTAL PROCUREMENT - YEAR TO DATE 2026/27**

The above figures provide an indication of the levels of local procurement as a percentage of reportable payments. It is important to note that in the development of the above tables, several exclusions apply and are not included in the reportable totals. These include, but are not limited to, payments made for the following:

1. Superannuation
2. Goods and Services Tax
3. Department of Fire and Emergency Services
4. Local Government Insurance Services
5. WA Local Government Association
6. WA Treasury Corporation
7. Office of the Auditor General
8. Utilities (Synergy, Telstra, Water Corporation)
9. Placement of Shire term deposits

 - (i) the municipal fund; and*
 - (ii) the trust fund,**of a local government.”*

Regulation 13 of the Local Government (Financial Management) Regulations 1996 is applicable and states:

“13. Payments from municipal fund or trust fund by CEO, CEO’s duties as to etc.

- (1) If the local government has delegated to the CEO the exercise of its power to make payments from the municipal fund or the trust fund, a list of accounts paid by the CEO is to be prepared each month showing for each account paid since the last such list was prepared —*
 - (a) the payee’s name; and*
 - (b) the amount of the payment; and*
 - (c) the date of the payment; and*
 - (d) sufficient information to identify the transaction.*
- (2) A list of accounts for approval to be paid is to be prepared each month showing —*

- (a) *for each account which requires council authorisation in that month —*
 - (i) *the payee's name; and*
 - (ii) *the amount of the payment; and*
 - (iii) *sufficient information to identify the transaction; and*
- (b) *the date of the meeting of the council to which the list is to be presented.*
- (3) *A list prepared under subregulation (1) or (2) is to be —*
 - (a) *presented to the council at the next ordinary meeting of the council after the list is prepared; and*
 - (b) *recorded in the minutes of that meeting.*
 - (b) *recorded in the minutes of the meeting at which it is presented.”*

Risk Related

This item has been evaluated against the Shire's Risk Management Framework and Risk Assessment Matrix. If Council choose not to accept the Officers' recommendation, this presents a compliance risk. The perceived level of risk is Moderate prior to treatment. Acceptance of the recommendation presented would reduce the risk to Minor.

PURPOSE OF REPORT

To present the list of payments made by authorised employees using credit, debit and other purchasing cards for the period 1 to 31 July 2026 (Appendix 1).

BACKGROUND

Regulation 13A of the *Local Government (Financial Management) Regulations 1996* requires a list of payments made using credit, debit or other purchasing cards to be presented to Council at the next Ordinary Meeting of Council after the list has been prepared. Regulations prescribe the information to be contained in the report.

Where appropriate, Officers have been authorised to make payments using credit cards in accordance with the Finance Policy F6 – Corporate Credit Card. The Chief Executive Officer (CEO) has authorised use of fuel cards for purchasing fuel to meet operational requirements. The list of payments made by authorised employees using transaction cards has been prepared for all payments made since the previous period reported.

COMMENTS AND DETAILS

Payments using credit, debit or other purchasing cards for the period 1 to 31 July 2026 total \$2,501.12. Appendix 1 provides the detail required by legislation.

11 QUESTIONS FROM MEMBERS WITHOUT NOTICE

Cr Hutchinson

In regards to the new Agenda Briefing Record, before I was on Council, I would formulate deputations by coming to a briefing to hear what questions are being asked to get an idea of where Councillors were. If a record of our questions are only going to be given at the time of the minutes it's too late to be formulating a deputation. Can this document be put online for viewing in the week before the Ordinary Meeting?

Response provided by Shire President

There is a level of efficiency by taking some of the discussions out of the room and you will recall the reason why we have introduced having a record of the questions. Councillors have become quite good in asking the questions in writing to get their answers quickly to form an opinion. However, the down side is it takes the questions out of the room. I will defer to the Acting CEO.

Response provided by Acting Chief Executive Officer

One way people can engage is to attend the Agenda Briefings in person, the questions that Councillors ask in writing would not be made public in the Agenda Briefing if you do not ask that question on the night. I will take this on notice.

Cr Smythe

My question is, is that particular form stopping us asking the question at an Ordinary Council Meeting?

Response provided by Shire President

The answer to that is no, so there is the option which Council always have is reasking the question that has been answered so that if someone were the Gallery they can hear the question.

Cr Hutchinson

If we are only supplying the written questions with the Minutes is it still possible to see the questions before the Ordinary Meeting?

Response provided by Shire President

As per Acting CEO response, as this is new we now need to consider how it is released.

The question is on notice and your feedback will be taken into consideration.

Cr Trent

We received the Agenda on the Friday night and can send questions over the weekend to get an answer on Monday. Is there enough time to put together an alternative motion for the Ordinary Council Meeting, I understand we have to give 7 day's notice?

Response provided by Shire President

The answer is yes as it only has to be prepared for the Ordinary Meeting and not the Agenda Briefing. Between the release of the Agenda and the Ordinary Meeting there is enough time to formulate an alternate motion.

Cr Trent

If the person requires advise from the officers is there enough time?

Response provided by Shire President

Yes, we have had a number of alternative motions over the last couple of years. I take on board your concerns but I believe we do have enough time and Administration prioritises these.

If you ever find yourself considering an alternate or an amendment let Council and the Administration know straight away so it can be considered.
