| PART B — ANNUAL FINANCIAL REPORT         | 1 to 69 |
| PART C _ INDEPENDENT AUDITORS REPORT     |         |

#### Introduction

The Annual Report of the Council is produced in accordance with the requirements of the Local Government Act 1995 and provides a valuable record of the work of the Local Government over the reporting period.

The format of the Annual Report seeks to provide information in a way that is easy to read, interesting and informative.

As a part of our history it is designed to record the successes and challenges the Council faced and to demonstrate how the community and the Council met those challenges.

The second part of the report provides the statement by the Auditor and the financial reports showing the statutory information in the format required by the Local Government Act.

Ray Hooper

Blooper

Chief Executive Officer

#### **President's Report**

It is with pleasure and pride that I present the 2012/13 Shire of York Annual Report to the community as a stepping stone in the development of York as a liveable and sustainable entity.

2012/13 was the culmination of the large scale development components of the Forrest Oval project with the final stages such as carparking, landscaping, water management and other exterior works programmed for 2014/15 and 2015/16.

2012/13 was also the start of the new management for Local Government through Integrated Planning and Reporting under which the Shire will develop and implement a Community Strategic Plan, Asset Management Plan, Workforce Plan, Long Term Financial Plan and a Corporate Business Plan with performance or management ratios to further inform the public on sustainability issues.

As in past years, Council continued the process of Regional planning for the future to ensure that York continues to grow and develop.

Council continued the structural reform process in 2012/13 on the premise that change will be enforced by the government in both metropolitan and rural areas and that it is better to chose your partners than to have them forced on you.

Law, order and public safety remained as strong priorities in 2012/13 and close liaison with York Police is a focus for Council. Special thanks are extended to Sergeant Gubanyi and his team for their efforts in keeping York safe.

I also take this opportunity to express sincere thanks and appreciation to the staff for the loyalty and commitment to York and for their service delivery to the community to make York an even better place to live.

AS BOYLE /

SHIRE PRESIDENT

#### To build on our history to create our future

#### Our Vision – The Rural Gateway

#### Our Shire will be:

- A place to visit, work, play and rest;
- A place of vibrancy and energy, but one of tranquillity and safety;
- A place of growth, find opportunities and thrive;
- A place of history, and cultural interests, where past history is valued, building a sense of permanency and pride;
- A place of community, where lifestyle choices are important and where community matters.

#### Our Aim

To manage growth economically and socially in supporting a progressive vibrant community.

#### Our Goals

#### Social

- Manage population growth through planned provision of services and infrastructure:
- Strengthen community interactions and a sense of a united, cohesive and safe community;
- Build and strengthen community, culture, vibrancy and energy.

#### Environmental

- Maintain and preserve the natural environment during growth, enhancing the 'rural' nature of York, and ensuring a sustainable environment for the future:
- Support sustainable energy and renewable resource choices.

#### **Economic**

- Build population base through economic prosperity;
- Value, protect and preserve our heritage past;
- Grow the economic base and actively support local businesses and service provision.

#### Governance

#### Strengthen Shire Leadership

#### **Our Vision**

- We will ensure our sustainability through our leadership, our regional and government partnerships and ensure we make informed resource decisions for our community good.
- We will engage and listen to our community, advocate on behalf of our community, be accountable and manage within our governance and legislative framework.
- Our objectives and priorities are built from our shared outcomes.

#### **Senior Staff**

#### Chief Executive Officer

Mr Ray Hooper

#### Deputy Chief Executive Officer

Mrs Tyhscha Cochrane

#### Manager of Works

Mr Glen Jones

#### Manager Administration & Technical Services

Vacant

#### Manager Environmental Health and Building Services

Mr Gordon Tester

#### Manager Planning Services

Mrs Jacky Jurmann

#### **Human Resources**

The organisation would be unable to function without the support of its administration staff and I would like to pay tribute to the following staff and identify their role in our operations:

Allison Brown \* Recreation & Convention Centre Manager

Anneke Birleson Youth Activities Coordinator

Carol Littlefair Museum Curator

Cindy Keeble Customer Service Officer

Daniel Birleson Ranger Services

Gail Maziuk Senior Administration Officer / Projects
George Johnson Compliance Officer Building/Planning

Helen Darcy-Walker Executive Support Officer
Judith Anderson \* Environmental Health Officer

Kathryn Brown Recreation & Convention Centre Manager

Katrina Parsons Casual Swimming Pool Attendant

Kira Strange Planning Officer
Kristy Robinson \* Planning Assistant

Leonie Kempin Depot Administration Officer Lindy Dewar Customer Services Officer

Lynette Kay \* Youth Officer

Matthew Davies Payroll/Finance Officer

Matthew Sharpe Ranger Services

Natasha Brennan Casual Administration Support Officer

Nicole Fleay Casual Records/Administration Support Officer

Nicole McNamara Casual Administration Support Officer

Pamella Law Administration Support Officer

Patricia Mogridge Rates Officer

Sharla Fythe Technical Services Officer

Susan Johns Records/Administration Support Officer

Tabitha Bateman Senior Finance Officer
Tamara Hooper Information Services Officer

Timothy Jurmann Building Surveyor

Tracy McInnes \* Customer Services Officer
Vicki Robinson Information Services Officer

William (Bill) Livingstone Pool Manager

<sup>\*</sup> denotes the staff member left the employ of the Shire of York in this financial year

#### **ADMINISTRATION AND CORPORATE SERVICES SECTOR**

The 2012/2013 Financial Year has again proved to be an extremely busy period for Council staff, predominantly as a result of increased development pressure and Local Government Structural reform projects.

Administration staff levels remained stable during 2012/13, with one new position introduced. The new administration staff members employed in 2012/13 are:

Anneke Birleson Youth Activities Co-ordinator

Kira Strange Planning Officer

Kathryn Brown Recreation & Convention Centre Manager

#### **Elections**

There were no Local Government elections held in 2012/13. The York Shire Councillors duly elected in 2009 and 2011 remained the same:

| Councillors                          | Expiry of Term |
|--------------------------------------|----------------|
| Tony Boyle - Shire President         | Oct 2013       |
| Roy Scott – Deputy Shire President   | Oct 2013       |
| Brian Lawrance                       | Oct 2013       |
| Pat Hooper – re-elected 2011         | Oct 2015       |
| Mark Duperouzel – newly elected 2011 | Oct 2015       |
| Denese Smythe – newly elected 2011   | Oct 2015       |

#### **End of Year Financial Situation**

The York Shire Council recorded a surplus of \$2,232,627 for the 2012/2013 Financial Year. Contributors to the surplus include incomplete road construction works, unspent SEARTG funds, and a 50% advance payment of 2013/14 grant funds from Local Government Grants Commission. Most of the non-completed works have been included in the 2013/2014 budget.

#### **Valuations**

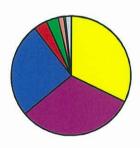

Rural land was re-valued during the period in accordance with the requirements of the Regional Developments and Land information to value rural land on an annual basis.

The Department of Land Information have now changed the time frame between GRV re-valuations from five years to four years, next re-valuation will be for financial year 2015/2016.

#### Revenue and Expenditure

#### Operating Expenditure

| Employee Costs         | \$2,832,982 | 32.18%  |
|------------------------|-------------|---------|
| Materials & Contracts  | \$2,795,719 | 31.75%  |
| Depreciation           | \$2,260,024 | 25.67%  |
| Utilities              | \$316,571   | 3.60%   |
| Insurance              | \$283,955   | 3.22%   |
| Interest Expenses      | \$130,656   | 1.48%   |
| Loss on Sale of Assets | \$37,205    | 0.42%   |
| Other Expenditure      | \$147,732   | 1.68%   |
| TOTAL                  | \$8,804,844 | 100.00% |

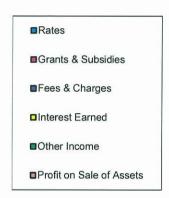

#### Operating Income

| Rates                                       | \$3,753,025 | 48.83%  |
|---|-------------|---------|
| Operating Grants, Subsidies & Contributions | \$2,300,487 | 29.93%  |
| Fees & Charges                              | \$1,248,821 | 16.25%  |
| Interest Earned                             | \$268,732   | 3.49%   |
| Other Revenue                               | \$95,666    | 1.24%   |
| Profit on Sale of Assets                    | \$19,779    | 0.25%   |
| TOTAL                                       | \$7,686,510 | 100.00% |

#### **Rates Incentive Prize**

# SHIRE OF YORK RATES INCENTIVE PRIZES WINNERS

#### FIRST PRIZE — Mr Phil Furey

The Shire of York, in conjunction with the York & Districts Community Bank Branch of Bendigo Bank, a \$1,000 bank account

#### SECOND PRIZE— Mr Peter Lilienfeld

\$200 worth of Unleaded Petrol donated by Fuel Distributors of WA Pty Ltd.

#### THIRD PRIZE— Mr Justin Baxter

# Fuel Distributors of Western Australia Pty Ltd

The Shire of York gratefully acknowledges the support of the York & Districts Community Bank Branch of Bendigo Bank, Fuel Distributors of Western Australia Pty Ltd, West Australian Symphony Orchestra and Aspen Parks for their contributions to the 2012/2013 rates incentive prizes.

These prize winners were drawn by random computer selection.

#### **Community Assistance & Support**

Once again community organisations were provided with financial assistance through direct sponsorship and donations. Community Sponsorships for 2012/2013 were as follows:

| Name  | Purpose   | Funds      |
|---|---|------------|
| York Agricultural Society                   | Staging of 2012 Agricultural Show (Inc in-kind support)   | \$5,000.00 |
| York District High School P & C Association | Hall Hire for Art Exhibition including setup and pack up. Use of Pavilion for committee/fundraising.                  | \$726.00   |
| Avon Tourism Inc.                           | Regional area promotion and marketing for the Avon Valley. Council confirmed commitment for three financial years.    | \$2,000.00 |
| York District High School                   | 2011 Presentation Night - Book<br>awards \$500 and Hall Hire, setup<br>and pack up \$682                              | \$1,182.00 |
| Nice n Easy Singing Group                   | Senior Citizens Appreciation Day<br>(Hold Money on their behalf) In-<br>kind - Hall Hire and Set-up<br>Donation \$616 | \$2116.00  |
| York Society                                | Archives and Historical Research  | \$750.00   |
| York Society - Arts & Crafts                | Use of Town Hall, Setup and Pack<br>Up  | \$5,346.00 |
| York Society                                | New Residents Pack  | \$600.00   |
| York Society                                | Photographic Awards   | \$500.00   |
| Greenhills Progress<br>Association          | Improvements and maintenance of Hall  | \$4,200.00 |
| Motor Cycle Events                          | Event funding   | \$2,000.00 |
| Cycle Events                                | Event funding   | \$2,000.00 |
|   | Australia Day Breakfast including labour  | \$2,600.00 |
|   | Town Hall Usage Free for Various Events   | \$2,500.00 |
| Recognition of Achievers                    | Various   | \$2,000.00 |

| York Youthcare   | Chaplain at York District High<br>School   | \$3,000.00  |
|--|--|-------------|
| York Children's Christmas<br>Street Party                                      | Christmas Street party and late night trading for event  | \$4,000.00  |
| York Racing  | Promoting York Beverley Turf Club<br>Meetings.   | \$1,000.00  |
| Talbot Brook Environmental group   | Travel reimbursement   | \$500.00    |
| Talbot Brook Community<br>Group  | Improvements and maintenance of Talbot Hall (holding in term deposit until there are enough funds) | \$4,200.00  |
| York Senior's Mobility Group   | Stay on Your Feet  | \$1,250.00  |
| Community Resource Centre  | York Business Directory  | \$1,200.00  |
| York World Vision  | Community usage of the Community Centre  | \$297.00    |
| Toy Library  | Community usage of the Community Centre  | \$297.00    |
| Playgroup  | Community usage of the Community Centre  | \$297.00    |
| Community Bus Hire for<br>Companion Time Committee<br>& Other Community Groups | Community Bus Hire for Seniors and Youth Outings   | \$2,500.00  |
| York Pony Club   | Signage - identifying club operations and grounds.   | \$1,000.00  |
| Bicycling Western Australia  | 31 July 2012 event - free use of town hall and mobile toilets in-kind and portion of cash \$2000   | \$5,000.00  |
|  | Total Sponsorship 2012/13  | \$58,061.00 |

It should be noted that the above contributions do not include all the in-kind assistance provided to many community organisations and contributions paid to organisations towards the development of Council owned facilities.

#### Library

The York Library has continued to purchase its own library stock through State Library's webselect. This has enabled us to purchase items that are required by local readers and to fill gaps in the reference library. We have been able to increase our selection of large print and audio books which are experiencing increasing demand. The feedback from local readers has been very positive as we are able to cater for a variety of interest.

State Library continues offering e-books to library users. The York Library has joined with 60 libraries across the state to offer this service to its users. The service requires readers to log onto a website to download e-books using their library cards.

The York Library is participating in a number of community programs to promote literacy levels in our local community. These programs include Better Beginnings and the new Better Beginnings Kindy and Pre School Program. These programs promote the importance of parents reading to young children to increase literacy standards in children. The Storytime program has been very successful with up to 16 families attending weekly to enjoy the story, activity and socializing.

Our local stock has increased steadily in the past year with much of this attributed to donations from generous members of our community.

We have one volunteer at the library whose contributions help with the running of the library and are greatly appreciated.

Our annual statistics show an increase in the use of Fiction borrowings and an increase in the number of adults joining the library. The interlibrary loans have also increased due to the demand for the new webselect items. Requests for information have double over this period and indicate that our library is being used by the community to inform their reading choices and for gathering of information.

| Items Issued        | Adult Non Fiction        | 4390         |

#### **Residency Museum**

#### National Trust Heritage Festival 20 April - 26 May 2013

The Museum took the lead role in organising and co-ordinating heritage-related events in York during May as the above Heritage Festival was used as the main promotional event for the Museum this year. A wide range of events took place and those operators who planned early benefited from promotion through the NT website, brochures and a downloadable app from the appstore.

An in-house brochure was also produced for local distribution through the Information Centre, shops and accommodation providers. In total seventeen heritage events took place including a bush dance, Bus Tours, a High Tea, Open Days and Evenings at heritage sites, plus the Museum events as described below.

#### Hidden Treasures Exhibition and Open Evening

Some of the Museum's best pieces were brought out of storage for this special exhibition which took the form of a 'find the treasure' trail throughout the museum.

Most Museums are a bit like icebergs – there is far more in storage than you actually see on show due to space constraints and for conservation reasons. The Residency is no exception, having many more objects of historic significance than can ever be displayed at once.

On display for the first time was be the barometer that recorded York's weather during the 1800's; the dazzling Dempster Quilt was displayed on a magnificent brass bed and stunning portraits of early settlers were admired along with a stole that once belonged to Edith Cowan, a gorgeous wedding dress, etchings and photographs with farming themes and artefacts that were used in the many town trades and businesses.

For a Museum, 'treasure' means historic significance not monetary value, so things like a primitive washing machine and even a moulded block of beeswax were included because of the interesting stories and the people that are connected with them.

Visitors were intrigued by the Chinese medicine jar full of lizard and bird bones and marvelled at the works of bush craftsmanship such as carvings, furniture and paintings on box lids.

Over fifty guests enjoyed an Open Evening with Curator's Guided Tour for National Museums Day, the event being run by the hardworking Museum Committee and volunteers and supported by gold coin donations from guests.

#### York Town Hall - The Halcyon Years

The Heritage festival saw the return in condensed format of this popular exhibition held last year to celebrate the Town hall's Centenary. It included some of the favourite objects from that showing; the superb sulky conserved by a previous Lotterywest Conservation grant; the historic drum and euphonium from York Brass Band; an enchanting child's fancy dress rabbit costume and a wheelbarrow made by a local blacksmith during goldrush days.

#### Meet the Archaeologist

Sean Winter and his team from the University of Western Australia spent a blisteringly hot January in 2010 making exciting discoveries at the site of the York Convict Depot behind the Residency Museum. They discovered the Convict Depot remains behind the Residency Museum and this well-attended site walk and presentation provided the public with an opportunity to meet Sean and find out what the dig revealed, which was a fascinating insight into convict life in York.

#### Young Archaeologists' Fun Days

To coincide with the above, a weekend of Young Archaeologists Fun Day Hands-On Activities devised by archaeologist Gaye Nayton was held at the Museum. These included a hands-on dig, solving puzzles and piecing together mysterious fragments as well as over twenty other hands-on activities and games all around the Museum.

The Archaeological Dig activity has now been incorporated into our package of education activities for schools use, available all year round.

#### Successful Conservation grant award for Photographs and Storage

Volunteers and staff at York's Residency Museum were kept busy packing up some of the Museum collection to send to Preservation Services, a specialist conservation studio in Perth, following the the welcome news that their conservation grant application to Lotterywest had been successful.

The Museum was awarded a grant for the conservation of a number of important photographs of nineteenth century personalities who were instrumental in shaping York. These include pictures of past Councillors that for many years hung in the Town Hall. The originals will be conserved and replicas made for longer-term display.

To help with caring for the collection, the grant also includes the purchase of two dust-free storage units.

#### Re-organsiation of Store

The successful grant application neccessitated a re-organisation of the museum store, achieved in a fortnight during July thanks to our hardworking volunteers.

#### Increase in School and group visits

During the last few months the Museum has seen an encouraging increase in schools use of the Museum. The Museum is now listed on the DET excursion provider's website <a href="http://www.det.wa.edu.au/schoolexcursions/detcms/navigation/excursion-providers/?key=Y">http://www.det.wa.edu.au/schoolexcursions/detcms/navigation/excursion-providers/?key=Y</a> and teacher's resources are available on the Shire website <a href="http://www.york.wa.gov.au/residencymuseum">http://www.york.wa.gov.au/residencymuseum</a>.

We have received a very positive response from teachers who find the on-line resources extremely valuable. Schools from the wider Wheatbelt area find the Museum particularly useful as trips to Perth are very long and tiring days for children. We are currently disussing how to cross-promote the Museum and Courthouse to schools with the National Trust.

There has also been an increase in the number of groups [mainly seniors].

#### **Red Tardis Update**

Design work has almost been completed for the panels to go into the Tardis windows. York Men's Shed have kindly promised to refurbish and paint the telephone boxes so we hope that once the York Men's Shed have their Shed up and running, the Tardi will be landing in Avon Terrace!

#### Record Keeping

A complete review of the Shire of York's Record Keeping Plan was carried out in early 2010.

The Shire of York, which is renowned for its heritage values and its commitment to preserving local history, supports the principles of the State Records Act and recognises the importance of establishing and maintaining a reliable and credible Record Keeping System.

In accordance with section 28 of the *State Records Act 2000*, the Plan for the Shire is to be reviewed within five years of its approval date. Once completed, a report of the review must be submitted to the State Records Office by **18 June 2015**.

The Plan indicates a strong commitment to address certain matters within specific timeframes and we continue to work hard to meet all timeframes.

#### **Freedom of Information**

It is this local government's intention to provide access to requested documents, wherever possible in the ordinary course of daily work provided that in so doing no harm is inflicted upon the rights or interests of private individuals or commercial organisations.

Where requested documents are of a sensitive nature the application will be dealt with under the provisions of sections 5.94, 5.95, and 5.96 of the Local Government Act - Freedom of Information, taking into account all parties concerned.

It is our belief that this strategy will facilitate the provision of information to the public in a prompt and cost effective manner whilst still observing the need to preserve the confidentiality of classified information.

In 2012/13 there were twenty three (23) new Freedom of Information applications received by the Shire of York.

#### Planning for the Future

#### **Integrated Planning and Reporting Framework**

#### Components of the Integrated Planning and Reporting Framework include:

- Workforce Planning
- > Community Strategic Plan
- > Asset Management Plan
- > Corporate Business Plan
- Long Term Financial Planning

The Shire's planning framework aligns with the DLG's framework as outlined below and comprises of the following plans and activities (refer Diagram 1). Strategic Community Plan (SCP) – identifies the community's main aspirations and priorities for the future and outlines strategies for achieving these goals Corporate Business Plan (CBP) – describes the activities that will be undertaken over the next four years to achieve the agreed short and long term goals and outcomes.

Divisional Operational Plans (DOP) – outlines the details of the specific projects and activities that will achieve the commitments documented in the Corporate Business Plan.

Long Term Financial Plan (LTFP) – details the financial resources needed to enact the CBP in the first four years and potential revenues and expenses for the next six years of the plan. This plan serves to inform and resource all aspects of the integrated planning activities as appropriate.

Asset Management Plan (AMP) - This plan identifies and records the asset

register, service levels, activities and strategies to ensure the physical assets and infrastructure are appropriately managed and maintained over their lifecycle, and disposed of or replaced at the end of that lifecycle.

Integrated Workforce Plan (IWP) – This plan identifies and reports on the internal capacity to meet current and future needs of the goals and objectives of the Shire / Community, both in capacity and capability. It identifies the gaps in human resources, assets or financial resources and strategies to mitigate them.

Timeline to adopt components of the Integrated Planning and Reporting Framework

- adopt February 2014
- Long Term Financial Planning adopt December 2013

#### **Workforce Planning**

The Shire of York has a current Workforce Plan.

The Workforce Plan identifies gaps between the current workforce profile and the organisational structure.

The Workforce Plan identifies organisational activities to foster and develop the workforce.

The Workforce Plan implementation is budgeted for in the Corporate Business Plan and the Long term Financial Plan.

#### **Purpose**

The purpose of Workforce Planning is to develop and implement a structure, systems and processes for workforce planning that will be implemented across all aspects of the Shire's planning, operations and services. This integrated approach to workforce planning will ensure that the Shire of York recruits, retains and manages the human resource requirements needed to meet the strategic and operational objectives of the Shire, its community and the organisation.

#### **Integrated Workforce Planning**

The workforce plan has been developed to address the requirements of the Local Government Act 1995 section S5.56 (1) A "plan for the future" and S5.56(2): That Local Governments develop a Strategic Community Plan that links community aspirations with the Council's long term strategy. That the Local Government has a corporate business plan linking to long term financial planning that integrates asset management, workforce planning and specific council plans (informing strategies) with the strategic plan.

#### Strategic Community Plan- 2012 to the Future

The Strategic Community Plan (SCP) is a Council visionary document for the next ten years, based on community input and our research (Reference: Community Plan), to ensure our future is sustainable. Whilst it is recognised that not all outcomes can be delivered immediately, the Plan will guide our decisions over the next ten years.

The Corporate Business Plan identifies what we will achieve in the shorter term, and the steps we will take to reach our long term vision, and will enable us and the community to review and monitor our progress towards achieving our aspirations.

Implementing this Plan will demand that the Shire not only continues to deliver and represent the community, but recognises that we can't deliver alone. We will work in partnership with other Shires, State and Federal Governments, and the private sector, to advocate delivery of our Plan.

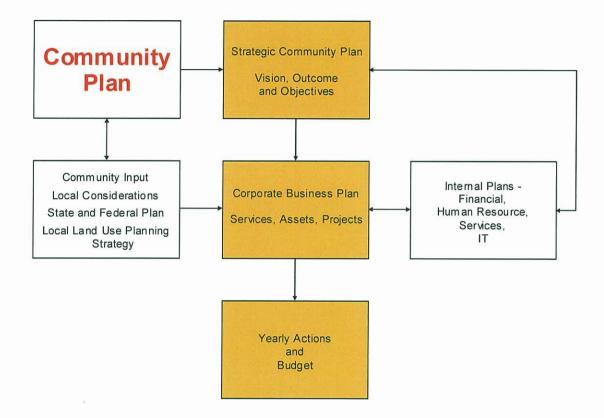

The Strategic Community Plan will undergo an internal review in 2014 and a formal review in 2016.

#### **Our Planning Framework**

The Shire, in partnership with community and stakeholders, has developed a shared strategic vision, goals and outcomes.

In the initial stages of development, research was undertaken across the quadruple bottom line to ensure our community and Council were able to make informed and appropriate priority decisions for our local community.

This included a review of the external Federal and State Government plans, and long term demographic changes, impacts, risks, and the challenges facing our community, to ensure we are a sustainable and growing community.

#### **Complaints about Conduct of Members**

Council is required to report on official complaints that result in action under section 5.110 6 (b) or (c) of the Local Government Act 1995. During 2012/13 two (2) complaints were received. No determination was provided within the 2012/13 Financial Year.

#### **Development Services**

The Development Services Section of the Council is managed by:

- Mrs Jacky Jurmann Manager Planning Services Town Planning and Heritage.
- Mr Gordon Tester Manager Health & Building Environmental Health, Building Control, Building Maintenance and Ranger Services.

# Health, Building, Town Planning, Fire Prevention & Regulatory Services Sector

#### **Town Planning**

Land use planning in York is guided by two main documents – the Local Planning Strategy and the Town Planning Scheme No. 2 (known as TPS 2).

The Planning team consists of a Manager, Planner and Development Services Officer, who field many enquiries, both in person and in writing. Enquiries can range from rezoning and subdivision, restoration and development of heritage properties, to the keeping of sea containers, varying the provisions of the Residential Design Codes and conducting home businesses.

In this period, planning services were outsourced to the Shires of Cunderdin and Tammin, which involves the assessment of planning applications, answering enquiries and attendance at Council meetings when required. Commencing in September 2013, planning services will also be provided to the Shire of Quairading. The income received from the provision of this service has directly funded an additional planning officer's position to ensure that the level of service provided to the community of York is not reduced.

To assist landowners, residents and developers, a series of Information Sheets have been developed to provide general information on planning issues. These are available from the Council Office and on the website in the Residents/Planning section together with copies of the planning strategy, scheme and policies.

It is the aim of the planning section to provide an efficient and effective service to landowners, residents, developers and the community.

#### **Scheme Amendments**

Since the gazettal of TPS 2 in 1996, there have been 51 scheme amendments initiated, including three 'omnibus' amendments (description of an amendment that contains a number of proposals). Scheme Amendments 47 – Crawford Court, 48 – Old Lawn Tennis Centre and 51 – Town Centre (north) were gazetted in the 2012-2013 period.

Scheme Amendment 49 – Springbett Reserve is currently with the WAPC for approval. This amendment proposes to rezone a portion of the reserve for light industry and will be developed as part of Landcorp's Regional Development Assistance Program. Studies into water management and servicing have commenced.

Scheme Amendment 50, the most recent 'omnibus', represents a significant review of the Scheme and will introduce new land use definitions and an expanded land use table to represent todays needs and lead into the development of TPS 3. It will also provide guidance on the development and use of reserved land. Once gazetted the Scheme will be an easier to user document that provides better guidance and more certainty for all users, including landowners, developers and planners through better defined land uses and reduced reliance on the 'use not listed' provisions. The amendment is currently with the Minister for Planning for final approval.

#### Structure Plans

Structure Plans (formerly known as Outline Development Plans or ODPs) are required to guide the larger developments.

A Structure Plan has been submitted for the Daliak Precinct and is currently being finalised to guide orderly development in that precinct. The Plan will outline staging, infrastructure requirements and land uses. Once Council has approved the Plan, it will be submitted to the WAPC for approval.

A Structure Plan is also being developed for the Greenhills townsite to guide the development of building lots. This Plan will soon be available for landowners and the community for comment.

The Equine Precinct is also currently being reviewed in conjunction with the development of the historic York Racecourse. It is envisaged that the Precinct will become the home to regional equine facilities, bridle trails and horse trainers. A Master Plan and Structure Plan will be drafted to guide future development in conjunction with stakeholders, landowners and the community.

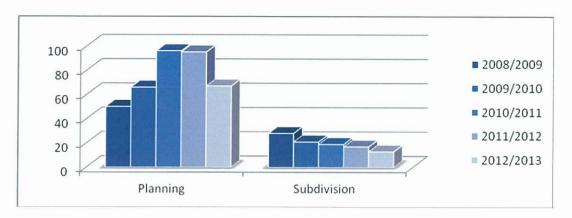

#### **Planning Applications**

Planning applications are submitted to Council for construction of dwellings and ancillary residential development, works to heritage buildings and within heritage precincts, change of use of shops and other commercial premises, display advertising signage, and for construction of commercial and industrial developments.

In the 2012/2013 period, 67 planning applications received, 28 less than in the previous period, which may be reflective of the downturn in the development industry and/or local economy or simply as a result of policy changes, such as the introduction of the Local Planning Policy for Outbuildings that has simplified the approval process.

Similarly, the number of subdivision applications received by the WAPC for the York Shire decreased and in this period 13 subdivision referrals were received by Council, compared to 17 in the previous period.

The following graph depicts the number of planning and subdivision applications for the York local government area:

#### Heritage

Council has employed a Heritage Consultant to review the Local Planning Policy for Heritage Precincts and Places and the Municipal Heritage Inventory. The first stage of the review has commenced and in the near future be the subject of community and landowner consultation.

A grant application was also successful for the development of a Conservation Plan for the York Cemeteries. A consultant has been appointment and work is scheduled to commence on this project in September 2013.

#### Compliance

Compliance inspections have continued as part of Council's Compliance Program, with all planning approvals monitored to ensure that it is completed in accordance with the conditions of approval. Where non-compliances are identified, appropriate action is taken in consultation with the owner/applicant. Unfortunately in some cases leads to the instigation of legal action.

The legal budget for the planning section is unfortunately increasing exponentially and in this period was 200% greater than planned that was due to a number of complex and lengthy court cases, which included a successful prosecution under the provisions of the York Town Planning Scheme No. 2 for erection and display of illegal advertising signage.

#### Health

Council's Environmental Health Officers, Mr Gordon Tester, Mr George Johnson and Ms Judith Anderson are responsible for monitoring various aspects of public health within the Shire. This includes the inspection of food premises, public buildings, lodging houses, caravan park, public swimming pools, septic installations and offensive trade monitoring.

Activities also include the licensing of stall holder applications and the approval of public events and trading in public places.

Council continued to monitor the structural and operational aspects of all premises to ensure compliance with the requirements of relevant legislation.

These duties are also undertaken on a contract basis for the Shires of Tammin, Quairading and Cunderdin and Beverley.

#### **Effluent Disposal Systems**

Twenty effluent disposal systems were approved for installation in 2012/2013.

Several existing effluent disposal systems failed and were required to have rectification works.

The progressive installation of reticulated sewer within the town site is required to overcome these problems and to facilitate the development of unit development and smaller residential blocks.

#### Registered and Licensed Premises

The following premises are currently operating in the Shire;

| Offensive Trades | 1  |
|------------------|----|
| Public Buildings | 16 |
| Food Premises    | 46 |
| Licensed Hotels  | 5  |
| Lodging Houses   | 19 |

Additionally there are 8 Bed and Breakfast businesses that are not required to be registered under the Health Act 1911.

#### **Forrest Oval Wastewater Recycling Scheme**

A hydro-met chlorine treatment facility was installed at the Forrest Oval Sporting Complex to provide an additional treatment facility for the treatment of effluent wastewater from the Water Corporation sewerage ponds for irrigation of Forrest Oval.

The Shire is responsible for conducting monthly samples of recycled wastewater to ensure that the microbiological count remains within safe levels.

#### **Food Safety**

The Shire of York offers a free Online Food Safety Training course to assist food businesses to meet their food safety training requirements under the *Food Act 2008*.

The Online Food Safety Training was developed by Environmental Health Australia and is being used extensively throughout Australia.

The total number of users of the free Online Food Safety Training is 342.

Food businesses in the Shires of Quairading, Cunderdin, Tammin and Beverley also have access to this free Online Food Safety Training course.

#### **Built Environment**

The storm event of January 29, 2011 resulted in significant damage to 127 homes with several homes and outbuildings requiring complete demolition.

While the majority of storm affected houses have been satisfactorily repaired or demolished, there remains however several buildings that still require their owners to implement a repair or demolish strategy.

The former Avon Valley Tyres building on the corner of Henrietta St and Avon Terrace was demolished and the site cleared.

Extensive testing of the former power house site foundations has commenced to establish a hazard free residential building site.

#### **Swimming Pools**

#### York War Memorial Public Swimming Pool

The York War Memorial Public Swimming Pool was inspected and sampled monthly over the swimming pool season for November to April.

Samples of the swimming pool water are sent for analysis to a Perth laboratory to ensure they meet the required microbiological and bacteria standards.

Swimming pool manager Bill Livingstone continues to do an excellent job managing and maintaining the pool.

Work for the Dole recipients were contracted to paint the ablution block and upgrade shade shelters and other structures.

#### **Privately Owned Public Pools**

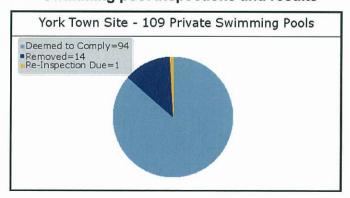

The Department of Health conducted an audit of all privately owned public swimming pools in the Shire resulting in several premises choosing to close their pools to members of the public pending future upgrading of their facilities.

The Shire of York currently has one Department of Health approved privately owned public pool.

#### **Private Swimming Pools**

The Shire of York is required to inspect all private swimming pools within its District at least once in every 4 year period. The results of the 2012/2013 inspections are outlined below.

#### Swimming pool inspections and results

Out of the 109 pools that were inspected in the York Town Site, only 18 were deemed to comply at the first inspection, a further 76 after the second inspection with 1 outstanding. 14 Pools were removed.

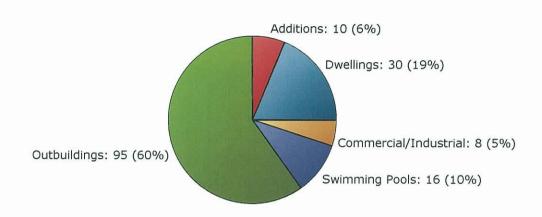

#### Building

Council's Officers audit building works to ensure compliance with the approved plans and to ensure that all work is carried out to the necessary standard.

In 2012/2013 the Building Control Section of the Council processed 159 building applications and 6 demolition applications.

These applications were split into the following categories:

### **Building Approvals 12/13**

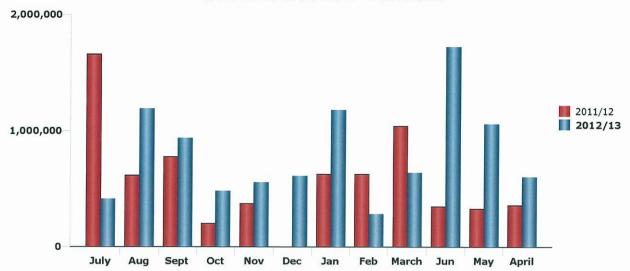

The percentage split is similar to previous years with a slight increase in commercial applications.

#### Comparison table for previous years are as follows:

|              | 2012/13 | 2011/12 | 2010/11 | 2009/10 | 2008/09 | 2007/08 | 2006/07 |
|--------------|---------|---------|---------|---------|---------|---------|---------|
| Dwellings    | 30      | 21      | 30      | 16      | 22      | 46      | 42      |
| Additions    | 10      | 12      | 50      | 22      | 23      | 30      | 60      |
| Outbuildings | 95      | 89      | 97      | 77      | 78      | 124     | 75      |
| S/Pools      | 16      | 7       | 13      | 2       | 10      | 8       | 10      |
| Commercial   | 8       | 10      | 7       | 2       | 7       | 10      | 4       |
| Total        | 159     | 139     | 197     | 119     | 140     | 218     | 191     |

The number of Building Permits issued has increased over the previous 3 years average, excluding the 10/11 financial year, which had inflated figures due to storm damage.

#### **Construction Values**

The approximate value of building works in the Shire was \$18.9 million, up 169% in value, from \$7.023 million in 2011/2012 and up %15.9 in value from \$16.3 million in 2010/11.

The value of the total amount of construction increased by approximately 14.3%. This is a small increase over the previous financial year. However when the corrected "works value" figures are reviewed it can be seen that there was an increase in the number of larger projects, particularly in the number of dwellings approved which increased by 42.8%.

In the 2012/2013 there has been an increase in workload due to increased number of larger projects being assessed and the new Building Regulation and processes undergoing constant modification after experiencing implementation difficulties.

The introduction of Privately Certified applications has not impacted on the workloads within the Shire of York.

The increase in the requirement for Continued Professional Development Points (CPD), by the Building Commission will place an additional load on existing resources. It is estimated that CPD will require training of the equivalent of 1-1.5 days per month.

#### **Waste Collection & Disposal**

The Council again participated in the "drum MUSTER" program. This nationwide program provides for the collection and disposal of used farm chemical containers. A new collection yard was located adjacent to the transfer station and collections are received regularly. A total of 3692 drums were collected under the program this year slightly higher than the amount collected last year.

Council continued with its participation in the Mobile Muster program. This program was initiated to ensure that mobile phones and their accessories are recycled. Collection points for mobiles are located at the Shire Administration Office and the waste transfer station. Approximately 12 kg of disused mobile phones were collected.

A total of 1198 tonnes of waste were transported to the Shire of Northam landfill site for the 2012/13 financial year. This is 684 Tonnes less waste than the 2011/12 financial year.

A total of 361 tonnes of recyclable material and many litres of waste oil were also recycled during the year.

Electronic waste was collected and recycled with funding for this activity having been obtained from Municipal Funds.

The skip bin service offered to residents with a bin service continues to be popular.

The bulk waste pick-ups which were introduced in 2007 continue to be well received.

Council has extended the bulk pick up service twice yearly to the Greenhills and Kauring Townsites.

#### **Building Construction and Maintenance**

The Council continues to maintain and improve its assets. Major projects this year included:

- Netball Shed
- Shade Shelters Candice Bateman Park
- Softfall replacement at Avon Park
- Bowling Greens and Shelters

#### Ranger Services

Council Rangers have continued to provide Ranger Services to the Shires of Kellerberrin, Tammin, Cunderdin, Beverley and Quairading. They provide regular patrols in these towns and are responsible for responsible dog ownership, stock control, animal welfare, litter/illegal dumping control, illegal camping, illegal off-road usage, snake removal and fire control.

Ranger Services are still responsible for the compliance of the legislation relating to the Bush Fire Act 1954, Regulations and Local Laws. Council Rangers conducted pre-firebreak property inspections throughout York in September and October 2012 and sent out approx 500 letters to residents to ensure that compliance of firebreaks were completed by the due date. Those property owners who failed to comply were infringed accordingly.

The issuing of fire permits during the restricted burning period and the management of the permits in relation to who was burning and when was also completed by the Rangers. This resulted in the number of permit burns getting away reduced to zero and less incidents of the fire brigade having to turn out unnecessarily.

Animal Control has also been a priority with educating people on the responsibilities of animal ownership. The occurrence of dogs wandering from their properties or not kept on a lead in public has reduced dramatically with regular patrols and public education. Council Rangers have been vigilant on dog registrations by completing numerous property registration checks.

There were approximately 650 dogs registered in the Shire. The number of dogs impounded during the year was down on previous years with more dog owners being responsible and ensuring their name and phone number was on their dog's tag.

Parking in no parking areas has been closely monitored by the Ranger Services with particular concentration on the disabled parking bays on Avon Terrace and York District High School "children's drop off zone".

Straying stock on the roads has also been a contentious issue with owners needing to ensure their fencing is adequate to keep their stock within.

Council purchased a number of security cameras which have been placed at various locations around the town site. The implementation of these cameras has seen the cost to Council for damage, vandalism and illegal dumping decrease dramatically.

#### **Disability Access and Inclusion Plan**

Council continues to make progress on the Disability Access and Inclusion Plan (DAIP) which was adopted by Council on 16<sup>th</sup> July 2007. A series of objectives and strategies were included in the DAIP along with a list of 10 recommendations for the delivery and monitoring of initiatives and strategies included in the plan. Council staff will work on an ongoing basis over the coming years to implement those recommendations.

Council actively pursued and authorised the option of installing an external lift to access the upper floor of the York Town Hall with this project being satisfactory completed.

The lift open day was a success with Mr Mark Hutson from the Disability Services Commission being the first person in a wheelchair to access the Council Chambers in 100 years.

A full review of Council's Disability Access Plan has been undertaken with community consultation in 2012 and a revised plan was submitted for approval to the Disability Services Commission and approved.

This plan is available for perusal on Council's website.

#### **WORKS & SERVICES SECTOR**

#### Staff

The Council's works staff continues to undertake various work activities ranging from mowing grassed areas to constructing and sealing regional roads.

The Depot Workforce for 2012/2013 was:

Glen Jones Ricky Thompson Leonie Kempin Robert Mackenzie Peter Atkins **Neil Thomas** Robbie Windsor Les Burrow Richard Smith Glen Plaisted Trevor Barrett Michael Ashworth Leigh Tait Clint Strickland Richard Holmes Christian Chadwick

#### **Plant**

The Council purchased/replaced the following plant items in this reporting period.

- Kubota Tractor with Loader Assembly
- Metro Road Side Traffic Counters

#### **Capital Works**

#### Roads to Recovery

2012/13 was the fourth year of Stage 3 of the federally funded Roads to Recovery Programmes.

Specific road works undertaken through Roads to Recovery Funding in 2012/13 included the following:

| Mokine Road      | \$104,375 |
|------------------|-----------|
| Talbot West Road | \$141,198 |
| Greenhills Road  | \$ 35,969 |
| Talbot Road      | \$ 22,239 |
| Quellington Road | \$ 70,641 |

#### **Regional Roads**

The Western Australian Government provided \$272,097 for works on designated regional roads and Council provided an additional contribution of \$107,985.

Works were undertaken on:

York-Tammin (Goldfields) Road – Widen and upgrade to 7 metre seal, plus reseals – \$380,082.

#### **Black Spots**

Re-alignment of the Ovens Road / Qualen West Road intersection was completed as a Blackspot project in 2012/13 at a total cost of \$55,903.

#### **Municipal Fund**

In addition to the works mentioned above Council expended a further \$1,312,415 on transport based works and services which included street cleaning, tree lopping, road & bridge maintenance, road construction, gravel purchases, sealing & re-sealing, culverts & drainage and car park maintenance & construction.

Major Works undertaken were:

| Road Maintenance      | \$ 593 | .515 |
|-----------------------|--------|------|
| Ashworth Road         |        | ,836 |
| Quellington Rd        | \$ 65  | ,709 |
| Avon Terrace          | \$ 87  | ,560 |
| South Street          | \$ 57  | ,323 |
| Greenhills South Road | \$ 15  | ,582 |
| Qualen West Road      | \$ 13  | ,207 |
| Newcastle Street      | \$ 51  | ,102 |
| Lowe Street           | \$ 26  | .055 |

It is programmed that similar levels of expenditure will be in place for the next three (3) years with some increased funding for regional roads and bridges.

Over the past few years the Council has significantly increased its expenditure on asset preservation for roads and this preservation effort must be continued if the road network is to be sustainable.

#### Main Roads WA Project

Shire staff completed a trial project to widen a 4km section of the York/Merredin Road to a total cost of \$546,098 with a further 10km programmed for 2013/14.

#### **Private Works**

Private works income generated in response to works requests amounted to \$30,612. The Council is conscious that its involvement in private works will not be at a detriment to its own works program and of our local contractors.

#### Recreation Facilities

During 2012/13 beautification and landscaping to the surrounds of the York Recreation and Convention Centre commenced. This included paving, fencing, sport bench seating, amphitheatre seating, lawn areas, netball shed and shade as well as shade shelters for the bowling greens. The York Recreation & Convention Centre was granted an unrestricted Tavern Licence in February 2013 providing the bar/café/restaurant the opportunity to offer a full hospitality service to the York sports clubs and the wider community.

#### Other recreational facility upgrades include:

| • | Candice Bateman Park, new shade shelter   | \$ 4,731 |
|---|---|----------|
| • | Avon Park Playground, replace and/or repair damaged: - sail shades, soft fall, playground equipment | \$14,462 |
| • | Swimming Pool, new chlorine shed  | \$10,148 |

#### COMMUNITY

#### **Australia Day Breakfast**

This year's Australia Day celebration was blessed with perfect weather and saw a large crowd of more than 400 enjoyed a great Aussie breakfast in the park and to celebrate being Australian.

The York Young Men's Volunteer Group, assisted by many wonderful volunteers, cooked and served bacon, eggs and sausages from 7.30am whilst the Salvation Army provided tea, coffee and cold drinks.

#### A very large thank you is extended to the following people:

- York District High School 2013 Head Boy Brody Bauer and Head Girl Emily Sherry for performing their first official duties in raising the flags at the beginning of the ceremony.
- York & Districts Community Bank Branch of the Bendigo Bank for their continued support and the donation of the financial rewards for the winners of the Sports Awards.
- York IGA for providing all the food, plates, cutlery, bread and drinks for the breakfast.

- York Volunteer Workers for assisting with breakfast.
- York First Scout Group and York Canning Bridge Rotary for their support with the breakfast.
- Frank Dols for providing the music and sound system.
- Salvation Army for their provision of hot and cold beverages.
- York Honours Committee –Tim Hooper, Wayne Collins, Delys Sherry, Pat Hooper, Graeme Hunt, John Weeks, Gail Maziuk
- Nice & Easy Singers for the national anthem and entertainment.
- Individuals clubs and organisations who nominated people for the awards.
- The Community of York for attending.
- York Shire Council for ongoing commitment to the Australia Day event.
- Avon Waste for their provision of clean wheelie bins for the kid's games and extra bins for rubbish.
- York Shire Works staff for the high level of presentation of the park and for their involvement.

#### **Australia Day Awards**

The York Shire Council congratulates the winners and all nominees for the following awards.

#### Junior Citizen of the Year

#### Nominees:

Emily Jane Mott-Hogan

Winner: Emily Jane Mott-Hogan

#### Citizen of the Year

#### Nominees:

Harold (Richard) Boultbee, Bernie Finestone, Tess Earnshaw, Guydon Boyle.

Winner: Harold (Richard) Boultbee

#### Junior Sports Star of the Year

#### Nominees:

Marshall Jones, Reilly Joyce, Jake Duperouzel

Winner: Jake Duperouzel

#### Sports Star of the Year

Nominees:

Adrian Lister, Mark Palumbo, Sue Chapman

Winner: Adrian Lister

#### **Community Group or Event**

Nominees:

Ride for Zoe, York Children's Party, York Motorcycle Festival

Winner: Ride for Zoe (Guydon Boyle)

#### **Appreciation**

I would like to thank all staff of the Shire of York for their loyal and dedicated service during the period under review. I believe the Shire and its residents are well served by their employees many of who go to great lengths to provide services to the public in their role as a Council officer.

**RAY HOOPER**

# **FINANCIAL REPORT**

# FOR THE YEAR ENDED 30th JUNE 2013

# LOCAL GOVERNMENT ACT 1995 LOCAL GOVERNMENT (FINANCIAL MANAGEMENT) REGULATIONS 1996

# STATEMENT BY CHIEF EXECUTIVE OFFICER

The attached financial report of the Shire of York being the annual financial report and supporting notes and other information for the financial year ended 30th June 2013 are in my opinion properly drawn up to present fairly the financial position of the Shire of York at 30th June 2013 and the results of the operations for the financial year then ended in accordance with the Australian Accounting Standards and comply with the provisions of the Local Government Act 1995 and the Regulations under that Act.

| Sianed | las | authorisation | of issue of | on the | 21 | day of | November | 2013. |

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE 2013

# 1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this financial report are presented below and have been consistently applied unless stated otherwise.

## 1.1 Basis of Preparation

The financial report is a general purpose financial statement which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the local Government Act 1995 and accompanying regulations.

Except for cash flow and rate setting information, the report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of the selected non-current assets, financial assets and liabilities.

# **Critical Accounting Estimates**

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

### 1.2 The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements, but a separate statement of those monies appears at Note 9 to these financial statements.

# 1.3 Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to the ATO, is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the ATO, are presented as operating cash flows.

# 1.4 Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in the statement of financial position.

# 1.5 Trade and Other Receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectibility of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE 2013

# 1. SIGNIFICANT ACCOUNTING POLICIES

### 1.6 Inventories

### 1.6.1 General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

### 1.6.2 Land Held for Resale

Land purchased for development and/or resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in the statement of comprehensive income at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for resale is classified as current except where it is held as non-current based on Council's intention to release for sale.

### 1.7 Fixed Assets

Each class of fixed assets is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation or impairment losses.

### 1.7.1 Mandatory Requirement to Revalue Non-Current Assets

Effective from 1 July 2012, the Local Government (Financial Management) Regulations were amended and the measurement of non-current assets at fair value became mandatory.

The amendments allow for a phasing in of fair value in relation to fixed assets over three years as follows;

- (a) for the financial year ending on 30 June 2013, the fair value of all of the assets of the local government that are plant and
- (b) for the financial year ending on 30 June 2014, the fair value of all of the assets of the local government -
  - (i) that are plant and equipment; and
  - (ii) that are -
    - (I) land and buildings; or
    - (II) infrastructure; and
- (c) for a financial year ending on or after 30 June 2015, the fair value of all of the assets of the local government.

Thereafter, in accordance with the regulations, each asset class must be revalued at least every 3 years.

Council has commenced the process of adopting Fair Value in accordance with the Regulations.

Relevant disclosures, in accordance with the requirements of Australian Accounting Standards, have been made in the financial report as necessary.

# 1.7.2 Land Under Control

In accordance with local Government (Financial Management) Regulation 16 (a), the Council is required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of State or regional significance.

Upon initial recognition, these assets were recorded at cost in accordance with AASB 116. They were then classified as Land and revalued along with other land in accordance with other policies detailed in this Note.

Whilst they were initially recorded at cost, fair value at the date of acquisition was deemed cost as per AASB 116.

Consequently, these assets were initially recognised at cost but revalued along with other items of Land and Buildings at 30 June 2013.

# 1.7.3 Initial Recognition

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable future economic benefits associated with the item will flow to the Council and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in the statement of comprehensive income in the period in which they are incurred.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE 2013

### 1. SIGNIFICANT ACCOUNTING POLICIES

### 1.7.4 Revaluation

Revalued assets are carried at their fair value being the price that would be received to sell the asset, in an orderly transaction between market participants at the measurement date.

For land and buildings, fair value will be determined based on the nature of the asset class. For land and non-specialised buildings, fair value is determined on the basis of observable open market values of similar assets, adjusted for conditions and comparability at their highest and best use (Level 2 inputs in the fair value hierarchy).

With regards to specialised buildings, fair value is determined having regard for current replacement cost and both observable and unobservable costs. These include construction costs based on recent contract prices, current condition (observable Level 2 inputs in the fair value hierarchy), residual values and remaining useful life assessments (unobservable Level 3 inputs in the fair value hierarchy).

For infrastructure and other asset classes, fair value is determined to be the current replacement cost of an asset (Level 2 inputs in the fair value hierarchy) less, where applicable, accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired future economic benefits of the asset (Level 3 inputs in the fair value hierarchy).

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases in the same asset are recognised against revaluation surplus directly in equity. All other decreases are recognised as profit or loss.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

Those assets carried at a revalued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and accumulated impairment losses, are to be revalued with sufficient regularity to ensure the carrying amount does not differ materially from that determined using fair value at reporting date.

In addition, the amendments to the Financial Management Regulations mandating the use of Fair Value, imposes a further minimum of 3 years revaluation requirement. As a minimum, all assets carried at a revalued amount, will be revalued at least every 3 years.

# 1.7.5 Transitional Arrangement

During the time it takes to transition the carrying value of non-current assets from the cost approach to the fair value approach, the Council may still be utilising both methods across differing asset classes.

Those assets carried at cost will be carried in accordance with the policy detailed in the *Initial Recognition* section as detailed above.

Those assets carried at fair value will be carried in accordance with the Revaluation methodology section as detailed above.

# 1.7.6 Early Adoption of AASB 13 - Fair Value Measurement

Whilst the new accounting standard in relation to fair value, AASB 13 - Fair Value Measurement does not become applicable until the end of the year ended 30 June 2014 (in relation to Council), given the legislative need to commence using Fair Value methodology for this reporting period, the Council chose to earlt adopt AASB 13 (as allowed for in the standard).

As a consequence, the principles embodied in AASB 13 - Fair Value Measurement have been applied to this reporting period (year ended 30 June 2013).

Due to the nature and timing of the adoption (driven by legislation), the adoption of this standard has had no effect on previous reporting periods.

# 1.7.7 Land under Roads

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB1051 - Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

## FOR THE YEAR ENDED 30TH JUNE 2013

# 1. SIGNIFICANT ACCOUNTING POLICIES

### 1.7.8 Depreciation of Non-Current Assets

All non-current assets having a limited useful life (excluding freehold land) are separately and systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

Assets are depreciated from the date of acquisition or, in respect of internally constructed assets, from the time the asset is completed and held ready for use.

Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation periods are:

Buildings 40 years
Furniture and Equipment 8 years
Plant and Equipment 8 years

Infrastructure

Sealed Roads, Streets and Carparks
Unsealed Roads
Condition Rated Annually
Condition Rated Annually

Bridges, Drainage 1.3% Concrete Footpaths, Cycleways, Walkways and Skate Park 50 Years **Brick Footpaths** 25 Years Effluent Systems 20 Years 75 - 80 Years Sewerage Parks Water Pipes and Hydrants 20 Years **Bus Shelters** 20 Years Parks Furniture and Equipment 5 - 20 Years

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with with the carrying amount. These gains and losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

# 1.7.9 Capitalisation Threshold

For reasons of practicality, the following thresholds have been applied, below which any expenditure on assets need not be capitalised:

Land

Expenses totalling less than \$1,000 on any one item in any year need not be capitalised.

Buildings

Expenses totalling less than \$1,000 on any one item in any year need not be capitalised.

Furniture and Equipment

Expenses totalling less than \$1,000 on any one item in any year need not be capitalised.

**Plant and Equipment** 

Expenses totalling less than \$1,000 on any one item in any year need not be capitalised.

# 1.8 Intangible Assets

# 1.81 Easements

The Council has determined that under AASB 138 Intangible Assets, easements are valued on an historical cost basis, because it is unlikely that an active market in easements exists to allow for fair value measurement. Due to acquisition of easements at NIL values, no easements have been included in the financial report.

# 1.9 Financial Instruments

# 1.9.1 Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (ie trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

# 1.9.2 Classification and Subsequent Measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method or at cost.

Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE 2013

# 1. SIGNIFICANT ACCOUNTING POLICIES

Amortised cost is calculated as:

- (a) the amount in which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments;
- (c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method; and
- (d) less any reduction for impairment.

The effective interest rate method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

# (i) Financial assets at fair value through profit and loss

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term. Derivatives are classified as held for trading unless they are designated as hedges. Assets in this category are classified as current. They are subsequently measured at fair value with changes to carrying amount being included in profit or loss.

# (ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

# (iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments and fixed maturities that the Council's management has the positive intention and ability to hold to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Held-to-maturity investments are included in current assets where they are expected to mature within 12 months after the end of the reporting period. All other investments are classified as non-current.

# (iv) Available-for-sale financial assets

Available-for-sale financial assets, are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable.

They are subsequently measured at fair value with changes in such fair value (ie gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to the asset previously recognised in other comprehensive income, is reclassified into profit or loss.

Available-for-sale financial assets are included in current assets where they are expected to be sold within 12 months after the end of the reporting period. All other available-for-sale financial assets are classified as non-current.

# (v) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

# 1.9.4 Impairment

At the end of each reporting period, the Council assesses whether there is objective evidence that a financial instrument has been impaired.

A financial asset is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events having occurred, which will have an impact on the estimated future cash flows of the financial asset(s).

In the case of available-for-sale financial instruments, a significant or prolonged decline in the market value of the instrument is considered a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified into profit or loss at this point.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

## FOR THE YEAR ENDED 30TH JUNE 2013

# 1. SIGNIFICANT ACCOUNTING POLICIES

### 1.9.5 Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the Council no longer has any significant continued involvement in the risks and benefits associated with the asset

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expire. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

# 1.10 Impairment

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another standard (eg AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other standard.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

# 1.11 Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

# 1.12 Employee Benefits

Provision is made for the Council's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to the employee wage increases and the probability the employee may not satisfy vesting requirements. Those cash flows are discounted using market yields on national government bonds with terms to maturity matching the expected timing of cash flows.

# 1.13 Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

# 1.14 Provisions

Provisions are recognised when:

- a) the Council has a present legal or constructive obligation as a result of past events;
- b) for which it is probable that an outflow of economic benefits will result; and
- c) that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

# NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

## FOR THE YEAR ENDED 30TH JUNE 2013

# 1. SIGNIFICANT ACCOUNTING POLICIES

### 1.15 Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Council, are classified as finance leases.

Finance leases are capitalised recording an asset and a liability at the lower amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

### 1.16 Investments in Associates

Associates are entities in which the Council has significant influence through holding, directly or indirectly, 20% or more of the voting power of the Council. Investments in associates are accounted for in the financial statements by applying the equity method of accounting, whereby the investment is initially recognised at cost and adjusted thereafter for the post-acquisition change in the Council's share of net assets of the associate entity. In addition, Council's share of the profit or loss of the associate entity is included in the Council's profit or loss.

The carrying amount of the investment includes goodwill relating to the associate. Any discount on acquisition, whereby the Council's share of the net fair value of the associate exceeds the cost of investment, is recognised in profit or loss in the period in which the investment is acquired.

Profits and losses resulting from transactions between the Council and the associate are eliminated to the extent of the Council's interest in the associate.

# 1.17 Joint Venture

The Council's interest in a joint venture has been recognised in the financial statements by including its share of any assets, liabilities, revenues and expenses of the joint venture within the appropriate line items of the financial statement. Information about the joint venture is set out in Note 21.

The Council's interest in joint venture entities are recorded using the equity method of accounting (refer to Note 1(p) for details) in the financial report.

When the Council contributes assets to the joint venture or if the Council purchases assets from the joint venture, only the portion of gain or loss not attributable to the Council's share of the joint venture shall be recognised. The Council recognises the full amount of any loss when the contribution results in a reduction in the net realisable value of current assets or an impairment loss.

# 1.18 Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions.

Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

Where contributions recognised as revenues during the reporting period were obtained on the condition that they be expended in a particular manner or used over a particular period, and those conditions were undischarged as at the reporting date, the nature of and amounts pertaining to those undischarged conditions are disclosed in Note 4.2. That note also discloses the amount of contributions recognised as revenues in a previous reporting period which were obtained in respect of the local government's operation for the current reporting period.

# 1.19 Superannuation

The Council contributes to a number of superannuation funds on behalf of employees. All funds to which the Council contributes are defined contribution plans.

# 1. SIGNIFICANT ACCOUNTING POLICIES

# 1.20 Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non-current based on Council's intentions to release for sale.

# 1.21 Rounding Off Figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar.

# 1.22 Comparative Figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When the Council applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statement, a statement of financial position as at the beginning of the earliest period will be disclosed.

# 1.23 Budget Comparative Figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

# 1.24 New Accounting Standards and Interpretations for Application in Future Periods

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the Council.

Management's assessment of the new and amended pronouncement that are relevant to the Council, applicable to future reporting periods and which have not yet been adopted are set out as follows.

| Impact          | Nil – The objective of this Standard is to improve and simplify the approach for classification and measurement of financial assets compared with the requirements of AASB 139. Given the nature of the financial assets of the Council, it is not anticipated the standard will have any material effect. | Nil – The revisions embodied in this standard give effect to the consequential changes arising from the issuance of AASB 9 which is not anticipated to have any material effect on the Council (refer (i) above). | Nil – The revisions embodied in this standard give effect to the consequential changes arising from the issuance of AASB 9 which is not anticipated to have any material effect on the Council (refer (i) above).  | Nii - None of these, except for AASB 128, are expected to have significant application to the operations of the Council. With respect to AASB 128, where the Council has an interest in a Joint Venture, the requirements of AASB 128 supercede those of the current Joint Venture Standard AASB 131. The new standard more clearly defines the accounting treatment and disclosure in relation to it. Due to the nature of the Joint Venture, it is not expected to have a significant impact on the Council. |

# 1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

# 1.24 New Accounting Standards and Interpretations for Application in Future Periods

| Impact          | The main change embodied in this standard is the requirement to group items presented in other comprehensive income on the basis of whether they are potentially reclassifiable to profit or loss subsequently. It effects presentation only and is not expected to significantly impact the Council. | The changes in relation to defined benefit plans contained in this standard are not expected to significantly impact the Council nor are the changes to AASBs in relation to termination benefits.                    | Principally amends AASB 7: Financial Instruments: Disclosures to require entities to include information that will enable users of their financial statements to evaluate the effect or potential effect of netting arrangements, including rights of set-off associated with the entity's recognised financial assets and recognised financial liabilities, on the entity's financial position. This Standard is not expected to significantly impact on the Council's financial statements. | This Standard adds application guidance to AASB 132: Financial Instruments: Presentation to address potential inconsistencies identified in applying some of the offsetting criteria of AASB 132, including clarifying the meaning of "currently has a legally enforceable right of set-off" and that some gross settlement systems may be considered equivalent to net settlement. This Standard is not expected to significantly impact on the Council's financial statements. | Outlines changes to the various standards and interpretations as listed. These topics are not currently relevant to Council, nor are they expected to be in the future. As a consequence, this Standard is not expected to significantly impact on the Council's financial statements. |

It is not

(\*) Applicable to reporting periods commencing on or after the given date.

During the current year, the Council adopted all of the new and revised Australian Accounting Standards and Interpretations which became mandatory and which were applicable to its operations.

These new and revised standards were:

AASB 2010 – 8 AASB 2011 - 3 AASB 2011 - 13 The standards adopted had a minimal effect on the accounting and reporting practices of the Council as they were either largely editorial in nature, were revisions to help ensure consistency with presentation, recognition and measurement criteria of IFRSs or related to topics not relevant to operations.

The Council also chose to early adopt AASB 13 - Fair Value Measurement as allowed for in the standard. For further details with respect to this early adoption, refer to Note 1.7

# 2 REVENUES AND EXPENSES

# 3 DESCRIPTION OF FUNCTIONS/ACTIVITIES

# **Description of Programs**

# **GENERAL PURPOSE FUNDING**

Rates, general purpose government grants and interest revenue.

### GOVERNANCE

Members expenses and the costs associated with meetings of Council, policy determination and public ceremonies and presentations and administration allocations.

# LAW, ORDER AND PUBLIC SAFETY

Supervision of local laws, fire prevention including the provision of volunteer fire brigades, animal control and the support of local emergency and public safety organisations.

# HEALTH

Food quality control, immunisation, environmental health and support to the medical practice and practitioners.

# **EDUCATION & WELFARE**

Building maintenance of Pioneer Memorial Lodge (leased Aged Care facility) and Centennial Units which are a joint venture with Homeswest providing self contained units to over 55's. Support to youth based initiatives.

# HOUSING

Maintenance of staff and rental housing.

# **COMMUNITY AMENITIES**

Rubbish collection services, management of waste facilities, noise control, administration of the Town Planning Scheme, maintenance of cemeteries and storm water drainage maintenance.

# RECREATION AND CULTURE

Maintenance of halls, aquatic centre, recreation centre and various reserves. Operation of the library and support to and maintenance of the Residency Museum.

# **TRANSPORT**

Construction and maintenance of roads, bridges, footpaths, drainage works, lighting and cleaning of streets and depot maintenance.

# **ECONOMIC SERVICES**

Area promotion, support to tourism, building control, the community bus, the Community Resource Centre and standpipes.

# OTHER PROPERTY AND SERVICES

Private works carried out by Council, public works overhead allocations, plant operation cost allocations and stock.

# Details of Revaluation of assets

Persuant to Local Government (Financial Management) Regulation 17A(3) the Shire, as at 30 June 2013, has measured the following asset categories at fair value:

# Furniture and Equipment

The office furniture and equipment currently on the Shire asset register was identified during the stocktake and is replaced on a regular basis. Based on the above, the cost approach is deemed to be the most appropriate and a very conservative fair value measurement and as a result revaluation was not required.

# nt and Equipment

A stocktake of Plant and Equipment was undertaken in 2013, resulting in non existing items, predominantly old items that had been fully depreciated or could not be found being written off and any item below the value of \$1000 threshold was removed from the asset register. The items were internally valued through the use of external suppliers which resulted in a decrease in written down value of -\$1,870,473.

# Roads Infrastructure

in the case of roads a full road asset network valuation was undertaken by external consultants. The fair value is determined as the Current Replacement Cost (CRC) less accumulated depreciation to reflect the already consumed or expired future economic benefits. This approach is consistent with AASB 116. The valuation as detailed above has been adopted as the fair value by the Shire of York.

# **6 BORROWINGS INFORMATION**

# 6.1 Loan Borrowings

# The Objects and Reasons for General and Minimum Rate

All land except exempt land in the Shire of York is rated according to its Gross Rental Value (GRV) in Townsites or Unimproved Value (UV) in the remainder of the Shire.

The General Rafes detailed above for the 2012/2013 financial year have been determined by the Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rafes.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of Council's services and facilities.

# 11 SPECIFIED AREA RATES

No Specified Area Rates were levied during 2012/2013.

# 12 SERVICE CHARGE

No Service Charges were imposed during 2012/2013.

# 13 INFORMATION ABOUT DISCOUNTS, INCENTIVES, CONCESSIONS AND WRITE OFFS

Pursuant to Sections 6.4 and 6.12 of the Local Government Act 1995, Council may, when adopting the Annual Budget, grant an incentive or discount for the early payment of Rates and Charges.

# 13.1 Discount on Rates and Service Charges

The Council did not offer a discount on rates.

### 13.2 Incentive Scheme (Rates)

Council, with the support of the following businesses, allowed those property owners who paid their rates levy by the due date specified on the rates notice to participate in a draw for the following prizes.

1st Prize \$1,000 Bank Account with the York and Districts Community Bank Branch - Sponsored by the Shire and Bendigo Bank

2nd Prize \$200 worth of unleaded fuel, sponsored by Fuel Distributors WA.

3rd Prize Aspen Park - 1 night's accommodation in a family cabin up to the value of \$200.

4th Prize Four tickets to the Western Australian Symphony Orchestra for Rachmaninov & The Ring, 1st December 2012.

### 13.3 Concessions

Council offered subsidised hall and recreation centre hire to approved community groups. Council considers the support of these groups necessary for the overall benefit of the community. Approved groups paid \$66 per day, or \$330 per year where they used the venue on a regular basis for a period of 16 times within the year.

### 13.4 Write Offs

In accordance with Section 6.12 of the Local Government Act 1995 and Financial Management Regulation 42, details of debts written off by the Council during the financial year are as follows;

| Actual          |                              | Actual 2012/13 |
|-----------------|------------------------------|----------------|

# 14 INTEREST CHARGES FOR THE LATE PAYMENT OF RATES AND OTHER DEBTS

# 14.1 Interest Charge for Late Payment of rates

Pursuant to Section 6.51 of the Local Government Act and Financial Management Regulation 43(a) Council imposed the following rate of interest applicable for the late payment of rates and service charges and applied as follows:

(a) Where no election has been made to pay the rate charge by instalments,

(i) after it becomes due and payable;

(ii) 35 days after the date of issue of the rate notice

which ever is the later.

(b) Where an election has been made to pay the rate charge by instalments and an instalment remains unpaid after it is due and payable.

The rate of interest applied is 11% and the revenue from the imposition of the interest amounted to \$90,914

# 14.2 Interest and other charges for the payment by instalments

Pursuant to Section 6.45 of the Local Government Act and Financial Management Regulation 43(c) the due dates of each instalment was as follows:

1st Instalment Tuesday, 11 September 2012
2nd Instalment Tuesday, 13 November 2012
3rd Instalment Tuesday, 15 January 2013
4th Instalment Tuesday, 12 March 2013

The charges applicable for participation in the instalment scheme were as follows;

Interest Calculated on instalment payments 5.50%
Administration Charge per Instalment \$8

| Actual<br>2011/2012 |  | Budget<br>2012/2013 | Actual 2012/2013 |

#### 23.2 Material Risk from Financial Instruments

Council does not have any material credit risk exposure to any single debtor under any financial instruments entered into.

#### 23.3 Fair Values and Carrying Amounts of Financial Assets and Liabilities

The aggregate net fair values and carrying amounts of financial assets and financial liabilities are disclosed in the notes to and forming part of the Annual Financial Statements.

#### 23.4 Credit Risk

Council's receivables are classified as Rates and Annual Charges, Self Supporting Loans and General Debtors. Rates and Annual Charges are charges that are considered as charges against the property and as such are considered being secured by the Property to which they relate. Council accounts for Self Supporting Loans as part of its current receivables as and when payments fall due, amounts due in future years are shown as non-current.

Self Supporting Loans shown as debtors represent the repayments of a loan that Council has drawn on behalf of a Community Group. Council's General Debtors include receivables for goods and services provided to members of the community, government departments and businesses. Council has exposure to credit risk in that debtors may not be able to meet their commitments to repay debts. Council reviews its outstanding debts regularly and commences a variety of recovery techniques in accordance with its Debt Recovery Procedures. Council reviews outstanding debts annually and provides a provision should debts become doubtful.

#### 23.5 Market Risk

The Council invests funds that are not required immediately in Financial Instruments such as Term Deposits. The Council may be subject to interest rate risk in that future cash flows may fluctuate because of changes in market interest rate.

| Actual    |  | Actual    |
|-----------|--|-----------|
| 2011/2012 |  | 2012/2013 |
| \$        |  | \$        |
| 29,435    | Impact of 1% Movement in Interest Rates on Investment Earnings (+/-)   | 14,634    |
| 73,588    | Impact of 2.5% Movement in Interest Rates on Investment Earnings (+/-) | 36,585    |

#### 23.6 Liquidity Risk

The maturity analysis for Council's financial liabilities is detailed as follows;

|  | 2011/2012 | Less than<br>1 year | 1 to 5<br>years | Greater than<br>5 years | 2012/2013 |
|--|-----------|---------------------|-----------------|-------------------------|-----------|

## **INDEPENDENT AUDITOR'S REPORT**

### TO: RATEPAYERS OF SHIRE OF YORK

We have audited the financial report of the Shire of York, which comprises the Statement of Financial Position as at 30 June 2013 and the Statement of Comprehensive Income by Nature or Type, Statement of Comprehensive Income by Program, Statement of Changes in Equity and Statement of Cash Flows and Rate Setting Statement for the year ended on that date and a summary of significant accounting policies and other explanatory information and the Statement by Chief Executive Officer.

### Management's Responsibility for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards, the Local Government Act 1995 (as amended) and the Local Government (Financial Management) Regulations 1996 (as amended) and for such internal controls as management determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. Our audit has been conducted in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with the relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Council's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Independence

In conducting our audit, we followed applicable independence requirements of Australian professional accounting bodies.

### **INDEPENDENT AUDITOR'S REPORT (Cont'd)**

#### **Auditor's Opinion**

In our opinion, the financial report of the Shire of York:

- (a) gives a true and fair view of the financial position of the Shire of York as at 30 June 2013 and of its financial performance for the year ended on that date; and
- (b) complies with the Local Government Act 1995 (as amended), the Local Government (Financial Management) Regulations 1996 (as amended) and the Australian Accounting Standards.

## Report on Other Legal and Regulatory Requirements

In accordance with the Local Government (Audit) Regulations 1996, we also report that:

- (a) There are no matters that in our opinion indicate significant adverse trends in the financial position or financial management practices of the Council.
- (b) There are no matters indicating non-compliance with Part 6 of the Local Government Act 1995 (as amended), the Local Government (Financial Management) Regulations 1996 (as amended) or applicable financial controls of any other written law were noted during the course of our audit.
- (c) The asset consumption ratio and the asset renewal funding ratio included in the annual financial report (Note 26 of the annual financial report) are supported by verifiable information and reasonable assumptions.
- (d) All necessary information and explanations were obtained by us.
- (e) All audit procedures were satisfactorily completed in conducting our audit.

## Matters Relating to the Electronic Publication of the Audited Financial Report

This auditor's report relates to the financial report of Shire of York for the year ended 30 June 2013 included on the Shire of York's website. Management is responsible for the integrity of the Shire of York's website. The auditor's report refers only to the subject matter described above. It does not provide an opinion on any other information which may have been hyperlinked to/from these statements. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial report to confirm the information contained in this website version of the financial report.
