

APPENDIX 1: CONSULTATION WITH AFFECTED LAND OWNERS

FOR/AGAINST	COMMENTS	SHIRE COMMENTS
Against	Anything less than a 4 hour parking restriction would not be acceptable.	The parking restrictions do not affect this building.
For	Agrees with the proposal and suggests also to extend the 1 hour parking area to Harvey Street . This is due to horse floats and other large vehicles parking across driveways restricting access to premises in Harvey Street.	Road markings will eliminate this problem eg; "no parking, driveway" .
For	Strongly supports extending the 1 hour parking area along Avon Terrace from Macartney Street to Harvey Street.	Comments noted.
