Att: Shire CEO and Councillors

I will be organising the Children's Christmas Party again for 2014. This will be the eighth year organising the event and I was hoping you would consider increasing your sponsorship donation for this year's event.

As you may or may not be aware the event is turning out to be a huge success in York for our local community. The Christmas party is a great time for families to get together to celebrate Christmas. A lovely atmosphere filled with lots of games and entertainment all free for our community.

We ask for an additional \$2000.00 taking your total sponsorship amount to \$6000.00. The event is estimated to cost around \$10,000 to \$12,000. The remaining balance is fundraised or sponsored by the local Bendigo Bank and local businesses.

If you would like to meet or discuss this year's event or sponsorship I would be more than happy to meet with you.

Yours Sincerely

Bernadette Finestone
