Re: Allocation of land for CRC building and R 4 R funding Agenda item for Shire meeting

Dear Sir

Further to the meeting held between representatives of the Shire and the CRC, 13 June, 2011 (Minutes attached) and the document signed by yourself, the Shire President and the Chairman of the CRC, (copy attached) we now request that the agreed allocation of land and the transfer of the \$250,000 Royalties for Regions funding be minuted and at the next Shire Council meeting.

This documentation is a requirement for any further funding to be granted by bodies such as the Lotteries Commission.

We ask that this matter be expedited as soon as possible.

Sincerely

Elizabeth Parker
