Shire of York  
PO Box 22  
YORK WA 6302

Cc: Shire of York Council President and Councillors

25 October 2017

Dear Paul,

As you are aware we are looking to commence demolition and rebuilding of our sub centre on Joaquina St in the near future.

We have two requests which would result in much needed cost saving.

1. Portable fencing – does the shire have fencing that we could loan for the duration or part thereof for the rebuild?
2. Location of site office – are we able to locate our site office on west side of the parking lot between the sub centre and Peace Park for the duration of the rebuild?

Assistance from the Shire of York with these requests would be greatly appreciated as our funding is limited. Further fundraising will be undertaken but any help in reducing costs would be fantastic.

Yours sincerely,

Sue Flynn  
Chairperson  
ST John Ambulance Sub Centre York
